It is Her Majesty's command, that no presentations shall be made at the Levees, except in accordance with the above regulations.

It is particularly requested, that in every case the names be *very distinctly written* upon the cards to be delivered to the Lord Chamberlain, in order that there may be no difficulty in announcing them to The Queen.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the sixth and seventh years of Her Majesty, chapter thirty-seven, sections six and eight, duly prepared and laid before Her Majesty in Council, a scheme, bearing date the twenty-sixth day of April, in the year one thousand eight hundred and sixty, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of your Majesty, chapter thirty-seven, sections six and eight, have prepared, and now humbly lay before your Majesty in Council, the following scheme for authorizing the sale of certain property formerly belonging to the see of Peterborough, and now vested in us.

"Whereas under the provisions of an Order of your Majesty in Council, bearing date the twenty-second day of February, in the year one thousand eight hundred and sixty, and duly published in the London Gazette, on the twenty-fourth day of that month, the lands, tenements, and hereditaments, formerly belonging to the said see of Peterborough, and particularly described in the two parts of the schedule marked B, annexed to the said Order of your Majesty in Council, became vested in us, subject to any legally subsisting lease or leases, grant or grants thereof.

"And whereas application has been made to us for the purchase of all our estate and interest in certain portions of the said lands, tenements, and hereditaments; and after due consideration it appears to us to be expedient that we should be empowered to dispose of our interest therein, or in any part or parts thereof, in such manner as shall appear to us to be advisable:

"We, therefore, humbly recommend and propose, that we may be authorized and empowered

by instrument or instruments in writing duly executed according to law, from time to time to sell, or dispose of, and duly to convey, according to the provisions of the said Act, all or any of the said lands, tenements, hereditaments, or endowments heretofore belonging to the said see of Peterborough, and so vested in us as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council, now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act, and Her Majesty, by and with the like advice is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Peterborough.

**A**T the Court at *Buckingham Palace*, the  
9th day of *June*, 1860,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, and of the Act of the fourth and fifth years of Her Majesty, chapter thirty-nine, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-sixth day of April, in the year one thousand eight hundred and sixty, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, and of the Act of the fourth and fifth years of your Majesty, chapter thirty-nine, have prepared, and now humbly lay before your Majesty in Council, the following scheme for making better provision for the spiritual duties of the chapelry of Moreton Sea, in the parish of Hodnet, in the county of Salop, and in the diocese of Lichfield.

"Whereas Algernon Charles Heber Percy, of Hodnet Hall, in the said county of Salop, Esquire, and Emily Heber Percy, his wife, are the patrons of the rectory of the said parish of Hodnet, and the Reverend Samuel Herrick Macaulay is the Rector or Incumbent of the said rectory, and as such is the patron of the said chapelry of Moreton Sea.

"And whereas the tithes, or rent charges in lieu of tithes, hereinafter mentioned and described,

arising within the said chapelry of Moreton Sea, form part of the endowments of the said rectory of Hodnet, and the patrons of the said rectory and chapelry respectively have signified to us their desire that the arrangements hereinafter mentioned for transferring the patronage of the said chapelry and for apportioning the income of the said rectory between it and the said chapelry should be made, and it appears to us to be expedient that such arrangements should be carried into effect.

“Now, therefore, with the consents of the Right Reverend John, Bishop of Lichfield, of the said Algernon Charles Heber Percy and Emily Heber Percy, his wife, of the Reverend Samuel Herrick Macaulay, Rector or Incumbent of the said rectory of Hodnet, and of the Reverend Robert Upton, Incumbent of the said chapelry of Moreton Sea, testified by their having respectively signed and sealed this scheme, we humbly recommend and propose that upon and from the date of the next avoidance of the said rectory of Hodnet, and without any conveyance or assurance in the law, other than any duly gazetted Order of your Majesty in Council ratifying this scheme, the right of patronage of the said chapelry of Moreton Sea, and of the nomination of the incumbent to the church or chapel thereof, shall be assigned to and become and be absolutely vested in the said Algernon Charles Heber Percy and Emily Heber Percy, his wife, their heirs and assigns, to be from time to time exercised by them, in the same and in as full and ample a manner as the said Algernon Charles Heber Percy and Emily Heber Percy, his wife, are or may be entitled to exercise the right of patronage of the said rectory of Hodnet.

“And we further recommend and propose with the like consents, testified as aforesaid, that upon and from the date of the next avoidance of the said rectory of Hodnet, and without any conveyance or assurance in the law, other than any duly gazetted Order of your Majesty in Council ratifying this scheme as aforesaid, the tithe rent charge or portion of tithe rent charge of five hundred and fifty-five pounds variable according to the provisions of the Acts of Parliament passed for the commutation of tithes in England, for which the tithes arising within the said chapelry of Moreton Sea belonging to the said rectory of Hodnet, have been commuted under the powers of the last-named Acts, together with all other (if any) the tithes or rent charges in lieu thereof, or other commutations for tithes arising within the said chapelry which belong to or form part of the endowments of the said rectory of Hodnet, shall be transferred to and become and be absolutely vested in the then incumbent of the said chapelry of Moreton Sea and his successors incumbents of the said chapelry for ever.

“And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other or further measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament.”

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased

hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Lichfield.

*Arthur Helps.*

AT the Court at *Buckingham Palace*, the 9th day of *June*, 1860,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-sixth day of April, in the year one thousand eight hundred and sixty, in the words following; that is to say:

“We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of your Majesty, chapter thirty-seven, have prepared and now humbly lay before your Majesty in Council the following scheme for compensating the Reverend Francis Bazett Grant, rector or incumbent of the rectory of the parish of Shelton, in the county of Stafford, and diocese of Lichfield, whose emoluments have been diminished by reason of proceedings under the said Act.

“Whereas it has been made to appear to us that the fees, dues, or other emoluments of the said Francis Bazett Grant, as such rector or incumbent as aforesaid, have been diminished by reason of the constitution, under the provisions of the said Act, of the district of Hope, which has since become a new parish under the same Act, and that the assignment to the said Francis Bazett Grant of the sum hereinafter mentioned would be a just and reasonable compensation for such diminution.

“Now, therefore, we humbly recommend and propose that there shall be paid by us to the Reverend Francis Bazett Grant, rector or incumbent of the rectory of the parish of Shelton aforesaid, so long as he shall remain such rector or incumbent, and no longer, the annual sum of eight pounds, by equal half-yearly payments, on the first day of May and the first day of November in each year, by way of compensation for the loss of fees, dues, or other emoluments, sustained by him, as such rector or incumbent, by reason of the formation of the district of Hope, which has since become a new parish, as before mentioned.

“And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, in accordance with the provisions of the said Act, or of any other Act of Parliament.”

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Lichfield.

*Arthur Helps.*

AT the Court at *Buckingham Palace*, the 9th day of *June*, 1860.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the session of Parliament, held in the eighteenth and nineteenth years of Her Majesty's reign, intituled "An Act further to amend the laws concerning the burial of the dead in England" it is, amongst other things, enacted that it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, from time to time, to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, shall or shall not have arrived), as to Her Majesty, with such advice as aforesaid, may seem fit;

And whereas certain Orders in Council have been made, directing the discontinuance of burials

in the churchyards and burial-grounds hereinafter mentioned from the time mentioned in such Orders respectively; and whereas it seems fit to Her Majesty, by and with the advice of Her Privy Council, that the time for discontinuing burials in the said churchyards be postponed;

Now, therefore, Her Majesty, by and with the advice aforesaid, is pleased to order, and it is hereby ordered, that the time for the discontinuance of burials in such churchyards and burial-grounds be postponed, as follows; viz.:

In the churchyard of FENNY STRATFORD, to the thirty-first of December, one thousand eight hundred and sixty;

In the churchyard of WOODSTOCK, from the first of July to the first of December, one thousand eight hundred and sixty;

In the churchyard of SLEIGHTS, near WHITBY, to the first July, one thousand eight hundred and sixty-one;

In the churchyard of CROMER, to the first August next;

In the burial-ground of St. Mark's, LYNCOMBE, Somersetshire, to the thirty-first December, one thousand eight hundred and sixty;

In the parish churchyard of WANSTEAD, Essex, to the first December, one thousand eight hundred and sixty;

In the churchyards and burial-grounds of the borough of HALIFAX, to the first November next;

In the existing burial-grounds in the district of SOWERBY BRIDGE, Yorkshire, to the first day of January, one thousand eight hundred and sixty-one.

