And it is proposed to insert in the said Bill powers to take, by compulsion or agreement, lands and buildings for the purposes of the said altered portions of railways, and to extinguish all rights and privileges in relation thereto, and to take power to levy tolls in respect of such altered portions of railways.

And notice is also hereby given, that plans and sections, describing the direction, line, and levels of the said intended altered portions of railway, and the lands through which the same are intended to be made, together with a book of reference to such plans, and a copy of this notice, have been, in this present month of March, deposited for public inspection with the Clerk of the Peace for the county of Salop, at his office, in Shrewsbury, and with the respective clerks of the parishes of Lydham and Bishops Castle, at their places of abode respectively.
