THE QUEEN'S DRAWING ROOMS.

REGULATIONS

TO BE OBSERVED WITH REGARD TO THE QUEEN'S DRAWING ROOMS, AT ST. JAMES'S PALACE,

By Her Majesty's Command.

The Ladies, who propose to attend Her Majesty's Drawing Rooms, at St. James's Palace, are requested to bring with them two large cards, with their names *clearly written* thereon, one to be left with The Queen's Page in Attendance in the Corridor, and the other to be delivered to the Lord Chamberlain, who will announce the name to the Queen.

PRESENTATIONS.

Any Lady who proposes to be presented to The Queen must leave at the Lord Chamberlain's Office, *before twelve o'clock*, two clear days before the Drawing Room, a card with her name written thereon, and with the name of the Lady by whom she is to be presented. In order to carry out the existing regulation, that no presentation can be made at a Drawing Room excepting by a Lady actually attending that Court, it is also necessary that a letter from the Lady who is to make the presentation, stating it to be her intention to be present, should accompany the presentation card above referred to, which will be submitted to the Queen, for Her Majesty's approbation. It is Her Majesty's Command, that no Presentations shall be made at the Drawing Rooms, except in accordance with the above regulations.

It is particularly requested that in every case the names be *very distinctly written* upon the cards to be delivered to the Lord Chamberlain, in order that there may be no difficulty in announcing them to The Queen.

THE following Addresses of Condolence to the Queen, on the occasion of the death of Her late Royal Highness the Duchess of Kent, having been transmitted to the Right Honourable Sir George Cornwall Lewis, Bart., Her Majesty's Principal Secretary of State for the Home Department, for presentation, have been presented accordingly to Her Majesty, who was pleased to receive them very graciously.

To the QUEEN'S Most Excellent Majesty.

May it please your Majesty,

We, your Majesty's loyal subjects, the Lieutenant-Governor, Council, Deemsters, and Keys of the Isle of Man in Tynwald assembled, embrace the first opportunity to lay before your Majesty the expression of our respectful and sincere condolence upon the lamented decease of Her Royal Highness the Duchess of Kent, whose many exalted virtues had justly acquired for her the heartfelt regard and respect of all your Majesty's subjects.

We feel how inadequate all human considerations must be to administer consolation to your Majesty under the severe affliction and irreparable loss which you have sustained, but we are assured that your Majesty will derive support in the high hope that your Royal Parent has exchanged her earthly honours for those of unfading Glory.

THE Secretary of State for India has received copies of the following General Orders, published by the Governor-General and the Commander-in-Chief in India.

**GENERAL ORDER BY HIS EXCELLENCY
THE GOVERNOR-GENERAL OF INDIA IN
COUNCIL.**

*Fort William, Military Department,
10th April, 1861.*

His Excellency the Viceroy and Governor-General of India in Council publishes, for general information, Her Majesty's Warrant, dated the 16th of January last, for the formation of Staff Corps in each of the Presidencies of Bengal, Madras and Bombay, and the subjoined despatches, recently received from Her Majesty's Secretary of State for India, announcing the Queen's gracious intentions regarding the Officers and Men of Her Majesty's Indian Forces.

2. Her Majesty's Government have laid down the general principles of this important measure; but considering that various questions and points of detail affecting the interests of the Army, might arise, which could be best considered in India, have entrusted the Governor-General of India in Council, in communication with his Excellency the Commander-in-Chief in India, with full discretion to act as may be deemed best for the Public Service, and have authorized him to frame such orders as may be necessary to give full effect to the intentions of Her Majesty's Government.

3. The Governor-General in Council has now the satisfaction of announcing, to the European Officers and Men of the Indian Forces, the conditions prescribed and the offers made to them upon their amalgamation with Her Majesty's General Forces; whereby two Armies will be united, which severally have rendered the most signal services to their Queen and Country.

Despatch 28, paragraph 3.

4. Her Majesty's Government have expressed an anxious desire to preserve the proud recollections of distinguished service which belong especially to the older Regiments of each Presidency, and to incorporate with Her Majesty's Army, Corps which have so greatly contributed to the acquisition and maintenance of Her Majesty's Dominions in the East.

NON-COMMISSIONED OFFICERS AND MEN.

Despatch 27, paragraph 11.—Despatch 28, paragraphs 1, 7, 10, 19, 22, 23, 26.—Despatch 29, paragraph 10.

5. In order to effect these measures, consistently with the determination which has been previously made known to the Army, that no man shall have his present terms of service altered except with his own consent, the Governor-General in Council, under the authority of Her Majesty's Government, hereby offers to all Warrant Officers, Non-Commissioned Officers, and Men, without exception, belonging to the European Artillery, Infantry, and Sappers and Miners of the three Presidencies, to the European Cavalry in Bengal, including the Lahore Light Horse, to the German Soldiers of the 3rd Bombay European Regiment, and to all Men in the Depôts of the Indian Forces at Dum-Dum, Barrackpore, and other Stations, the option of accepting General Service on the ordinary conditions of Soldiers enlisted for the Artillery,

Infantry, and Cavalry of Her Majesty's Line Army, with a Bounty, to all who are not of Warrant Rank, at the rates to be presently stated.

6. Soldiers who now volunteer will have the option of choosing whether their future Pensions shall be reckoned according to the Regulations of Her Majesty's Army or according to those of the Indian Forces. Their choice may be declared at any time within three months of the date of volunteering.

Soldiers who now volunteer will have the privilege of counting their past service towards completion of their contract service and for Pension, under whichever Regulations they may choose.

Despatch 29, paragraphs 2, 10, 12.

7. The Non-Commissioned Officers and Soldiers of the Artillery of each Presidency, who, under the above conditions, may be willing to transfer their services absolutely to the Royal Regiments of Artillery of Bengal, Madras, and Bombay, will be formed into new Troops and Batteries, composed of men serving under the same conditions as those of the Royal Artillery. The Soldiers who may decline to accept the offer now made, will be formed into Batteries, which will remain under their original conditions, and, as the numbers of the men diminish by casualties, the Batteries will be gradually diminished in number, and will finally disappear.

Despatch 30, paragraph 14.

8. Non-Commissioned Officers and Men who have been transferred from other Corps to the Corps of Sappers and Miners, and who may now volunteer under the conditions of Her Majesty's General Service, will receive the rates of Bounty stated in paragraph 20. The acceptance of Bounty will not involve their removal from the Sappers and Miners. Those who decline to accept the offer now made may continue with that Corps on their present conditions.

Despatch 28, paragraph 19.

9. The European Cavalry will be formed into three Regiments of Light Dragoons of Her Majesty's General Army, to consist of the men who may now volunteer on the conditions of General Service, and these men will have the option of joining any one of the three Regiments of Light Dragoons to be now formed. These will be designated respectively the 19th, 20th and 21st Regiments of Light Dragoons.

Despatch 28, paragraphs 10, 21.

