**A**T the Court at *Windsor*, the 7th day of *June*, 1862,

**PRESENT,**

The **QUEEN's** Most Excellent Majesty in Council.

**W**HEREAS by an Act, passed in the session of Parliament, holden in the seventh and eighth years of Her Majesty's reign, intituled "An Act to amend the law respecting the office of County Coroner," it was enacted that it should be lawful for Her Majesty, with the advice of Her Privy Council, after taking into consideration a Petition presented to Her, as directed by the said Act, by the Justices of any county in General or Quarter Sessions assembled, praying the di-

vision of such county into two or more districts for the purposes of the said Act, to order that such county should be divided into such and so many districts for the purposes of the said Act as to Her Majesty, with the advice aforesaid, should seem expedient, and to give a name to each of such districts, and to determine at what place, within each district, the Court for the election of Coroner for such district should be holden, as in the said Act is provided.

And whereas Her Majesty's Justices of the Peace in and for the county of Middlesex, in Quarter Sessions assembled, on the seventeenth day of April, A.D. one thousand eight hundred and sixty-two, have presented a Petition to Her Majesty in Council, in accordance with the provisions of the said Act, which said Petition, with the description of the several proposed districts and of the boundaries thereof, with the reasons upon which such Petition was founded, as hereinafter respectively set forth, was duly certified to Her Majesty under the hands and seals of two of the said Justices present, when such Petition was agreed to, setting forth that that part of the county of Middlesex for which Coroners are elected under writs de Coronatore eligendo had been customarily divided into two districts for the purpose of holding inquests during the space of seven years and upwards before the passing of the said Act; but the said county had not been divided into districts under or for the purposes of the said Act: and that one of such customary districts comprised the several parishes and places therein-after proposed to be named "The Eastern District," and the other of such customary districts comprised the several parishes and places therein-after proposed to be respectively named "The Central District," and "The Western District." That at the general session of the peace, held in

and for the said county, on the twentieth day of February, one thousand eight hundred and sixty-two, it had seemed expedient to the justices then and there assembled that the said part of the said county should be divided into three districts under and for the purposes of the said Act, instead of into two customary districts as theretofore (the said Justices, however, not proposing in such division to alter the extent or boundaries of the said Eastern Division): and that it had been, at such general session, resolved that a petition should be presented to Her Majesty, praying that such division should be made, and thereupon it had been resolved that the further consideration of such petition should be adjourned until the said seventeenth day of April, and notice thereof was duly given to the Coroners of the said part of the said county: and that the petitioners had that day conferred with John Humphreys, Esquire, one (and the only one) of the said Coroners of the said part of the said county, who attended the said Court, touching the petition: and that it appeared to the petitioners that such three districts should be respectively named "The Eastern District," "The Central District," and "The Western District," and that the Courts for the Election of Coroners for such districts should be respectively held in the following places (that is to say): the Court for the election of a Coroner for the Eastern District, at Bethnal Green, in the same district; and the Court for the election of a Coroner for the Central District, at Marylebone, in the same District; and the Court for the election of a Coroner for the Western District, at Brentford, in the same district: and that the description of the said several proposed districts and of the boundaries thereof, should be as therein and hereinafter set forth; and that the reasons upon which such petition is founded, were and are as follows, that is to say:—1st, that considerable delay frequently arose in the holding of Inquests in the said customary district (the average number held on each working day of the year being 4), in consequence of the great distance between the places at which the preliminary enquiries were to be made, and of the extent of the district which is 26 miles in length by 25 in width:—2nd, that Jurors (who are not paid for their services), and Witnesses are frequently kept waiting several hours, for the arrival of the Coroner of the said customary district who is necessarily delayed by the great number of inquests he holds (which had increased by sixteen per cent., during the year one thousand eight hundred and sixty-one, as compared with the year one thousand eight hundred and sixty, and which would probably continue to increase) and the distance he had to travel from one place to another:—3rd, And that the present

salary of the Coroner of the said customary district of one thousand eight hundred pounds was sufficient to remunerate two Coroners. And the said Justices most humbly prayed Her Majesty that Her Majesty would be graciously pleased to take the petition into consideration, and to order that upon and immediately after the death, resignation, or removal of the Coroner for the said county, who at present executes that office within those parts of the said county, which now comprize the proposed Central and Western Districts, those parts of the said county for which Coroners are elected under writs de coronatari eligendo should be divided into three districts for the purposes of the said Act, to be respectively named the Eastern District, the Central District, and the Western District, and to comprize the several parishes, places, and boundaries therein-before and hereinafter set forth; and also to determine and order that the Court for the election of a Coroner for the said Eastern District should be holden at Bethnal Green, in the same district; that the Court for the election of a Coroner for the said Central District should be holden at Marylebone, in the same district; and that the Court for the election of a Coroner for the said Western District should be holden at Brentford, in the same district.

Now, therefore, Her Majesty having taken the said petition into consideration, and the Coroner for the said county, who, on the said seventeenth day of April, A.D. one thousand eight hundred and sixty-two, and at the time when the said petition was so presented executed that office within those parts of the said county which now comprize the proposed Central and Western Districts, having since died, Her Majesty is pleased, by and with the consent of Her Privy Council, to order, and it is hereby ordered, that those parts of the said county for which Coroners are elected under writs de coronatore eligendo, shall be, and the same are, hereby divided into three districts, for the purposes of the above-recited Act, to be respectively named "The Eastern District," "The Central District," and "The Western District," and to comprize the several parishes, places, and boundaries in the said petition, and in the schedule hereunder written, respectively mentioned and set forth.

And Her Majesty is also pleased to order, by and with the advice aforesaid, that the Court for the election of a Coroner for the said Eastern District shall be holden at Bethnal Green, in the same district; that the Court for the election of a Coroner for the said Central District shall be holden at Marylebone, in the same district; and that the Court for the election of a Coroner for the said Western District shall be holden at Brentford, in the same district.

**A**T the Court at *Windsor*, the 7th day of *June*, 1862,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the eighth and ninth years of Her Majesty, chapter seventy, of the Act of the fourteenth and fifteenth years of Her Majesty, chapter ninety-seven, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five, duly prepared and laid before Her Majesty in Council a representation, bearing date the

thirteenth day of March, in the year one thousand eight hundred and sixty-two, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eighth and ninth years of your Majesty, chapter seventy, of the Act of the fourteenth and fifteenth years of your Majesty, chapter ninety-seven, and of the Act of the nineteenth and twentieth years of your Majesty, chapter fifty-five, have prepared, and now humbly lay before your Majesty in Council, the following representation as to the assignment of a consolidated chapelry to the consecrated church of Saint Paul, situate at Norden, in the new parish of Saint Clement, Spotland, in

the county of Lancaster, and in the diocese of Manchester.

"Whereas at certain extremities of the said new parish of Saint Clement, Spotland, and of the new parish of Saint Bartholomew, Whitworth, in the said county and diocese, which lie contiguous one to another, and are described in the schedule hereunder written, there is collected together a population which is situate at a distance from the several churches of such respective new parishes.

"And whereas it appears to us to be expedient that such contiguous portions of the said new parish of Saint Clement, Spotland, and of the said new parish of Saint Bartholomew, Whitworth, should be formed into a consolidated chapelry for all ecclesiastical purposes, and that the same should be assigned to the said church of Saint Paul, situate at Norden aforesaid.

"Now, therefore, with the consents of the Right Reverend James Prince, Bishop of Manchester; of the Reverend John Edward Nassau Molesworth, Doctor in Divinity, the vicar or incumbent of the vicarage of the parish of Rochdale, in the said county and diocese, and as such vicar or incumbent the patron of the perpetual curacy of the said new parish of Saint Clement, Spotland; of the Reverend William Hornby, of Garstang, in the said county, Clerk; of William Langton, of Liverpool, in the same county, Esquire; and of Charles Langton, of Liverpool aforesaid, Esquire, the patrons of the perpetual curacy of the said new parish of Saint Bartholomew, Whitworth (in testimony whereof they have respectively signed and sealed this representation), we humbly represent, that it would, in our opinion, be expedient that all those contiguous portions of the said new parish of Saint Clement, Spotland, and of the said new parish of Saint Bartholomew, Whitworth, which are described in the schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto annexed, should be united and formed into one consolidated chapelry for the said church of Saint Paul, situate at Norden aforesaid, and that the same should be named 'The Consolidated Chapelry of Saint Paul, Norden.'

