JOHN DALY, Administrator-General of Demerary and Essequibo.

I WILLIAM TATHAM FARQUHARSON, the Keeper of the Public Records of British Honduras, and Registrar under the Act for simplifying the title to lands in British Honduras, in pursuance of the said Act, hereby give notice to all whom it may concern, that the undernamed persons have applied to me, according to the said Act, to register their title to the said undermentioned lands; and further, that I am, by warrant of the Attorney-General, authorized to proceed thereon, and further, that this is the sole publication of this notice; and further, that all persons other than the applicants claiming any estate, interest, power, or right, in or affecting those lands, or any part thereof, and whether or not resident within British Honduras, and whether or not under any disability, must deliver or transmit by themselves, their guardians, next friends, or com-

mittees, or their agents, to the Registrar under the Act aforesaid, at his office in Belize, notice in writing, specifying the estate, interest, power, or right, which they so claim, and the evidence in support thereof; and also, that every claim to any such estate, interest, power, or right, not so made, will, at the expiration of two years after the third publication of the notice, and for ever thereafter, be barred, extinguished, and null and void, as against all alienses for valuable consideration of those lands, and will at the expiration of ten years after the third publication of this notice and for ever thereafter, be absolutely barred, extinguished, and null and void, to all intents and purposes.

List of Applicants and Lands.

John Hodge and James Bartlett Hyde, surviving Copartners of the late firm of James Hyde and Co., Merchants and Mahogany Cutters, in Belize, claim to be registered as entitled to an estate in fee simple in the following lands, viz.:

1. A mahogany work, situate in the left or main branch of Booths, otherwise known as the Rio Hondo (descending) the base whereof commences at the upper mark of the mahogany work, formerly known as Francis Young's Work, and extends up the said main branch to the source thereof, the upper line being bounded by ungranted lands, and running at right angles to the said base half way across to the Belize River, the lower line running from the upper boundary mark of the said Francis Young's work in a course, North 89 East, as by the diagram annexed to the application.

2. The lands constituting the mahogany work formerly known as James Forrester's Work, situated on the east side of the right branch of Booth's River, otherwise known as the Rio Hondo (descending); the base of which work hereby claimed, commences at the upper mark of the mahogany work, formerly known as Lockwood's Work, and extends up the said branch to the lower mark of the mahogany work, known as Sarah Keefe's; the upper line is bounded by the aforesaid work of Sarah Keefe's, and runs at N. 89 E., halfway across to Belize River, the lower line runs from the upper boundary mark of the said Lockwood's Work in a course of N. 88 E. halfway across to Belize River.

3. The lands constituting the mahogany work, commonly known as Keefe's Work, situated on the east side of the right branch of Booth's River, otherwise known as the Rio Hondo (descending); the base of which work hereby claimed, commences at the upper mark of the mahogany work, formerly known as Forrester's Work, and extends up the said branch to the source thereof; the upper side line starts from the source and runs back at N. 89 E., halfway across to Belize River; the lower side line starts from the upper boundary mark of the aforesaid work of Forrester's, and runs back in a course of N. 89 E., halfway across to Belize River.

4. The lands constituting the mahogany work, formerly known as Petzold's Work, situate on the right branch of Booth's River, otherwise known as the Rio Hondo (descending); the base of which work hereby claimed, commences at the upper mark of the mahogany work, called Thomas Phillips' Work, and extends up the said branch to the source thereof; the upper line is bounded by ungranted lands, and runs at right angles to the said base; the lower line runs from the upper boundary of the said Thomas Phillips' Work, on a course S. 89 W., as by the diagram annexed to the application.

5. The lands originally located by William Gentle, deceased, in the year 1810, constituting the mahogany work, situated on the north side of the branch of Sheboon, called or known by the name of the Caves' Works; the base of said work commences at the upper side of the second cave or subterranean passage in said branch, and extends upward for three miles; the upper side line runs North 87 West halfway to Roaring Creek, and is bounded by a mahogany work located by Mr. Lewis, 8th February, 1811, as recorded in book of Public Records, W. 386; the lower side line runs North 87 West, and extends halfway across to Roaring Creek, and is bounded by a mahogany work, known as Upper Thrace, as per diagram annexed to the application.

6. The lands constituting the mahogany and logwood work, known as Miller's Bight, situated on the right and left hand respectively of the New River; the base of which work hereby claimed, commences at the upper mark of the mahogany work, commonly known as Orange Walk, on said river, and extends up the river to the lower mark of the mahogany work, commonly known as Tower Hill; the lower side line on the left hand ascending the river is bounded by the aforesaid work, commonly known as Orange Walk, and runs S. 74 W., or N. 74 E., and extends to the back line of the mahogany works, commonly known as Bulkhead Works, and the lower line on the right hand, ascending the river, extends in a like course half way across to the Rio Hondo; the upper side line on the left hand ascending the river at the lower boundary line of the aforesaid Tower Hill Work, is bounded by said lower