10. The Non-Commissioned Officers and Men of the European Cavalry and the Lahore Light Horse, who may prefer the existing conditions of Indian Service, will be placed in a Regiment of Cavalry to be formed for that purpose as a Local Regiment, with Officers selected from those who may not volunteer for Line Service.

Despatch 28, paragraphs 10, 11, 17, 23, 26.

11. It is desired by Her Majesty's Government to maintain, as integral Regiments, the three oldest European Infantry Regiments of the Bengal Presidency, and all of the three Regiments of the Madras and Bombay Presidencies, and to keep the men who are now in each of those Corps, and who may volunteer for Her Majesty's General Service, in the Regiments which, when transferred to the Line, will represent those to which they now respectively belong.

Despatch 28, paragraph 10.

12. The men of the 4th and 6th Bengal European Regiments, and the Men of the Bengal European Infantry of the Depôt at Barrackpore, will be allowed to volunteer for any one of the three new Regiments of the Line in Bengal. The Men of the Bengal European Light Cavalry of the Depôt at Barrackpore will be allowed to volunteer for any one of the three new Regiments of the Cavalry of the Line. The Men of the Cavalry and Infantry Arm of the Depôt at Barrackpore who do not volunteer will join the Local Regiment of their Arm.

13. Her Majesty having graciously determined to mark Her estimation of the services of Her Indian Armies, by conferring the designation of "Royal" upon three of the European Regiments, and by selecting for this honour one Regiment from each Presidency—the selection of which has been left by Her Majesty to the judgment and discretion of the Government of India—the Viceroy and Governor-General in Council has much gratification in announcing that the following Regiments will henceforward bear the honourable designation of "Royal" Regiments:—

The 1st Bengal Fusiliers.
The 1st Madras Fusiliers.
The 1st Bombay Fusiliers.

Despatch 28, paragraphs 17, 23, 26, 29.

14. The three older Regiments in the several Presidencies will thus be converted into Regiments of Her Majesty's General Army, and will be numbered and designated as follows:—

The 101st Regiment of Foot (Royal Bengal Fusiliers).
The 102nd Regiment of Foot (Royal Madras Fusiliers).
The 103rd Regiment of Foot (Royal Bombay Fusiliers).
The 104th Regiment of Foot (Bengal Fusiliers).
The 105th Regiment of Foot (Madras Light Infantry).
The 106th Regiment of Foot (Bombay Light Infantry).
The 107th Regiment of Foot (Bengal Infantry).
The 108th Regiment of Foot (Madras Infantry).
The 109th Regiment of Foot (Bombay Infantry).

Despatch 28, paragraphs 17, 23, 26.

15. The Corps transferred to Her Majesty's Service will retain all honorary distinctions which they have won. These will be borne on appointments and colours, or in the Army List, in such manner as Her Majesty's Government may think best suited to the Arm of the Service to which the Corps belongs.

Despatch 28, paragraphs 10, 12, 24, 27.

16. The Non-Commissioned Officers and Men of the Infantry who may prefer the conditions of Indian Service will be placed in one or more Regiments of Infantry, to be formed as Local Regiments in each Presidency, with Officers selected from those who may not volunteer for Line Service.

Despatch 28, paragraph 10. Despatch 29, paragraph 10.

17. In the Artillery, Cavalry (including the Lahore Light Horse), and Infantry of the Indian Forces, there are many Men who volunteered from Regiments of the Line. To these Men the

Governor-General in Council allows the option of returning to the Regiments, whether of Cavalry or Infantry, from which they volunteered, if those Regiments are now in India, or of transfer to other Regiments of British Cavalry or Infantry serving in India, or to the Regiments to be now retained of the Arm to which such men belong. The men of this class electing to be transferred to British Regiments serving in India will not receive Bounty, having received it on entering the Indian Service. To those who accept the conditions of Her Majesty's General Service now offered Bounty will be given on the same terms as to the other Men in the Indian Service. The Volunteers here alluded to will be further allowed the option of discharge, if unwilling to remain in the Service. Those who prefer the existing conditions of the Indian Service will be allowed to remain with a Local Regiment.

18. The Non-Commissioned Officers of Artillery, of the 4th and 5th Bengal European Cavalry, and of the 4th and 6th Bengal European Infantry, who volunteer for the new Regiments of the Line, will carry their rank with them, and be Supernumeraries in the Regiments for which they volunteer, being made effective in their respective ranks as vacancies occur, in the proportion of three appointments to four vacancies.

General tenor of Despatch 28.

19. To the Warrant Officers, Non-Commissioned Officers, and Men employed in the several Departments of the Army, to the Non-Commissioned Officers serving with Native Regiments, and to all other Men borne on the Unattached List in Bengal, and the Lists of Effective Supernumeraries in Madras and Bombay, the Governor General in Council offers the option of accepting the conditions of Her Majesty's General Service, according to the Arm of the Service to which they belong, with Bounty to all Men not of Warrant Rank who, under the usual conditions of Service, would be entitled to Bounty, or of remaining on the conditions of the Indian Service, if they prefer to do so.

Despatch 28, paragraph 10.

20. The rates of Bounty to be issued will be as follows:—

To men who have more than 4 years to serve from the 18th February, 1861	Rs. 50
To men who have more than 3 and less than 4 years to serve from the same date	" 40
To men who have more than 2 and less than 3 years to serve from the same date	" 30
To men who have more than 1 and less than 2 years to serve from the same date	" 20
To men who have 1 year or less to serve from the same date	" 10

Any expense caused to a man by his transfer will be reimbursed to him. No kit, or compensation in lieu of kit, will be given.

21. The immediate issue of Bounty to men volunteering is hereby authorized, on their making the Declaration appended to this General Order before a Justice of the Peace or Magistrate.

Despatch 28, paragraph 9.

22. The earliest measures will be taken in the three Presidencies, under the orders of their Excellencies the Commanders-in-Chief, to ascertain the wishes of the Men; and the result will be reported to the Government of India without delay. The Commander-in-Chief in India may

take the necessary measures for carrying out the final arrangements for the new constitution of the European Forces of Her Majesty's Indian Army, and for the disposal of the Men who do not volunteer.

COMMISSIONED OFFICERS.

Despatch 27, paragraph 3.

23. In the execution of the measures to bring about the proposed Amalgamation, it is the intention of Her Majesty's Government that the pledge that due regard shall be paid to the rights and claims of the officers of Her Majesty's Indian Forces shall be scrupulously adhered to.

Despatch 31, paragraphs 2, 4.

24. Her Majesty has been graciously pleased to signify Her intention to give to every officer of Her Indian Armies a Royal Commission, under the sign Manual, conferring Rank and Command in Her Majesty's Army in any part of the world. Nominal Rolls of all the Officers of the Armies of the three Presidencies will be immediately transmitted by the several Governments of India to Her Majesty's Secretary of State for India, in order to the preparation of the new Commissions.

Despatch 29, paragraph 2, VI.

