*Board of Trade, Whitehall,
January 26, 1865.*

THE Right Honourable the Lords of the Committee of Privy Council for Trade have received, from the Secretary of State for Foreign Affairs, the following copy of an Amended Regulation relative to Trade with the Southern States, which has been received from Her Majesty's Chargé d'Affaires at Washington:—

AMENDED REGULATIONS, SERIES OF JULY 29, 1864,
No. LV.

*Treasury Department,
December 22, 1864.*

Regulation LV, concerning Commercial Inter-course, series of July 29, 1864, is hereby amended as follows:

LV. All existing authorities to purchase products in insurrectionary States are hereby revoked, except that products purchased in good faith under such authorities, and paid for in whole or in part, prior to the 29th day of July, 1864,

may be transported to market as before the passage of the Act of July 2, 1864, subject to the following limitations and conditions and included in the following classes:

1st. Those which have been wholly paid for.

2d. Those upon which part payment has been made, coupled with a legal obligation to pay the residue, so that the articles purchased are at the risk of the purchaser, and such payment is in no wise dependent upon their delivery.

3d. Where part payment has been made without such obligation as to the balance, so much of the products alleged to have been purchased, as the amount actually advanced will pay for at the stipulated price.

The original permits must be produced in such case, and proof furnished to the satisfaction of a proper permit officer and a Supervising or Assistant Special Agent for the Agency or District in which proof is to be made that the property desired to be moved comes within one of the classes named above, and that the privilege conferred by the original permit has been in no way violated or abused—a certificate of which facts must be endorsed upon the permit over their official signature, which permit, so endorsed, will then be considered as revived and in full force, to the extent specified in the endorsement, in accordance with this rule.

W. P. FESSENDEN,
Secretary of the Treasury.

WHEREAS it appears to me, the Right Honourable Sir George Grey, Bart., one of Her Majesty's Principal Secretaries of State, that the use of Locomotives unless restricted as hereinafter mentioned on or along the roads in the townships of Thornthwaite with Padside and Menwith with Darley, in the West Riding of the county of York, is dangerous and inconvenient to the public:

I do hereby, by virtue of the provisions of "The Locomotive Act, 1861," by this Order under my hand, prohibit the use of any kind of Locomotive whatever propelled by steam or any other than animal power on the above roads except between the hours of twelve o'clock at night and six o'clock in the morning.

Given under my hand at Whitehall, this
25th day of January, 1865.

TREASURY WARRANT.

WHEREAS by an Act of Parliament passed in the fourth year of the reign of Her Majesty, for the regulation of the duties of postage, certain scales of weight and rates of postage were fixed and were made chargeable and payable upon, for, and in respect of letters, newspapers, Parliamentary proceedings, and printed papers, transmitted and forwarded by the post, and various regulations were made for facilitating the transmission of such letters and papers by the post. And by the said Act power was given to the Commissioners of Her Majesty's Treasury (amongst other things), from time to time, by Warrant under their hands, to alter and fix any of the rates of British postage, payable by law on the transmission by the post of foreign or colonial letters, or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and, from time to time, by Warrant as aforesaid, to alter or repeal any of such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which might be payable were to be paid.

And whereas the provision fixing the maximum weight of letters to be sent by the post in the said before recited Act was repealed, and further

powers were given to the Commissioners of Her Majesty's Treasury in that behalf by another Act of Parliament, passed in the eleventh year of the reign of Her Majesty, for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon; and for other purposes relating to the Post Office.

And whereas the Commissioners of Her Majesty's Treasury, in exercise of the powers vested in them in and by the said two before-mentioned Acts of Parliament, or either of them, and of all other powers enabling them in that behalf, did, by two certain Warrants in writing respectively, under the hands of two of them the said Commissioners (by the authority of the Statute in that case made and provided) bearing date respectively the 28th day of March, 1860, and the 18th day of May, 1861, fix certain rates of postage and make certain regulations under and subject to which packets consisting of books, publications, or works of literature or art, whether British, colonial, or foreign, and packets consisting of printed votes and proceedings of the Imperial Parliament posted in the United Kingdom addressed to Gothenburgh, or to any of the several places within the Kingdom of Sweden, mentioned and set forth in the schedule to the now reciting Warrant of the 18th day of May, 1861, annexed, or posted at Gothenburgh, or at any of the places in the said schedule to the said now reciting Warrant of the 18th day of May, 1861, annexed, respectively mentioned, within the Kingdom of Sweden, addressed to the United Kingdom, might be transmitted by the post between the United Kingdom and Gothenburgh (the sea conveyance being by British or foreign packet boat direct).

And whereas it is expedient to extend the transmission by the post between the United Kingdom and Gothenburgh of packets consisting of books, publications, or works of literature or art, and other printed papers, to other places within the Kingdom of Sweden not included in either of the said two hereinbefore recited Warrants, and for that purpose to repeal the said two last-mentioned Warrants, and to make such other rates and regulations in lieu thereof as are hereinafter mentioned and contained.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers vested in us in and by the said two before-mentioned Acts, or either of them, and of all other powers enabling us in this behalf, do, by this Warrant, under the hands of two of us the said Commissioners (by the authority of the Statute in that case made and provided) order, direct, and declare as follows:—

1. The said two hereinbefore recited Warrants, bearing date respectively the 28th day of March, 1860, and the 18th day of May, 1861, and every clause, matter, and thing therein contained shall be and the same are hereby respectively repealed.