And whereas, by an Order in Council of the eighth day of February, one thousand eight hundred and fifty-five, burials were directed to be discontinued in certain burial-grounds in the parish of DEAL, from and after the first of November, one thousand eight hundred and fifty-five, and such time was afterwards extended to the first of April, one thousand eight hundred and fifty-six, and it seems fit that the said Order be varied: now, therefore, Her Majesty, by and with the advice of Her Privy Council, is pleased to order, and it is hereby ordered, that interments be forthwith discontinued in the burial-ground of the parish of St. George, Deal, except in now existing vaults and brick graves, provided that, when required, they be opened without disturbing soil that has been already buried in, and that each coffin be embedded in a layer of powdered charcoal four inches thick, and be separately entombed in brick or stone work properly cemented, and that the only bodies interred be those of the husband, wife, parents, and unmarried children, and brothers and sisters of persons already buried therein.

*Arthur Helps.*

AT the Court at *Buckingham Palace*, the 9th day of *June*, 1860.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

and seventeenth years of Her Majesty's reign, intituled "An Act to amend the laws concerning the burial of the dead in England beyond the limits of the metropolis, and to amend the Act concerning the burial of the dead in the metropolis," made a representation stating that, for the protection of the public health, no new burial-ground should be opened in any of the undermentioned parishes without the previous approval of one of Her Majesty's Principal Secretaries of State, and that interments in the same should be discontinued with the following modifications :

**LATIMER.** — Forthwith beneath the *parish church*, except in the vault belonging to Lord Chesham, on condition that the existing entrance to the vault from the interior of the church be built up in an airtight manner, and a new external entrance made; that ventilating openings to the exterior be constructed, so as to ensure a thorough current of air through the vault, and that each coffin be embedded in powdered charcoal and separately entombed; and from and after the first of August, one thousand eight hundred and sixty, in the *parish churchyard*, with the exception of now existing vaults and brick graves, in which each body shall be separately entombed in brick or stone work, properly cemented.

**ALBERBURY, SALOP.** — Forthwith in the *parish church*; and, except in now existing vaulted and walled graves, in which each coffin shall be separately entombed in an airtight manner, in all those parts of the *churchyard* which do not lie to the north or the north-east of the church; and after the first of July, one thousand eight hundred and sixty-one, in the last-mentioned parts of the churchyard, with the like and also with the following exceptions; namely: except in existing family graves, and in other graves for the parishioners of Alberbury alone, provided in every case that no foul soil be disturbed, or bones exposed.

**PINNER, MIDDLESEX.** — Forthwith beneath the *church*; and from and after the thirtieth of July next, in the *churchyard*, with the exception of now existing vaults and brick graves which can be opened without disturbing soil that has already been buried in, and in which each coffin shall be separately entombed in brick or stone work, properly cemented.

**ILFORD, ESSEX.** — Forthwith beneath the *chapel of Saint Mary's Hospital*, and in the *Baptist Chapel*, and in their respective *burial-grounds*, with the exception of now existing vaults and graves which can be opened without the disturbance of human remains, and on condition that in the vaults and brick graves, each coffin shall be separately entombed in brick or stone work, properly cemented; and that in family earthen graves, no body shall be buried without a covering of four feet of earth.

**HEVERSHAM, WESTMORELAND.** — Forthwith under the *church of the township of Cross-thwaite and Lythe*, and in that part of the *churchyard* which lies on the south side of the church or chapel; with the exception of now existing family graves, which can be opened without the disturbance of human remains, and in which the only bodies interred shall be those of the husbands and wives of persons already buried therein, and

also within four yards of the free grammar school; and from and after the first of January, one thousand eight hundred and sixty-three, wholly, with the exception of such existing family graves which shall be used on the conditions above specified.

Now, therefore, Her Majesty in Council is pleased hereby to give notice of such representations, and to order that the same be taken into consideration by a Committee of the Lords of Her Majesty's Most Honourable Privy Council, on the eighteenth day of July next:

And Her Majesty is further pleased to direct that this Order be forthwith published in the London Gazette; and that copies thereof be affixed on the doors of the churches or chapels of, or on some conspicuous places within, the parishes affected by such representation, one month before the said eighteenth day of July.

STATUTE XVIII E.

*Retention of Fellowships notwithstanding a change of office.*

No Fellow who by these Statutes is entitled to retain his fellowship in virtue of any University or College office, notwithstanding that he be not in Holy Orders, shall forfeit that privilege by changing from one such office to another, nor by vacating one such office merely for the purpose of accepting another, provided that he shall actually accept and hold such other office within ten days after vacating the former.

STATUTE XX.

*Of Presentation to Benefices.*

When a benefice in the patronage of the College shall be vacant, the presentation to the same (when it is not otherwise directed by the terms of the gift or bequest of the advowson) shall be offered to the Fellow first upon the roll who shall be in Holy Orders. If the Fellow who has the first right of option to such benefice shall decline to accept it, or, if holding any other benefice in the patronage of the College, he shall not resign the same, it shall then be offered to the next in succession, upon the same terms, and so on in order. This order shall not be departed from, except for grave cause, to be approved by the Master and Seniors.

The presentation to all benefices in the patronage of the College, shall be made within three months after the vacancy is known, unless the Master and Seniors shall see cause to determine otherwise as to the time.

Every Fellow who shall be instituted to any benefice on the presentation of the College, even though the clear annual value thereof be less than £300, shall vacate his fellowship at the end of one year from his institution, except in the case of the curacy of St. Mary the Great, or St. Michael, in Cambridge, or of the vicarage of Trumpington, or of a benefice under the value aforesaid which shall have been previously offered to every Fellow who is in Holy Orders with the condition of vacating his fellowship and been declined by all.

STATUTE XXXV.

*The Auditor and the Audit.*

There shall be an Auditor appointed by the Master and Seniors in the manner before prescribed for the election of Officers. He shall be paid such a stipend as they shall determine, and shall hold his office during their pleasure. The audit of the accounts of the College shall be held every year on the 4th of December, in the presence of the Master and Seniors, and of such Fellows of the College as are at least of the standing of Master of Arts, Master of Laws, or Doctor of Medicine, and who shall choose to attend.

The Auditor, before the conclusion of such annual audit, shall examine and verify the accounts of the Senior and Junior Bursars and Steward of the College, and the vouchers thereof, and ascertain the balances which may be severally due from them or to them; he shall sign such accounts, if found correct, and shall report the result, with any particulars, which he may deem necessary, to the Master and Seniors.

*Statutes above referred to.*

**STATUTE CONCERNING THE DUCHESS OF SOMERSET'S (HEREFORD) SCHOLARSHIPS AT SAINT JOHN'S COLLEGE.**

WE, the Commissioners appointed for the purposes of an Act passed in the Session of Parliament holden in the nineteenth and twentieth years of the reign of Her Majesty Queen Victoria, intituled "An Act to make further Provision for the good Government and Extension of the University of Cambridge, of the Colleges therein, and of the College of King Henry the Sixth at Eton," do hereby in execution of the powers vested in us by the said Act, make the following Statute with respect to the Scholarships at the College of Saint John the Evangelist, in the University of Cambridge, founded by Sarah, Duchess of Somerset, under the provisions of a deed bearing date the 12th day of July 1682:—

From the date hereof there shall be no further election to any Scholarship on the Foundation of Sarah, Duchess of Somerset, under the provisions of a certain deed bearing date the 12th day of July in the year of our Lord 1682.

