FRIDAY, DECEMBER 29, 1865.

**A**T the Court at *Osborne House, Isle of Wight*, the 28th day of *December*, 1865.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS by The Navy and Marines (Property of Deceased) Act, 1865, it is enacted (among other things), that Her Majesty in Council may from time to time make such Orders in Council as seem meet for the better execution of any of the purposes of that Act, and that the said Act shall commence on such day not later than the first day of January, one thousand eight hundred and sixty-six, as Her Majesty in Council thinks fit to direct :

Now, therefore, Her Majesty, by virtue of the powers in this behalf by the said Act or otherwise in Her vested, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows :—

*Preliminary.*

1. The said Act and this Order shall commence from and immediately after the thirty-first day of December, one thousand eight hundred and sixty-five.

2. In this Order —

The term "naval assets" includes all property affected by The Navy and Marines (Property of Deceased) Act, 1865 :

The term "will," includes codicil :

The term "probate," includes letters of administration with will annexed :

Other terms have the same respective meanings as in the said Act.

**I.—WILLS OF SEAMEN AND MARINES.**

*Deposit of Will in Testator's Lifetime.*

3. In the office of the Inspector of Seamen's Wills (hereafter in this Order called the Inspector) there shall be a Repository for wills of seamen and marines.

4. The will of a seaman or marine intended to pass naval assets may, as soon as practicable after its execution, be sent to the Secretary of the Admiralty to be examined by the Inspector.

5. On receipt of any instrument purporting to be such a will, the Inspector shall register it in books kept in his office for the purpose, specifying the date and place of execution, the name and

description of the testator, the name, description, and address of the person appointed executor, and those of the attesting witnesses.

6. If the instrument appears to the Inspector invalid as a will on account of any informality or of non-accordance in any respect with The Navy and Marines (Wills) Act, 1865, or otherwise, he shall, as soon as may be, return it to the intending testator, with a statement in writing of the objection to its validity, and of the mode in which the objection may be removed.

7. If the instrument does not appear to the Inspector invalid as a will, he shall cause it to be stamped with the official stamp of the Admiralty, and to be placed in the repository for wills of seamen and marines, under official seal, and shall issue a receipt for it to the testator, specifying the matters required to be registered as aforesaid.

8. With reference to every such will, the Inspector shall also proceed as follows :—

(1.) He shall, with all convenient speed, issue to the person appointed executor, if any, a cheque of the will, not giving any information respecting the testator's disposition of his property, but containing directions as to the steps to be taken on the testator's death.

(2.) If there is not any person appointed executor, then, with the assent of the testator, either implied by the mode of transmission of the will to the Admiralty Office or expressed, but not otherwise, he shall, with all convenient speed, issue to the residuary or the universal legatee, or other person most beneficially interested under the will, a cheque in lieu of the will, containing directions as to the steps to be taken on the testator's death.

(3.) If in any such last-mentioned case, by reason of the absence of such assent, a cheque is not issued in the testator's lifetime, then he shall, with all convenient speed, after the testator's death, issue to the residuary, or the universal legatee or other person most beneficially interested under the will, a cheque in lieu of the will, containing directions as to the steps to be taken in consequence of the testator's death.

*Deposit of Will after Testator's Death.*

9. On the death of a seaman or marine leaving a will, if the will is not already deposited with the Inspector, it shall be forthwith sent to the Secretary of the Admiralty by the executor or other

person having possession of it, to be examined by the Inspector.

10. On receipt of any instrument purporting to be such a will, the Inspector shall register it in books kept in his office for the purpose, specifying the date and place of execution, the name and description of the testator, and the name, description, and address of the person appointed executor, and those of the attesting witnesses.

11. If the Inspector doubts the authenticity of the alleged will, or if the instrument appears to him invalid as a will on account of any informality or of non-accordance in any respect with The Navy and Marines (Wills) Act, 1865, or otherwise, he shall, as soon as may be, give notice in writing to the person appointed executor, or, if none, to the residuary or the universal legatee or other person most beneficially interested under the alleged will, informing him that the alleged will is stopped, and stating the reason thereof.

