

"Inspector" shall include any Inspector appointed or to be appointed as aforesaid by the said Clerk of Her Majesty's Privy Council, or appointed under this Order, or under any of the said revoked Orders.

4. Whenever the Local Authority, as hereinafter defined, shall be satisfied of the existence of the said disorder in, or have reason to apprehend its approach to, the district over which his or their jurisdiction extends, it shall be lawful for such Local Authority, if he or they shall think fit, from time to time to appoint one or more Veterinary Surgeon or Surgeons, or other duly qualified person or persons, to be an Inspector or Inspectors, for the purpose of carrying into effect the rules and regulations made by this Order, within the district for which he or they shall have been appointed. And the same authority may, from time to time, revoke such appointment.

5. Subject to the powers herein reserved to the Clerk of Her Majesty's Privy Council, the Local Authority within the City of London, and the liberties thereof, shall be the Lord Mayor; in any municipal borough in England or Wales, the Mayor; in any Petty Sessional Division in England or Wales (exclusive, so far as relates to the jurisdiction of the Inspector, of so much of the said division as lies within the limits of a municipal borough for which an Inspector has been appointed), the Justices acting in and for such Petty Sessional Division. The Local Authority in any burgh or town in Scotland which is subject to the jurisdiction of a Provost or other Principal Magistrate, shall be the Provost or such Principal Magistrate; and, in any other place in Scotland not within the jurisdiction of such Provost or other Principal Magistrate, the Justices of the County in Sessions assembled.

6. Every Inspector shall from time to time report to the Local Authority by which he is appointed, the steps taken by him for carrying into effect the regulations prescribed by this Order; and the Local Authority shall certify, in such manner as may be directed by one of Her Majesty's Principal Secretaries of State, the number of days that such Inspector has actually been engaged in the performance of his duty, and the number of miles travelled by him while so engaged.

7. Every Inspector shall furnish the Lords of the Council with such information in regard to the said disorder, as their Lordships may, from time to time, require.

8. Every person having in his possession, or under his custody, any animal labouring under the said disorder, shall forthwith give notice thereof to the Inspector of the district within which such animal may be, or if no Inspector shall have been appointed for such district then to the Officers hereinafter named, according to the place where such animal may be; that is to say: within the Metropolitan Police District, to the said Clerk of the Privy Council; within the City of London and the liberties thereof, to the Lord Mayor; within any other borough, burgh, or town subject to the jurisdiction of a Mayor, Provost, or other Principal Magistrate, to such Mayor, Provost, or other Principal Magistrate; elsewhere in England, to the Clerk of the Justices acting in and for the Petty Sessional Division; and elsewhere in Scotland, to the Clerk of the Peace of the county.

9. Every Inspector shall have power, within the district for which he is appointed, to enter upon and inspect any premises or place in which any animal or animals which he suspects to be labouring under the said disorder may be found,

and to examine and inspect, whenever and wherever he may deem it necessary, any animal which he suspects to be labouring under the said disorder within such district.

10. Every Inspector shall have power within his district to cause to be cleansed and disinfected, in any manner which he may think proper, any premises in which animals labouring under the said disorder have been, or may be, and to cause to be disinfected, and if necessary destroyed, any fodder, manure, or refuse matter, which he may deem likely to propagate the said disorder. And every owner or occupier of such premises shall obey any order given by such Inspector for that purpose.

11. Every person having in his possession, or under his custody, any animal labouring under such disorder, shall keep such animal separate from all other animals, and no person shall send or bring to any fair or market, or expose for sale, or send or carry by any railway, or by any ship or vessel coastwise, or place upon, or drive along, any highway or the sides thereof, any such animal.

12. No person having in his possession or under his custody, any animal labouring under the said disorder, or which has been in the same shed or stable, or in the same herd or flock, or in contact with any animal labouring under the said disorder, shall remove such animal alive from his land or premises, without the licence of an Inspector, or if no Inspector has been appointed for the district within which such animal may be, without the licence of a Justice of the Peace acting in and for the jurisdiction within which such animal may be; provided that such licence shall be in writing, and shall only permit the removal of such animal to some place where it can be conveniently kept apart from all other animals until such Inspector or Justice is satisfied that there is no reasonable probability of such animal propagating the said disorder.

13. No person shall place, or keep, any animal labouring under the said disorder in any common or unenclosed land, or, if the animal be in a district for which an Inspector has been appointed, in any field or pasture, where, in the judgment of the Inspector, such animal may be likely to propagate the said disorder.

14. Every Inspector shall have power within his district to direct that any animal labouring under the said disorder, or which he suspects to be labouring under the said disorder, shall be kept separate from animals free from the said disorder. And every person having such animal in his possession, or under his custody, shall obey any direction given by such Inspector for that purpose. And where the person having such animal in his possession, or under his custody, shall disobey such direction given by such Inspector, then, and in such case, and such case only, shall such Inspector have power to seize and slaughter, or to cause to be seized and slaughtered, such animal.

15. All animals having died of the said disorder, or having been slaughtered on account thereof, shall be buried as soon as practicable, in any convenient place, with their skins, and with a sufficient quantity of quick-lime or other disinfectant, and shall be covered with at least five feet of earth, or shall, in districts for which an Inspector has been appointed, be otherwise disposed of, with the consent of the owner, in manner directed by the Inspector, and the Inspector shall have power to cause the carcase to be disinfected when necessary previous to the burial or other disposal thereof.

16. Whenever any local authority, as hereinafter defined, declares, by notice published in