In place of five Scholarships founded under the said deed, for Scholars from the Free School of Hereford, there shall be established at St. John's College so many Exhibitions for Scholars from the said school as the funds from time to time applicable under the provisions of the deed of the 12th July, 1682, for the benefit of Scholars, will suffice to maintain at the rate of forty pounds per annum, for each Exhibition.

Whenever there shall be any surplus of the funds so applicable (after payment of the Exhibitions at the rate aforesaid) not amounting to the sum of forty pounds per annum, such surplus shall be divided in equal shares amongst the existing Exhibitioners.

The Exhibitions shall be tenable for four years from the day of election, and no longer.

In the election to such Exhibitions no preference shall be given to any candidate in respect of his place of birth.

No person shall be entitled to preference in respect of his education at Hereford School, unless he shall have been educated at such school for two years at the least last preceding the election, or last preceding his matriculation in the University.

The candidates for such Exhibitions shall be subject to such examination as the Master and Fellows of St. John's College shall think proper, in order to ascertain their fitness to become Students in the College; and if on the occurrence of a vacancy of any Exhibition on this Foundation, no candidate shall present himself who has been a Scholar of Hereford School for the space of two years, or none such of sufficient merit to deserve, in the opinion of the Master and Fellows of St.

John's College, to be elected to such Exhibition, the Exhibition then vacant shall be treated as open to general competition.

In the case of any Exhibition, the election to which shall have been thrown open to general competition, the term of four years shall be computed from the day on which the election would have taken place if the Exhibition had been filled up from Hereford School.

Every Exhibitioner shall be subject to such regulations as to residence, instruction, discipline, and attendance on Divine Worship, as the Master and Seniors shall from time to time determine, and may be deprived of his Exhibition by the Master and Seniors for any misconduct which shall in their judgment merit deprivation, but with liberty to appeal against such deprivation to the Visitor of the College.

It shall be lawful for the Master and Fellows, with the consent of the said Visitor and of the Governing Body of Hereford School, to regulate from time to time the number and value of the Exhibitions of the said Foundation belonging to the said School.

Given under our Common Seal this twenty-second day of February, in the year of our Lord one thousand eight hundred and sixty.

**STATUTE FOR THE MAINTENANCE OF DISCIPLINE AT SAINT JOHN'S COLLEGE.**

WE, the Commissioners appointed for the purposes of an Act passed in the Session of Parliament holden in the nineteenth and twentieth years of the reign of Her Majesty Queen Victoria, intituled "An Act to make further Provision for the good Government and Extension of the University of Cambridge, of the Colleges therein, and of the College of King Henry the Sixth at Eton," do hereby in execution of the powers vested in us by the said Act, make the following additional Statute for the future regulation of the College of Saint John the Evangelist in the University of Cambridge.

**STATUTE XXIX.\***

If any Fellow of the College shall pertinaciously disturb the concord or discipline of the College, or shall wilfully violate or neglect to comply with any of the Statutes of the College for the time being, it shall be the duty of the Masters and Seniors on proof of such misconduct, to admonish such Fellow, and if, notwithstanding such admonition, such Fellow shall contumaciously persist in such misconduct, it shall be competent for the Master and Seniors, (other than the Fellow whose conduct is impugned, if a Senior,) to suspend such Fellow from the enjoyment of his Fellowship for such time as they shall think fit, or to deprive him altogether of his Fellowship. Provided that no such sentence of suspension or deprivation be passed without the concurrence of at least six Members of the Board of Master and Seniors; and provided also, that any such sentence of suspension or deprivation shall be liable to be reversed by the Visitor of the College on appeal being made to him, or to be varied by him at his discretion.

Given under our Common Seal this eighth day of March, in the year of our Lord one thousand eight hundred and sixty.

*Additional Statutes above referred to.*

WE, the Commissioners appointed for the purposes of an Act passed in the Session of Parliament holden in the 19th and 20th years of the reign of Her Majesty Queen Victoria, intituled "An Act to make further provision for the Good Government and Extension of the University of Cambridge, of the colleges therein, and of the College of King Henry the Sixth at Eton," do hereby, in execution of the powers vested to us by the said Act, make the four following Statutes next following for the conversion into Exhibitions of the several Scholarships at Christ's College, in the University of Cambridge, enumerated in the same, and for the future regulation of such Exhibitions, which Statutes are numbered from twenty-one to number twenty-four in the printed copy hereunto annexed; that is to say:

**XXI.**

*Statute in respect to Bishop Otway's Scholarships.*

From the date of the confirmation hereof, there shall be no further election to any of the three Scholarships which were founded at Christ's College, Cambridge, in pursuance of the provisions of the will of Dr. Otway, Bishop of Ossory, in Ireland, bearing date the eighth day of December, 1692.

In place of the said three Scholarships, there shall henceforth (but subject, and without prejudice, to existing interests) be established in the said College one Exhibition, to be called Bishop Otway's Exhibition.

The person holding such Exhibition shall be entitled to receive the whole net annual produce of the property now belonging to the Foundation of Bishop Otway.

In the election to this Exhibition the same right of preference shall be enjoyed by Scholars from Kirkby Lonsdale School, or in default thereof by Scholars from Sedbergh School, to which they are now entitled in respect of the said Scholarships. But no person shall be entitled to any preference in such election on account of his name or place of birth. The election shall rest with the Master and Fellows of Christ's College.

The Candidates for Bishop Otway's Exhibition shall be subject to such Examination as the Master and Fellows of Christ's College shall think proper,

in order to ascertain their relative merits, and also to ascertain whether any one is of sufficient merit to deserve to be elected to the same. Each Candidate shall be required to produce reasonable testimony as to his previous good conduct and character.

On any vacancy, if no duly qualified Candidate shall present himself from either of the Schools of Kirkby Lonsdale or Sedbergh, or none such of sufficient merit to deserve, in the opinion of the Master and Fellows of Christ's College, to be elected, the Exhibition shall for that turn be treated as open to general competition, in the same manner as the Scholarships of Christ's College.

Every Exhibitioner shall be bound by the Statutes and Ordinances of Christ's College; especially he shall be subject to the same regulations as to residence, instruction, and discipline as the Scholars thereof; and he may be deprived of, or suspended from, his Exhibition, as well as removed temporarily or permanently from the College, for the same offences or misconduct, by the same authority, and in the same manner, as a Scholar of the College may be deprived of, or suspended from, his Scholarship.

Bishop Otway's Exhibition shall be tenable until the person holding it shall be of standing to take the degree of Bachelor of Arts, or in any case in which the Master and Fellows of Christ's College shall think fit, until he is of standing to take the degree of Master of Arts; but no longer.

No person shall be entitled to preference in the election to such Exhibition in respect of his place of education, unless he shall have been educated at such place of education for two years at the least in the two years and a half immediately preceding the election.

**XXII.**

*Statute in respect to the Rev. Richard Carr's Fellowships and Scholarships.*

From the date of the confirmation hereof, there shall be no further election to either of the two Fellowships, in value £13 6s. 8d. a year each, or to any of the eight Scholarships in value £5 a year each, which were founded at Christ's College, Cambridge, in pursuance of the provisions of the will of the Reverend Richard Carr, bearing date the twentieth day of April, 1616.