12. If the Inspector does not doubt the authenticity of the will, and the instrument does not appear to him invalid as a will, he shall cause it to be stamped with the official stamp of the Admiralty, and shall issue to the person appointed executor, or, if none, to the residuary or the universal legatee or other person most beneficially interested under the will, a cheque in lieu of the will, containing directions as to the steps to be taken in consequence of the testator's death.

#### *Proceedings on Testator's Death.*

13. Where a seaman or marine dies leaving a will, and a cheque has been issued in pursuance of the foregoing provisions, the following steps shall be taken (in cases where this course of proceeding is applicable) by and with respect to the holder of the cheque :—

- (1.) The officiating minister of the parish or district parish wherein the holder of the cheque resides shall on his request examine him and two inhabitant householders of the parish produced by him for the purpose.
- (2.) In the presence of the minister, the holder of the cheque shall sign the application, and the householders shall sign the certificate, subjoined to the cheque (all blanks being first filled up according to truth, and the minister having first read over to the holder of the cheque and householders, the caution printed on the cheque), for which purpose the holder of the cheque and householders shall attend at such time and place as the minister appoints.
- (3.) The minister being, on examination of the holder of the cheque and householders, satisfied of the truth of their statements, and of the holder of the cheque being the executor, or other person therein described as qualified to act, and of the persons certifying being inhabitant householders of the parish, and having seen the parties sign the application and certificate respectively, shall add a description of the height, complexion, colour of eyes and hair, and age of the holder of the cheque, and of any observable peculiarities of person about him, and shall certify to the several particulars by subscribing his signature thereto.
- (4.) The holder of the cheque shall, before signing the application, pay to the minister a fee of 2s. 6d. for his trouble in the matter.
- (5.) The application and certificates being completed the minister shall return them with the cheque addressed as directed.

14. If the Inspector, on the return of the cheque, application, and certificates, is satisfied of

the right of the claimant, he shall proceed as follows :—

- (1.) In case representation is required or intended to be taken out, he shall indorse on the original will, a certificate (in such form and to such effect as he thinks fit) to enable the claimant to take out representation, and shall deliver the will to the claimant; and probate obtained in accordance with the certificate, being produced to the Inspector and registered, and being indorsed by him as available for receipt of naval assets, shall be so available.
- (2.) In case representation is not required or intended to be taken out, the Inspector shall issue to the claimant a certificate, which shall be available for receipt of naval assets, without probate.

15. If the Inspector, on the return of the cheque, application, and certificates, is not satisfied of the right or fitness of the claimant, he may (by indorsement on the original will) certify to that effect, and that he declines to interfere; or, if he thinks fit, he may (by indorsement on the original will) certify his objections for the information of the Court out of which representation would be taken, and if the Court thinks fit to grant probate to the claimant, the same, being produced to the Inspector and registered, shall be indorsed by him as available for receipt of naval assets, and shall be so available accordingly.

16. If in any case the minister is not satisfied that the holder of the cheque is the person qualified to act according to the instructions therein, he shall forthwith advise the Admiralty of his reasons by letter addressed as directed.

17. Notwithstanding anything in the foregoing provisions, where probate, or, in Scotland, confirmation of executor, in case of testacy, is obtained without the Inspector's certificate, and naval assets form part of the effects, the Inspector, if satisfied on subsequent investigation, from official or other information, that there is no reason to doubt that representation has been obtained by the proper person, may admit the probate or confirmation of executor as authority for receipt of naval assets by indorsement thereon, and the same shall be available accordingly.

#### II.—INTESTACIES OF SEAMEN AND MARINES.

18. Where a seaman or marine dies intestate leaving naval assets, the following proceedings shall be taken :—

- (1.) On receipt by the Inspector of a letter from a person claiming the naval assets (as widow or next of kin) of the deceased, the Inspector shall, if, after the requisite preliminary inquiries, there appear sufficient grounds for entertaining the claim, send by post, under cover to the officiating minister of the parish or district parish wherein the claimant resides, a form of application to be filled up, and a letter of instructions for the minister's guidance.
- (2.) The Inspector shall at the same time send to the claimant a letter advising her or him of the transmission to the minister of the form of application, and pointing out the steps to be taken by the claimant for substantiating the claim.
- (3.) After the minister's receipt of the form he shall, on the request of the claimant, examine her or him and two inhabitant householders of the parish produced by her or him for the purpose.