2. All packets consisting of books, publications, or works of literature or art, whether British, colonial, or foreign, and all packets consisting of printed votes and proceedings of the Imperial Parliament posted in the United Kingdom addressed to Gothenburgh, or to any of the several places within the Kingdom of Sweden, mentioned and set forth in the schedule to this Warrant annexed, or posted at Gothenburgh, or at any of the several places within the Kingdom of Sweden, mentioned and set forth in the schedule to this Warrant annexed, addressed to the United Kingdom, may be transmitted by the post between the United Kingdom and Gothenburgh (the sea conveyance being by British or foreign packet boat direct); and all such respective packets shall be transmitted between the United Kingdom and Gothen-

burgh in conformity with and under and subject to the several regulations, orders, directions, and conditions hereinafter mentioned and contained; and the single rate of postage (British and foreign combined) for the transmission of such packets from the United Kingdom to Gothenburgh, or from Gothenburgh to the United Kingdom as aforesaid, shall be the sum of three pence. And all such respective packets so transmitted and chargeable with postage as aforesaid, shall be subject to the several progressive and additional rates of postage hereinafter mentioned, that is to say:—

On every such packet, if not exceeding four ounces in weight, there shall be charged, taken, and paid for the transmission thereof respectively as aforesaid, the uniform single rate of postage (British and foreign combined) of three pence;

And on every such packet exceeding four ounces in weight there shall be charged, taken, and paid progressive and additional rates of postage as follows, that is to say:—

On every such packet, if exceeding four ounces in weight and not exceeding eight ounces in weight, two rates of postage;

And on every such packet, if exceeding eight ounces and not exceeding one pound in weight, four rates of postage;

And on every such packet, if exceeding one pound and not exceeding one pound and one half of another pound in weight, six rates of postage;

And for every additional half of a pound in weight of any such packet above the weight of one pound and one half of another pound, there shall be charged, taken, and paid two additional rates of postage, and every fractional part of such additional half of a pound in weight shall be charged as an additional half of a pound in weight. And each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such packet would be charged with under this Warrant, if not exceeding four ounces in weight;

No such packet which in length or breadth or depth shall exceed the dimensions of two feet shall be forwarded by the post under the provisions of this Warrant;

The terms "books, publications, or works of literature or art," in this Warrant used, shall, for the purposes of this Warrant, mean and comprise all such articles as in their general character are either literary or consist of printed, written, engraved, or lithographed matter (although not strictly literary), including books (whether printed, written, or plain) publications or compilations (whether in print or in manuscript), almanacks, printed or lithographed letters, and such artistic productions as prints, maps (whether on paper or canvas, or cloth, and whether printed or written), and photographs, when not on glass or in frames containing glass, and any description of paper, parchment, or vellum (whether printed, lithographed, written upon, or plain, or any mixture of the four), together with any binding, mounting, or covering of, or upon, or belonging to, any such article or production, or any portion thereof, or of or belonging to any paper, parchment, or vellum, and including also any cases or rollers of prints or maps, book markers (whether of paper or otherwise), pencils, pens, or other things usually appertaining to any such article

or production, paper, parchment, or vellum, or necessary for its safe transmission, which shall be sent in the same packet with any such article or production to which they or it shall belong. And all letters, notices, and other communications, whether upon paper, parchment, or vellum, partly printed or partly lithographed, and partly written, which if wholly written would not be considered letters or communications in the nature of letters: Provided nevertheless that nothing herein contained shall extend to authorise the sending by the post under the provisions of this Warrant of any letter, notice, or other communication (whether upon paper, parchment, or vellum), partly printed or partly lithographed, and partly written, which, if wholly written, would be considered a letter or a communication in the nature of a letter; nor of any patterns or books of patterns, or papers of patterns of any article or thing whatsoever, unless such patterns shall consist merely of paper; nor of any packet consisting of or containing any photographs, drawings, prints, or other contents, which may be obviously of an obscene character;

Every packet transmitted by the post under the authority of this Warrant shall be sent open at the ends or sides, and either without a cover or in a cover or envelope open at the ends or sides;

No packet transmitted by the post, under the authority of this Warrant, shall contain any written letter, either closed or open, or any written communication in the nature of a letter, either closed or open (whether such letter or communication be addressed to, or intended for the person to whom the packet shall be directed, or any other person), nor any enclosure sealed or otherwise closed against inspection, nor any other enclosure not authorized by this Warrant, sent in or with any such packet, nor shall there be any written letter or written communication in the nature of a letter in or upon any such packet, or on the cover or envelope thereof;

Every packet transmitted by the post under the authority of this Warrant and posted in the United Kingdom shall be put into the Post Office at such hours in the day, and under all such regulations as the Postmaster-General may appoint;

Upon every packet transmitted by the post, under the authority of this Warrant, which shall be posted in the United Kingdom, the postage thereof shall be paid at the time of the same being posted.

3. Every letter, notice, or other communication (whether upon paper, parchment, or vellum) partly printed, or partly lithographed, and partly written, which, if wholly written, would be considered a letter or a communication in the nature of a letter, sent by the post, shall be deemed and considered to be a letter, and shall be chargeable with postage as a letter.

4. If any question shall arise whether any such letter, notice, or other communication as last hereinbefore mentioned, is entitled to the privilege of a printed paper, so far as respects the transmission thereof by the post, or of being sent by the post under the authority of this Warrant, the same shall be referred to the determination of the Postmaster-General, whose decision thereupon shall be final.

5. If any packet sent or tendered, or delivered, in order to be sent by the post under the authority