In place of the said two Fellowships and eight Scholarships, there shall henceforth (but subject, and without prejudice, to existing interests) be established in the said College two Exhibitions of £50 a year each, to be called Mr. Carr's Exhibitions: provided however that if the net annual produce of the estates left to the College by Mr. Carr be less than £100, the value of each Exhibition shall be proportionally diminished.

In the election to these two Exhibitions, the same right of preference shall be enjoyed by Scholars from Giggleswick School as is given by Mr. Carr's will in respect to the eight Scholarships founded by him. But it shall not be necessary that a Candidate should have been born in the parish of Giggleswick, or that his parents should have been inhabitants of the said parish when he was born, or that he should have been connected with Mr. Carr by any relationship or line of descent; and no person shall be entitled to any preference in the election on account of any of these circumstances. The election shall rest with the Master and Fellows of Christ's College, not with the Feoffees and chief Schoolmaster of the School and the Churchwardens of the parish.

The Candidates for Mr. Carr's Exhibitions shall be subject to such Examination as the Master and Fellows of Christ's College shall think proper, in order to ascertain their relative merits, and also to ascertain whether any one is of sufficient merit to deserve to be elected to the same. Each Candidate shall be required to produce reasonable testimony as to his previous good conduct and character.

On any vacancy, if no duly qualified Candidate shall present himself from Giggleswick School, or none such of sufficient merit to deserve in the opinion of the Master and Fellows of Christ's College to be elected, the Exhibition then vacant shall for that turn be treated as open to general competition, in the same manner as the Scholarships of Christ's College.

Every Exhibitioner shall be bound by the Statutes and Ordinances of Christ's College; especially he shall be subject to the same regulations as to residence, instruction, and discipline as the Scholars thereof; and he may be deprived of, or suspended from, his Exhibition, as well as removed temporarily or permanently from the College, for the same offences or misconduct, by the same authority, and in the same manner, as a Scholar of the College may be deprived of, or suspended from, his Scholarship.

Each of Mr. Carr's Exhibitions shall be tenable until the person holding it shall be of standing to take the degree of Bachelor of Arts, or, in any case in which the Master and Fellows of Christ's College shall think fit, until he is of standing to take the degree of Master of Arts; but no longer.

No person shall be entitled to preference in the election to such Exhibitions in respect of his place of education, unless he shall have been educated at Giggleswick School for two years at the least in the two years and a half immediately preceding the election.

### XXIII.

From the date of the confirmation hereof, there shall be no further election to any of the three Scholarships which were founded at Christ's College, Cambridge, in pursuance of the provisions of the will of the Reverend Thomas Wilson, bearing date the ninth day of August, 1626.

In place of the said three Scholarships there shall henceforth (but subject, and without prejudice, to existing interests), be established in the said College two Exhibitions, to be called Mr. Wilson's Exhibitions.

If the net annual produce of the estate now belonging to Mr. Wilson's Foundation be less than £60 a year, it shall be equally divided between the two Exhibitions. If it exceeds £60 a year, each Exhibitioner shall receive £30 a year; and the surplus shall be applied or accumulated by the Master and Fellows of Christ's College at their discretion, either (1) for the benefit of one or both of the said Exhibitions, or (2) towards the support of a third Exhibitioner, to be elected in the same manner as the other two.

In the election to these two Exhibitions the same right of preference shall be enjoyed by Scholars from Kirkby Lonsdale School to which they are now entitled in respect to the said Scholarships. The election shall rest with the Master and Fellows of Christ's College.

The Candidates for Mr. Wilson's Exhibitions shall be subject to such Examination as the Master and Fellows of Christ's College shall think proper, in order to ascertain their relative merits, and also

to ascertain whether any one is of sufficient merit to deserve to be elected to the same. Each Candidate shall be required to produce reasonable testimony as to his previous good conduct and character.

On any vacancy, if no duly qualified Candidate shall present himself from Kirkby Lonsdale School, or none such of sufficient merit to deserve in the opinion of the Master and Fellows of Christ's College to be elected, the Exhibition then vacant shall for that turn be treated as open to general competition, in the same manner as the Scholarships of Christ's College.

Every Exhibitioner shall be bound by the Statutes and Ordinances of Christ's College; especially he shall be subject to the same regulations as to residence, instruction, and discipline as the Scholars thereof; and may be deprived of, or suspended from, his Exhibition, as well as removed temporarily or permanently from the College, for the same offences or misconduct, by the same authority, and in the same manner, as a Scholar of the College may be deprived of, or suspended from, his Scholarship.

Each of Mr. Wilson's Exhibitions shall be tenable until the person holding it shall be of standing to take the degree of Bachelor of Arts, or, in any case in which the Master and Fellows of Christ's College shall think fit, until he is of standing to take the degree of Master of Arts; but no longer.

No person shall be entitled to preference in the election to such Exhibitions in respect of his place of education, unless he shall have been educated at Kirkby Lonsdale School for two years at the least in the two years and a half immediately preceding the election.

### XXIV.

From the date of the confirmation hereof, there shall be no further election to any of the Scholarships which were founded at Christ's College, Cambridge, in pursuance of the provisions of the will of Mr. William Petyt, bearing date the twelfth day of July, 1705; nor to any of the three Scholarships which were founded at the same College, in pursuance of the provisions of the will of Mr. Sylvester Petyt, bearing date the twenty-third day of May, 1719.

In place of the said Scholarships there shall henceforth (but subject, and without prejudice, to existing interests) be established in the said College one Exhibition, to be called the Petyt Exhibition.

If the aggregate of the net annual incomes now respectively belonging to the Foundations of Mr. William Petyt and Mr. Sylvester Petyt be less than £30 a year, the whole shall be given to the Exhibitioner. If it exceeds £30 a year, the Exhibitioner shall receive £30 a year; and the surplus shall be applied or accumulated by the Master and Fellows of Christ's College at their discretion, either (1) for the benefit of the said Exhibitioner, or (2) towards the support of a second Exhibitioner, to be elected in the same manner as the other.

In the election to this Exhibition the same right of preference shall be enjoyed by Scholars from Skipton School to which they are now entitled in respect to the said Scholarships. The election shall rest with the Master and Fellows of Christ's College,

The Candidates for the Petyt Exhibition shall be subject to such Examination as the Master and

Fellows of Christ's College shall think proper, in order to ascertain their relative merits, and also to ascertain whether any one is of sufficient merit to deserve to be elected to the same. Each Candidate shall be required to produce reasonable testimony as to his previous good conduct and character.

On any vacancy, if no duly qualified Candidate shall present himself from Skipton School, or none such of sufficient merit to deserve in the opinion of the Master and Fellows of Christ's College to be elected, the Exhibition shall for that turn be treated as open to general competition, in the same manner as the Scholarships of Christ's College.

Every Exhibitioner shall be bound by the Statutes and Ordinances of Christ's College; especially he shall be subject to the same regulations as to residence, instruction, and discipline as the Scholars thereof; and he may be deprived of, or suspended from, his Exhibition, as well as removed temporarily or permanently from the College, for the same offences or misconduct, by the same authority, and in the same manner, as a Scholar of the College may be deprived, of or suspended from, his Scholarship.

The Petyt Exhibition shall be tenable until the person holding it shall be of standing to take the degree of Bachelor of Arts, or, in any case in which the Master and Fellows of Christ's College shall think fit, until he is of standing to take the degree of Master of Arts; but no longer.