(4.) In the presence of the minister the claimant shall sign the application and the householders shall sign the certificate subjoined thereto, (all blanks being first filled up according to truth, and the minister having first read over to the claimant and householders the caution printed on the form of application), for which purpose the claimant and householders shall attend at such time and place as the minister appoints.

(5.) The minister being, on examination of the claimant and householders, satisfied of the truth of their statements, and of the persons certifying being inhabitant householders of the parish, and having seen the parties sign the application and certificate respectively, shall add a description of the height, complexion, colour of eyes and hair, and age of the claimant, and of any observable peculiarities of person about her or him, and shall certify to the several particulars by subscribing his signature thereto.

(6.) The claimant shall, before signing the application, pay to the minister a fee of 2s. 6d. for his trouble in the matter.

(7.) The application and certificates being completed the minister shall return them addressed as directed.

19. If the Inspector, on the return of the application and certificates, is satisfied of the right of the claimant he shall proceed as follows:—

(1.) In case representation is required or intended to be taken out, he shall issue to the claimant a certificate (in such form and to such effect as the Inspector thinks fit) to enable the claimant to take out representation; and letters of administration obtained in accordance with the certificate being produced to the Inspector and registered, and being indorsed by him as available for receipt of naval assets, shall be so available.

(2.) In case representation is not required or intended to be taken out, the Inspector shall issue to the claimant a certificate, which shall be available for receipt of naval assets, without administration.

20. If the Inspector, on the return of the application and certificates, is not satisfied of the right or fitness of the claimant, he may certify to that effect, and that he declines to interfere; or if he thinks fit he may certify his objection for the information of the Court out of which letters of administration or confirmation of executor-dative would be taken, and if the Court thinks fit to grant such letters or confirmation to the claimant, the same, being produced to the Inspector and registered, shall be indorsed by him as available for receipt of naval assets, and shall be so available accordingly.

21. If, in any case within two calendar months from the minister's receipt of the form, a request for examination is not made to him by the claimant, or effectual steps are not taken by the claimant to complete the application, the minister shall, at the expiration of those two months, return the form, addressed as directed, with his reason for doing so noted thereon.

22. If in any case the minister rejects any claim for want of satisfactory proof he shall state his reason for such rejection on the form, and forthwith return it addressed as directed.

23. Notwithstanding anything in the foregoing provisions, where letters of administration have, or in Scotland, confirmation of executor (on intestacy) has, been obtained without the Inspector's certificate, and naval assets form part of the

effects, the Inspector, if satisfied on subsequent investigation, from official or other information, that there is no reason to doubt that representation has been obtained by the proper person, may admit the letters of administration or confirmation of executor as authority for receipt of naval assets by indorsement thereon, and the same shall be available accordingly.

### III.—OFFICERS, PENSIONERS, CIVIL SERVANTS, AND OTHERS.

24. Where an officer or any person described in section 4 of The Navy and Marines (Property of Deceased) Act, 1865, dies, testate or intestate, leaving naval assets not exceeding 100%, and representation is not required or intended to be taken out in England, the Inspector, after making such preliminary inquiries as seem to him requisite, shall proceed as follows:—

(1.) He may (if he thinks fit) require the form of application to be certified by an officiating minister and two householders, as prescribed in this Order in the case of a seaman or marine; or else—

(2.) He may (if he thinks fit) require a statutory declaration by the claimant, suited to the circumstances of the case, and a certificate from two householders, certifying to the claimant's identity, and to their belief in the truth of the statement declared to; or—

(3.) He may, in any case where the foregoing provisions do not apply, accept such other evidence in support of the claim as seems to him sufficient.

