AT the Court at *Osborne House, Isle of Wight*,
the 28th day of *December*, 1865.

PRESENT,

The **QUEEN'S** Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the eighth and ninth years of Her Majesty, chapter seventy, of the Act of the fourteenth and fifteenth years of Her Majesty, chapter ninety-seven, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five, duly prepared and laid before Her Majesty in Council a representation, bearing date the ninth day of November, in the year one thousand eight hundred and sixty-five, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eighth and ninth years of your Majesty, chapter seventy, of the Act of the fourteenth and fifteenth years of your Majesty, chapter ninety-seven, and of the Act of the nineteenth and twentieth years of your Majesty, chapter fifty-five, have prepared and now humbly lay before your Majesty in Council the following representation as to the assignment of a consolidated chapelry to the consecrated church of Saint Mark, situate within the limits of the particular district of Christchurch, Preston, sometime part of the parish of Preston, in the county of Lancaster, and in the diocese of Manchester.

"Whereas at certain extremities of the said particular district of Christ Church, Preston, and of the district chapelry of Saint Peter, Preston, also sometime part of the parish of Preston aforesaid, which lie contiguous one to another, and are described in the schedule hereunder written, there is collected together a population which is situate at a distance from the several churches of such particular district and district chapelry respectively.

"And whereas it appears to us to be expedient that such contiguous portions of the said particular district of Christ Church, Preston, and of the said district chapelry of Saint Peter, Preston, should be formed into a consolidated chapelry for all ecclesiastical purposes, and that the same should be assigned to the said church of Saint Mark, situate within the limits of such particular district as aforesaid.

"And whereas by an instrument, bearing date on or about the eleventh day of October, in the year one thousand eight hundred and thirty-six, under the hand and seal of the then Bishop of Chester, in whose diocese the church of the said particular district of Christ Church, Preston, was then situate, it was declared that the right of presentation and appointment to such church should thenceforth belong to, and be exercised jointly by, the Bishop of the said diocese of Chester for the time being, the Chancellor of the same diocese for the time being, the Reverend Roger Carus Wilson, Clerk, Master of Arts, George Horrocks, of Preston, Gentleman, and John Bairstow, of Preston, Esquire, as trustees, and to and by such other trustee or trustees as should from time to time be chosen in the place of either of the three last-named persons or of their successors.

"And whereas the three present trustees (other than the Bishop of the said diocese of Chester for the time being, and the Chancellor of the same diocese as aforesaid), who have been chosen and appointed subject to the provisions of the said instrument, are the said John Bairstow, the Reverend Charles Hesketh, the Rector of the parish of North Meols, in the said county of Lancaster, and the Reverend William Carus, Canon Residentiary of the cathedral church of Winchester.

"Now, therefore, with the consent of the Right Reverend James Prince, Bishop of the said diocese of Manchester, as such bishop; with the consents of the Right Reverend William, Bishop of the said diocese of Chester; of the Reverend Charles Augustus Thurlow, Chancellor of the same diocese of Chester; of the said John Bairstow; of the said Charles Hesketh; and of the said William Carus, the present patrons of the perpetual curacy of the particular district of Christ Church, Preston, as aforesaid; and with the consent of the Reverend John Owen Parr, the vicar or incumbent of the vicarage of the said parish of Preston, and as such the patron of the perpetual curacy of the district chapelry of Saint Peter, Preston aforesaid (in testimony whereof they have respectively signed and sealed this representation), we humbly represent that it would, in our opinion, be expedient that all those contiguous portions of the said particular district of Christ Church, Preston, and of the said district chapelry of Saint Peter, Preston, which are described in the schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the map

or plan hereunto annexed, should be united and formed into one consolidated chapelry for the said church of Saint Mark, situate within the limits of such particular district as aforesaid, and that the same should be named 'The Consolidated Chapelry of Saint Mark, Preston,' and that the right of presentation and appointment to the church of such consolidated chapelry should belong to and be exercised alternately by the vicar or incumbent for the time being of the vicarage of the parish of Preston aforesaid, and to and by the patrons jointly for the time being of the perpetual curacy of the particular district of Christ Church, Preston aforesaid; and that for the first turn, such right of presentation and appointment should belong to and be exercised by the said vicar or incumbent for the time being of the parish of Preston aforesaid.