No person shall be entitled to preference in the election to such Exhibition in respect of his place of education, unless he shall have been educated at Skipton School for two years at least in the two years and a half immediately preceding the election:

*Council-Office, Whitehall, June 9, 1860.*

**WHEREAS** the CAMBRIDGE UNIVERSITY COMMISSIONERS, appointed for the purposes of the Act of the 19th and 20 Vict., cap. 88, in virtue of the powers conferred upon them by the said Act, have framed the following Statutes and supplemental Statutes, dated the 20th day of March, 1860, for the future government and regulation of SIDNEY SUSSEX COLLEGE in the said University of Cambridge; and whereas the said Statutes have been laid before the governing body of the said College, and before the Visitor thereof, and no objection has been made thereto, and have been this day laid before Her Majesty in Council, the same are published in pursuance of the provisions of the said Act; AND NOTICE is hereby given, that it is lawful for the bodies or persons mentioned in the 39th section of that Act, within one month after this publication, to petition Her Majesty in Council against the approbation of the said Statutes, or of any part thereof.

*Arthur Helps.*

*Statutes of Sidney Sussex College above referred to.*

**WHEREAS** by Charter granted by Queen Elizabeth to the Earl of Kent and Sir John Haryngton, executors of the Lady Frances Sidney, Countess of Sussex, a College was founded in the University of Cambridge, under the title of the "College of the Lady Frances Sidney Sussex," and incorporated under the title of the Master, Fellows, and Scholars

of the same; and whereas by the said Charter authority was given to the said executors to prepare Statutes, and they did accordingly prepare Statutes which set forth that the object of the Foundress was the glory of God and the edification of His Church, by the training of fit persons for the sacred ministry of the Divine Word and Sacraments in the Church of England, and by which Statutes the College has hitherto been governed; and whereas, owing to the changes which have taken place in so long a period as has elapsed since the promulgation of the said Statutes, the same have in various respects become obsolete;

And whereas an amended body of Statutes was framed by the governing body of the College, and submitted to us, the Commissioners appointed by an Act passed in the Session of Parliament holden in the nineteenth and twentieth years of the reign of Her Majesty Queen Victoria, intituled "An Act to make further Provision for the good Government and Extension of the University of Cambridge, of the Colleges therein, and of the College of King Henry the Sixth at Eton," for our approval, according to the provisions of the said Act, before the end of the year 1857, but for want of time was not approved by us, the said Commissioners, within the period prescribed by the said Act, We the Commissioners appointed by the said Act in pursuance of the authority given to us by the said Act, do declare and ordain that the following Statutes, when approved as directed by the said Act, shall be

*The Statutes for the College of the Lady Frances Sidney Sussex, in the University of Cambridge.*

1. The College of the Lady Frances Sidney Sussex shall consist of a Master, together with six Fellows and twelve Scholars; provided that such number of Fellows and Scholars shall be subject to be augmented or diminished from time to time, in the manner hereinafter provided, according as the state of the revenues of the College, for the time being, shall render expedient.

2. The Master shall be at least of the degree of Master of Arts, and in Priest's Orders. It shall be his duty to superintend generally the affairs of the College, to take care that every member of the same is giving due attention to his collegiate duties. He shall as often as occasion requires convene meetings of the Fellows, to be termed College Meetings, by sending written or printed notices of such meetings to all the Fellows in residence at least one day before. The presence of three Fellows at least shall be necessary to constitute a College Meeting. He shall preside at all such College Meetings, but shall have but one vote in questions to be decided, unless the numbers be equal, in which case he shall have the casting vote. He shall regulate the distribution of the several departments of instruction among the College Officers appointed, as hereinafter described, to take part therein; and shall fix the times of Lectures, Exercises, and Examinations. He shall assign from time to time the rents of Students' rooms and all other charges to be levied on Students. He shall also assign rooms to the Fellows, regard being had to seniority.

3. The Master shall be the Bursar of the College (except in the cases hereinafter mentioned), but shall have no power to grant or renew leases, to let any kind of property, to affix the College Seal to any document whatever, to appoint agents, to order alterations or buildings, or do any other act of importance in the management of the College property, without first submitting the same to the Fellows assembled in a duly convened College

Meeting, and obtaining the sanction of such meeting. On the other hand, no alteration in or addition to College Buildings or Grounds shall take place, without the Master's consent. He shall submit his Bursarial Accounts to a General Audit twice a year, viz., within sixty days after Lady-day, and within sixty days after Michaelmas. He shall give at least four weeks' notice to all the Fellows resident and non-resident of the day of Audit, and shall have power to require their attendance, and the presence of at least three of the Fellows shall be deemed necessary for passing the Accounts.

4. The Master shall not be allowed to be absent from College more than six months in any year, except on account of College business, ill health, or other cause of extreme urgency, to be approved by a College Meeting. The Master shall constitute one of the Fellows his deputy during his absence, in writing under his hand and official seal.

5. The Master may propose to the College the election of one of the Fellows to act as Bursar in his stead. Or if the Fellows, or two-thirds of their whole number, are dissatisfied with the Master's proceedings as Bursar, and deem him unfit for that office, they may demand that one of the Fellows be elected Bursar. And in either case the Fellow so elected shall receive, in addition to all his other emoluments, the sum of One hundred pounds per annum out of the Master's stipend.

6. If, in the opinion of at least two-thirds of the Fellows, the Master has, from any cause, become incompetent for the discharge of his duties, the case shall be laid before the Vice-Chancellor and the two Senior Doctors of Divinity then resident in the University and not being members of the College; and if the said Vice-Chancellor and the said two Doctors of Divinity, or if the said Vice-Chancellor and one of the said Doctors of Divinity, after due investigation, be of the same opinion as the Fellows, or as two-thirds of their number, as to the alleged incompetency, they shall have power to sanction the election by the Fellows of one of their number to be Vice-Master during such incompetency. But the Master shall have the right of appealing from time to time to the aforesaid Vice-Chancellor and two Doctors of Divinity for reinstatement in his Office. And the Vice-Master so appointed shall take upon him all the functions of the Master and be invested with like authority in the College; but he shall continue to reside in college-rooms as a Fellow, and not in the Master's lodge. He shall, in addition to the emoluments of his Fellowship, receive a stipend, at the rate of Two hundred pounds a year, out of the Master's stipend. But if there be a Deputy-Bursar, other than the said Vice-Master, then the Vice-Master shall receive One hundred and fifty pounds a year, and the Deputy-Bursar One hundred pounds a year, out of the Master's stipend.

7. On the occurrence of a vacancy in the Mastership, the Senior Fellow in residence shall, as soon as such vacancy becomes known to him, place or cause to be placed in the College Hall a notice, stating that on the twentieth day after such notice (or the twenty-first if the 20th be Sunday, Good Friday, or Christmas Day), immediately after Morning Service in Chapel (at which service all the electors shall, if possible, attend); a College Meeting will be held in the Combination Room of the College, for the purpose of electing a new Master. He shall also send a similar notice, so far as may be practicable, to all the Fellows absent from College. Provided that, if the vacancy of the Mastership shall occur during the summer vacation, or after the division of the Easter Term, the meeting for the election of a Master shall be

deferred until a day not later than the twentieth day after the commencement of the next Michaelmas Term, of which day notice shall be given as above prescribed. The Fellows so assembled shall not proceed to an election unless there be present a majority of the whole number of Fellows of the College. Such a majority being present, it shall be lawful for any of the Fellows there and then to propose any duly qualified member of the University, that is to say, any one of at least the degree of Master of Arts, and in Priest's Orders, as the new Master; and if any one of the persons so proposed be found to have the votes of a majority of those present, the Senior Fellow present shall pronounce him elected. And the person so elected shall, immediately after the first Evening Service in Chapel which he can conveniently attend, then and there, upon his making open declaration to the following effect: "I, A.B., do declare that I am *bonâ fide* a member of the Church of England," be admitted by the said Senior Fellow in the following form: "I, A.B., by the authority given to me, admit you, C.D., to be Master of this College, in the name of the Father, and of the Son, and of the Holy Ghost." But if the Senior Fellow be himself the person so elected, the Fellow next in seniority shall pronounce him elected and admit him. If, however, no one of the persons proposed for the office of Master have a majority of the votes of those present, and if on that day such a majority cannot agree upon some one person as Master, then on the next day (or the day after if that be Sunday, Good Friday, or Christmas Day) the election shall devolve upon the three Senior Fellows present; and if they, or two of them, cannot, on that day, agree upon some one person to be Master, then, on the following day, the names of all those who have been proposed shall be submitted to the Vice-Chancellor for the time being, and he shall have authority to select one out of the number to be the new Master, who shall be admitted in the manner before described. In the interval between the Master's decease and the admission of a new Master, the Senior Fellow in residence, or the Vice-Master, if there be one at the time, shall act as Master in all such matters as cannot be deferred, and shall have the authority of Master over all persons in the College.