25. On the return to the Inspector of the application or statutory declaration (as the case may be) and the certificate of the householders, or after such other investigation as he thinks fit under the authority of the last foregoing provision of this Order to substitute, and, where there is a will, on the production to him thereof, then, if he is satisfied of the right of the claimant, he shall issue to the claimant a certificate which shall be available for receipt of naval assets, without probate or administration.

26. Where, however, representation is taken out in any Court other than the Court of Probate in England, the Inspector may, instead of issuing any certificate, admit the letters of administration, probate, or other equivalent instrument as authority for receipt of naval assets by indorsement thereon, and the same shall be available accordingly without the seal of the Court of Probate in England.

27. In every such case the provisions of the Navy and Marines (Property of Deceased) Act, 1865, with respect to the payment of debts out of the residue, shall apply, *mutatis mutandis*, except that on the claim of a creditor not being entertained or allowed, the creditor may take out representation.

### IV.—INTESTACY, GENERALLY.

28. Notwithstanding anything in this Order the Inspector shall not in any case of intestacy (except in cases exempted by a general order of the Admiralty from the operation of the present clause) issue a certificate available for receipt of naval assets without administration, until after the expiration of three calendar months from the receipt by the Admiralty of notice of the intestate's death, unless in special circumstances it appears to the Inspector safe and proper to issue his certificate at an earlier time.

V.—SPECIAL DISPOSAL OF RESIDUE BY ADMIRALTY.

29. With respect to any case provided for by paragraph (3) of section 8 of The Navy and Marines (Property of Deceased) Act, 1865, the ground of the non-applicability of paragraphs (1) and (2) of that section being the absence of proof of the death of some person, proof of whose death is requisite to make those paragraphs applicable, then and in every such case, if it appears to the Inspector that those paragraphs would have been applicable but for the desertion or misconduct of the person, proof of whose death is wanting, the Inspector shall proceed as if the death of that person were proved.

VI.—BASTARDS.

30. Where a person, subject to the Navy and Marines (Property of Deceased) Act, 1865, dies intestate, being a bastard, and not leaving a widow or children or descendants, and leaving naval assets, the following provisions shall have effect:—

(1.) Where the naval assets exceed 10*l.*, no petition to Her Majesty for a grant shall be entertained by the Lords Commissioners of Her Majesty's Treasury, unless and until the Inspector has investigated the facts of the case in such manner as seems to him expedient, and has certified for the information of the said Lords Commissioners the result of his investigation.

(2.) Where the naval assets do not exceed 10*l.*, it shall not be necessary that a grant from Her Majesty be obtained, but the Inspector may issue a certificate authorizing payment of the naval assets to the person who would (in the judgment of the Inspector), according to the practice observed by the Lords Commissioners of Her Majesty's Treasury, obtain a grant if the naval assets exceeded 10*l.*

VII.—GENERAL PROVISIONS.

31. Notwithstanding anything in this Order, the Inspector may make such investigations as seem to him expedient into any statements submitted to him and into the facts and circumstances of the case,—in any case whatever, in addition to the investigations prescribed by this Order,—and in any case where the provisions of his Order are not applicable, or the naval assets do not exceed 10*l.*, in substitution for the investigations prescribed by this Order, or any of them.

32. The Provisions of this Order shall have effect without prejudice to the rules and practice for the time being in force and observed under "The Navy and Marines (Property of Deceased) Act, 1865," with respect to the discharge of the claims of creditors.

VIII.—MEDALS AND DECORATIONS.

33. Any medal or decoration to which an officer, seaman, or marine is entitled, but which is not issued at the time of his death, shall be issued in favour of his—

- (1.) Wife;
  - (2.) Father or mother;
  - (3.) Son or daughter
  - (4.) Brother or sister
- } according to seniority;

and not in favour of any other person, except under the special directions of the Admiralty.

34. Any medal or decoration belonging to an officer, seaman, or marine, issued before his death shall, on coming into the custody of the Admiralty,

be delivered to his representative, unless representation has been taken out by a creditor as such, in which case it shall be disposed of as if it had not been issued.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

Arthur Helps,

At the Council Chamber, Whitehall, the 16th day of December, 1865.

By the Lords of Her Majesty's Most Honourable Privy Council.

PRESENT:

Lord President.

