FRIDAY, JULY 25, 1862.

Whitehall, July 24, 1862.

THE following Address of Congratulation to the Queen, on the occasion of the Marriage of Her Royal Highness The Princess Alice, with His Royal Highness Prince Louis of Hesse, having been transmitted to the Right Honourable Sir George Grey, Baronet, Her Majesty's Principal Secretary of State for the Home Department, for Presentation, has accordingly been presented by him to Her Majesty, who has been pleased to receive the same very graciously.

To the QUEEN'S Most Excellent Majesty.

The humble and congratulatory Address of the Mayor, Aldermen, and Burgesses of the borough of Kingston-upon-Hull, in Common Council Assembled.

Most Gracious and Beloved Sovereign,

WE, your Majesty's most loyal and devoted subjects, beg to approach your Majesty for the purpose of offering our most sincere congratulation upon the Marriage of your Majesty's beloved Daughter, the Princess Alice Maud Mary, with His Grand Ducal Highness Prince Frederic William Louis of Hesse.

We hail with satisfaction this event, believing, as we do, that the union of the Princess is founded upon a pure and affectionate attachment to the object of her free unfettered choice, a Prince who is worthy of the high honour of being a member of your Majesty's august Family.

We believe that this Marriage is welcomed by all your Majesty's subjects as the prelude of increased happiness to your Majesty, in the probability of the personal residence of the Princess in this country, whereby she will continue to afford to your Majesty the gratifying solace of her tender attention in alleviating the irreparable loss which your Majesty has so lately sustained by the lamented decease of your Royal Consort.

That your beloved Daughter and her Consort may long enjoy every domestic blessing that can be granted to them by Providence, and that your Majesty may long live to witness their prosperity, is the earnest prayer of your attached and loyal subjects the Mayor, Aldermen, and Burgesses of the borough of Kingston-upon-Hull.

Given under the common seal of the Mayor, Aldermen, and Burgesses of the borough of Kingston-upon-Hull, the 3rd day of July, 1862.

Z. C. Pearson, Mayor.

AT the Court at *Osborne House, Isle of Wight*, the 19th day of July, 1862,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, duly prepared and laid before Her Majesty in Council a Scheme, bearing date the fifth day of June, in the year one thousand eight hundred and sixty-two, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, have prepared and now humbly lay before your Majesty in Council the following scheme for assigning certain lands and hereditaments, as an endowment for the Dean and Chapter of the Cathedral and Metropolitan Church of Saint Peter at York.

"Whereas, under the provisions of the above-mentioned Act, and an Act of the fourth and fifth years of your Majesty, chapter thirty-nine; and an Act of the fifth and sixth years of your Majesty, chapter twenty-six; and by virtue of an Order of your Majesty in Council, made under the authority of such provisions, bearing date the eighteenth day of August, one thousand eight hundred and fifty-two, and duly published in the London Gazette, on the tenth day of September following, in consideration of an annual money payment of four thousand four hundred and ten pounds, all the manors, lands, tithes, tenements, and hereditaments theretofore belonging either in possession or reversion to the said Dean and Chapter (except certain portions thereof, in the

above-mentioned Order particularly excepted, and certain other property specified in an Order of your Majesty in Council, dated the eighth day of February, in the year one thousand eight hundred and fifty-five, and duly published in the London Gazette, on the sixteenth day of the same month), and all the estate and interest therein of the said Dean and Chapter became vested in us.

"And whereas it was by the firstly above-mentioned Order of your Majesty in Council, provided that none of the moneys or estates received or acquired under the provisions thereof should be applicable to the purposes of our Common Fund, except only so far as it might be necessary to reimburse such fund any advances made thereout, under the provisions of such Order, until or unless by or under the like authority, the said Dean and Chapter should have been put into possession in fee simple of real estates, sufficient to secure to them the said annual income of four thousand four hundred and ten pounds, clear of all charges and outgoings on and from such estates, except costs of management.

"And whereas the said Dean and Chapter have signified to us their willingness to accept as their permanent endowment, the lands, tenements, and hereditaments particularly described in the Schedule hereunto annexed, which are now vested in us in fee simple in possession, and the same are in our opinion convenient to be held as the permanent endowment of the said Chapter, and are calculated to produce as nearly as may be the above-mentioned net annual income of four thousand four hundred and ten pounds.

"Now, therefore, with the consent of the said Dean and Chapter of the Cathedral and Metropolitan Church of Saint Peter at York, testified by their having hereunto affixed their corporate seal, we humbly recommend and propose that upon the publication in the London Gazette of any Order of your Majesty in Council, ratifying this scheme, and without any conveyance or assurance in the law, other than such duly published Order, the lands, tenements, and hereditaments particularly described in the Schedule hereunto annexed, with their appurtenances, and all the right, title, estate, and interest therein, together with all tithes or rent charges in lieu of tithes arising thereout, or charged thereupon, and the benefit of the perpetual land tax (if any) charged upon the same premises shall be assigned as the endowment of the Dean and Chapter of York, and shall become and be absolutely vested in the said Dean and Chapter in as full and ample a manner as if the same had formed part of the ancient possessions of the said Dean and Chapter, and that they shall become and be absolutely entitled to the rents, profits, and proceeds of such lands, tenements, and hereditaments as from the sixth day of April, in the year one thousand eight hundred and sixty-two.

"And we further recommend and propose that the money payments heretofore payable by us under the provisions of the hereinbefore recited Order of your Majesty in Council, of the eighteenth day of August, one thousand eight hundred and fifty-two, shall as from the said sixth day of April last, cease and determine.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, in conformity with the provisions of the said recited Acts, or of any other Act of Parliament."
