NOTICE OF ADOPTION OF ACT BY DAWLISH, DEVONSHIRE.

WHEREAS the Local Government Act, 1858, was on the 9th day of January, 1860, duly adopted by the district of Dawlish, in the county of Devon, within the boundaries of that district, as previously settled for the purposes of the aforesaid Act; and notice of such adoption has been duly given, in writing, to me, as one of Her Majesty's Principal Secretaries of State, as required by such Act; and whereas it has now been duly certified to me that a copy of such notice has been advertised for three successive weeks in Woolmer's Exeter and Plymouth Gazette, that being one of the local newspapers published and circulated in the aforesaid district, and that copies of such notice have also been affixed to the principal doors of each church and chapel in such district, to which notices are usually affixed, and the period of twenty-one days fixed by the said Act for appeal against the resolution for the adoption of the said Act, by such district, has now expired, and no such appeal has been made:

Now, therefore, I, as one of Her Majesty's Principal Secretaries of State, do hereby give notice, that the Local Government Act, 1858, has been duly adopted within the said district of Dawlish, in the county of Devon, and that, in accordance with the provisions thereof, the said Act will, at the expiration of two months from the date of the passing of the aforesaid resolution, have the force of law within such district.

NOTICE TO MARINERS.

(No. 7.)—IRELAND.—EAST COAST.

Alteration of Lights on Blackwater Bank.

THE Port of Dublin Corporation has given notice, that on and after the 1st day of July, 1860, the two lights (the one revolving and the other fixed) at present exhibited from the light-vessel moored off the north-east part of the Blackwater Bank, east coast of Ireland, will be discontinued, and thenceforth a *fixed white* light will be exhibited from the vessel's mainmast. The light will be elevated 33 feet above the level of the sea, and in clear weather should be seen from a distance of about 9 miles. The vessel will carry a *black* ball at her mainmast head.

Alteration of Light on Arklow Bank.

Also, that at the same date, the fixed white light at present exhibited from the light-vessel moored off the south end of the Arklow Bank will be discontinued, and thenceforth a *revolving*

white light, which will attain its greatest brilliancy once in every *minute*, will be exhibited from the vessel's mainmast. The light will be elevated 39 feet above the level of the sea, and in clear weather should be seen from a distance of about 10 miles. This vessel will also carry a *black* ball at her mainmast head.

Alteration of the Height of Lights on Kish Bank.

Also, that on and after the 1st day of July, 1860, the lights at present shown from the fore and mizen masts of the light-vessel moored off the north point of the Kish Bank, at the respective heights of 26 and 25 feet above the level of the sea, will be lowered 6 and 5 feet, or each to the height of 20 feet above that level. The light exhibited from the mainmast will remain, as at present, at a height of 36 feet above the level of the sea, or 16 feet above the level of the two other lights. This vessel will carry a *black* ball at each mast-head.

This alteration is deemed desirable, it having been represented that the lights now exhibited are, when seen in one, liable to be mistaken for a single light.