25. In order to carry out to the full extent the plan which has been determined upon by Her Majesty's Government for the assimilation and ultimate consolidation of the Indian Regiments of Artillery with the Royal Artillery, the organization of the Indian Regiments will be as follows:—The Bengal Artillery will be formed into seven Brigades, the Madras Artillery into four Brigades, and the Bombay Artillery into three Brigades, in all fourteen Brigades, each with the strength of Officers detailed in the margin.* Regimental promotions in the Artillery requisite to complete the formation of Brigades on the new organization will be made without delay, with effect from the 18th February, 1861, the date of the receipt of the Despatches by the Government of India.

Despatch 27, paragraph 9.

26. The Officers of Artillery holding appointments in the Ordnance Department, including Superintendents of Ordnance Manufacturing Establishments, will be seconded, and the promotions consequent thereupon will be made from the same date.

Despatch 29, paragraphs 4, 5.

27. Under the Royal Artillery organization the Colonel's allowance is drawn by Colonels Commandant, and of these there will be seven only under the new organization, in place of twelve who now draw Colonel's allowance in Bengal; in Madras, four in place of seven; and in Bombay, three in place of five.

Eventually the assimilation will be carried out in this respect also. The five Officers who will be Supernumerary in Bengal, the three in Madras, and the two in Bombay, will continue to receive Colonel's allowance; and the necessary reduction will be gradually carried out, by promoting only three Officers to every four vacancies in the number of those receiving Colonel's allowance, until the Supernumeraries shall have been absorbed.

28. The Colonels now to be made Colonels Commandant, and the Colonels in excess of the new

* 1 Colonel Commandant; 2 Colonels; 4 Lieutenant-Colonels; 8 Captains; 9. Second Captains, including an Adjutant; 24 Lieutenants.

Establishment, who are also in receipt of the Colonel's allowance, will take Regimental Rank as Colonels Commandant from the date on which they respectively received the Colonel's allowance. All General Officers not being on the new fixed Establishment of Colonels Commandant, and not drawing Colonel's allowance, will be Supernumerary or Unattached, as at present.

Despatch 29, paragraph 6.

29. Colonels of Artillery, under the new organization, who, not being Colonels Commandant, will not draw Colonel's allowance, will be permitted to draw in India the pay and allowances fixed for the rank of Regimental Colonel (excepting the Colonel's allowance). On furlough they will receive the furlough pay of Colonel, viz. 25 shillings a-day, and they will enjoy the privileges of Regimental Colonels, in being permitted to reside in England, if not required in India, without forfeiting their position on the Effective List.

Despatch 29, paragraph 7.

30. Artillery Officers willing to serve out of India, and who may be permitted to do so, will receive Commissions in the Royal Artillery, and will draw the pay and allowances fixed by Her Majesty's Regulations for that Arm of the Service, according to the situation and locality in which they may be serving; but their promotion will continue to go on in their original Regiments.

Despatch 29, paragraph 2, I.

31. The existing Regiments of Artillery in the three Presidencies of India will remain distinct from each other and from the Royal Artillery, so long as any Officers now in them shall continue to be borne on their Rolls.

Despatch 29, paragraphs 10, 11.

32. For the Batteries formed of Men who may accept the conditions of Her Majesty's Royal Artillery, Officers will be provided from the Bengal, Madras, and Bombay Artillery Regiments respectively, and they will receive Commissions in the Royal Artillery concurrent with those which they now respectively hold in their Regiments. For the Batteries which may be formed on the conditions of the Indian Service, Officers will be provided from the same Regiments.

Despatch 29, paragraphs 2, II. III.

33. No new appointments will be made to the Indian Regiments of Artillery, but hereafter, on the occurrence of vacancies in any of the three Indian Regiments, or in the Royal Artillery, appointments of young Officers will be made to the Royal Artillery.

Despatch 29, paragraph 2, IV.

34. After all the Subalterns in any of the Indian Regiments of Artillery shall have been promoted, on the occurrence of the next vacancy in the grade of Second Captain in that Corps, the Senior Subaltern of the Royal Artillery shall be promoted to that grade.

Despatch 29, paragraph 2, V.

35. The same process will be followed in each grade successively, until all the Officers of the Indian Regiments of Artillery have been absorbed, after which the whole Corps will be Royal Artillery.

Despatch 30, paragraph 6.

36. The Engineer Corps of Her Majesty's Indian Forces will be immediately formed into

three Battalions for Bengal, and two each for Madras and Bombay, of the following strength respectively:—

- 1 Colonel Commandant.
- 2 Colonels.
- 5 Lieutenant-Colonels.
- 8 Captains.
- 8 Second Captains.
- 24 Lieutenants.

37. The promotions in the Engineer Regiments, requisite to complete the formation of Battalions on the new organization, will be made without delay, with effect from the 18th February, 1861, the date of the receipt of the Despatches by the Government of India.

38. The Colonels of the Engineers who will become Supernumerary under the new organization in the three Presidencies, will receive the Regimental Rank of Colonel Commandant from the date on which they came into the receipt of the Colonel's allowance, and will continue to receive that allowance.

Despatch 30, paragraph 8.

Their number will be reduced to that fixed by the new organization, by omitting to fill up one out of every four vacancies.

Despatch 30, paragraph 9.

39. Colonels of Engineers, not being Colonels Commandant, will be in the same position as Colonels of Artillery, as described in paragraph 29 above.

All General Officers not being on the new fixed Establishment of Colonels Commandant, and not drawing Colonel's allowance, will be Supernumerary or unattached, as at present.

Despatch 30, paragraph 10.

40. Officers of the Indian Engineers will receive Commissions in the Royal Engineers, but will rise by seniority in their respective Regiments.

Despatch 30, paragraph 11.

41. They will not be required to serve out of India unless at their own request, but will be eligible to serve anywhere, receiving the pay and allowances fixed for Royal Engineers in similar positions.

Despatch 30, paragraph 12.

42. The places of Engineer Officers of the Indian Service who may elect and who may be permitted to serve out of India on the above terms, will be filled up by Officers of the Royal Engineers who may be willing to undertake the several duties required from Engineer Officers in the Public Works Department.

Despatch 30, paragraph 13.

43. The Engineer Corps of the several Presidencies will continue to be, as at present, principally Corps of Officers having no European Soldiers attached to them. But Engineer Officers may be posted, as at present, as far as they can be made available, to the Corps of Native Sappers, which will be maintained on its present footing.

Despatch 30, paragraph 4.

44. All fresh appointments of young Officers will be made to the Royal Engineers, and when all the Subalterns of any of the three Indian Regiments shall have become Captains, the next vacancy in that Regiment will cause the promotion of the Senior Subaltern of Royal Engineers,

and the same process will be followed in the higher grades until all the officers of the Indian Engineers shall have disappeared.

Despatch 27, paragraph 9.

