

In the Matter of Letters Patent, granted to James Boydell, formerly of Oak Farm Works, near Dudley, Ironmaster, and late of No. 65, Gloucester-crescent, Regent's-park, in the county of Middlesex, but now deceased, and bearing date 29th day of August, in the tenth year of Her Majesty's reign, for "improvements in applying apparatus to carriages to facilitate the draft."

NOTICE is hereby given, that Anna Maria Boydell, of No. 65, Gloucester-crescent, Regent's-park, in the county of Middlesex, Widow, intends as Administratrix, with the Will annexed, of the above-named James Boydell, deceased, the Patentee under and by virtue of the Statutes of 5th and 6th William fourth, cap. 83; 7th and 8th Victoria, cap. 69, and the Patent Law Amendment Act, 1852, to apply to Her Majesty in Council for a prolongation of the term of the said Letters Patent. And notice is hereby further given, that the said Anna Maria Boydell intends as such Administratrix as aforesaid, to apply by Counsel to the Judicial Committee of the Privy Council, on the 23rd day of April now next, or if the said Judicial Committee shall not sit on that day, at the then next sitting of the said Judicial Committee, for a time to be fixed for hearing the matter of the said Petition; and that on or before the said 23rd day of April next, notice must be given of any opposition intended to be made to the said Petition, and any person intending to oppose the said application must lodge a caveat to that effect at the Council Office on or before that day.—Dated this 1st day of March, 1860.

Paine and Layton, Solicitors to the above-named Anna Maria Boydell, Gresham-house, 24, Old Broad-street, London.

Patent Law Amendment Act, 1852.

Office of the Commissioners of Patents for
548. Inventions.

NOTICE is hereby given, that the petition of Hatsel Higgins, of Orleans, on the State of Massachusetts, of the United States of America, praying for letters patent for the invention of "supporting the fluke of an anchor and discharging the same from the bulwark rail of a vessel," was deposited and recorded in the Office of the Commissioners on the 28th day of February, 1860, and a complete specification accompanying such petition was at the same time filed in the said office.

Patent Law Amendment Act, 1852.

Office of the Commissioners of Patents for
Inventions.

NOTICE is hereby given, that provisional protection has been allowed

2449. To John Lewis Prichard, of Dowlais, in the county of Glamorgan, Chemist, for the invention of "a new method of relieving pain in the human body."

On his petition, recorded in the Office of the Commissioners, on the 26th day of October, 1859.

2892. To James Fairclough, of Liverpool, in the county of Lancaster, Cabinet Maker and Upholsterer, for the invention of "improvements in bed-bottoms and other similar structures."

On his petition, recorded in the Office of the Commissioners on the 20th day of December, 1859.

121. To Benjamin Burrows, of Leicester, for the invention of "improvements in looms for weaving narrow fabrics."