"And we further represent that it has been mutually agreed between the said John Edward Nassau Molesworth, the said William Hornby, the said William Langton, and the said Charles Langton (testified as aforesaid), that the right of presentation and appointment to the church of such consolidated chapelry shall belong to, and be exercised by, the Reverend William Nassau Molesworth, the present incumbent of the said perpetual curacy of the new parish of Saint Clement, Spotland, so long as he shall remain such incumbent, and that from and after the next avoidance of the incumbency of such perpetual curacy, the said right of presentation and appointment shall belong to, and be exercised by, the Bishop of Manchester and his successors, bishops of the same see, for ever.

"We, therefore, humbly pray that your Majesty will be graciously pleased to take the premises into your Royal consideration, and to make such Order in respect thereto as to your Majesty in your Royal wisdom shall seem meet.

The SCHEDULE to which the foregoing Representation has reference.

"The Consolidated Chapelry of Saint Paul, Norden, being:—

"All that portion of the new parish of Saint Clement, Spotland, in the county of Lancaster and

in the diocese of Manchester, which is situate to the west of an imaginary line commencing upon the boundary dividing such new parish from the Chapelry of Ashworth, in the parish of Middleton, in the same county and diocese, at a point in the middle of that part of the Rochdale, Bamford, and Bury trust road, which is called Wheelbarrow-lane; and extending thence, first north-eastward, along the middle of the said trust road (crossing Clay-lane), and then north-westward, along the middle of the same trust road, to its junction with the Rochdale and Edenfield trust road, near the Bagslate turnpike-house; and extending thence, still north-westward, along the middle of the last named road as far as a point opposite to the middle of the south-eastern end of Woodhouse-lane; and extending thence in the same direction to and along the middle of the last named lane, as far as a point opposite to the middle of the south-western extremity of Shawfield-lane, and near to the public-house known as 'The Horse and Farrier;' and extending thence north-eastward to and along the middle of the last named lane, for a distance of four hundred yards or thereabouts, to a point opposite to the middle of a footpath leading from such lane past the house and premises known as 'Moor-lane,' into the road or way called 'Moor-lane;' and extending thence, first north-eastward to and along the middle of such last-described footpath, and then north-westward along the middle of the same footpath, to its junction with the road or way called 'Moor-lane' as aforesaid; and extending thence northward along the middle of the last named lane, to its junction with Hunger-hill-lane; and extending thence north-westward along the middle of the last named lane, and of the footpath leading therefrom, past the house and premises known as 'Doldrum,' to Rooley-moor Colliery, to a point opposite to a boundary stone inscribed 'N. St. P. C. C. 1862. No. 1.' and placed on the western side of the last described footpath, at a distance of three hundred and thirty-three yards, or thereabouts, from the north-eastern angle of the house and premises known as 'Doldrum' as aforesaid; and extending thence, in a direct line due north, to the boundary dividing the said new parish of Saint Clement, Spotland, from the new parish of Healey, in the same county and diocese, at a point in the middle of the Rooley-moor-road, near to Pike Brow Quarry, and opposite to a boundary stone inscribed 'N. St. P. C. C. 1862. No. 2.' and placed on the western side of the last-named road.

"And also all that portion of the new parish of Saint Bartholomew, Whitworth, in the county and diocese aforesaid, which is situate to the west of an imaginary line extending along the middle of Rooley-moor-road aforesaid, and which is situate to the south of the boundary dividing the portion of the hamlet of Whitworth, called Whitworth Lower End division, within the said new parish, from the portion of the hamlet of Brandwood, called Brandwood Lower End division, which is situate within the same new parish."

Her Majesty having taken the said representation, together with the map thereunto annexed into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof; and to order, and it is hereby ordered, that the consolidated chapelry therein mentioned for the consecrated church of Saint Paul, situate at Norden, in the new parish of Saint Clement, Spotland, in the county of Lancaster, be accordingly formed; and that the agreement mentioned in the said representation with respect to the right of presentation and appointment of an incumbent or per-

petual curate to serve the said church be carried into effect, agreeably to the provisions of the said Acts; and that the said right of presentation and appointment of an incumbent or perpetual curate to serve the said church shall belong to, and be exercised by, the Reverend William Nassau Molesworth, the present incumbent of the perpetual curacy of the said new parish of Saint Clement, Spotland, so long as he shall remain such incumbent; and that from and after the next avoidance of the incumbency of such perpetual curacy, the said right of presentation and appointment shall belong to, and be exercised by, the Bishop of Manchester and his successors, Bishops of the same see, for ever; and Her Majesty is further pleased to direct that this Order be forthwith registered by the Registrar of the diocese of Manchester.

**A**T the Court at *Windsor*, the 7th day of *June*, 1862,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, chapter one hundred and thirteen; and of another Act, passed in the session of Parliament held in the thirteenth and fourteenth years of Her Majesty's reign, chapter ninety-four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-seventh day of March, in the year one thousand eight hundred and sixty-two, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the session of Parliament, held in the third and fourth years of your Majesty's reign, chapter one hundred and thirteen, and of another Act, passed in the session of Parliament held in the thirteenth and fourteenth years of your Majesty's reign, chapter ninety-four, have prepared, and now humbly lay before your Majesty in Council, the following scheme for augmenting the income of the Archdeaconry of Dorset, in the Diocese of Salisbury;

"Whereas by the first recited Act it is enacted, that any archdeaconry may, subject to the consent of the bishop, be endowed, amongst other modes, by augmentation, out of the common fund, in the same Act mentioned, but not so as to raise the average annual income to an amount exceeding two hundred pounds, provided that no archdeacon shall be entitled to hold any endowment or augmentation, or other emolument as such archdeacon, under the provisions of the same Act, unless he shall be resident, for the space of eight months in every year, within the diocese in which his archdeaconry is situate, but subject to the same provisions as to licenses for non-residence, which are enacted with respect to incumbents of benefices, by the Act relating to pluralities and the residence of the clergy in the same Act mentioned; and it is by the said first-recited Act further enacted, that upon the endowment of an archdeaconry being made under the provisions thereof, all lands, tithes, and other hereditaments (except any right of patronage), belonging to such archdeaconry at the time of such endowment, may, with the consent of the bishop of the

diocese, and of any archdeacon in possession at the time of the passing of the same Act, and by the authority therein provided, be vested in us for the purposes of the same Act.

"And whereas by the secondly recited Act it is declared and enacted, that in the case of any archdeaconry which shall no longer be held by the archdeacon who was, at the time of the passing of the said first-recited Act, in possession thereof, the provisions of the same Act, which relate to the transfer to us of the estates of any archdeaconry upon its endowment, in either of the modes therein provided, shall be construed and held to authorize such transfer, with the consent of the bishop of the diocese, and of the archdeacon in possession of the archdeaconry at the time.

"And whereas the said archdeaconry of Dorset is endowed by the annexation thereto of the rectory or parsonage of All Saints, Gussage, in the county of Dorset, with the lands, tithes, and hereditaments thereunto belonging, now demised upon a lease for lives, and it has been made to appear to us, that the average annual income of the said archdeaconry, arising from other sources does not exceed the sum of eighty-five pounds.

"Now, therefore, with the consent of the Right Reverend Walter Kerr, Bishop of Salisbury, and of the Venerable Anthony Huxtable, the present Archdeacon of the said Archdeaconry of Dorset, testified by their having respectively signed and sealed this scheme, we humbly recommend and propose that there shall be paid by us, out of the said common fund to the said Anthony Huxtable and his successors in the said archdeaconry, so long as he and they shall respectively hold the same, and shall duly reside in accordance with the provisions of the said first recited Act, the annual sum of one hundred and fifteen pounds, on the first day of January in every year, and every such whole yearly payment shall be made only on production to us of a certificate, under the hand of the bishop of the diocese for the time being, that the said Anthony Huxtable, or his successor for the time being in the said archdeaconry, has duly resided as aforesaid, during the preceding year, or on the production to us of a licence of non-residence, and that the first such yearly payment shall be made on the first day of January next, and that all lands, tenements, and hereditaments whatsoever (except any right of ecclesiastical patronage), now forming part of the endowment of the said Archdeaconry of Dorset, shall forthwith be disannexed therefrom, and become and be absolutely transferred to and vested in us, subject to any existing lease or leases, grant or grants thereof, for the purposes of the said Acts, and that we shall be entitled to the rents, profits, and proceeds thereof, as from and after the first day of January now last past.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the *London Gazette*, pursuant to the said Acts; and Her Majesty, by and with the like advice, is

pleased hereby to direct, that this Order be forthwith registered by the Registrar of the Diocese of Salisbury.