45. Officers of Engineers now in Staff employ other than appointments in the Public Works or Survey Departments; and Officers of Artillery now in Staff employ other than appointments with Batteries of Native Artillery, or in the Ordnance Department, or as Superintendents of Ordnance Manufacturing Establishments in India, will be required to exercise the option of joining the Staff Corps, or of not joining it, in the same way as Officers of Infantry or Cavalry, as hereafter explained. Officers of the Indian Artillery and Engineers now on Staff employ, who may not elect to join the Staff Corps, and Officers of the Indian Artillery and Engineers in general, will, in common with the rest of the Army, be available for any duty to which they may be appointed.

Despatch 27, paragraph 7.

46. The General Gradation List of General and other Officers of the Armies of the three Presidencies, and their promotion therein, will remain exactly as at present.

Despatch 27, paragraph 8.

47. The promotion of Field Officers of Cavalry and Infantry will go on as usual, in separate Regimental Gradation Lists of "Majors," "Lieutenant-Colonels," and "Colonels;" but a gradual reduction will be made in the number of Regimental Colonels entitled to Colonel's allowance, in due proportion to the reduction in the number of Regiments.

Despatch 27, paragraph 8.

48. The extent of this reduction will be determined hereafter; but in pursuance of the instructions given in Despatch No. 27, paragraph 8, the Governor-General in Council now announces that the reduction will be commenced at once in Bengal, by promoting only three Lieutenant-Colonels for every four vacancies in the rank of Colonel regimentally, in the Cavalry and Infantry respectively. This arrangement will commence to operate from the 18th of February, 1861, and will not include vacancies which occurred previous to that date.

Despatch 27, paragraph 13.

49. The course of promotion of Officers who belong to Regiments will, as heretofore, go on to the Regimental rank of Major inclusive, and that of Unposted Officers as directed in the General Orders No. 1637 of 1859, No. 1115 of 1860, and No. 214, 12th March 1861.

Despatch 27, paragraph 13.—Despatch 28, paragraphs 14, 16.

50. All the Officers of Cavalry and Infantry of the Indian Forces will be placed on two General Lists of Cavalry and Infantry respectively, for each Presidency. Those below the rank of Lieutenant-Colonel will however retain their places in the Cadres of their old Regiments, for the purpose of regulating promotion, as hereafter explained. These General Lists will be distinct from that of the Staff Corps and from the existing Gradation Lists of each Presidency, and the Gradation List of officers of all arms of the three Presidencies. From these two General Lists Officers of Cavalry and Infantry will be invited to volunteer for Her Majesty's

General Service, to the number required for the new Regiments of Cavalry and Infantry respectively, according as such Officers belong to either branch of the Service. Those Officers who may not be appointed to the new Regiments of Her Majesty's Line Service, or to the Staff Corps, will continue to be available, as heretofore, for their present duty, or for any other duty to which they may be appointed by Government. The General Lists will be immediately formed in the three Presidencies, and measures will be taken by the several Governments to ascertain the wishes of Officers in regard to volunteering for Her Majesty's General Service.

Despatch 28, paragraph 20.

51. The Officers of the 1st, 2nd, and 3rd Bengal Cavalry will be permitted to volunteer for General Service in the three Regiments respectively representing those to which they now belong; and any vacancies that may then remain in the Cadres of officers on the Establishment of a Dragoon Regiment, as laid down in paragraph 55, will be filled up in the 19th Light Dragoons by volunteers from the remaining Officers of the Bengal Cavalry, in the 20th and 21st Light Dragoons by volunteers from the Officers of the Madras and Bombay Cavalry respectively. In the event of vacancies still remaining in any of the three Regiments they will be filled by Officers who may volunteer, selected from the General Lists of Cavalry in the three Presidencies.

Despatch 28, paragraph 13.

52. It is necessary that the Officers of the three General Service Regiments of European Infantry, to be now formed in each of the three Presidencies, should be generally under the conditions of Service of Line Officers; and it is desired that they should be taken from among the Officers of the Indian Armies, and, as far as possible, from the old Regiments, which will be respectively represented by the new.

Despatch 28, paragraph 15.

53. It is the intention of Her Majesty's Government that such of the Officers as may have belonged to the three older Local Regiments shall be appointed respectively to the new Regiments, representing those to which they belonged, and that it should be secured to them that they shall hold a position in the new Regiments as far as possible the same as that which they held in the old ones.

Despatch 28, paragraph 28.

54. Such of the German Officers now attached to the 3rd Bombay European Regiment as may desire it, will receive Commissions in their present grades in the 109th Foot.

Despatch 28, paragraphs 15, 20.

55. The new Regiments will consist of Cadres of the strength noted in the margin,* exclusive of

** Cavalry.*

Regimental Staff. From the Officers who may volunteer for General Service the number who may be required to fill up these Cadres will be appointed by His Excellency the Commander-in-Chief in India, subject to the approval of the Government of India. These Officers will eventually receive new Commissions from Her Majesty, bearing the same dates respectively as the Commissions which they now hold.

Despatch 28, paragraph 14, and Instructions.

56. The system of purchase, as practised in the Queen's Army, is not to be introduced into these Regiments. They will be Seniority Corps; but, in the promotion to Field Officers, the fitness and efficiency of the Officers will be taken into account.

57. The Commanding Officers of the two reduced Bengal European Cavalry and Infantry Regiments, the 4th and 5th Bengal Light Cavalry, and the 4th and 6th Bengal Infantry, are allowed to keep their Command allowances for one year, unless otherwise provided for.

Despatch 27, paragraphs 13, 14.—Despatch 28, paragraph 14.

58. It is the intention of Her Majesty's Government that, notwithstanding the formation of the two General Lists of Cavalry and Infantry in the several Presidencies, and of the Staff Corps, the names of all Officers shall continue to be borne on the Cadres of their former Regiments. Officers joining the Staff Corps, or the new Line Regiments, will, by so doing, forego promotion in their former Cadres, and their names will continue to be borne on their former Cadres, in *italics*, only for the purpose of regulating the promotion of their Juniors; but by joining the Staff Corps, or the new line Regiments, Officers will not prejudice their claims on the Military and Orphan Funds and to Retiring Pensions under the Indian Regulations.

Despatch 27, paragraphs 13, 14.

59. Thus the promotion of Officers who do not join the Staff Corps or the new Line Regiments will continue, as heretofore, to depend on their position in their former Cadres; and the rise of Officers in the new Regiments, and in the Staff Corps, will be entirely irrespective of their position in their former Cadres, but will depend in the one case on their promotion in their new Regiments, and in the other on their length of service.

Despatch 27, paragraphs 13, 14.

60. The same rule will apply to promotion in the Regimental Graduation List of Field Officers, on which the names of Officers transferred will be placed in the same position which they would have held had they not joined the Staff Corps or volunteered for the new Line Regiments. Thus, until the death or retirement of such Officers, their names will remain on the Rolls of the Indian Army, to regulate the promotion of their Juniors.