"We, therefore, humbly pray that your Majesty will be graciously pleased to take the premises into your Royal consideration, and to make such Order in respect thereto as to your Majesty, in your Royal wisdom, shall seem meet.

The SCHEDULE to which the foregoing Representation has reference.

"The Consolidated Chapelry of Saint Mark, Preston, being:—

"All that portion of the particular district of Christ Church, Preston, some time part of the parish of Preston, in the county of Lancaster, and in the diocese of Manchester, which is situate to the north of an imaginary line commencing upon the boundary which divides the said particular district from the district chapelry of Saint Peter, Preston, also some time part of the said parish of Preston, at a point in the centre of the bridge over the Lancaster canal called 'Worsted Bridge,' and opposite to the middle of the north-eastern end of Bridge-lane; and extending thence south-westward to and along the middle of the said lane to its junction with Marsh-lane, and continuing thence still south-westward along the middle of the last-named lane to its western extremity; and extending thence in a direct line due west, to the boundary in the middle of the River Ribble, which divides the said particular district of Christ Church, Preston, from the parish of Penwortham, in the county and diocese aforesaid.

And also all that portion of the said district chapelry of Saint Peter, Preston, which is situate to the south-west of an imaginary line, commencing upon the boundary dividing the said district chapelry from the particular district of Christ Church, Preston as aforesaid, at a point in the middle of Leighton-street; and extending thence north-westward along the middle of such street to its junction with the road or street called Maudland Bank; and continuing thence still north-westward along the middle of the last-named road or street, to its junction with Fylde-road; and extending thence eastward along the middle of the said road, as far as a point in the centre of Moss Bridge, which carries such road over the Lancaster Canal aforesaid; and extending thence north-westward along the middle of the said canal as far as the boundary which divides the said district chapelry from the particular district of Saint Andrew, Ashton-upon-Ribble, sometime part of the said parish of Preston."

"And whereas the said representation has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said representation, and to order and direct that the same

and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Manchester.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, sections six and eight, duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirtieth day of November, in the year one thousand eight hundred and sixty-five, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of your Majesty, chapter thirty-seven, sections six and eight, have prepared, and now humbly lay before your Majesty in Council, the following scheme for authorizing the sale and disposal of certain property formerly belonging to the chancellorship and second residentiary canonry, with the prebends of Weeford and Alrewas annexed, in the cathedral church of Lichfield, and now vested in us.

"Whereas on the vacancy of the said chancellorship, canonry, and prebends, which occurred on or about the thirteenth day of August, in the year one thousand eight hundred and fifty-five, by the death of the Venerable George Hodson, Archdeacon of Stafford, the then Chancellor and holder of the said canonry and prebends, all the lands, tithes, and other hereditaments theretofore belonging to the said dignities or offices (excepting rights of patronage, and excepting, also, certain hereditaments which had formerly belonged specifically to the said prebend of Alrewas, and which had previously become vested in us by virtue of an Order of your Majesty in Council, bearing date the eighth day of June, in the year one thousand eight hundred and fifty-four, and duly published in the London Gazette of the succeeding day), became, by virtue of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, absolutely vested in us for the purposes, and subject to the provisions, applicable to other hereditaments vested in us.

"And whereas some portions of the lands, tithes, and hereditaments so vested in us by the vacation aforesaid, are subject to beneficial leases for years, and produce during the subsistence of such leases only a small annual revenue, and on that account, and in some instances on account of the character or situation of the property, are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

"And whereas by an Act of the twenty-third and twenty-fourth years of Your Majesty, chapter one hundred and twenty-four, power is given to lessees holding under us, in the event of our declining to enter into a treaty for the sale of our reversions, or the purchase of the leasehold interests, to require us to purchase such leasehold interests at a valuation.

"And whereas, with a view to the advantageous appropriation of the said lands, tithes, and hereditaments so vested in us by the vacation aforesaid, or of the proceeds thereof for the ultimate improvement of our Common Fund, it is expedient that the same, or such parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to dispose of our interest in such lands, tithes, and hereditaments, or in any part or parts thereof, in such manner as shall appear to us advisable.

