Foreign Office, June 6, 1865.

COPY of a Letter from Earl Russell to the Lords Commissioners of the Admiralty:—

MY LORDS, *Foreign Office, June 2, 1865.*

I HAVE the honour to state to your Lordships, that since the date of my letter of the 11th ultimo, intelligence has reached this country that the late President of the so-called Confederate States has been captured by the military forces of the United States, and has been transported as a prisoner to Fort Monroe, and that the armies hitherto kept in the field by the Confederate States, have for the most part surrendered or dispersed.

In this posture of affairs Her Majesty's Government are of opinion that neutral nations cannot but consider the civil war in North America as at an end.

In conformity with this opinion, Her Majesty's Government recognize that peace has been restored within the whole territory of which the United States of North America before the commencement of the civil war were in undisturbed possession.

As a necessary consequence of such recognition on the part of Her Majesty's Government, Her Majesty's several authorities in all ports, harbours, and waters belonging to Her Majesty, whether in the United Kingdom or beyond the seas, must henceforth refuse permission to any vessel of war carrying a Confederate flag to enter any such ports, harbours, and waters; and must require any Confederate vessels of war which, at the time when these orders reach Her Majesty's authorities in such ports, harbours, and waters may have already entered therein on the faith of Proclamations heretofore issued by Her Majesty, and which, having complied with the provisions of such Proclamations, may be actually within such ports, harbours, and waters, forthwith to depart from them.

But Her Majesty's Government consider that a due regard for national good faith and honour requires that Her Majesty's authorities should be

instructed, as regards any such Confederate vessels so departing, that they should have the benefit of the prohibition heretofore enforced against pursuit of them within twenty-four hours by a cruizer of the United States lying at the time within any such ports, harbours, and waters, and that such prohibition should be then and for the last time maintained in their favour.

If, however, the Commander of any Confederate vessel of war which may be found in any port, harbour, or waters of Her Majesty's dominions at the time these new orders are received by Her Majesty's authorities, or may enter such port, harbour, or waters, within a month after these new orders are received, should wish to divest his vessel of her warlike character, and, after disarming her, to remain without a Confederate flag within British waters, Her Majesty's authorities may allow the Commander of such vessel to do so at his own risk in all respects, in which case he should be distinctly apprised that he is to expect no further protection from Her Majesty's Government, except such as he may be entitled to in the ordinary course of the administration of the law in time of peace.

The rule as to twenty-four hours would of course not be applicable to the case of such vessel.

I have addressed a similar letter to the Secretaries of State for the Home, Colonial, India, and War Offices, and also to the Lords Commissioners of Her Majesty's Treasury, requesting them, as I do your Lordships, to issue instructions in conformity with the decision of Her Majesty's Government to the several British authorities at home or abroad who may be called upon to act in the matter.

I am, &c.,
(Signed) RUSSELL.

TREASURY WARRANT.

WHEREAS by an Act passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," it is enacted that it shall be lawful for the Commissioners of Her Majesty's Treasury, from time to time, and at any time after the passing of that Act, by Warrant under their hands, to alter and fix any of the rates of British postage or inland postage payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof and a scale of weight to be contained in such Warrant.

And whereas further powers are given to the Commissioners of Her Majesty's Treasury by another Act of Parliament passed in the eleventh year of the reign of Her present Majesty, intituled "An Act for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post Office."

And whereas, by a certain Warrant of the Commissioners of Her Majesty's Treasury, bearing date the 19th day of September, 1855, certain rates of packet postage were fixed and made chargeable and payable upon letters transmitted by the post direct by British packet boat between any ports in the British colonies or between any ports in the British colonies and any foreign port (not in any such cases passing through the United Kingdom), and it is expedient to alter certain of the said rates on certain letters transmitted as hereinafter mentioned, and to fix certain other rates in lieu thereof as are hereinafter contained.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers vested in us in and by the said recited Acts, and each of them, and of all other powers enabling us in this behalf, do, by this Warrant (under the hands of two of us the said Commissioners, by the authority of the statute in that case made and provided) order and direct as follows:—

1. That on every letter not exceeding half an ounce in weight transmitted by the post direct by British packet boat, or partly by British packet boat and partly by French packet boat, between any port in the Cape of Good Hope, Natal, Saint Helena, Ascension, or the Mauritius, and any port in the East Indies, China, or Australia, or between any port in Australia, and any port in the East Indies or China (not in any such cases passing through the United Kingdom), there shall be charged and taken a packet rate of postage of ten pence.

2. That on every letter, transmitted as, is mentioned in this Warrant, exceeding half an ounce in weight, there shall be charged, taken, and paid, progressive and additional rates of postage as follows (that is to say):

On every such letter exceeding half an ounce in weight and not exceeding one ounce in weight, two rates of postage;

On every such letter exceeding one ounce and not exceeding one ounce and the half of another ounce in weight, three rates of postage;

On every such letter, exceeding one ounce and the half of another ounce and not exceeding two ounces in weight, four rates of postage;

And for every half of an ounce in weight above the weight of two ounces, there shall be charged and taken one additional rate of postage, and every fraction of half an ounce above the weight of two ounces shall be charged as one additional half of an ounce, and each progressive and additional rate chargeable under this clause shall be estimated, and charged at the sum which any such letter would be charged with, under this Warrant if not exceeding half an ounce in weight.

3. That the rates of postage chargeable on such letters as aforesaid, for the sea conveyance thereof, shall be charged in addition to any inland colonial rates that may be payable thereon.

4. That nothing in this Warrant contained shall in anywise alter, prejudice, or affect the exemptions and privileges granted by the said recited Act, passed in the fourth year of the reign of Her present Majesty, nor in anywise prejudice or affect the privilege which officers, seamen, and soldiers employed in Her Majesty's service now by law enjoy of sending and receiving letters by the post, subject to the regulations and restrictions in respect of the same.

5. That the term "East Indies," used in this Warrant, shall be construed to mean every port in Her Majesty's dominions in Asia (China, the Mauritius, Java, Borneo, and Australia excepted), and the several other terms and expressions used in this Warrant shall be construed to have the like meaning in all respects, as they would have had if inserted in the said Act passed in the fourth year of the reign of Her present Majesty.

6. That so much of the said recited Warrant of the 19th day of September, 1855, as relates to or affects letters transmitted by the post direct by British packet boat between any port in the Cape of Good Hope, Natal, Saint Helena, Ascension, or the Mauritius, and any port in the East Indies, China, or Australia, or between any port in Australia and any port in the East Indies or China (not in any such cases passing through the United Kingdom) is hereby repealed.

7. That this Warrant shall come into operation on the first day of September, one thousand eight hundred and sixty-five.

8. That it shall be lawful for the Commissioners for the time being of Her Majesty's Treasury, or any two of them, by Warrant under their hands, at any time hereafter, to alter or repeal any of the rates hereby altered, or the regulations hereby made, and to make and establish any new or other rates or regulations in lieu thereof, and from time to time to appoint at what time the rates that may be payable are to be paid.

Whitehall, Treasury-chambers, the first day of June, one thousand eight hundred and sixty-five.