Note.—The following illustration will shew the operation of the new system:—

Suppose A to retire from the 101st Fusiliers. Then K, the Senior Lieutenant in that Regiment, becomes Captain in it, and his name is included amongst the Captains on the General List; G, a Captain in the 101st, rising one step in the gradation of the Corps; also, I, the Senior Lieutenant in the Cadre of the old 10th Native Infantry, to which A belonged, becomes Captain, standing above K in the General List. Thus the retirement of one Officer has given two effective steps. But J, who stood before K in his former Cadre, remains a Lieutenant.

Next, suppose C to retire from the Staff Corps; no Officer in that Corps is promoted; but J, the Senior Lieutenant on the Cadre of the old 1st Native Infantry, to which C belonged, is promoted.

Now, suppose E to retire. Then K would be promoted (nominally) in his old Cadre, he being already a Captain in the 101st Fusiliers. Thus, in fact, E's retirement has given no effective step.

Again, suppose F to retire. Then, as he is actually only a Lieutenant on his former Cadre, he gives no step; the only result is, that M becomes Senior Lieutenant on his old Cadre.

Lastly, suppose G to retire. Then M becomes Captain in the 101st Fusiliers and on the General List, and Q also becomes a substantive Captain on the General List.

Also note that F, an officer of 12 years' service, by joining the Staff Corps, passed over I his Senior in the Army and in his former Cadre.

The General List will then stand thus:—

Captains	B	Lieutenants	H
	D		L
	&c.		N
	I		O
	K		P
	J		&c.

Despatch 27, paragraphs 4, 5, 13.

61. It is intended by Her Majesty's Government that the Regular Native Infantry Regiments in Bengal, Madras, and Bombay, and the

Regular Native Cavalry Regiments in Madras, shall eventually be Officered on the Irregular system, and therefore that the number of their European Officers shall eventually be fewer than at present. This change will be effected gradually, and each Regiment, after the change shall have been made in it, will be officered from the General Lists and from the Staff Corps, and, as far as may be practicable, Officers will be allowed to continue to serve with the Regiments to which they have been attached.

62. It will be the anxious desire of the Government of India to carry out this important change with due regard to the interest and claims of all officers now serving with the Regular Native Regiments of the Army; and meanwhile Officers Commanding Regiments, and all Officers serving with them, will continue to draw the allowances they now receive.

63. The position and claims of the Field Officers of the Army who are now unemployed, and for whom it may be difficult to find suitable employment under the new system, are also under consideration by the Governor General in Council.

Despatch 27, paragraph 4.

64. It is intended that the Irregular Regiments of Cavalry and Infantry in the three Presidencies shall each have six Officers, besides the Medical Officer.

Despatch 27, paragraphs 12, 34.—Despatch 28, paragraph 14.

65. It will be observed that, in the Despatches No. 27, paragraphs 12 and 34, and No. 28, paragraph 14, it is distinctly announced that the present and prospective advantages which Officers now in the Service derive from the Military and Orphan Funds will be secured to them; and further, that the Retiring Pensions, under the Indian Regulations, will be scrupulously preserved. Officers ordered to serve out of India with their Regiments will be allowed to count such service in completion of the period required, under the Indian Regulations, for the several rates of Pension. Officers who may serve out of India under any other conditions will be al-

lowed to count for Pension, in addition to their service in India, one year for every two years of their service out of India.

STAFF CORPS.

Royal Warrant, Clause 1.—Despatch 27, paragraph 6.

66. The organization and regulations of the Staff Corps to be formed in the several Presidencies are given in full detail in the Royal Warrant, and Despatch No. 27, now published. The object of forming the Staff Corps is to supply a body of Officers for service in India, by whom various offices and appointments, hitherto held by Officers borne on the strength of the several Corps of the Indian Forces, shall in future be held; it having been resolved that the practice of withdrawing Officers for such employment, while remaining on the strength of their Regiments, be discontinued, and that, ultimately, all Officers selected for such employment be transferred to Staff Corps.

Royal Warrant, Clause 1.

67. These Corps will be denominated the Bengal, Madras, and Bombay Staff Corps respectively, and will consist of such Officers as may be required for employment therein, and may be selected by the Governments of the several Presidencies, with the approbation of the Secretary of State for India in Council.

Royal Warrant, Clause 2.—Despatch 27, paragraph 6.

68. Officers of the British and Indian Armies now on Staff employ in India, not having the substantive rank of Colonel, are eligible for admission to the Staff Corps; and Officers of either Service under the rank of Field Officer, not now on the Staff, may, now or hereafter, become candidates.

69. Officers at present holding Civil and Political appointments of every description, and appointments in all Public Offices and Departments; Officers holding Military appointments on the General and Personal Staff, and the appointments of Commandant, Second in Command, and Adjutant of Irregular and Local Corps; of Adjutant and Interpreter and Quarter Master of existing Local European and Native Regiments;—will be held to be now on Staff employ, and will be eligible, under the conditions hereafter noted, to have their names placed on the List of the Staff Corps; but Officers doing duty with Irregular and Local Regiments will not be regarded as being now in Staff employ.

70. So soon as the proposed changes in the organization of the Regular Native Regiments shall have come into operation, the whole of the Officers who will be permanently attached to them will be held to be on Staff employ.

Despatch 27, paragraph 6.

71. There will then be, as at present, two great divisions of employment for Officers of the Staff Corps:—

- 1st. Purely Military, as in Regiments of the Native Army.
- 2nd. Various Civil appointments, as Political, Public Works, &c.

There will also be practically many subdivisions of employment, for each of which there will be, as at present, separate Departmental Lists.

Royal Warrant, Clause 2. Despatch 27, paragraphs 13, 17.

72. Officers of the Indian Army now holding Staff appointments of any description will have the option of joining the Staff Corps if they do not possess the substantive rank of Colonel, or of continuing in Staff employment; whatever their Regimental rank, without joining the Staff Corps; and in the latter case they will not, as heretofore, be required to vacate their appointments on the attainment of a certain Regimental rank. This paragraph does not affect the provisions of paragraph 45.

Royal Warrant, Clause 2. Despatch 27, paragraph 26.

73. Officers of the Indian Army not now on the Staff, not having the substantive rank of Colonel, but who, within the last three years, or who, at the commencement of their present unexpired Furlough, may have served permanently on the Staff, and who may make application within the next six months, will be considered eligible to join the Staff Corps on the same terms as those now on Staff employ; provided always that they have passed the prescribed examination in Hindoostanee, and that they did not lose their appointments through misconduct and are not otherwise disqualified.

Despatch 27, paragraph 16.

74. Officers of the British Army now in Staff employment will have the option of declaring their desire to be transferred to the Staff Corps, with the consent of the Commander-in-Chief in India, within six months from the date of the Notification of the Royal Warrant in India; or of retaining their appointments on their present footing, if their services are required by Government, for the unexpired portion of a period of five years from the date of their appointment, unless the Regiments to which they belong shall be previously removed from the Indian Establishment.