Duke of Somerset.

Sir George Grey, Bart.

Mr. Milner Gibson.

WHEREAS by an Act passed in the session of the eleventh and twelfth years of Her present Majesty's reign, intituled "An Act to prevent until the 1st day of September, 1850, and to the end of the then next session of Parliament, the spreading of contagious or infectious disorders among sheep, cattle, and other animals," which Act has since been from time to time continued by divers subsequent Acts, and lastly by an Act passed in the session of the twenty-eighth and twenty-ninth years of Her present Majesty, it is (amongst other things) enacted that it shall be lawful for the Lords and others of Her Majesty's Privy Council, or any two or more of them, from time to time to make such orders and regulations as to them may seem necessary for the purpose of prohibiting or regulating the removal to, or from, such parts or places as they may designate in such Order or Orders of sheep, cattle, horses, swine, or other animals, or of meaty skins, hides, horns, hoofs, or other parts of any animals, and to make any other orders or regulations for the purpose of giving effect to the provisions of the said Act, and again to revoke, alter, or vary any such orders or regulations; and that all provisions for any of the purposes aforesaid in any such Order or Orders contained, shall have the like force and effect as if the same had been inserted in the said Act; and that all persons offending against the same shall for each and every offence forfeit and pay any sum not exceeding twenty pounds, or such smaller sum as the said Lords or others of Her Majesty's Privy Council may in any case by such Order direct:

And whereas a contagious or infectious disorder now prevails among cattle within that part of the United Kingdom called Great Britain, which disorder is generally designated as the "cattle plague,"

And whereas with a view to check the spreading of the said disorder, an Order dated the 23rd of November, 1865, has been made under the authority of the said Acts by the Lords of Her Majesty's Privy Council, consolidating and amending certain Orders previously made for that purpose:

And whereas it is expedient to alter and amend the said Order of the 23rd of November, 1865: Now, therefore, the Lords of Her Majesty's Privy Council do hereby, in exercise of the powers given by the said Act, so continued as aforesaid order as follows:—

1. So much of the said Order, dated the 23rd of November, 1865, as defines the local authority in Great Britain, is hereby revoked.

2. Subject to the powers reserved by the Order of the 23rd of November to the Clerk of Her Majesty's Privy Council, the local authority within the city of London, and the liberties thereof, shall be the Lord Mayor; in every borough in England or Wales which is within the provisions of the Municipal Corporation Act, the Mayor; in every county, riding, or division of a county, or liberty, having a separate Court of Quarter Sessions of the Peace in England or Wales, the Justices of the Peace for the said county, riding, or division of a county, or liberty, in General or Quarter Sessions assembled: Provided that no county of a city, or county of a town, or borough, which is within the provisions of the Municipal Corporations Act, shall be deemed for the purposes of this Order part of a county, riding, division, or liberty. The local authority in every burgh or town in Scotland having a Town Council shall be the Provost or other principal magistrate, and in any other place in Scotland the Justices of the county in sessions assembled.

3. All appointments made, notices given, and other acts done by any local authority under and by virtue of the said Order of the 23rd of November, 1865, or the Orders thereby revoked, shall be valid and effectual until altered, varied, or revoked by the local authority hereby constituted, and such local authority shall have and exercise all the powers given by the said Order of the 23rd of November, 1865, to the local authority therein described.

4. Whenever any local authority declares, by notice published in any newspaper circulating within its jurisdiction, that it is expedient for a time to be specified in such notice, that no cow, heifer, bull, bullock, ox, or calf shall, except under such conditions as such local authority shall think fit to impose with a view to prevent the spreading of the said disorder, be removed from any particular part of the jurisdiction of such local authority to any other part of such jurisdiction, or from any place or places within such jurisdiction, to be specified in such notice, to any other such place or places also to be so specified, or from place to place generally within such jurisdiction, or within any specified part thereof; then it shall not be lawful for any person to remove any such animal in contravention of such notice: provided always, that nothing contained in this clause of this Order shall make it unlawful for any person to send or carry any such animal by railway through or out of such jurisdiction, or to send or carry any such animal if brought by sea from any place out of Great Britain into such jurisdiction, to the nearest convenient railway station, for the purpose of carrying it through or out of such jurisdiction.