*Arthur Helps.*

AT the Court at *Windsor*, the 7th day of June, 1862,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the fifty-ninth year of His Majesty King George the Third, chapter one hundred and thirty-four; of the Act of the second and third years of Her Majesty, chapter forty-nine; and of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five, duly prepared and laid before Her Majesty in Council a representation, bearing date the twenty-seventh day of March, in the year one thousand eight hundred and sixty-two, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the fifty-ninth year of His Majesty King George the Third, chapter one hundred and thirty-four; of the Act of the second and third years of your Majesty, chapter forty-nine; and of the Act of the nineteenth and twentieth years of your Majesty, chapter fifty-five; have prepared, and now humbly lay before your Majesty in Council, the following representation as to the assignment of a district chapelry to the consecrated church of Saint Mary, situate at Selly Oak, in the parish of Northfield, in the county of Worcester, and in the diocese of Worcester.

"Whereas it appears to us to be expedient that a district chapelry should be assigned to the said church of Saint Mary, situate at Selly Oak aforesaid.

"Now, therefore, with the consent of the Right Reverend Henry, Bishop of Worcester, testified by his having signed and sealed this representation, we humbly represent, that it would, in our opinion, be expedient that all that part of the said parish of Northfield, described in the schedule hereunto annexed, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto also annexed, should be assigned to the said church, and that the same should be named 'The District Chapelry of Saint Mary, Selly Oak.'

"And, with the like consent of the said Henry, Bishop of Worcester, testified as aforesaid, we further represent, that it appears to us to be expedient that banns of matrimony should be published, and that marriages, baptisms, churchings, and burials, should be solemnized or performed at such church, and that the fees to be received in respect thereof should be paid and belong to the minister of the same church, for the time being: Provided always, that, so long as the Reverend Henry Clarke, the present rector or incumbent of the rectory of the said parish of Northfield shall continue to be such rector or incumbent, all the fees which shall be payable in respect of the performance of the before-mentioned offices at the said church of Saint Mary, at Selly Oak, shall be paid by the said minister thereof to the said Henry Clarke.

"We, therefore, humbly pray, that your Majesty will be graciously pleased to take the premises into your Royal consideration, and to make such

order with respect thereto as to your Majesty in your Royal wisdom shall seem meet.

The SCHEDULE to which the foregoing Representation has reference.

"The District Chapelry of Saint Mary, Selly Oak, being:—

"All that part of the parish of Northfield, in the county of Worcester, and in the diocese of Worcester, wherein the present incumbent of such parish now possesses the exclusive cure of souls, which is situate to the north-east of an imaginary line commencing upon the boundary dividing the said parish of Northfield from the parish of Harborne, in the county of Stafford, and in the diocese of Lichfield, at a point in the middle of the road leading from Hart's Green, past Shenley Court, and Shenley Field Farm, to the Birmingham and Bromsgrove Turnpike-road; and extending thence, in a direction generally southward, along the middle of the said road leading from Hart's Green aforesaid to a point in the middle of the said turnpike-road near to White-hill; and extending thence, north-eastward, along the middle of the same turnpike-road for a distance of five hundred and twenty-eight yards, or thereabouts, to a point opposite to the middle of the northern end of Hole-lane; and extending thence, south-eastward, to and along the middle of such lane as far as a point opposite to the middle of the south-western end of Hay Green-lane; and extending thence, first eastward, to and along the middle of the last-named lane; and then generally north-eastward, along the middle of the same lane, to the boundary dividing the said parish of Northfield, from the parish of King's Norton, in the county and diocese of Worcester aforesaid, at a point in the middle of Gallows Brook."

Her Majesty, having taken the said representation, together with the map or plan thereunto annexed, into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof; and to order, and it is hereby ordered, that the proposed assignment of a district chapelry to the consecrated church of Saint Mary, situate at Selly Oak, in the parish of Northfield, in the county of Worcester, to be called "The District Chapelry of Saint Mary, Selly Oak," be accordingly made; and that the recommendations of the said Commissioners with reference to the publication of banns, and the solemnization of marriages, baptisms, churchings, and burials in the said church, and with reference to the fees to be paid in respect of those offices, be carried into effect agreeably to the provisions of the said Acts; and Her Majesty is further pleased to direct that this Order be forthwith registered by the Registrar of the diocese of Worcester.

AT the Court at *Windsor*, the 7th day of June, 1862,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the Session of Parliament, held in the third and fourth years of Her Majesty's reign, intituled, "An Act to carry into effect with certain modifications the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," and of another Act passed in the Session of Parliament, held in the fourth and fifth years of Her

Majesty's reign, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England;" and of another Act passed in the Session of Parliament, held in the fifth and sixth years of Her Majesty's reign, intituled, "An Act to alter and amend the law relating to Ecclesiastical Houses of Residence;" duly prepared and laid before Her Majesty in Council a scheme, bearing date the tenth day of April, in the year one thousand eight hundred and sixty-two, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the Session of Parliament, held in the third and fourth years of your Majesty's reign, intituled "An Act to carry into effect with certain modifications the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;" and of another Act passed in the Session of Parliament, held in the fourth and fifth years of your Majesty's reign, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England;" and of another Act passed in the Session of Parliament, held in the fifth and sixth years of your Majesty's reign, intituled, "An Act to alter and amend the law relating to Ecclesiastical Houses of Residence;" have prepared, and now humbly lay before your Majesty in Council, the following scheme for substituting a money payment for certain property belonging to the Dean and Chapter of the Cathedral Church of Bristol.

"Whereas it was by the said recited Acts enacted and declared, that by the authority of a scheme prepared by us, and ratified by an Order of your Majesty in Council, and for the purpose of fully carrying into effect any of the provisions of the said first recited Act, any sum of money which should have been invested in the public funds, or in any other security or securities, in trust for any ecclesiastical body, corporate, aggregate, or sole, might, upon application in writing to the Ecclesiastical Commissioners for England, under the hand and seal of such body corporate, and in the case of any chapter with the consent of the visitor thereof be directed to be sold, and the same should be sold accordingly, and that the produce of such sale should be applied to such purpose and in such manner as should appear most conducive to the permanent benefit of such body corporate, and also that for any like purpose any arrangement might be made with the consent in writing under the corporate seal of any chapter for the sale, transfer, or exchange of any lands, tithes, or other hereditaments belonging to such chapter, or for the purchase of other lands, tithes, or other hereditaments in lieu thereof, or for substituting in any case any lands, tithes, or other hereditaments for any money payment, or any money payment for any lands, tithes, or other hereditaments, and that the aforesaid provisions relating to the sale and application of any sum of money invested in trust for any ecclesiastical body corporate, did and should include and apply to all moneys and securities for money, and to all stock in the Government funds or elsewhere standing in the name of the Accountant-General of the Court of Chancery, or in the name or names of any other public officer, or of any individual or individuals, for or to the credit of or in trust for any bishop, dean and chapter, dean or canon, whether for the purpose of being laid out in land or otherwise.

"And whereas the said chapter now consists of a dean and four canons, two canonries having been suspended under the provisions of the said first recited Act.

"And whereas the said Dean and Chapter are seized in fee of certain manors, lands, tithes, tenements and hereditaments, forming the endowment of the said chapter, the greater part of which have been heretofore demised or granted, and are now held on lease or grants for years or lives at small annual reserved rents and upon payment of fines, and they are also beneficially interested or otherwise entitled to certain sums of stock and cash invested or held in trust as aforesaid, and particularly specified and set forth in the schedule hereunto annexed, marked A.

"And whereas it has been made to appear to us that by reason of the great antiquity of the said Cathedral Church and of the want of due reparation in times past, it has become necessary for the sustentation thereof to expend thereon forthwith such a sum of money as cannot be wholly charged on the parties now entitled to the receipt and enjoyment of the divisible corporate revenues of the said Dean and Chapter.

"And whereas we have ascertained that the sum so required to be expended in such repairs, and in effecting improvements conducive to the permanent security of the fabric of the said Cathedral Church, amounts to six thousand pounds or thereabouts.

"And whereas one of the purposes of the said Act is to provide a fund for making better provision for the cure of souls, and the said Dean and Chapter have proposed to us with the consent of their visitor, that the said manors, lands, tithes, tenements and hereditaments, stock and cash (except as hereinafter excepted) should be dealt with in manner hereinafter mentioned. And we are of opinion that it would ultimately conduce as well to the improvement of the said fund as to the permanent benefit of the said Dean and Chapter that the same should be dealt with accordingly.