"Now, therefore, we humbly recommend and propose, that we may be authorized and empowered, by instrument or instruments in writing, duly executed according to law, from time to time to sell or dispose of, and duly to convey, according to the provisions of the said Act of the sixth and seventh years of your Majesty's reign, with the consent of the respective holders (if any), to be testified by their being made parties to such instruments, all or any of the said lands, tithes, and hereditaments heretofore belonging to the said chancellorship and canonry and to the said prebend of Weeford, or to either of the said offices or dignities, and vested in us by the vacation aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall, upon due calculation and inquiry, appear to us to be just and reasonable.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Lichfield.

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the fifty-ninth year of His Majesty, King George the Third, chapter one hundred and thirty-four; of the Act of the second and third years of your Majesty, chapter forty-nine; and of the Act of the nineteenth and twentieth years of your Majesty, chapter fifty-five; have prepared, and now humbly lay before your Majesty in Council, the following representation as to the assignment of a district chapelry to the consecrated church of Saint David, situate within the limits of the new parish of Saint Luke, Birmingham, in the county of Warwick, and in the diocese of Worcester.

"Whereas it appears to us to be expedient that a district chapelry should be assigned to the said church of Saint David, situate within the limits of the new parish of Saint Luke, Birmingham aforesaid.

"Now therefore, with the consent of the Right Reverend Henry, Bishop of the said diocese of Worcester (testified by his having signed and sealed this representation), we humbly represent that it would, in our opinion, be expedient that all that part of the said new parish of Saint Luke, Birmingham, which is described in the schedule hereunder written, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto annexed, should be assigned to the said church of Saint David, situate within the limits of such new parish as aforesaid, and that the same should be named 'The District Chapelry of Saint David, Birmingham.'

"And with the like consent of the said Henry, Bishop of the said diocese of Worcester (testified as aforesaid), we further represent, that it appears to us to be expedient that banns of matrimony should be published, and that marriages, baptisms, and churchings, should be solemnized or performed at such church, and that the fees to be received in respect of the publication of such banns and of the solemnization or performance of the said offices should be paid and belong to the minister of the same church for the time being.

"We, therefore, humbly pray, that your Majesty will be graciously pleased to take the premises into your Royal consideration, and to make such Order with respect thereto as to your Majesty, in your Royal wisdom, shall seem meet.

The SCHEDULE to which the foregoing Representation has reference.

"The District Chapelry of Saint David, Birmingham, being:—

"All that part of the new parish of Saint Luke, Birmingham, in the county of Warwick, and in

the diocese of Worcester, which is situate to the south of an imaginary line commencing upon the boundary which divides such new parish from the parish of Saint Martin, Birmingham, in the same county and diocese, at the point where Dean-street is intersected by Bromsgrove-street, and extending thence south-westward along the middle of the last named street (following thereby in part the said boundary), as far as a point opposite to the middle of the north-western end of Gooch-street, and which said part of the new parish of Saint Luke, Birmingham aforesaid, is also situate to the east of another imaginary line commencing at the last-mentioned point in the middle of Bromsgrove-street aforesaid, opposite to the middle of the north-western end of Gooch-street aforesaid, and extending thence south-eastward to and along the middle of the last named street, as far as the boundary (near to the south-western end of Vaughton-street South), which divides the said new parish of Saint Luke, Birmingham, from the parish of Edgbaston, in the same county and diocese."

And whereas the said representation has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Worcester.

AT the Court at *Osborne House, Isle of Wight*, the 28th day of *December*, 1865.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen; of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven; and of the Act of the twenty-third and twenty-fourth years of Her Majesty, chapter one hundred and twenty-four; duly prepared and laid before Her Majesty in Council a scheme, bearing date the seventh day of December, in the year one thousand eight hundred and sixty-five, in the words following; that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen; of the Act of the sixth and seventh years of your Majesty, chapter thirty-seven; and of the Act of the twenty-third and twenty-fourth years of your Majesty, chapter one hundred and twenty-four; have prepared, and now humbly lay before your Majesty in Council, the following scheme for constituting a separate district, for spiritual purposes, out of the parish of Penshaw, some time part of the parish of Houghton-le-Spring, in the county of Durham and in the diocese of Durham.

"Whereas it has been made to appear to us that it would promote the interests of religion that

the particular portion of the said parish of Penshaw which is hereinafter mentioned and described (such portion not at present containing within its limits any consecrated church or chapel in use for the purposes of Divine worship) should be constituted a separate district in the manner hereinafter set forth.

