THE Right Honourable the Lords of the Committee of Privy Council for Trade and Plantations have received, from the Secretary of State for Foreign Affairs, a copy of a Despatch from Major Stokes, the British Commissioner of the European Commission of the Danube, enclosing a copy of a new provincial tariff, which has been adopted by the Commission, fixing the charges to be levied at the Sulina mouth, on vessels navigating the Danube, from and after the 1st September next.

The charges in question include the pilotage, lighthouse, and improvement of the river dues, and have been fixed according to the tonnage of the vessel and to the depth of water at the bar,
