Victualling and Transport Services,
Somerset-House, July 2, 1861.

THE Commissioners for executing the office of
Lord High Admiral of the United Kingdom
of Great Britain and Ireland, do hereby give notice,
that on Wednesday the 17th instant, at half past
one o'clock, they will be ready to treat with
such persons as may be willing to contract for
supplying and delivering into Her Majesty's
Victualling Stores at Deptford, the undermen-
tioned articles; viz.:

Wheat, 3,000 quarters; half to be delivered in
three weeks, and the remainder in three
weeks afterwards, or earlier if preferred by
the party tendering.

Cocoa, 150 tons; half to be delivered in three
weeks, and the remainder in three weeks
afterwards, or earlier if preferred by the party
tendering.

Sugar, 200 tons; half to be delivered in three
weeks, and the remainder in three weeks
afterwards, or earlier if preferred by the
party tendering.

Tenders may be made for the whole or any
portion of the articles.

Their Lordships reserve to themselves the power,
when the tenders are opened, of contracting either
for the whole, or for such part thereof only as they
may deem fit, or for a greater quantity, or of not

contracting for any, and also an unlimited power
of selection.

The cocoa and sugar to be exempted from the
Customs' duties, and parties tendering are to state
where they are respectively lying.

Samples of the wheat (not less than two quarts),
and of the cocoa (not less than 2 lbs.), must be
produced by the parties tendering.

Each tender for sugar must specify the mark
and landing number of each cask or package, the
ship in which imported, and the country or place
of its growth or produce, and an average sample
(not less than 2 lbs. for each import mark)
must be produced by the parties tendering, and
not an average of different marks or several im-
ports, and any parcel that is found not to be of
the same mark or average quality as the samples
tendered and accepted, will be rejected by the
officers.

The samples produced by persons whose tenders
are not accepted, are requested to be taken away
by them immediately after the contracts have been
decided.

No tender will be received unless made on the
printed form provided for the purpose, and which
may be obtained on application at the said office,
or to the Officer conducting the Packet Service
at Liverpool, or to the Collector of Customs at
Bristol.

Particular attention is called to the recent modi-
fication of the conditions of the contracts, which
may be seen at the said office, and at Liverpool
and Bristol.

No tender will be received after half past one o'clock on the day of treaty, and it will not be required that the party tendering, or an agent on his behalf, should attend at the office on the day of contract, as the result of the offer received from each person will be communicated to him and his proposed sureties in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words "Tender for _____," and must also be delivered at Somerset-House.
