Department of the Comptroller of Victualling and Transport Services, Somerset House, February 18, 1862.

THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that, on Wednesday the 26th instant, at half-past one o'clock, they will be ready to treat with such persons as may be willing to contract for supplying and delivering into Her Majesty's Victualling Stores at Deptford, the undermentioned articles; viz. :—

Vinegar, 15,000 gallons; half to be delivered in one month, and the remainder in one month afterwards, or earlier if preferred by the party tendering.

Wine (Sherry, good sound), 1,000 gallons; half to be delivered in three weeks, and the remainder in three weeks afterwards, or earlier if preferred by the party tendering.

Cocoa, 150 tons; half to be delivered in three weeks, and the remainder in three weeks afterwards, or earlier if preferred by the party tendering.

Raisins, 50 tons; half to be delivered in three weeks, and the remainder in three weeks afterwards, or earlier if preferred by the party tendering.

Tobacco, 50 tons; half to be delivered in three weeks, and the remainder in three weeks afterwards, or earlier if preferred by the party tendering.

Tenders may be made for the whole or any portion of the articles.

Their Lordships reserve to themselves the power, when the tenders are opened, of contracting either for the whole, or for such part thereof only as they may deem fit, or for a greater quantity, or of not contracting for any, and also an unlimited power of selection.

The wine, cocoa, raisins, and tobacco to be exempted from the Customs' duties, and parties tendering are to state where they are lying.

Samples of the vinegar (not less than a quart), which the parties tendering may purpose to supply, must accompany their tenders, as the delivery will be required to be made in accordance with the samples which may be accepted, and the vinegar tendered to be No. 20, trade denomination.

The vinegar to be delivered in good, sound, strong, and substantial casks, which are to be retained as long as required by the said Commissioners or their officers without payment therefor, but are to be taken back from the said Victualling Stores (when emptied) by and at the expense of the contractor.

Each tender for tobacco must specify the several trade marks and numbers, and the countries or places of its growth or produce, and a fresh drawn dock sample of each cask or package must be produced by the parties tendering, and any cask or package that is found not to be of the same mark, number or quality as the sample tendered and accepted, will be rejected by the Officers.

Samples of the Wine (in pints), from each cask, must be produced by the parties tendering, and not samples only for each import mark.

Samples of the cocoa (not less than 2 lbs.), and of the raisins (not less than 3 lbs.), must be produced by the parties tendering.

The samples produced by persons whose tenders are not accepted, are requested to be taken away by them immediately after the contracts have been decided.

No tender will be received unless made on the printed form provided for the purpose, and which may be obtained on application at the said office, or to the Officer conducting the Packet Service at Liverpool, or to the Collector of Customs at Bristol.

Particular attention is called to the recent modifications of the conditions of the contracts, which may be seen at the said office, and at Liverpool and Bristol.

No tender will be received after half past one o'clock on the day of treaty, and it will not be required that the party tendering, or an agent on his behalf, should attend at the Office on the day of contract, as the result of the offer received from each person will be communicated to him and his proposed sureties in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words "Tender for" and must also be delivered at Somerset-House.