5. Any local authority may from time to time revoke, alter, or vary, all or any part of any notices published or to be published by him or them, or any previous local authority within his or their jurisdiction, under the powers given under this or any former Order, either absolutely, or under such conditions as to such local authority may seem proper, by a further notice to be pub-

lished in the same manner as such notice is required to be published.

6. The notice required by Section 8 of the Order of the 23rd of November, 1865, to be given in England to the Clerk of the Justices acting in and for a petty sessional division of a county, shall hereafter be given to the Clerk of the Peace of such county.

7. This Order shall be in force from the 3rd day of January next until the 1st day of March next, and no longer, unless continued by some further Order.

8. Every person offending against this Order shall, in pursuance of the said Act, for every such offence forfeit any sum not exceeding twenty pounds which the Justices before whom he or she shall be convicted of such offence may think fit to impose.

*Arthur Helps*

chapter 96, for the regulation of the duties of postage, power is given to the Commissioners of Her Majesty's Treasury, from time to time, by Warrant under their hands, to alter and fix any of the rates of British postage or Inland postage payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid.

And whereas further powers are given to the Commissioners of Her Majesty's Treasury, by another Act, made and passed in the session of Parliament holden in the tenth and eleventh years of the reign of Her Majesty, chapter 85, for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post-Office.

26. In all cases in which any question shall hereinafter arise whether any packet, or anything contained therein, transmitted under or by virtue of this Warrant, is entitled to the privileges of this Warrant, and to be so transmitted within the intent and meaning thereof, such question shall be referred to the determination of the Postmaster General, whose decision thereupon shall be final and conclusive on all parties.

Inland Revenue, Somerset House,  
London, December 28, 1865.

PROCLAMATION by his Excellency Sir Philip Edmond Wodehouse, Knight Commander of the Most Honourable Order of the Bath, Governor and Commander-in-Chief of Her Majesty's Colony of the Cape of Good Hope, in South Africa, and of the Territories and Dependencies thereof, and Vice-Admiral of the same, and Her Majesty's High Commissioner, &c., &c., &c.

WHEREAS it appears by the latest accounts received from Europe, that a most malignant and destructive disease has broken out in England amongst sheep, which disease, being either identical with, or of the same nature as, the disease amongst horned cattle referred to in the Act No. 18, 1865, entitled "An Act to prevent the introduction into this Colony of Malignant Diseases affecting Horned Cattle," was spreading

rapidly: And whereas the introduction of the said disease amongst the sheep of this Colony would be attended with such disastrous consequences to all classes of the community, that it becomes imperatively necessary, for the public safety, to prohibit, for the present, the landing at any port or place in this Colony of any sheep arriving there from Europe: Now, therefore, I do hereby proclaim, declare, and make known the several matters following; that is to say:—

1. No Officer of Customs at any port or place in this Colony shall permit an entry inwards to be passed for any sheep which shall arrive there from any port or place in Europe:

2. The Government of this Colony will indemnify from and out of the public revenue the owner of any such sheep as aforesaid, not actually suffering from the disease aforesaid, which sheep shall have been shipped for this Colony before the publication of this Proclamation in the London Gazette; the said indemnity to be estimated according to the rule laid down in the 4th section of the Act aforesaid, No. 18, 1865, in regard to horned cattle.

4. In the event of any sheep, not entered at the Customs, being landed in contravention of the Customs laws in that behalf, any person giving such information as shall lead to the discovery of the animal or animals so unlawfully landed, and to the conviction of the persons in that behalf offending, will be rewarded.

It shall be the duty of the Port Captain, Harbour Master, or other Officer of Government, who shall first board any ship or vessel arriving at any of the ports in this Colony from any place in Europe, to ask the master of such ship or vessel whether he has any sheep on board; and should the said master reply in the affirmative, the Port Captain, Harbour Master, or other officer, shall inform the said master of this Proclamation, and deliver to him a copy of the same:

GOD save the QUEEN.