Royal Warrant, Clause 2. Despatch 27, paragraphs 18, 19.

75. Those whose tenure of Staff appointments, at the time of transfer to the Staff Corps, shall have exceeded one year will not be subjected to probation, or to any introductory test other than those already prescribed for any Department in which they may be serving; but Officers who may have held their appointments for less than one year will not be transferred *permanently* to the Staff Corps unless they possess the requisite qualifications, to be hereafter laid down, and shall have completed the period of probation to be prescribed. The option of joining the Staff Corps will be open to those Officers only who may be considered by the Governments under which they are serving to be in all respects fit for the Staff Corps.

Despatch 27, paragraph 15.

76. Appointments on the General Staff of the Army specified in the margin,* can only be held for five years: they may be held by Officers of the Staff Corps, or by other Officers of either Army, but will be subject henceforward to the limitations as to Rank, which are laid down in the "Queen's Regulations and Orders for the Army," in Clauses 30 to 33 of the section entitled

* Adjutant-General's Department; Quartermaster-General's Department; Brigade Majors and Fort Adjutants; Personal Staff.

"Duties of General and other Officers employed upon the Staff of the Army."

77. Officers now holding such appointments will not be required to vacate them for a period of two years from this date, or a period of seven years from the date of their appointment.

Despatch 27, paragraph 26.

78. Officers not having the substantive rank of Colonel, now holding appointments on the Staff, as defined in paragraph 69, will at once be called upon to declare whether or not they desire to join the Staff Corps. To enable such Officers to avail themselves of the advantages in the way of promotion, notified in paragraphs 84 and 85, they must communicate their decision to the Adjutant-General within six months of the date of the publication of the Royal Warrant in India.

Despatch 27, paragraph 20.

79. The selection of Officers hereafter, for the Staff Corps, will rest with the Governments in India, but no Officer serving with any Regiment will be admitted on probation without the consent of the Commander-in-Chief, or without a Certificate from the Commanding Officer of his Regiment that he has efficiently performed his Regimental duty for the period prescribed in paragraph 80.

Royal Warrant, Clause 2. Despatch 27, paragraphs 19, 20.

80. For the future, Officers not on the Staff will not be eligible for the Staff Corps unless they be below the rank of Regimental Field Officer, and have served three years with a Regiment, of which two must have been in India, and have passed the prescribed examination in Hindoostance. They will not be permanently appointed to the Staff Corps, unless after due probation, they shall pass the prescribed tests for the branch of the Indian Service for which they may be selected. This rule applies equally to Officers of the British and Indian Armies.

Despatch 27, paragraph 20.

81. A subsequent Notification will prescribe the period of probation and the tests of qualification in the several Departments.

Despatch 27, paragraph 21.

82. The promotion of Officers while on probation will go on in their respective Regiments.

Despatch 27, paragraph 21.

83. Officers of the British Army when permanently transferred to the Staff Corps will be removed from the strength of the Regiment to which they belonged.

Royal Warrant, Clause 3, paragraphs 1 and 2.

84. The promotion of Officers of the Staff Corps will be regulated as follows:—

Ensigns, when permanently transferred to the Staff Corps, will have the rank of Lieutenant. Other Officers will have the rank which they may hold in their Regiments.

Officers of twelve years' service, of which four must have been in the Staff Corps, will become Captains. After twenty years' service, of which six must have been in the Staff Corps, they will become Majors. After twenty-six years' service, of which eight must have been in the Staff Corps, they will become Lieutenant-Colonels.

Five years' service in the Staff Corps as Lieutenant-Colonel will entitle the Officer so employed to the Brevet rank of Colonel.

No. 22514.

B

Royal Warrant, Clause 3. Despatch 27, paragraph 26.

85. Officers now in Staff employment will be allowed to count, to the extent laid down in the Royal Warrant, as noted in the preceding paragraph, their past service towards promotion, as if it had been performed in the Staff Corps. One step of rank will be given to every Officer whose period of service would qualify him for it according to the above Rules. An interval of two years at least must intervene between each succeeding step. But these privileges will be restricted to those Officers who, whether now in India or on leave out of India, may declare their desire to be transferred to the Staff Corps within six months of the date of the Notification of the Warrant in India.

Royal Warrant, Clause 2.

86. The Officers referred to in paragraph 73 will also be allowed this privilege, should they be permitted to join the Staff Corps.

Despatch 27, paragraph 26.—Royal Warrant, Clause 3, paragraph 3.

87. The past service on the Staff, counting for promotion in the Staff Corps, will include any service of a permanent nature which an Officer now on the Staff may, from the date of his first arrival in India, have passed on the Staff.

Despatch 27, paragraph 27.—Royal Warrant, Clause 3, paragraph 6.

88. Officers of the Staff Corps under the substantive rank of Field Officer will be allowed to exchange with Regimental Officers of the Line of the same rank, on the recommendation of the Governments of the several Presidencies, with the concurrence of the Government of India and the Commander-in-Chief in India, and subject to the confirmation of Her Majesty. But it is to be understood that the Regimental Officer entering the Staff Corps by exchange will not necessarily assume the Staff appointment held by the Officer with whom he exchanges. He will merely enter the Staff Corps on being found qualified for the Department of the Staff on which the Government may desire to employ him. Officers of the Staff Corps exchanging into a Regiment will become the Juniors of their Regimental rank.

89. An Officer of the Staff Corps whose name is borne on the Cadre of an Indian Regiment, exchanging from the Staff Corps with an officer of a British Regiment other than the new Line Regiments about to be formed, will give an effective step in the Cadre of his former Regiment.

Despatch 27, paragraph 22.

90. It will be discretionary with the Governments in India as at present, to employ the Officers of the Staff Corps, in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several Departments will rest, as at present, with the Governments in India, and will be made irrespectively of the rank which the Officer may hold in the Staff Corps. Those appointments, promotions, and recommendations now in the gift of the Commanders-in-Chief remain as heretofore.

Despatch 27, paragraph 28.

91. Officers of the Staff Corps of one Presidency may, with the sanction of the Government of India, be employed in any other Presidency.

92. Unattached Officers of the Indian Service are eligible for the Staff Corps on the same terms as other Indian Officers.

Royal Warrant, Clause 8, Despatch 27, paragraph 32.

93. Officers of the Staff Corps while on Furlough will draw the pay of their rank, as laid down in the Clause of the Royal Warrant for Officers out of India, and, in case of sickness, will have the privilege of drawing for six months the allowances of Officers on sick leave in India. They will be allowed to retain their appointments during short periods of leave, not exceeding twenty months, during which time they will only receive the unemployed pay of their rank. With the above exceptions, the Officers of the Staff Corps will be under the New Furlough Regulations of the Indian Army.

Despatch 27, paragraph 30.

