

Particular attention is called to the recent modifications of the conditions of the contract, which may be seen at the said office.

No tender will be received after half past one o'clock on the day of treaty, and it will not be required that the party tendering, or an agent on his behalf, should attend at the Office on the day of contract, as the result of the offer received from each person will be communicated to him and his proposed sureties in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words "Tender for Braces," and must also be delivered at Somerset-place, accompanied by a letter signed by two responsible persons, engaging to become bound with the person tendering, in the sum of £100 for the due performance of the contract.