8. When a vacancy occurs in a Fellowship, the Master and Fellows at a College Meeting shall assign a day for a College Meeting for the election of a new Fellow, and the period of the vacancy shall in no case be allowed to exceed one year. Any Graduate Member of the College, or, if the Master and Fellows shall at any time think fit, any Graduate Member of the University, may be a candidate for a vacant Fellowship, but he shall not be allowed more than three opportunities of offering himself. If the Master and Fellows shall deem it advisable to examine the candidates, the Master shall appoint two of the Fellows, or more if he think fit, to conduct the examination in all or any of such subjects as shall, for the time being, form part of the teaching of the University; it being at the same time lawful for the Master or any other of the Fellows to put questions *visâ voce* to the candidates in the presence of the examiners and the other Fellows. On the day of election the Master shall take the votes of the Fellows present at the hour and place appointed by him, beginning with the Junior Fellow, and proceeding upward to the Senior, giving his own vote last. The candidate who has the largest number of votes shall be declared by the Master to be elected; and, immediately after Evening Service in Chapel, on his making a declaration to the following effect: "I, A.B., do declare that I am *bonâ fide* a member of the Church of England,"

he shall then and there be admitted by the Master in the following form: "I, A.B., Master of the College of the Lady Frances Sidney Sussex, admit you to be a Fellow in the same, in the name of the Father, and of the Son, and of the Holy Ghost." But if there be no single candidate having the largest number of votes, then, of the two or more persons having such largest number of votes, the Master shall decide which shall be elected into the vacant Fellowship, and that person shall be declared by the Master to be elected and shall be admitted as before described. It shall, however, always be in the power of a majority of the electors present, or of half of their number, provided that half include the Master, to reject all the candidates, should they deem no one among them worthy of being elected, and to appoint a future day for filling up the vacancy.

9. Every vacancy in a Scholarship shall be filled up after an examination of the candidates; and no Scholarship shall remain vacant longer than one year. The election to a Scholarship shall be made by the Master and Fellows. The Master and Fellows may at any time, if they think fit, open one or more of the Scholarships of the College for general competition among persons who have not commenced residence in the University, or who shall be in the first term of such residence, though their names may not be on the boards of the College. Every person elected to any such Scholarship as last mentioned, if not already a Student of the College, shall forthwith procure admission into the same, and shall receive no emoluments from his Scholarship until he shall have commenced residence in the University as a Student of the College.

10. If a Fellow accepts a College living (except in the case provided for in Section 12 of these Statutes), his Fellowship shall be declared vacant one year after the time when the vacancy occurred in the living which he has accepted; but the Fellow who has accepted such living shall not be entitled to any of the privileges of his Fellowship after institution in that year, except its pecuniary emoluments. If a Fellow marries, his Fellowship shall be *ipso facto* vacant, except in the case of one who has accepted a College living as already mentioned, and except, also, in the following case, namely, if he then actually hold any Professorship in the University (the clear annual value of which does not exceed £800), in which case he shall be allowed to retain his Fellowship, notwithstanding his marriage, so long as he continues to hold any such professorship in the University.

Provided that only one Fellow of the College at a time shall be entitled to retain his Fellowship in virtue of the last-mentioned provision.

There shall always be at least one half of the whole number of Fellows in Holy Orders; and if, on the occurrence of a vacancy, there shall be at the time less than one half of the Fellows in Holy Orders, then the Master and Fellows shall be bound to elect into the vacant Fellowship a person who is already in Holy Orders, or who will take Holy Orders within three years, under penalty of forfeiting his Fellowship should he fail to do so.

11. A Scholarship shall be vacated by marriage, or by non-residence (except with a certificate of ill health preventing residence), or by election to a Fellowship, or to the Taylor Lectureship; and in no case shall a Scholarship be tenable beyond the period, reckoned from the commencement of the first term of residence, at which the Statutes of the University would permit the degree of Master of Arts to be conferred.

12. When a living, the right of presentation to which is vested in the Master and Fellows, falls vacant, regard shall be had to seniority among the Fellows in such presentation. Provided that in

the case of any living, not exceeding the value of Two hundred pounds a year, the presentation of which belongs to the Master and Fellows, then if all the Fellows in Holy Orders should decline to accept it, it shall be offered to them a second time in order of seniority, and any Fellow accepting it on such second offer shall be allowed to hold it without vacating his Fellowship.

13. The Master shall appoint one of the Fellows to be the College Tutor, who shall, if the Master deems it necessary, nominate one or more Assistants, whether members of the College or not, subject to the approval of the Master. It shall be the duty of the Tutor in an especial manner to interest himself in all that concerns Undergraduate Students of the College, and to take a principal part in their instruction; He and his assistants shall be remunerated in such manner as the Master and Fellows shall from time to time determine.

14. Each year, at the time of the Spring Audit, the following annual College officers, viz., Dean, Prælector, Steward, and Librarian, shall be elected out of the Society by the Master and Fellows then present, for the year commencing at the following Michaelmas. Should a vacancy occur in any office, it shall be filled up at a College Meeting as early as circumstances permit; and no resignation of office shall be allowed without the consent of the Master.

15. Any Fellow, who is not elected a College officer may, if he please, go out of residence. But the Master shall have authority to require his attendance on any grave matter affecting the College; and he shall be required to come into residence if elected to fill any College office.

16. The Dean shall give especial attention to the regulations made by the Master and Fellows respecting the daily Morning and Evening Service in Chapel, for the performance of which services he shall be responsible, as also for sermons at Morning Service on the three great festivals of the Church, viz., the Nativity, Easter-day, and Whit-Sunday. The Master shall be required to preach and administer the Holy Communion at least once in each academical term. The Dean shall also take such part in the Theological Department of instruction as may from time to time be ordered by the Master and Fellows.

17. The Prælector shall be required to take such a part in the instruction of the College, especially in the Theological Department, as shall be assigned to him by the Master and Fellows. It shall also be his duty to present for degrees in the Senate House such Students as have received the approbation of the College to that end.

18. It shall be the duty of the Steward to superintend the Victualling Department of the College; to examine from time to time the quality of the provisions, and the charges made by the purveyors, and to report thereon to the Master and Fellows.

19. The Librarian shall be required to see that the Rules and Regulations made from time to time by the Masters and Fellows for the use of the Library be strictly observed. He shall enter all additions made to the Library in the Catalogue.

20. All College servants shall be appointed by the Master and Fellows, who shall also regulate their number, wages, and duties, and dismiss them if they think proper.

21. The College Seal and all documents relating to the College property shall be kept in some safe place under three different locks, one of the keys whereof shall be in the custody of the Master, and one in that of each of the two Senior Fellows in residence.

22. If the Master be charged with any gross immorality or neglect of duty, the Fellows may take the matter into their consideration; and if

they or the majority of them so determine, they may bring the case before the Master of Christ's College for the time being, and the two senior Doctors of Divinity then resident in the University, and not being members of the College; and if, after fully investigating the charge openly in the presence of all parties concerned, the said Master of Christ's College and two Doctors of Divinity agree in the proof of the charge; or if the said Master of Christ's College and one of the said Doctors of Divinity agree therein, then the said Master of Christ's College and Doctors in Divinity shall have power to deprive the Master of his Mastership, if the case may seem to them so to require.

