TREASURY WARRANT.

WHEREAS by an Act of Parliament passed in the fourth year of the reign of Her Majesty, chapter 96, for the regulation of the duties of postage, certain scales of weight and rates of postage were fixed and made chargeable and payable upon, for, or in respect of letters, newspapers, parliamentary proceedings, and printed papers transmitted and forwarded by the post, and various regulations were made for facilitating the transmission of such letters and papers by the post; and by the same Act powers were given to the Commissioners of Her Majesty's Treasury from time to time, by Warrant under their hands, to alter and fix any of the rates of postage therein mentioned.

And whereas further powers were given to the Commissioners of Her Majesty's Treasury by another Act of Parliament passed in the eleventh year of the reign of Her Majesty, chapter 85, for giving further facilities for the transmission of letters by post, and for the regulating the duties

of postage thereon, and for other purposes relating to the Post Office.

And whereas the Commissioners of Her Majesty's Treasury, by two several Warrants under their hands, bearing date respectively at Whitehall Treasury Chambers, the 15th day of March, 1864, and the 11th day of June, 1864, fixed certain rates of postage, and made and established certain regulations under and subject to which packets consisting of patterns or samples of merchandize of no intrinsic value might be transmitted by the post between the United Kingdom and the East Indies, Ceylon, and Hong Kong, and it is expedient that certain other regulations should be made in the manner hereinafter mentioned.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the power reserved to us in and by the said hereinbefore recited Acts of Parliament, and every of them, and of all other powers enabling us in this behalf, do, by this Warrant, under the hands of two of us, the said Commissioners, by the authority of the statute in that case made and provided, order and direct as follows; that is to say:—

On every such packet, if not exceeding four ounces in weight, there shall be charged, taken, and paid an uniform single rate of postage (British and Colonial combined) of four pence;

And on every such packet, if exceeding four ounces in weight, there shall be charged, taken, and paid for such transmission thereof respectively, as aforesaid, the several progressive and additional rates of postage hereinafter mentioned.

2. 3. Every packet which shall be transmitted by the post under the authority of this Warrant, if exceeding four ounces in weight, shall be subject to the several further and additional and progres-

sive rates of postage hereinafter mentioned (that is to say) :—

On every such packet, if exceeding four ounces, and not exceeding one half of a pound in weight, there shall be charged, taken, and paid two rates of postage;

And on every such packet, if exceeding one pound and one-half of another pound, and not exceeding two pounds in weight, there shall be charged, taken, and paid eight rates of postage;

And for every additional half of a pound in weight of any such packet above the weight of two pounds, there shall be charged, taken, and paid two additional rates of postage, and every fractional part of such additional half of a pound in weight shall be charged as an additional half of a pound in weight, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such packet would be charged with under this Warrant, if not exceeding four ounces in weight.

7. No pattern or sample being of any intrinsic value, or being an article or thing of a saleable nature, or having a value of its own, apart from its mere use as a pattern or sample, shall be transmitted by the post under the provisions of this Warrant.

8. There shall be no enclosure sealed or otherwise closed against inspection, nor any other enclosure not authorised by this Warrant, sent in or with any such packet.

9. There shall be no writing or printing in or upon any such packet, or on the cover thereof, except the address of the person for whom it is intended, the address of the sender thereof, a trade mark, and numbers and prices.

10. All such packets shall be sent in covers open at the ends so as to be easy of examination : Nevertheless samples of seeds, drugs, and such other articles and things as cannot be sent in open covers, may be enclosed in bags of linen or of other material, but bags so closed that they cannot be readily opened, even although they be transparent, shall not be used for that purpose.

11. If any packet sent, or tendered, or delivered, in order to be sent by the post under the provisions of this Warrant, shall in length or breadth

or depth exceed the dimensions of two feet, or being posted in the United Kingdom, addressed to the East Indies, or posted in the East Indies, addressed to the United Kingdom, shall exceed the weight of three pounds, or if any packet sent, or tendered, or delivered, in order to be sent by the post under the provisions of this Warrant, shall consist wholly of patterns or samples of any intrinsic value, as in the seventh clause of this Warrant mentioned, or if there shall be any writing or printing in or upon any such packet or on the cover thereof (except the address of the person for whom it is intended, the address of the sender thereof, a trade mark, and numbers and prices), or if any such packets shall not be sent in covers open at the ends so as to be easy of examination (except samples of seeds, drugs, and such other articles and things as cannot be sent in open covers, and which may be enclosed in bags of linen or of other material), or in case of bags being used, if such bags shall be so closed that they cannot be readily opened, every such packet shall be chargeable and shall be treated in all respects as a letter.

12. If any packet sent, or tendered, or delivered, in order to be sent by the post under the provisions of this Warrant shall contain any enclosure sealed or otherwise closed against inspection, or any other enclosure not authorised by this Warrant, every such enclosure may be taken out by any officer of the Post Office and either returned or given up to the sender thereof, or be forwarded to the address on the packet, charged not only with the full rates of postage as an unpaid letter, but also with a further and additional rate of postage equal in amount to the single rate of postage chargeable under the provisions of this Warrant on a packet not exceeding four ounces on weight, and the remainder of the packet if duly prepaid by stamps may be forwarded to the place of its address without any extra charge.

