THE following General Order issued by the Government of India, regarding the payment of prize money in England, concurrently with payment in India, is published for general information :—

[No. 550.]

GENERAL ORDER by His Excellency the Governor-General of India in Council, in the Military Department.—(No. 342, dated Fort William, the 21st March, 1862.)

THE Right Honourable the Governor-General in Council is pleased with the view of payments of Prize Money being made in England, concurrently with payments in India, to lay down the following rules :—

I. That no Officer or Soldier shall receive his share in England, so long as the Head Quarters of his Regiment shall be in India, unless he produce a certificate, in the case of an Officer, showing that his share has not been paid in India, or unless his name, in the case of a Non-Commissioned Officer or Soldier, be found on a Roll of unpaid shares forwarded from India.

II. That on the embarkation of the Head-Quarters of any Regiment or Battery from India, payments in India shall cease. Nominal Rolls shall be forwarded to England, and thenceforward no payment shall be made in India, to Officers or Soldiers of that Regiment or Battery, but upon the production of certificates that their shares have not been, and will not be paid in England.

III. With regard, however, to Corps already proceeded to England, which, before embarkation drew Prize Money for all except Volunteers to other Regiments in India, the foregoing clause shall be in abeyance for two months from this date ; claims on behalf of the Volunteers are to be submitted within that period by the Officers of the Corps which the Volunteers have joined.

IV. As regards Corps proceeded to England, with or without having drawn Prize Money, and in which Corps, Officers have assigned their shares to individuals residing in India, the shares in question will cease to be payable in India on the expiration of two months from this date, at the end of which period, if not claimed in this country by that time, they will be included in a list of unpaid shares for transmission to England. The same rule will apply to Officers of Regiments in India who have left the country, but have assigned their shares to individuals residing in India.

V. In all cases of deceased Officers and Soldiers, who have left no representatives in India, as also of Soldiers who returned to England prior to the commencement of distribution, and of Officers who similarly returned without having assigned their shares in India, the fact of their decease, or of their having so returned, is to be notified in a complete copy of the Prize Rolls to be forwarded by the General Prize Committee to the Commissioners of Chelsea Hospital.

VI. In the case of Regiments which returned to England prior to the commencement of distribution, similar complete Rolls will be sent to India. These Rolls will specify in every case,

whether the shares are to be paid in India or by the Commissioners of Chelsea Hospital in England.

2. To enable the General Prize Committee to send to the Home Authorities the lists of all unpaid shares, including those of men, of both line and local Forces, who may leave India while the distribution is being made, without having received their shares of Prize—Officers Commanding Regiments and Batteries are requested to send to the said Committee within a fortnight of the receipt of this order—Prize lists of Non-Commissioned Officers and men invalided and discharged and sent to England, and of deceased men who have left no heirs in India, and whose estates have been sent to England.