If the Master shall openly secede from the Church of England, the Master of Christ's College for the time being, with the two Senior Doctors of Divinity then resident in the University and not being members of the College, shall, with all convenient speed, proceed to inquire into the fact, and, if it be established, to deprive him of the Mastership.

23. If a Fellow shall openly secede from the Church of England as by law established, the Master shall, with all convenient speed, assemble a meeting of the Fellows (exclusive of such Fellow), and the Master and Fellows so assembled shall proceed to inquire into the case, and if the fact be established, shall declare the Fellowship vacant. If a Fellow be charged with gross immorality or neglect of duty, he shall be summoned before the Master and Fellows, who shall investigate the charge, and if they deem it proved, they shall have power to admonish, to fine, to suspend from the enjoyment of the Fellowship, or, lastly, to deprive the said Fellow of his Fellowship altogether. But from their sentence the said Fellow shall be allowed an appeal to the Vice-Chancellor and the two Senior Doctors of Divinity then resident in the University, and not being members of the College. Should, however, the Master be himself Vice-Chancellor at the time of the charge, the appeal shall be to him who immediately preceded him in the Vice-Chancellorship and two Doctors as before, and the decision of this court of appeal shall be final.

24. For all minor offences, whether of Scholars, or Undergraduate Students, or Graduate Members of the College other than Fellows, residing in the same, the Master may at his discretion admonish the offenders. But if he thinks the offence requires punishment, he shall associate with himself the Dean and the Senior of the other Fellows in residence, and they three, or the Master and one of them, agreeing, may punish by rustication for any period not exceeding one year. If, however, they think a severer punishment called for, whether of rustication or expulsion, the case shall come before the Master and Fellows in residence, as before directed, in the case of Fellows. Also for inattention to ordinary duties, such as attendance at Lectures, Chapel, &c., the Tutor, Dean, or Prælector may of themselves punish by impositions or confinement within the College walls. To guard against undue severity, however, any Student so punished by the Tutor, Dean, or Prælector may bring his case before the Master and Fellows.

25. The following shall be the stipends of the Master and College Officers:

The Master	-	-	550 <i>l.</i> per annum.
The Dean	-	-	80 <i>l.</i> "
The Prælector	-	-	80 <i>l.</i> "
The Steward	-	-	40 <i>l.</i> "
The Librarian	-	-	10 <i>l.</i> "

26. The value of a Foundation Scholarship shall be not less than 40*l.* per annum, without deduc-

tions, provided the scholar have kept his terms regularly.

27. Every Fellow in residence shall be allowed 3*s.* a day during residence for commons, but such allowance shall not be extended to occasional residence, except such occasional residence be in obedience to the summons of the Master.

28. After payment of these stipends, allowances, and Scholarships, and all expenses belonging to the management of the College property, repairs of buildings, maintenance of the domestic establishment, and all other needful and reasonable general expenses, and also of such payment (if any) as may become due to the University chest, to be applied to purposes for the benefit of the University at large, the remainder of the annual revenue of the College shall be divided among the Master and Fellows in such manner that each of the Fellows who are Masters of Arts shall receive one dividend, the Master shall receive two dividends, and each of the Fellows who are Bachelors of Arts shall receive half a dividend.

29. If at any time the College revenues are found inadequate to maintain the full number of Fellows and Scholars hereinbefore fixed, so that the dividend of a Fellow shall (on an average of ten years) be not less than two hundred pounds per annum, it shall be lawful for the Master and Fellows to reduce the number of Fellowships in such manner as the state of the revenues shall require. And if, on the other hand, the state of the revenues shall be such as to admit of the dividend of a Fellow being (on the same average) not less than Two hundred and fifty pounds per annum, the Master and Fellows shall apply any surplus over that amount in augmenting the number of Fellowships or of Scholarships as they shall think fit: Provided that the number of Scholars be not more than double that of the Fellows for the time being.

30. No Fellowship shall hereafter be accepted by the College with the condition of a right of nomination vested in any person or persons, or body corporate; nor with the condition of a right of preference in respect of place of birth, school, family, kindred, or name; but only on the condition of being filled by the election of the Master and Fellows as laid down in Sect. 8 of these Statutes. No right of preference to any Fellowship which has hitherto existed shall henceforth be continued to any place of birth, any school, any family, any kindred or name; but all Fellowships shall be perfectly open to all British subjects, under the conditions alone before mentioned.

31. If at any time it shall appear to the Master and Fellows that, by reason of any change in the value of money, the specific sums fixed by these Statutes, or which may be hereafter fixed in exercise of any power given by these Statutes, have become insufficient or excessive, and that such insufficiency or excess is productive of injustice or hardship, or is injurious to the general interests of the College, they may, by an instrument under the seal of the College, and with the sanction of the Visitor, for the purpose of correcting or obviating such injustice, hardship, or injury, direct that such annual sums shall be increased or diminished as they shall think fit, and the increased or diminished sums shall thenceforth be substituted for and stand in the place of the sums originally fixed as aforesaid.

#### SUPPLEMENTAL STATUTES.

##### 1. Contribution to the University.

There shall be paid by the College to the University Chest, to be applied to purposes for the benefit of the University at large, an annual sum equal to five per cent. upon the amount of the

distributable income of the College, as herein defined.

The distributable income shall be taken to be the aggregate amount of all payments out of the College income in respect of,—

1st. The Master's dividend and money allowances, and the estimated annual cost of any of his other allowances, except of the free occupation and repairs of the lodge.

2nd. The dividend and money allowances, and the estimated annual cost of any other allowances of the Fellows, Scholars, and Exhibitioners, including commons and rent rooms, exclusive of the repairs thereof.

3rd. The stipends and like allowances of any person holding the office of Bursar, Dean, Prælector, Steward, or Librarian, or any other College office.

4th. The stipends and like allowances of any College Lecturer or Tutor (exclusive of the payments of Students for tuition).

Provided that the payment hereby directed to be made to the University Chest shall not be compulsory until a similar clause, directing a like payment, shall have been incorporated in the Statutes of all other Colleges in the University; and, in the meantime, there may be paid in lieu thereof such sum as may be directed by the Masters and Fellows.

### 2. Preservation of Rights of existing Fellows.

The emoluments, tenure of office, and other interests of a pecuniary nature of the present Master, and of all Foundations Fellows elected before the confirmation of these Statutes by Her Majesty in Council, shall be regulated by the previously existing Statutes: Provided that if the Master or any such Fellow shall elect to be placed in these respects under the operation of the present Statutes, it shall be lawful for him to signify such election to the Master and Fellows by writing under his hand, and his rights in such respects shall be thenceforth governed by the present Statutes accordingly.

### 3. Power of bringing new Statutes gradually into operation.

When and so soon as the interests to be regulated by the previously existing Statutes shall have expired or otherwise determined to such an extent as may, in the judgment of the Master and Fellows, enable the pecuniary arrangements hereinbefore prescribed to be partially carried into effect, without prejudice to such of those interests as may not have expired or otherwise determined, the Master and Fellows shall from time to time, as circumstances will permit, bring into operation so much and such part or parts of the prescribed arrangements as they shall deem most expedient.

## TREASURY WARRANT.

WHEREAS by an Act of Parliament, passed in the 4th year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," power is given to the Commissioners of Her Majesty's Treasury from time to time, by Warrant under their hands, to alter and fix any of the rates of British postage or inland postage payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid.