94. A certain proportion of the Senior Officers of the Staff Corps will receive Colonel's allowance. Eventually, the number will be fixed in the proportion of one for every thirty Officers on the Staff Corps, but this number can only be filled up as the Establishment of Colonels on the old footing diminishes, so that the aggregate number of Officers receiving Colonel's allowance at one time shall never exceed the regulated number of Colonel's allowance for each Presidency.

Royal Warrant, Clause 3, paragraph 9.—Despatch 27, paragraph 29.

95. Officers of Her Majesty's Indian Forces joining the Staff Corps will be entitled to Pension under the Regulations of the Indian Service. Officers of the British Army entering the Staff Corps will be allowed to retire on the following scale of Pension, provided that not less than half of the required periods of service shall have been passed in the Staff Corps:—

Scale.		per annum.		
		£	s.	d.
After 20 years' service in India	-	191	12	0
" 24 " " "	-	292	0	0
" 28 " " "	-	365	0	0
" 32 " " "	-	456	5	0

These periods of service will include the proportions of leave of absence in India or elsewhere

laid down in the New Furlough Regulations, viz:—

2 Years in 20 years' service.

3 " " 25 " "

4 " " 30 " "

Royal Warrant, Clause 3, paragraph 10.—Despatch 27, paragraph 31.

96. All Officers of the Staff Corps in England who may not wish to retire, but are unable to return to India, and Officers removed from the Effective List of the Staff Corps who may not be entitled to retire on the above scale of Pension, may, provided they have served three years in India in the Staff Corps, be placed on a Half-pay List, on the same rate of half-pay and on the same conditions as Officers of a similar rank in the British Army. Officers belonging to the Indian Forces who may avail themselves of this privilege will give an effective step in the Cadres of their Regiments. Officers placed on half-pay will be eligible to return to Effective Service, either in the Staff Corps or in the Regiments of the Line. In the former case their names will not be restored to their old Cadres.

Despatch 27, paragraph 33.

97. No unemployed General Officer of the Staff Corps, who is not required by the Governments in India to remain there, will be allowed to receive pay on the Indian scale for a longer period than three years. At the expiration of that period he will be restricted to the pay fixed for Officers of his rank "out of India." This Rule in no way affects the Colonel's Allowance.

Despatch 27, paragraph 33.

98. Officers of the Staff Corps under the rank of Major-General, whom the Governments of India may not see fit to employ in any capacity, will not be allowed to draw pay for more than four years, of which one year may be on the Indian scale, and three years on the scale fixed for Officers "out of India," after which period they will be placed on half-pay, or on Pension according to the scale of their rank, if entitled thereto.

Royal Warrant, Clause 8.—Despatch 27, paragraph 23.

99. The pay of Officers of the Staff Corps whilst unemployed has been fixed at the following rates:—

Whilst required to remain in India.

Out of India.

		Rs. As. P.			£ s. d.		
General Officers	1,295	5	0	per mensem	1	5	0 per diem.
Brevet-Colonel and Lieutenant-Colonel	827	14	0	" "	1	0	0 "
Major	640	14	0	" "	0	16	0 "
Captain	374	1	6	" "	0	10	6 "
Lieutenant	225	12	0	" "	0	6	6 "

Despatch 27, paragraph 23.

100. The pay and allowances to be established for the several Staff appointments, in all Departments of Staff employ, will be announced in a subsequent Notification, and meanwhile the Staff salary and other allowances of all appointments will remain unchanged.

Royal Warrant, Clause 3, paragraphs 4, 5.

101. Officers of the Staff Corps are eligible for Brevet rank, and will take their places on the

General Gradation List in common with the rest of the Army. Those holding Military appointments will take Military Command according to their Army rank, but Officers whilst holding only Civil appointments will not be entitled to assume such Command. Civil appointments are those in any Civil branch of the Army, or under the Civil administration of Government.

102. Officers of the Staff Corps will succeed to Colonel's Allowance according to their seniority as Lieutenant-Colonels in the Staff Corps. Lieu

tenant-Colonels entering the Staff Corps on its first establishment will take rank for Colonel's Allowance according to the dates of their Commissions as substantive Lieutenant-Colonels. All Officers entering the Staff Corps will take with them the substantive rank they held at the time of joining it. Should two Officers of the same rank enter the Staff Corps, and be promoted on the same day, they will stand in the Corps according to the dates of their previous substantive Commissions. But Officers of the Staff Corps will take precedence and exercise command among each other, according to their Army rank.

103. All promotions in the Staff Corps, in the case of Officers who may join the Staff Corps within six months of the publication of the Royal Warrant, will take effect from the 18th February, 1861, the date of the receipt of the Warrant in India.

Royal Warrant, Clause 7.

104. The power of removing Officers from the Effective List of the Staff Corps will be exercised by Her Majesty through the Secretary of State for India.

105. The provisions of paragraph 90 are also applicable to appointments in the Ordnance, Survey, and Public Works Department.

Despatch 31, paragraphs 5, 6.

106. The promotion of Officers of the Indian Armies, on the occurrence of vacancies, will be Notified, as heretofore, by the Governments of India, in the Official Gazette, and will be stated to be "subject to Her Majesty's approval." Periodical Lists of these promotions will be submitted to the Secretary of State for India, that measures may be taken for the preparation and signature of corresponding Commissions. Pending the receipt of these Commissions the Officers provisionally promoted by the Indian Governments will enjoy the pay, provision, and privileges of the rank to which they may have been advanced.

R. J. H. BIRCH, Major-General,
Secretary to the Government of India.

**GENERAL ORDER BY HIS EXCELLENCY
THE COMMANDER-IN-CHIEF IN INDIA.**

*Adjutant-General's Office, Calcutta,
April 10th, 1861.*

IN publishing to the Army the General Order No. 332 of 1861, by His Excellency the Governor-General in Council, the Commander-in-Chief, with the view to carry out the final arrangements for the new constitution of the European Forces of Her Majesty's Indian Army, as laid down in that order, and for the disposal of men who do not volunteer for General Service, issues the following instructions.

Non-Commissioned Officers and Soldiers.

2. The volunteering of Soldiers of Her Majesty's Indian Army for Her Majesty's General Army will commence on the date of publication of this order at Stations, and will close at the expiration of seven days, by which time the Non-Commissioned Officers and Soldiers must have made their election for the Line, or Local Service.

3. Officers Commanding Divisions, Brigades, and Stations, where there are British Troops of Her Majesty's Indian Army, will appoint an Officer of Her Majesty's Service, if possible a

Field Officer, to superintend the volunteering for the new Regiments.

4. The above-mentioned Officers Commanding will then call on the British Non-Commissioned Officers and Soldiers of the Artillery, Cavalry, and Infantry, of Her Majesty's Indian Service, to volunteer with the specified Bounty, for the Royal Artillery, and the new Regiments of Cavalry and Infantry, or to elect to remain in the Local Service.

