Hull and Hornsea Railway.

(Alteration of part of Line in Parishes of Sutton and Swine.)

NOTICE is hereby given, that it is intended in the Bill now pending in Parliament, under the name or short title of the "Hull and Hornsea Railway Bill," to seek power to make an alteration in the line or course of the said intended Railway, such alteration to commence in a field belonging to the Trustees of Ann Watson's Charity, and in the occupation of Thomas Hart and James Hart, situate in that part of the parish of Sutton which is in the East Riding of the county of York, and numbered 80 in the plans of the said Railway deposited in the month of November, 1861, and hereinafter referred to, and to terminate in a field belonging to the Right Honourable the Earl of Shaftesbury, and in the occupation of John Acklam, situate in the parish of Swine, in the said East Riding of the county of York, and numbered 34 in the said plans, and the whole of which said alteration will be in the parishes of Sutton and Swine, in the said East Riding of the county of York.

It is intended to authorise the Company to be incorporated by the Bill to adopt such altered Line of Railway, in substitution for the portion of the line between the points above described which will be rendered unnecessary by such substitution, with the same powers of purchasing land compulsorily and all other rights and powers as are contained in the said Bill.

Plans, sections, and books of reference of such alterations were, on the 15th day of April instant, deposited for public inspection at the office, in Beverley, of the Clerk of the Peace for the East Riding of the county of York, and with the parish clerks of the parishes of Sutton and Swine, at their respective residences.