"Now, therefore, with the consent of the Dean and Chapter of the Cathedral Church of Bristol, and of the Right Reverend William, Bishop of Gloucester and Bristol, as visitor of the said Dean and Chapter, testified by their having hereunto affixed their respective corporate seals, we humbly recommend and propose that all the manors, lands, tithes, tenements, and hereditaments, which now belong either in possession or reversion to the said Dean and Chapter (excepting any right of ecclesiastical patronage the premises of the said Cathedral Church, and the lands, tenements, and hereditaments particularly described in the schedule hereunto annexed, marked B.), subject nevertheless to the liabilities and claims upon or in respect of the same manors, lands, tithes, tenements, and hereditaments, of or to which the said Dean and Chapter are now liable, and all the estate and interest therein of the said Dean and Chapter, shall upon and from the day on which any Order of your Majesty in Council ratifying this scheme shall be duly published in the London Gazette, and without any conveyance or assurance in the law other than any such duly published Order, become and be transferred to and vested in us and our successors, and that we and they shall thereupon become absolutely seized of the same in fee, and shall be entitled to the rents, profits, and proceeds thereof, as from the first day of January, one thousand eight hundred and sixty-two, and that in consideration of and for such transfer and conveyance we shall surrender all right and be excluded from all participation in respect of the said suspended canonries to and in the estates and property to be retained by the said Dean and Chapter, or to be hereafter transferred to them as their permanent endowment and in the rents and profits thereof, or in

the money payments hereinafter mentioned, and that there shall be paid by us on the first day of January and the first day of July in every year, to the said Dean and Chapter until they shall have been put into possession of real estates as hereinafter mentioned, in respect of the half year then last past, the sum of three thousand three hundred and ninety pounds, and that the first such half yearly payment shall be made on the first day of July next, and that the receipt or receipts of the receiver for the time being of the said Dean and Chapter shall be a good and valid discharge to us for all or any such sum or sums of money as shall therein be expressed to have been paid to him by us under the authority of this scheme when ratified as aforesaid.

"And we further recommend and propose that as a further consideration for the said transfer and conveyance, there shall be paid and expended by us in effecting such repairs of the said Cathedral Church and improvements as aforesaid, under the superintendence of and according to plans and specifications to be prepared by the architect of the said Dean and Chapter, and to be approved by us, the said sum of six thousand pounds together with interest thereon at the rate of three pounds per centum per annum from the said first day of January, one thousand eight hundred and sixty-two, for which due allowance has been made in fixing the amount of the annuity to be paid to the said Dean and Chapter as aforesaid.

"And we further recommend and propose that none of the moneys or estates to be received or acquired by us under the provisions of this scheme, shall be applicable to the purposes of our common fund (except only so far as it may be necessary to reimburse such fund any advances made thereout under the provisions of this scheme) until or unless by and under the like authority, the said Dean and Chapter shall have been put into possession in fee simple of real estates (of which not more than one-third part shall consist of tithe rent charges) sufficient to secure to the said Dean and Chapter a clear annual income therefrom (after deducting rates, taxes, and other outgoings, including costs of management) of six thousand seven hundred and eighty pounds.

"And we further recommend and propose, with the like consent of the said Dean and Chapter and of their visitor, that the said sums of stock and cash so described as aforesaid in the said Schedule marked A, and also any other sums of cash or stock which may be now invested or held in trust for the said Dean and Chapter, shall, as soon as conveniently may be, be sold out or transferred, and the same or the proceeds thereof be paid or carried to our account at the Bank of England, to be applied towards the objects of this scheme, and particularly to investment in the purchase of any interest in the estates herein proposed to be transferred to us or any or either of them, or of any other real estates.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, in conformity with the said Acts or either of them, or of any other Act of Parliament.

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, duly prepared and laid before Her Majesty in Council a scheme, bearing date the eighth day of May, in the year one thousand eight hundred and sixty-two, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, have prepared, and now humbly lay before your Majesty in Council, the following scheme for constituting each of the two mediety or portions of the benefice and rectory of Westbury, in the county of Salop, and in the diocese of Hereford (known respectively as Westbury in Dextrâ Parte and Westbury in Sinistrâ Parte), into a separate benefice and rectory.

"Whereas the Right Reverend Renn Dickson, Bishop of Hereford, acting under the provisions of the said Act, has framed and submitted to us a plan which is hereinafter contained, and which is set forth at length as part and parcel of this scheme, in the words and figures following, that is to say;

"Whereas by an Act passed in the session of Parliament held in the third and fourth years of the reign of Her present Majesty, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,' it is enacted that, with respect to any parish in which both the profits and the spiritual charge are divided between two or more incumbents, each having a mediety or portion of the benefice, a plan may be framed by the bishop of the diocese, with the consent of the patron, and so as not to prejudice the interests of any existing incumbent, for constituting any of such portions separate benefices, and for making such other arrangements as he may judge likely to promote the efficient discharge of pastoral duties in such parishes, and any such plan may be carried into effect by the authority in the said Act provided: And whereas the parish of Westbury, in the county of Salop, and diocese of Hereford, is a parish in which both the profits and the spiritual charge thereof, are divided between two incumbents, each having a portion of the benefice within the intent and meaning of the said Act, there being two rectors separately instituted, each to a portion of the said benefice, such two portions being respectively commonly designated by the names of 'Westbury in Dextrâ Parte' and 'Westbury in Sinistrâ Parte,' and the spiritual charge of the said parish is divided between the said two portionists, so as to be a charge upon them jointly and equally: And whereas the said parish of Westbury comprises the townships following, that is to say; the township of Westbury, containing a population of 291; the township of Westley, Winsley, Lake, Hurst, and Hem, containing a population of 262; the townships of Cause, Wallop and Forest, containing together a population of 123; the township of Marsh and Wigmore, containing a population of 154; the township of Vennington, containing a population of 163; the township of Whitton, containing a population

“ of 59; the township of Minsterley (in which  
 “ a church was sometime since erected and en-  
 “ dowed, and whereunto a separate district for  
 “ ecclesiastical purposes, comprising the whole of  
 “ such township, was assigned and constituted a  
 “ separate benefice having a separate incumbent,  
 “ the portionists of the said two portions having  
 “ no ministerial duties to perform in such district),  
 “ containing a population of 988; the township of  
 “ Yockleton, containing a population of 220; the  
 “ township of Stony Stretton, containing a popu-  
 “ lation of 205; and the township of Newton,  
 “ containing a population of 20: the aggregate  
 “ population of the whole parish (according to the  
 “ last census), exclusive of the said township of  
 “ Minsterley, being 1,497. And whereas the  
 “ profits of the said benefice are now divided and  
 “ enjoyed between and by the said two portionists  
 “ in manner following, that is to say: the com-  
 “ muted tithe rent charge in each of the said  
 “ townships hereinbefore mentioned is equally  
 “ divided between the said two rectors, except  
 “ that the rector of Westbury in Dextrâ Parte,  
 “ receives twenty-five pounds per annum more  
 “ from the said township of Westbury, than the  
 “ rector of Westbury in Sinistrâ Parte, and the  
 “ said rector of Westbury in Dextrâ Parte, enjoys  
 “ separately the rectory house and offices at West-  
 “ bury, and also the glebe land there, and the said  
 “ rector of Westbury in Sinistrâ Parte, enjoys  
 “ separately a house of residence with its appur-  
 “ tenances, recently erected in the said township  
 “ of Yockleton. And whereas the emoluments  
 “ arising from the said benefice are derived from  
 “ the commuted tithe rent charge of the whole  
 “ parish of Westbury, and are of the estimated  
 “ yearly amount of one thousand three hundred  
 “ and eighteen pounds one shilling and four  
 “ pence, and the yearly tenths, synodals, and  
 “ other ecclesiastical charges payable out of  
 “ the said benefice are paid by the said two por-  
 “ tionists in equal shares. And whereas besides  
 “ the parish church of Westbury, situate in the  
 “ said township of Westbury, which affords  
 “ accommodation for four hundred and twenty-  
 “ five persons, there is a newly-erected and con-  
 “ secrated church in the said township of Yockle-  
 “ ton, affording accommodation for two hundred  
 “ and forty persons. And whereas it appears to  
 “ me to be expedient and likely to promote the  
 “ efficient discharge of the pastoral duties in the  
 “ said parish of Westbury, that each of the said  
 “ two portions of the said parish and benefice  
 “ should be constituted a separate rectory and  
 “ benefice, in conformity with the provisions of  
 “ the said recited Act: and it also appears to me  
 “ that the most convenient division and arrange-  
 “ ment of the said parish and benefice for such  
 “ purpose would be such as is hereinafter men-  
 “ tioned. Now, therefore, I, Renn Dickson,  
 “ Bishop of Hereford, with the consent of Edward  
 “ William Smythe Owen, of Conover Hall, in  
 “ the said county of Salop, Esquire, Patron of  
 “ the said two portions of the said parish of  
 “ Westbury, in testimony whereof, he hath here-  
 “ unto set his hand and seal, and also with the  
 “ consent of the Reverend George Augustus  
 “ Salisbury, Clerk, Rector of the said Rectory  
 “ of Westbury in Dextrâ Parte, and of the Reve-  
 “ rend James Baldwyn Pugh, Clerk, Rector of  
 “ the said Rectory of Westbury in Sinistrâ Parte,  
 “ testified in like manner, do hereby recommend  
 “ and propose that, immediately from and after  
 “ the day on which an Order of Her Majesty in  
 “ Council, ratifying any scheme which may be  
 “ passed by the Ecclesiastical Commissioners for  
 “ England, for carrying into effect this plan,