"And whereas certain hereditaments and premises situate within the said parish of Houghton-le-Spring have become vested in us under the provisions of and for the purposes of the herein-mentioned Acts.

"Now, therefore, with the consent of the Right Reverend Charles, Bishop of the said diocese of Durham (in testimony whereof he has signed and sealed this scheme), we humbly recommend and propose, that all that portion of the said parish of Penshaw which is described in the schedule hereunder written, and which is delineated and set forth on the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme, become and be constituted a separate district, for spiritual purposes, and that the same shall be named 'The District of Burnmoor.'

"And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the provisions of the herein secondly mentioned Act, the sum of one hundred and fifty pounds, and that so soon as a church shall have been erected within such district, and shall have been approved by us and consecrated as the church of such district, and for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the said last-mentioned Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the further sum of fifty pounds, making in the whole the sum of two hundred pounds, and that the said sums of one hundred and fifty pounds or two hundred pounds, as the case may be, shall be paid by equal half-yearly payments on the first day of May and the first day of November in each and every year, and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of the consecration of such church as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May, or the first day of November, the amount then next thereafter payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish; provided always, that if it shall appear to us to be expedient at any future time, that instead of the annual sum then in course of payment by us to the minister or perpetual curate of the said district or new parish, or instead of any part of such annual sum, any land, tithe, or other hereditament should be conveyed or secured to such minister or perpetual curate and his successors, nothing herein or in any other scheme contained shall prevent us from recommending and proposing such a substitution.

"And we further recommend and propose, that nothing herein contained shall prevent us from

recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

The SCHEDULE to which the foregoing Scheme has reference.

"The District of Burnmoor, being :—

"All that portion of the parish of Penshaw, some time part of the parish of Houghton-le-Spring, in the county of Durham, and in the diocese of Durham, which is comprised within, and is co-extensive with the limits of the contiguous townships of South Biddick and of Burnmoor otherwise called Bourn Moor."

And whereas a draft of the said scheme has, in accordance with the provisions of the said secondly mentioned Act, been transmitted to the incumbent and to the patron of the rectory of the said parish of Penshaw, out of which it is intended that the district therein recommended to be constituted shall be taken, and such incumbent and patron have respectively signified their assent thereto.

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, his pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Durham.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by an Act passed in the session of Parliament held in the sixteenth and seventeenth years of Her Majesty's reign, intitled "An Act to amend the laws concerning the burial of the dead in England, beyond the limits of the Metropolis, and to amend the Act concerning the burial of the dead in the Metropolis," it is enacted that, in case it appears to Her Majesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State, that for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-ground or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, to order that no new burial-ground shall be opened in any city or town, or within such limits, without such previous approval, or (as the case may require), that after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds

or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time, as circumstances may require; provided always, that notice of such representation, and of the time when it shall please Her Majesty to order that the same be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation is so considered; provided also that no such representation shall be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation shall have been given to the Incumbent and Vestry Clerk or Churchwardens of such parish;

TREASURY WARRANT.

WHEREAS by an Act of Parliament passed in the fourth year of the reign of Her Majesty, chapter 96, for the regulation of the duties of postage, certain scales of weight and rates of postage were fixed and made chargeable and payable upon, for, or in respect of letters, newspapers, Parliamentary proceedings, and printed papers transmitted and forwarded by the post, and various regulations were made for facilitating the transmission of such letters and papers by the post, and by the same Act powers were given to the Commissioners of Her Majesty's Treasury, from time to time, by Warrant under their hands, to alter and fix any of the rates of postage therein mentioned.

And whereas further powers were given to the Commissioners of Her Majesty's Treasury by another Act of Parliament, passed in the eleventh year of the reign of Her Majesty, chapter 85, for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post Office.