13. The postage of all such packets as aforesaid posted in the United Kingdom shall in every case be paid at the time of the same being posted, not in money, but by being duly stamped with the proper postage stamp or stamps affixed thereto, which stamp or stamps shall in every case be affixed or appear on the outside of every such packet near the address or direction, and shall be of the value or amount of the postage duty payable thereon under or by virtue of this Warrant.

14. The postage of all such packets as aforesaid posted in the East Indies, Ceylon, or Hong Kong, shall in every case be paid at the time of the same being posted, either in money or by the proper colonial postage stamp or stamps being affixed thereto.

15. been paid thereon, or without having thereon or affixed thereto any postage stamp, every such respective packet shall be forwarded charged with a postage of double the amount of postage to which it would have been liable under and by virtue of this Warrant if the postage had been paid when posted.

16. In order to prevent any obstacles to the due and regular transmission of letters by the post, any officer of the Post Office may delay the transmission of any packet posted or forwarded by the post under the provisions of this Warrant, either for the space of twenty-four hours after the time at which the same ought to be dispatched in due course of the post, or (at his option) until the dispatch of the mail next after that by which the same ought, in due course of the post, to be forwarded by him.

17. In all cases in which any question shall hereafter arise whether any packet, or any pattern or sample contained therein, transmitted under or by virtue of this Warrant, is entitled to the privileges of this Warrant, and to be so transmitted within the intent and meaning thereof, such question shall be referred to the determination of the Postmaster-General, whose decision thereupon shall be final and conclusive upon all parties.

18. The term "East Indies" used in this Warrant shall be construed to mean every port or place in Her Majesty's dominions in Asia (Hong Kong, Ceylon, Mauritius, Labuan, and Australia excepted); and the several other terms and expressions used in this Warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said Act passed in the fourth year of the reign of Her Majesty, cap. 96.

19. The said recited Warrants, bearing date respectively the 15th day of March, 1864, and the 11th day of June, 1864, and every clause, matter, and thing therein contained, shall be, and the same are hereby respectively repealed, revoked, and annulled.

20. The Commissioners for the time being of Her Majesty's Treasury may, by Warrant under their hands duly made, at any time hereafter, alter, repeal, revoke, or modify any of the rates of postage hereby fixed, or any of the regulations hereby made, and may make and establish any new or other rates or regulations in lieu thereof, and from time to time may appoint at what time the rates that may be payable are to be paid.

21. This Warrant shall come into operation on the day of the date hereof.

Somerset House, September 3,
1864.

THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that on Monday, the 10th October next, at half past one o'clock, they will be ready to treat with such persons as may be willing to contract for supplying and delivering into Her Majesty's Victualling Stores at the undermentioned Ports, the following quantities of

SALT PORK,

all of the cure of the present season, viz. :—

NAVY PORK.

	Tierces.	Barrels.
Deptford	2,900	.. 2,900
Haulbowline	2,900	.. 2,900

The Pork to be delivered into the respective Stores as follows; viz. : one-third of each quantity for each place by the 28th day of January, 1865; another third thereof by the 11th day of March, 1865; and the remainder thereof by the 29th day of April, 1865; or any greater portion, or the whole, at any earlier period, if preferred by the party tendering, and to be paid for by bills at three days after date, which will be sent to parties as usual.

Their Lordships reserve to themselves the power, when the tenders are opened, of contracting either for the whole, or for such part thereof only as they may deem fit, or for a greater quantity, or of not contracting for any; and also an unlimited power of selection.

Every tender must specify the name of the person by whom the meat is intended to be cured, the brand of the meat, and the place of cure.

Tenders for pork, of the cure of the United States of America, will not be admitted.

Persons tendering for more than one Port must give a separate tender for each Port.

Persons tendering must give a reference to a banker for each surety proposed; and they are desired to take special notice that the use of wooden hoops is abolished, and that iron hoops only will be required for the casks in accordance with the conditions of the contract.

A form of the tender may be obtained, and the conditions of the contract, to which particular

attention is called, may be seen in the Lobby of the Department of the Comptroller of Victualling, Somerset House, at the Victualling Yards at Gosport and Plymouth, or by applying to the Agent Victualler at Haulbowline; or to the Collectors of Her Majesty's Customs at Bristol, Limerick, Belfast, Waterford, and Newry; or to the Secretary to the Postmaster-General at Dublin; or to the Commander conducting the Packet Service at Liverpool; or to the Resident Agent for Transports at Leith.

No tender will be admitted for a less quantity than 100 tierces, or 100 barrels.

No tender will be received after half past one o'clock on the day of treaty, nor any noticed, unless made on the printed form provided for the purpose; but it will not be necessary that the party tendering, or an agent appointed by him, should attend, as the result of the offer received from each person will be communicated to him and to his proposed sureties in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner of the envelope the words "Tender for Salt Pork," and must also be delivered at the Department of the Comptroller of Victualling, Somerset House.