“ shall have been duly published in the London  
 “ Gazette, the said two several portions of the  
 “ said parish of Westbury shall respectively be-  
 “ come and be separate benefices and rectories in  
 “ manner following, that is to say: — that the said  
 “ rectory of Westbury in Dextrâ Parte shall become  
 “ and be a separate benefice and rectory by the  
 “ name of ‘The Rectory of Westbury,’ and shall com-  
 “ prise and consist of the said townships of West-  
 “ bury, Westley, Winsley, Lake, Hurst, and Hem-  
 “ Cause, Wallop and Forest, Marsh and Wigmore,  
 “ Vennington, and Whitton (which lie contiguous  
 “ to each other, having distinct and known bound-  
 “ aries), and shall have for its church the present  
 “ parish church of Westbury, and for the house of  
 “ residence of its rector the house of residence  
 “ now belonging to the incumbent of Westbury  
 “ in Dextrâ Parte; and that the said rectory of  
 “ Westbury in Sinistrâ Parte, shall become in like  
 “ manner a separate benefice and rectory by the  
 “ name of ‘The Rectory of Yockleton,’ and shall  
 “ comprise and consist of the said townships of  
 “ Yockleton, Stony Stretton, and Newton (having  
 “ distinct and known boundaries), and shall have  
 “ for its church the said newly erected church at  
 “ Yockleton aforesaid, and for the house of resi-  
 “ dence of its rector the said recently erected  
 “ house of residence now belonging to the incum-  
 “ bent of Westbury in Sinistrâ Parte.

“ And whereas, having regard to the relative  
 “ circumstances of each of the said two rectories,  
 “ when so constituted as aforesaid, it appears to  
 “ me just that the endowments of the said existing  
 “ parish and benefice should be divided between  
 “ the incumbents of such rectories, in the manner  
 “ and proportions hereinafter mentioned, I there-  
 “ fore further recommend and propose with the  
 “ like consents, testified as aforesaid, that there  
 “ be assigned to the rector of the said rectory of  
 “ Westbury, so to be constituted as aforesaid, and  
 “ his successors in perpetuity, the glebe lands at  
 “ present belonging to the said rectory of West-  
 “ bury in Dextrâ Parte, together with all the  
 “ tithes and tithe rent-charges and income arising  
 “ from tithes of or within the townships of West-  
 “ bury, and Westley, Winsley, Lake, Hurst, and  
 “ Hem; and also all the tithes and rent-charges  
 “ arising from tithes or portions of tithes or tithe  
 “ rent-charges of or within the said townships of  
 “ Cause, Wallop and Forest, Marsh and Wigmore,  
 “ Vennington, Whitton, and Minsterley, which are  
 “ specified and set forth in the first part of the  
 “ schedule hereto annexed.

“ And that inasmuch as the area of the said  
 “ rectory of Westbury, so to be constituted as  
 “ aforesaid, will be of much larger extent, and the  
 “ population thereof greater than that of the said  
 “ rectory of Yockleton, so to be constituted as  
 “ aforesaid, and such disproportion being un-  
 “ avoidable from the central position of Westbury  
 “ Church, and as the income of the said rectory  
 “ of Westbury, so to be constituted as aforesaid,  
 “ will exceed the income of the said rectory of  
 “ Yockleton, so also to be constituted, by about  
 “ one hundred pounds per annum, I recommend  
 “ and propose that it shall at all times be incum-  
 “ bent and obligatory on the rector of the said  
 “ rectory of Westbury for the time being to  
 “ employ a curate, at a proper annual stipend, to  
 “ assist such rector in the due performance of the  
 “ ecclesiastical duties of his benefice.

“ And further, that there be assigned to the  
 “ rector of the said rectory of Yockleton, so to be  
 “ constituted as aforesaid, and his successors, in  
 “ perpetuity, all tithes, tithe rent-charges, and  
 “ income arising from tithes of or within the said

" townships of Yockleton, Stoney Stretton, and  
 " Newton; and also all the tithes and rent charges  
 " arising from tithes or portions of tithes and  
 " tithe rent-charges of or within the said town-  
 " ships of Cause, Wallop and Forest, Marsh and  
 " Wigmore, Vennington, Whitton, and Minsterley,  
 " which are specified and set out in the second  
 " part of the schedule hereto annexed.

" And I further recommend and propose that  
 " the rector of the said rectory of Westbury shall  
 " bear and pay the tenths and all other ecclesiastical  
 " charges now appertaining to the rector of  
 " the said rectory of Westbury in Dextrâ Parte,  
 " and also the whole burden of repair of the  
 " chancel of the parish church of Westbury  
 " (which by law may now belong to the rectors of  
 " the said two portions of the said benefice res-  
 " pectively); and that the rector of the said  
 " rectory of Yockleton shall bear and pay the  
 " yearly tenths and all other ecclesiastical charges  
 " now appertaining to the rector of the said rectory  
 " of Westbury in Sinistrâ Parte (except such

" portion of the burden of repair of the chancel  
 " of the parish church of Westbury as may now  
 " by law belong to the rector of the last named  
 " rectory) and also the whole burden of repair of  
 " the chancel of the said newly erected parish  
 " church of Yockleton.

" And further, that the income of the said  
 " Rectory of Yockleton, when so constituted as  
 " aforesaid, may and shall be exclusively charged  
 " with the repayment of all money borrowed by  
 " mortgage for the purpose of building the said  
 " recently erected Rectory House and Offices at  
 " Yockleton, and that the income of the said  
 " Rectory of Westbury, when so constituted as  
 " aforesaid, may and shall be wholly freed and  
 " discharged from all obligation in respect of the  
 " repayment of such mortgage money and every  
 " part thereof.

" In witness whereof, I, the said Bishop, have  
 " hereunto set my hand and seal this fifteenth  
 " day of February, in the year one thousand eight  
 " hundred and sixty-two.

" The SCHEDULE above referred to.

" FIRST PART.						Amount of Total Rent Charge as per Apportionment.

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the fifty-ninth year of His Majesty King George the Third, chapter one hundred and thirty-four; of the Act of the second and third years of your Majesty, chapter forty-nine; and of the Act of the nineteenth and twentieth years of your Majesty, chapter fifty-five, have prepared, and now humbly lay before your Majesty in Council, the following representation as to the assignment of a district chapelry to the consecrated church of All Saints, situate at Newborough, in the parish of Hanbury, in the county of Stafford, and in the diocese of Lichfield.

"Whereas it appears to us to be expedient that a district chapelry should be assigned to the said church of All Saints, situate at Newborough aforesaid.

"Now, therefore, with the consent of the Right Reverend John, Bishop of Lichfield, testified by his having signed and sealed this representation, we humbly represent that it would, in our opinion, be expedient that all that part of the said parish of Hanbury, described in the schedule hereunto annexed, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto also annexed, should be assigned to the said church, and that the same should be named 'The District Chapelry of All Saints, Newborough.'

"And, with the like consent of the said John, Bishop of Lichfield, testified as aforesaid, we further represent, that it appears to us to be expedient that banns of matrimony should be published, and that marriages, baptisms, churchings, and burials should be solemnized or performed at such church, and that the fees to be received in respect thereof should be paid and belong to the minister of the same church for the time being.