5. Soldiers of the Artillery, Cavalry, and Infantry, desirous of volunteering, will present themselves before the Superintending Officer, and a Justice of the Peace or Magistrate, who will sit together, and make before the latter Officer the Declaration appended to the Government Order No. 332 of 1861, to serve in the Royal Artillery, the — Regiment of Foot, or the — Regiment of Light Dragoons. When the Volunteer shall have made this Declaration, the Superintending Officer will enrol his name in the Royal Artillery, or the new Regiment for which he has volunteered; after which the Superintending Officer will pay him his Bounty.

6. Officers Superintending the volunteering will apply to Pay Masters, or to Local Treasuries at stations where there are no Pay Offices, for the funds required to meet the payment of the Bounty to Volunteers.

7. Officers Commanding Divisions, Brigades, and Stations, will, as the Soldiers of Cavalry and Infantry volunteer, form them into separate Troops and Companies, arranging, as far as possible, that the men who have served together before in the same Troop or Company shall continue so to serve together; and appointing the requisite number of Officers to each Troop and Company. The men will take with them their Arms and Equipments of all kinds.

8. As soon as the Commander-in-Chief is informed of the number of Officers and men who volunteer for General Service, he will issue the necessary order for the formation of the new Regiments of the Line. Meanwhile the new Troops and Companies formed of the Volunteers will remain under the orders of their old Commanding Officers.

9. Officers superintending the volunteering, will pay particular attention to paragraph 11 of the Government General Order, No. 332 of 1861, which directs that the men who are now in each of the three oldest Regiments of Cavalry and Infantry, and who volunteer for Her Majesty's General Service, shall join the new Regiment which represents their former Corps.

10. Should, however, the Soldiers of a British Regiment of Her Majesty's Indian Service volunteer in a body, or in such numbers as would render it preferable that they should not be formed into New Troops and Companies; in this case, they will retain their original formation, as a Regiment, receiving at once their new designation; for example: the 1st Regiment Bengal European Light Cavalry would become the 19th Light Dragoons—the 1st European Bengal Fusiliers would become the 101st Regiment of Foot (Royal Bengal Fusiliers), and so on. Officers of a Regiment so volunteering, electing to remain in the Local Service, would continue to do duty with the Regiment till relieved.

11. The Non-Commissioned Officers of the old Regiments will have the prior claim to be appointed to their representative new Regiments.

12. As stated in paragraph 18 of the Government Order No. 332 of 1861, the Non-Commissioned Officers of all Arms of Her Majesty's Indian Service, volunteering for Her Majesty's General Service, will carry their rank with them to the new Regiments to which they may volun-

teer; and should they be Supernumeraries, will continue to receive their pay, succeeding to vacancies in the proportion of three to four.

13. Soldiers who now volunteer will have the option of choosing whether their future pension shall be reckoned according to the regulations of Her Majesty's Army, or according to those of the Indian Forces. Their choice will be declared any time within three months from the date of volunteering. They will also have the privilege of counting their past service towards completion of their contract service, and for pension, under whichever regulations they may choose.

14. Boards will be held hereafter to record, and close the services of Volunteers in their old Regiments, and their choice of pension rules.

Officers.

15. Officers Commanding the Stations where the 1st and 2nd Bengal Fusiliers and the 3rd Bengal European Regiment are quartered, will invite the Officers of those Regiments to volunteer into the Regiments, respectively, representing those to which they now belong, as ruled in paragraphs 51, 52 and 53 of Government Order No. 332; that is to say, the Officers of the 1st Bengal Fusiliers for General Service in the 101st Bengal Fusiliers, the Officers of the 2nd Bengal Fusiliers for General Service in the 104th Bengal Fusiliers, and the Officers of the 3rd European Regiment for General Service in the 107th Bengal Infantry.

16. Officers Commanding Divisions, Brigades, and Stations, will, without delay, ascertain the wishes of Officers of Cavalry and Infantry of the Local Service in regard to volunteering to fill vacancies in the new Line Regiments of Cavalry and Infantry, should there be vacancies in them; and will transmit immediately to the Adjutant-General of the Army rolls of Officers who elect for the Line; Officers of the old Local Regiments having the prior claim, to be appointed to the representative new Regiments.

17. Officers Commanding Divisions, Brigades, and Stations, will report, as soon as possible, to the Adjutant-General of the Army by Telegram, and more fully by Post, the number of Officers and men who have volunteered for Her Majesty's General Service, as well as those who have elected for Local Service.

Formation.

18. For the sake of the health of the Troops, Soldiers volunteering, or electing for local service, will not be moved during the hot season. Consequently, the Soldiers of the 4th and 5th Bengal Light Cavalry, and of the 4th and 6th Bengal European Infantry, as well as those of the Recruit Depot at Barrackpore, volunteering for General Service, will not join the new regiments for which they have volunteered till the weather permits.

19. The Soldiers of the 6th Bengal European Regiment, and of the Cavalry and Infantry of Her Majesty's Indian Service at the Depot at Barrackpore, who volunteer for any of the three new Regiments of Cavalry and Infantry of the Line, will be formed into a "Provisional Battalion," of which the number of Troops and Companies will depend on the number of Volunteers.

20. The Officers Commanding at Fort William and at Barrackpore, and Dum-Dum, will appoint the requisite number of Officers and Non-Commissioned Officers to these Troops and Companies. When the number of Volunteers is known, the Commander-in-Chief will officer the Provisional Battalion.

21. The Provisional Battalion will be stationed either at Barrackpore or Dum-Dum, as Barrack accommodation will allow, till the weather permits the Volunteers to join their new Regiments.

Artillery.

22. Officers Commanding Divisions, Brigades, and Stations, will transmit to the Adjutant-General of the Army the names of Officers of the Artillery willing to serve out of India, on the condition specified in paragraph 30 of Government Order No. 332.

23. The Officers mentioned in the preceding paragraph, and Officers from the Bengal Artillery, who will receive Commissions in the Royal Artillery, concurrent with those which they now hold, will be appointed to the New Batteries about to be formed.

24. The detached state and peculiar nature of Artillery, prevent the Commander-in-Chief from at once ordering the formation of distinct bodies of Volunteers, as in the Cavalry and Infantry; but as soon as His Excellency shall have learnt the number of Volunteers, as well as of the men electing for Local Service, he will issue the necessary orders for the organization of both bodies:—in the meantime the Soldiers of both these classes will continue to serve in their present Troops, Field and Heavy Batteries, and Reserve Companies.

25. Officers Commanding Divisions, Brigades, and Stations, will transmit with the least possible delay, by Telegram, and more fully by Post, the names of Officers of Artillery, electing to serve out of India, and a numerical return of the Volunteers for the Royal Artillery, forwarding duplicate rolls to the Commandant of Bengal Artillery.

Engineers.

26. The position of Officers of Engineers is defined in paragraph 41 of the Government Order No. 332; but the election for General or Local Service by Non-Commissioned Officers of the Bengal Engineers will be carried into effect in the same way as prescribed for the other branches of the Service.

27.