And whereas by another Act of Parliament, passed in the 11th year of the reign of Her present Majesty, intituled "An Act for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post-Office," further powers are given to the Commissioners of Her Majesty's Treasury, and power is also given to the Postmaster-General (amongst other things), to collect and receive the foreign and colonial postage charged or chargeable on any letters sent by the post, and also, with the consent of the Commissioners of Her Majesty's Treasury, to require the postage, British, colonial, or foreign, of any letters sent by the post to be prepaid, either in money or in stamps, as he might think fit, on the same being put into the Post-Office, and also with such consent to abolish or restrict the prepayment in money of postage on letters sent by the post either altogether or on certain letters, and to require the prepayment thereof to be in stamps, and also to refuse to

receive or send by the post any letters tendered contrary to any regulations thereby made, and power is also given to the Postmaster-General and any officer of the Post-Office to detain any letters which should be posted or sent by the post contrary to the regulations therein-mentioned, and to open such letters, and either to return them to the senders thereof, or to forward them to the places of their destination charged in either case with such rates of postage as the Postmaster-General, with the consent of the Commissioners of Her Majesty's Treasury, should from time to time direct.

And whereas the Commissioners of Her Majesty's Treasury have by divers Warrants under their hands, fixed, made, and established certain rates of British postage payable on the transmission by the post, of certain colonial letters therein respectively mentioned.

And whereas the Commissioners of Her Majesty's Treasury by a certain other Warrant, under their hands, bearing date the 15th day of January, 1858, did make regulations for the prepayment of the several rates of postage payable on letters posted in the United Kingdom, addressed to any of the colonies therein mentioned, and on letters posted in any of such colonies addressed to the United Kingdom.

And whereas it is expedient to extend the provisions of the said last mentioned Warrant, to letters posted in the United Kingdom, addressed to Prince Edward Island, Turks' Islands, and Labuan, and to letters posted in such colonies addressed to the United Kingdom.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers reserved to us, in and by the said hereinbefore recited Acts, or either of them, and of all other powers enabling us in this behalf, do, by this present Warrant, under the hands of two of us the said Commissioners, by the authority of the statute in that case made and provided, order and direct as follows, that is to say:—

1. On every letter posted in the United Kingdom, addressed to Prince Edward Island, Turks' Islands, and Labuan, and on every letter posted in Prince Edward Island, Turks' Islands, and Labuan, addressed to the United Kingdom, the postage thereof shall be paid at the time of the same being posted.

2. If any letter shall be posted in the United Kingdom addressed to Prince Edward Island, Turks' Islands, or Labuan, without any postage having been paid thereon, every such letter shall be forwarded charged with the amount of postage to which it would have been liable if the postage had been paid when posted, together with a further and additional rate of postage of sixpence.

3. If any letter shall be posted in Prince Edward Island, Turks' Islands, or Labuan, addressed to the United Kingdom without any postage having been paid thereon, every such letter shall be forwarded charged with the amount of the postage to which it would have been liable if the postage had been paid when posted, together with a further and additional rate of postage of sixpence.

4. If any letter shall be posted in the United Kingdom, addressed to Prince Edward Island, Turks' Islands, or Labuan, or be posted in any of such colonies, addressed to the United Kingdom, and the postage paid thereon shall be less in amount than the rate of postage to which such letter would be liable, under or by virtue of the regulations in force relating thereto, every such letter shall be forwarded charged with the amount of the difference between the postage

paid thereon and the postage to which it would have been liable if the postage had been paid when posted, together with the further and additional rate of postage of sixpence.

5. Nothing hereinbefore contained shall in any wise prejudice or affect the privilege granted by the said Act, passed in the fourth year of the reign of Her present Majesty, in favour of petitions and addresses forwarded to Her Majesty by the post, nor the privilege granted by the same Act to members of each House of Parliament to receive by the post petitions and addresses to Her Majesty, and petitions addressed to either House of Parliament, not exceeding thirty-two ounces in weight, nor the privilege granted to printed votes or proceedings of Parliament, nor shall anything in this Warrant contained in any wise prejudice or affect the privilege which seamen and soldiers employed in Her Majesty's service now by law enjoy of sending and receiving by the post letters not exceeding half an ounce in weight, subject to the regulations and restrictions in respect of the same.

6. The several terms and expressions used in this Warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said Act, passed in the fourth year of the reign of Her present Majesty.

7. The Commissioners for the time being of Her Majesty's Treasury may, by Warrant under their hands duly made, at any time hereafter alter, repeal, or revoke, any of the orders, directions, or regulations hereby made, and may make and establish any new or other orders, directions, or regulations in lieu thereof.

8. This Warrant, so far as regards any such letters posted in Prince Edward Island, or Turks' Islands, addressed to the United Kingdom, or posted in the United Kingdom addressed to Prince Edward Island, or Turks' Islands, shall come into operation on the first day of July next, and so far as regards any such letters posted in the United Kingdom addressed to Labuan, or posted in Labuan addressed to the United Kingdom, this Warrant shall come into operation on the first day of August next.

Metropolitan Board of Works.

THE Metropolitan Board of Works, in pursuance of the provisions of the Act of the Session of Parliament holden in the 18th and 19th years of Her Majesty, "For the Better Local Management of the Metropolis," and of the Act of the 2nd Session of Parliament holden in the 21st and 22nd years of Her Majesty, "To alter and amend the Metropolis Local Management Act, 1855," do hereby give notice, that they propose, with all convenient speed, to construct, under the powers vested in them by the said Acts, certain Main Drainage Works, being a portion of the works authorized and directed by the said Acts for the improvement of the main drainage of the metropolis, and for preventing, as far as may be practicable, the sewage of the metropolis from passing into the river Thames within the metropolis, which works so to be constructed and executed are as follows; that is to say:—

Certain outfall culverts, enclosed generally within a raised embankment of earth, to extend from a certain field in the parish of West Ham, and county of Essex, near Abbey-Mill-lane, in the said parish and county, and in the occupation of Mr. John Honck, and to proceed thence, in a generally easterly direction, across Abbey Creek and Channelsea river, and through certain private lands to the North Woolwich Branch of the Eastern Counties Railway, crossing the said railway at its intersection with Marsh-lane, and proceeding thence, through and along other private lands, across the Bow and Barking Railway, Balaam-street, Plaistow, the Barking-road, Prince Regent-lane, Blind-lane, and East Ham Manor-road, which they will cross at a point about 500 feet south of East Ham Church, and will proceed thence, to a reservoir to be constructed at the outlet of the said culverts, into the river Thames, at Barking-creek.

The whole of the lands, roads, streams, and places through or across which the said sewer and works will pass, are situate, respectively, in the counties of Essex and Kent, and in the several parishes of West Ham, East Ham, Barking, and Woolwich.

In connection with the culverts and works above described, the said Board will erect a pumping station, comprising steam engines, pumps, and other machinery, and all necessary buildings and works appertaining thereto, in and upon lands situate in the parish of West Ham, and in the county of Essex, in the occupation of Mr. John Honck, and near to Abbey Mills, in the said parish and county.

In connection with the same works, the said Board will also construct a covered reservoir in and upon lands situate in the parishes of Woolwich and Barking respectively, and in the respective counties of Kent and Essex, adjacent to Barking-creek and the river Thames, and in the occupation of Mr. — Offin.

In connection with the aforesaid works, the said Board also intend to cross, raise, lower, divert, or otherwise affect the several roads, public and private, and also to bridge over, divert, or otherwise affect the several streams, watercourses, and drains across which the sewers or works will pass, as shown on the plan hereinafter referred to, and also to Lower West Ham Abbey-lane, in the parish of West Ham aforesaid, at or near the point at which the said lane crosses the North Woolwich Railway.

The said Metropolitan Board of Works will require to take and purchase, and do intend to take and purchase, for the purposes of the above-mentioned works, the lands, tenements, hereditaments, and premises shown upon the said plan, and next hereinafter severally described; that is to say:—