"We, therefore, humbly pray that your Majesty will be graciously pleased to take the premises into your Royal consideration, and to make such order with respect thereto, as to your Majesty in your Royal wisdom shall seem meet.

The SCHEDULE to which the foregoing Representation has reference.

that the proposed assignment of a district chapelry to the consecrated church of All Saints, situate at Newborough, in the parish of Hanbury, in the county of Stafford, to be called "The District Chapelry of All Saints, Newborough," be accordingly made; and that the recommendations of the said Commissioners with reference to the publication of banns, and the solemnization of marriages, baptisms, churchings, and burials in the said church, and with reference to the fees to be paid in respect of those offices, be carried into effect agreeably to the provisions of the said Acts; and Her Majesty is further pleased to direct that this Order be forthwith registered by the Registrar of the diocese of Lichfield.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, duly prepared and laid before Her Majesty in Council a Scheme, bearing date the eighth day of May, in the year one thousand eight hundred and sixty-two, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of your Majesty, chapter thirty-seven, have prepared, and now humbly lay before your Majesty in Council, the following scheme for authorizing the sale and disposal of certain property formerly belonging to the Dean and Chapter of the Cathedral Church of Hereford, and now vested in us.

"Whereas under and by virtue of two several indentures, the one bearing date the eleventh day of November, in the year one thousand eight hundred and fifty-two, and being a demise for a term of twenty-one years from the eighth day of the same month and year, and made or expressed to be made between the Dean and Chapter of the cathedral church of Hereford, of the one part; and us, the Ecclesiastical Commissioners for England, of the other part; and the other indenture bearing date the first day of December, in the year one thousand eight hundred and fifty-two, being a conveyance of the reversionary interest of the said dean and chapter expectant on the determination of the outstanding term created by the hereinbefore recited indenture of lease, and made or expressed to be made between the Dean and Chapter of the cathedral church of Hereford, of the first part; the Right Honourable Henry Thomas, Earl of Chichester, John George Shaw Lefevre, Esquire, and the Right Honourable Henry Goulburn, the then Church Estates Commissioners, acting in pursuance of an Act passed in the session of Parliament held in the fourteenth and fifteenth years of the reign of your Majesty, intituled 'An Act to facilitate the management and improvement of episcopal and capitular estates in England,' of the second part; and us, the Ecclesiastical Commissioners for England, of the third part; certain tithe rent charges, lands, tenements, and hereditaments arising out of, and situate in, the parish of Pencoyd, in the county of Hereford, and particularly described in the schedule hereto an-

nexed, became and are now vested in us in fee simple in possession for the purposes and subject to the provisions applicable to other hereditaments vested in us.

“And whereas the tithe rent charges, lands, tenements, and hereditaments aforesaid, or some part or parts thereof, on account of their character or situation, are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

“And whereas, with a view to the advantageous appropriation of the said tithe rent charges, lands, tenements, and hereditaments, or of the proceeds thereof, for the ultimate improvement of our Common Fund, it is expedient that the same or such part or parts thereof as we shall at any time, and from time to time, think fit, should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in such tithe rent charges, lands, tenements, and hereditaments, or in any part or parts thereof in such manner as shall appear to us advisable.

“Now, therefore, we humbly recommend and propose, that we may be authorized and empowered by instrument, or instruments, in writing, duly executed according to law, from time to time to sell or dispose of, and duly to convey, according to the provisions of the said Act, all or any part or parts of the said tithe rent charge, lands, tenements, and hereditaments so vested in us as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise, as he or they shall direct or appoint, and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty, No. 22633.

Gazette on the seventeenth day of the same month, all lands, tenements, and hereditaments then belonging to the said prebend (except rights of patronage), became absolutely vested in us for the purposes and subject to the provisions applicable to other hereditaments vested in us.

"And whereas the lands, tenements, and hereditaments aforesaid are not subject to any outstanding lease or grant, but are now in possession; but on account of their character or situation are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable, under the Acts by which our proceedings are governed.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her

Majesty, chapter thirty-seven, sections six and eight, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fifteenth day of May, in the year one thousand eight hundred and sixty-two, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of your Majesty, chapter thirty-seven, sections six and eight, have prepared, and now humbly lay before your Majesty in Council, the following scheme for authorizing the sale and disposal of certain property now vested in us.

"Whereas under and by virtue of a certain indenture of assignment bearing date the fifth day of April, in the year one thousand eight hundred and sixty-one, and made or expressed to be made between Arthur Pott, of Benthams-hill, near Tunbridge Wells, in the county of Kent, Esquire, and Elizabeth his wife, of the first part; Charles Pott and William Pott, both of Bridge-street, Southwark, in the county of Surrey, Esquires, of the second part; and us, the said Ecclesiastical Commissioners, of the third part; all and singular the pieces or parcels of ground, messuages or tenements, hereditaments and premises, particularly described in the schedule hereunto annexed, became and are vested in us for the remainder of the terms for lives granted by two several indentures of lease, bearing date respectively the sixth day of April, one thousand eight hundred and twenty, and the thirteenth day of May, one thousand eight hundred and twenty, subject to the rents, covenants, and conditions of such indentures of lease, and to numerous underleases granted to several persons, of different parts thereof, which said pieces or parcels of ground, messuages or tenements, hereditaments and premises, are situate in the parish of Saint Saviour, Southwark, in the said county of Surrey.

"And whereas applications have been made to us for the purchase of our interest in portions of the said pieces or parcels of ground, messuages or tenements, hereditaments and premises.

"And whereas the said premises are in some respects unsuitable and inconvenient to be appropriated to any of the purposes for which estates, vested in us, are applicable under the Acts by which our proceedings are governed, and it is expedient that we should be empowered to dispose of our interest therein in such manner as shall appear to us advisable.

"Now, therefore, we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing, duly executed according to law, from time to time to sell or dispose of and duly to convey, according to the provisions of the said recited Act, all our estate and interest in all or any of the said pieces or parcels of ground, messuages or tenements, hereditaments and premises, comprised in the schedule hereunto annexed, with their appurtenances, with the consent of the parties respectively interested therein under the said subleases (if any), unto and to the use of any person or persons desirous or willing to acquire the same estate and interest, and his, her, or their heirs and assigns, or otherwise as he she or they shall direct or appoint, and for such consideration as shall upon due calculation and enquiry appear to us to be just and reasonable.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the said Act, or of any other Act of Parliament."

The **QUEEN'S** Most Excellent Majesty in Council

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the fifty-ninth year of His Majesty King George the Third, chapter one hundred and thirty-four; of the Act of the second and third years of Her Majesty, chapter forty-nine; and of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five; duly prepared and laid before Her Majesty in Council a representation, bearing date the twenty-second day of May, in the year one thousand eight hundred and sixty-two, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the fifty-ninth year of His Majesty King George the Third, chapter one hundred and thirty-four; of the Act of the second and third years of your Majesty, chapter forty-nine; and of the Act of the nineteenth and twentieth years of your Majesty, chapter fifty-five; have prepared, and now humbly lay before your Majesty in Council, the following representation as to the assignment of a district chapelry to the consecrated church called Christ Church, situate in the parish of Clapham, in the county of Surrey, and in the diocese of Winchester.

"Whereas it appears to us to be expedient that a district chapelry should be assigned to the said church called Christ Church, situate at Clapham aforesaid.

"Now, therefore, with the consent of the Right Reverend Charles Richard, Bishop of Winchester, testified by his having signed and sealed this representation, we humbly represent that it would, in our opinion, be expedient that all that part of the said parish of Clapham, described in the schedule hereunto annexed, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto also annexed, should be assigned to the said church, and that the same should be named 'The District Chapelry of Christ Church, Clapham.'

"And with the like consent of the said Charles Richard, Bishop of Winchester, testified as aforesaid, we further represent that it appears to us to be expedient that banns of matrimony should be published, and that marriages, baptisms, churchings, and burials, should be solemnized or performed at such church, and that the fees to be received in respect thereof should be paid and belong to the minister of the same church for the time being.

"We therefore humbly pray that your Majesty will be graciously pleased to take the premises into your Royal consideration, and to make such order with respect thereto as to your Majesty in your Royal wisdom shall seem meet."

The **SCHEDULE** to which the foregoing Representation has reference.

"The District Chapelry of Christ Church, Clapham, being:—

"All that part of the parish of Clapham, in the county of Surrey, and in the diocese of Winchester, wherein the present Incumbent of such parish now possesses the exclusive cure of souls, which is situate to the east of the new parish of Saint Paul, Clapham, in the same county and diocese; and also to the east of an imaginary line commencing near the southern extremity of the eastern boundary of the said new parish, at a point in the middle of Larkhall-lane, opposite to the middle of the northern end of Manor-street; and extending thence, southward, to and along the

middle of such street, to the boundary dividing the said parish of Clapham from the new parish of Saint John, Clapham, in the same county and diocese."

Her Majesty, having taken the said representation, together with the map or plan thereunto annexed, into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof; and to order, and it is hereby ordered, that the proposed assignment of a district chapelry to the consecrated church called Christ Church, situate in the parish of Clapham, in the county of Surrey, to be called "The District Chapelry of Christ Church, Clapham," be accordingly made; and that the recommendations of the said Commissioners, with reference to the publication of banns, and the solemnization of marriages, baptisms, churchings, and burials in the said church, and with reference to the fees to be paid in respect of those offices, be carried into effect agreeably to the provisions of the said Acts; and Her Majesty is further pleased to direct that this Order be forthwith registered by the Registrar of the diocese of Winchester.

*Arthur Helps.*

AT the Court at *Windsor*, the 7th day of *June*, 1862,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, duly prepared and laid before Her Majesty in Council a Scheme, bearing date the twenty-second day of May, in the year one thousand eight hundred and sixty-two, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, have prepared, and now humbly lay before your Majesty in Council, the following scheme relating to the endowment of the archdeaconry of Coventry, in the diocese of Worcester.

"Whereas it was by the said recited Act enacted that so soon as conveniently might be, and by the authority therein provided (that is to say, by a scheme prepared by us, and an Order of your Majesty in Council ratifying the same), any archdeaconry might, subject to the consent of the bishop, be endowed, amongst other modes, by augmentation out of the common fund in the same Act mentioned, but not so as to raise the average annual income thereof to an amount exceeding two hundred pounds, with a proviso that no archdeacon should be entitled to hold any endowment

or augmentation, or other emolument, as such archdeacon under the provisions of the same Act, unless resident for the space of eight months in every year within the diocese in which his archdeaconry should be situate, but subject to the same provisions as to licenses for non-residence which are enacted with respect to incumbents of benefices by the Act relating to pluralities and residence in the same Act mentioned.

"And whereas by an Order of your Majesty in Council, bearing date the seventh day of August, in the year one thousand eight hundred and fifty-one, and duly gazetted in the London Gazette of the twenty-ninth day of the same month and year, it was provided that, until the next vacancy of a canonry in the cathedral church of Worcester, there should be paid by us, out of the common fund, to the Archdeacon of Coventry for the time being, provided that he should duly reside within the diocese of Worcester, according to law, or should obtain licence of non-residence, the annual sum of one hundred and forty-two pounds, on the first day of November in every year.

"And whereas a canonry in the said cathedral church of Worcester has, since the passing of the above mentioned Order of your Majesty in Council, become vacant, but such canonry has not been annexed to the said Archdeaconry of Coventry, and the above mentioned annual grant has therefore ceased to be payable under the provisions of the said recited Order.

"Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend Henry, Bishop of Worcester, testified by his having signed and sealed this scheme, that until the annexation of a canonry in the said cathedral church of Worcester to the said Archdeaconry of Coventry, there shall continue to be paid by us, out of the said common fund to the Venerable John Sandford, the present Archdeacon of Coventry, and to his successors in the said archdeaconry, so long as he and they shall respectively hold the same and shall duly reside within the diocese according to law, or shall obtain license of non-residence, the said annual sum of one hundred and forty-two pounds, on the first day of November, in every year.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures, relating to the said archdeaconry, in accordance with the provisions of the said Act, or of any other Act of Parliament."

And whereas the said Scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof, shall be effectual in law, immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the Diocese of Worcester.

*Arthur Helps.*

AT the Court at *Windsor*, the 7th day of *June*, 1862,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the twenty-first and twenty-second years of Her Majesty, chapter fifty eight, intituled

"The Stanhope and Wolsingham Rectories Act, 1858," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-second day of May, in the year one thousand eight hundred and sixty-two, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the twenty-first and twenty-second years of your Majesty, chapter fifty-eight, intituled "The Stanhope and Wolsingham Rectories Act, 1858," have prepared and now humbly lay before your Majesty in Council, the following scheme for substituting a money payment for certain property belonging to the rectory of Wolsingham, in the county and diocese of Durham.

"Whereas by the provisions of the above recited Act, it was (inter alia) enacted, that immediately upon the next vacation of the rectory of Wolsingham, the tithe or tenth of lead ore now belonging to the said rectory of Wolsingham, should become absolutely vested in us for the purposes, and subject to the provisions, applicable to other hereditaments vested in us; and that there should thereupon be paid by us, in perpetuity, out of our common fund, to the rector for the time being of the rectory of Wolsingham, such an annual sum as, together with the other then existing endowments of the said rectory at the time of the next vacancy thereof (except surplice fees), should make up an annual income of one thousand pounds; and that the amount of such existing annual endowments should be ascertained and determined by us with the concurrence of the Bishop of Durham for the time being, and a certificate of the amount thereof, under our common seal and the episcopal seal of the said bishop, should be registered in the registry of the see of Durham.

"And whereas it was by the same Act provided, that by the authority therein mentioned (that is to say, by a scheme prepared by us, and an Order of your Majesty in Council ratifying the same, and with the consent of the then rector of Wolsingham), an arrangement might be made at any time before the next avoidance of such rectory, for immediately carrying into effect the above recited enactments.

"And whereas the Reverend Charles Duberly was appointed to the rectory of Wolsingham previously to the passing of the above recited Act, and is still the rector thereof, and it has been agreed between us and the said Charles Duberly, and it appears to be desirable that the provisions of the above recited Act, so far as they affect the rectory of Wolsingham, should be immediately carried into effect.

"And whereas a certificate, bearing date the eighth day of May, one thousand eight hundred and sixty-two, of the amount of the annual income arising from the existing endowments of the said rectory of Wolsingham (exclusive of the said tithe of lead ore and surplice fees), prepared in conformity with the provisions of the said recited Act, has been sealed with the episcopal seal of the Right Reverend Charles, Bishop of Durham, the bishop of the diocese wherein the rectory of Wolsingham is situate, and with the common seal of us the Ecclesiastical Commissioners for England, and has been duly registered in accordance with the provisions of the said recited Act in the registry of the see of Durham.

"And whereas the annual income of the said rectory of Wolsingham, as specified in such certificate, amounts to seven hundred pounds and no more.

"Now, therefore, with the consent of the said Charles Duberly, testified by his having signed and sealed this scheme, we humbly recommend and propose, that immediately upon the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme, and without any conveyance or assurance in the law other than such duly gazetted Order, all the tithe or tenth of lead ore now belonging to the said Charles Duberly as rector of the said rectory, or to or in which he has or ought to have, as such rector, any estate, right, title, or interest, shall, together with all such estate, right, title, and interest, be, and be held to be, for the consideration hereinafter mentioned, transferred, and conveyed by and from the said Charles Duberly and his successors in the said rectory to us, and shall then and thereupon become and be absolutely vested in us and our successors for the purposes of the said Act, and that we shall be entitled to the profits and proceeds thereof as from the first day of January now last past; and that in consideration of and for such transfer and conveyance, there shall be paid by us to the said Charles Duberly and his successors in the said rectory an annual sum of three hundred pounds, by equal half yearly payments, on the first day of May and the first day of November in every year, and that the first such half yearly payment shall be made on the first day of November next, such annual payment of three hundred pounds making up, together with the income of seven hundred pounds specified in the certificate aforesaid, the annual income of one thousand pounds named in the said recited Act as the future income of the rector, for the time being, of the rectory of Wolsingham.

"And we further recommend and propose that a proportionate part of one such half yearly payment, calculated in respect of the period which elapsed between the said first day of January last (from which day we are to be entitled to the receipt of the rents, profits, and other proceeds arising from the property to be transferred to us), and the first day of May last (from which day the half yearly payment to be made by us on the first day of the month of November next will begin to accrue), shall be made immediately upon the publication in the London Gazette of an Order of your Majesty in Council ratifying this scheme.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, in accordance with the provisions of the said Act, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Durham.

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS by an Act, passed in the session of Parliament held in the sixteenth and seventeenth years of Her Majesty's reign, intituled "An Act to amend the laws concerning the burial of the dead in England, beyond the limits of the metropolis, and to amend the Act concerning the burial of the dead in the metropolis;" it is enacted that, in case it appears to Her Majesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-ground or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, to order that no new burial-ground shall be opened in any city or town, or within such limits, without such previous approval, or (as the case may require), that after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time, as circumstances may require; provided always, that notice of such representation, and of the time when it shall please Her Majesty to order that the same be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation is so considered; provided also, that no such representation shall be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation shall have been given to the Incumbent and Vestry Clerk or Churchwardens of such parish;

And whereas the Right Honourable Sir George Grey, Bart., one of Her Majesty's Principal Secretaries of State, after giving to the Incumbents and Churchwardens of the parishes hereinafter mentioned, ten days' previous notice of his intention to make such representations, has made representations stating that, for the protection of the public health, no new burial-ground shall be opened in the undermentioned parishes without the previous approval of one of Her Majesty's Principal Secretaries of State, and that burials shall be discontinued therein;

And whereas Her Majesty was pleased, by Her Orders in Council of the twenty-first day of March and twenty-sixth day of April last, to give notice of such representations, and to order that the same should respectively be taken into consideration by a Committee of the Lords of Her Majesty's Most Honourable Privy Council, on the fifth day of May last, and fifth day of June instant, and such Orders have been published in the London Gazette, and copies thereof have been affixed, as required by the said Act:

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, is pleased to order, and it is hereby ordered, that no new burial-ground shall be opened in either of the undermen-

tioned parishes without the previous approval of one of Her Majesty's Principal Secretaries of State, and that burials in the said parishes shall be discontinued (except as is herein otherwise directed), as follows; viz.:

**BRISTOL.**—Forthwith beneath the Lodge-street Chapel, in the parish of St. Augustine, and beneath the Castle-green Independent Chapel, in Castle Precincts, both in the city of Bristol.

**PAINSWICK.**—In the churchyard of Painswick (except in vaults and walled graves, in which each coffin shall be embedded in powdered charcoal and separately entombed in an airtight manner), on and after the thirty-first of December, one thousand eight hundred and sixty-two, except of the dead of the Tithings of Edge and Spoonbed; and that interments in the church itself should be forthwith discontinued. Also that interments in the Independent Chapel at Painswick should be forthwith discontinued, and in the burial-ground on the thirty-first of December, one thousand eight hundred and sixty-two, and that in the meantime no coffin should be buried in a grave less than four feet deep, which can be opened without disturbance of coffins or of human remains.

**WEYHILL.**—Forthwith beneath the church. That vaults and graves beneath the church be filled up with fresh earth, and be then covered with a layer of concrete, six inches thick, and that the works be superintended by a medical practitioner, and proper disinfectants be used for the protection of the workmen.

**NORTHWOOD, ISLE OF WIGHT.**—Forthwith in the parish churchyard, except for the burial of the remains of persons dying in Northwood Proper; no grave to be made except in unoccupied ground, and no grave to be re-opened except existing vaults and family graves.

**LEEK.**—Forthwith in the churchyard of Saint Luke's, Leek, except in vaults and walled graves which were in existence on the twenty-sixth of February, one thousand eight hundred and sixty-two, and are free from water, in which each coffin shall be embedded in charcoal and separately entombed in an airtight manner, and except in graves, not previously buried in, which are free from water and not less than five feet deep: no grave or vault to be used unless under the supervision of the Medical Officer of Health for Leek.

**A**T the Court at *Windsor*, the 7th day of  
*June*, 1862,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS by an Act, passed in the session of Parliament held in the eighteenth and nineteenth years of Her Majesty's reign, intituled "An Act further to amend the laws concerning the burial of the dead in England," it is, amongst other things, enacted that it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the

said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, shall or shall not have arrived), as to Her Majesty, with such advice as aforesaid, may seem fit ;

And whereas certain Orders in Council have been made, directing the discontinuance of burials in the churchyards and burial grounds hereinafter mentioned, from the time mentioned in such Orders respectively ; and whereas it seems fit to Her Majesty, by and with the advice of Her Privy Council, that the time for discontinuing burials in the said churchyards and burial-grounds be postponed ;

Now, therefore, Her Majesty, by and with the advice aforesaid, is pleased to order, and it is hereby ordered, that the time for the discontinuance of burials in such churchyards and burial grounds be postponed, as follows ; viz. :

In the burial-ground of Grosvenor-street Chapel, Stalybridge, from the first of May, one thousand eight hundred and sixty-two, to the first of May, one thousand eight hundred and sixty-four, provided the burials be conducted in accordance with the regulations contained in the Order of Her Majesty in Council of the 24th of June, one thousand eight hundred and fifty-six.

In the parish churchyard of Warkworth, Northumberland, from the first of May, to the 15th of June, one thousand eight hundred and sixty-two.

In the churchyard of Dalston, Cumberland, from the thirtieth of April to the thirty-first of July, 1862.

In the churchyard of St. John, Bacup, near Manchester, from the first of May to the eleventh of June, one thousand eight hundred and sixty-two.

In the new burial-ground of Bangor, from the first of June to the first of August, one thousand eight hundred and sixty-two.

In the parish churchyard, Kirkburton, Yorkshire, from the first of July, one thousand eight hundred and sixty-two, to the first of January, one thousand eight hundred and sixty-three.

And whereas by an Order in Council of the fourth of November, one thousand eight hundred and fifty-seven, it was directed that burials should be wholly discontinued, with certain exceptions therein mentioned, in the churchyard of the parish of St. John's, Hackney, and whereas it is deemed expedient that such order be varied : now, therefore, Her Majesty, by and with the advice of Her Privy Council, is pleased to order, and it is hereby ordered, that permission be granted for the use of all such family earthen graves in the said churchyard, as were in existence on the thirty-first of May, one thousand eight hundred and sixty-two, subject to the following conditions, viz. : that the graves when required be opened without exposure of human remains ; that each coffin hereafter interred, be embedded in a layer of concrete six inches thick, that no coffin be buried without a covering of four feet of earth, measuring from the top of the coffin to the general level of the ground, and that the only bodies interred be those of husbands, wives, parents, unmarried children, and brothers and sisters of persons already buried in the graves above indicated.

And whereas by an Order in Council of the twenty-fourth of June, one thousand eight hundred and fifty-six, it was directed that burials should be wholly discontinued, from and after the first of May, one thousand eight hundred and fifty-

nine, in the burial-ground of the Independent Chapel, Staleybridge, which period has since been extended by Orders in Council of the twenty-third of January, one thousand eight hundred and sixty, and the thirteenth of May, one thousand eight hundred and sixty-one, on certain conditions, and whereas it is deemed expedient that the said Orders be varied : Now, therefore, Her Majesty, by and with the advice of Her Privy Council, is pleased to order, and it is hereby ordered, that in the Independent Chapel burial-ground, Stalybridge, the continued use of vaults and brick graves and earthen family graves be permitted, provided that in opening the same, no human remains be disturbed, that the only bodies interred be those of the widowers and widows of persons already interred, that in the vaults and brick graves each coffin be entombed in brick or stone work properly cemented, and that in the earthen graves no body be buried without a covering of four feet of earth.

*Arthur Helps.*

AT the Court at *Windsor*, the 7th day of *June*, 1862,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Right Honourable Sir George Grey, Bart., one of Her Majesty's Principal Secretaries of State, after giving to the Incumbent and the Vestry Clerk of the parish hereinafter mentioned, ten days' previous notice of his intention to make such representation, has, under the provisions of an Act, passed in the session of Parliament, held in the fifteenth and sixteenth years of Her Majesty's reign, intitled "An Act to amend the laws concerning the burial of the dead in the metropolis," made a representation stating that, for the protection of the public health, burials should be forthwith discontinued within the church of SAINT DUNSTAN'S, STEPNEY.

Now, therefore, Her Majesty in Council is pleased hereby to give notice of such representation, and to order that the same be taken into consideration by a Committee of the Lords of Her Majesty's Most Honourable Privy Council, on the fifteenth day of July next :

And Her Majesty is further pleased to direct that this Order be forthwith published in the London Gazette ; and that copies thereof be affixed on the doors of the churches or chapels of the said parish, or on some conspicuous places within the part or parts of the metropolis affected by such representation, one calendar month, at the least, before the said fifteenth day of July.