And whereas the Commissioners of Her Majesty's Treasury have from time to time, by divers Warrants in writing under their hands, in exercise of the powers reserved to them in and by the said hereinbefore recited Acts of Parliament, or either of them, and of all other powers enabling them in that behalf, fixed certain rates of postage, and made and established certain regulations, under and subject to which packets consisting of patterns or samples of merchandize, of no intrinsic value, may be transmitted by the post between the United Kingdom and certain of Her Majesty's colonies, and it is expedient that certain other regulations should be made, and for that purpose that certain of the said Warrants should be wholly repealed, and that others should be in part repealed in the manner hereinafter mentioned.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers reserved to us in and by the said hereinbefore recited Acts of Parliament, and each of them, and of all other powers enabling us in this behalf, do by this Warrant, under the hands of two of us the said Commissioners, by the authority of the Statute in that case made and provided, order and direct as follows, that is to say:

1. All packets consisting of patterns or samples of merchandize posted in the United Kingdom, addressed to any of the colonies or places mentioned and set forth in the Schedule hereunder written, or posted in any of such colonies or

places, addressed to the United Kingdom, may be transmitted by the post between the United Kingdom and any of such colonies or places in the manner in such Schedule also mentioned, and that all such respective packets shall be so transmitted in conformity with, and under and subject to, the several orders, directions, regulations, and restrictions hereinafter mentioned and contained, and that the single rate of postage for such transmission by the post of packets not exceeding four ounces in weight, from the United Kingdom to any of such colonies or places or from any of such colonies or places to the United Kingdom, shall be that which is mentioned and set forth against such colonies or places respectively in the said Schedule, and that all such respective packets so transmitted shall be subject to the several progressive and additional rates of postage hereinafter mentioned, that is to say:

On every such packet so transmitted, if exceeding four ounces and not exceeding one-half of a pound in weight, there shall be charged taken and paid two rates of postage;

And on every such packet, if exceeding one-half of a pound and not exceeding one pound in weight, there shall be charged, taken, and paid four rates of postage;

And on every such packet if exceeding one pound and not exceeding one pound and one half of another pound in weight, there shall be charged, taken and paid, six rates of postage;

And on every such packet, if exceeding one pound and one half of another pound and not exceeding two pounds in weight, there shall be charged, taken and paid eight rates of postage;

And for every additional half of a pound in weight of any such packet above the weight of two pounds there shall be charged, taken and paid two additional rates of postage, and every fractional part of such additional half of a pound in weight, shall be charged as an additional half of a pound in weight, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such packet would be charged with under this Warrant if not exceeding four ounces in weight.

2. Every packet which shall be transmitted by the post under the authority of this Warrant shall be so transmitted in conformity with and under and subject to the several orders, directions, regulations and conditions hereinafter contained, that is to say:—

3. No such packet which in length shall exceed two feet, or in breadth or depth one foot, shall be transmitted by the post under the provisions of this Warrant.

4. No such packet posted in the United Kingdom addressed to the East Indies, New South Wales, or Queensland, or posted in the East Indies, New South Wales, or Queensland, addressed to the United Kingdom, exceeding the weight of three pounds, shall be transmitted by the post under the provisions of this Warrant.

5. There shall be no enclosure, sealed or otherwise, closed against inspection, nor any other enclosure not authorized by this Warrant, sent in, or with any such packet.

6. There shall be no writing or printing upon any such packet, or on the cover thereof, or contained therein, except the address of the person for whom it is intended, the address of the sender thereof and a manufacturer's or trade mark, and

number and price of the pattern or sample, and every such manufacturer's or trade mark number and price shall, in the case of packets posted in the United Kingdom, be written or printed on labels attached to such patterns or samples, or to the bags or boxes containing the same, and not on loose pieces of paper or other material.

7. All such packets shall be sent in covers open at the ends so as to be easy of examination. Nevertheless, samples of seeds, drugs, and such other articles and things as cannot be sent in open covers, may be enclosed in boxes or in bags of linen or other material, which shall be fastened in such a manner that they may be readily opened, but closed bags, if transparent, may be used for the purpose. Samples of dry sugar may also be transmitted by the post under the authority of this Warrant between the United Kingdom and the Mauritius, and musters of tea may also be transmitted by the post under the authority of this Warrant between the United Kingdom and Hong Kong, and such samples and musters may be enclosed in tin boxes of such shape and construction that they be not injurious to the contents of the mail bags, or to the officers of the Post Office, but boxes so closed that they cannot be readily opened, shall not be used for the purpose.

8. Every packet transmitted by the Post under this Warrant, and posted in the United Kingdom, shall be put into the Post Office at such hours in the day, and under all such regulations as the Postmaster General may appoint.

9. The postage of all such packets as aforesaid, posted in the United Kingdom, or posted in Malta or Gibraltar, shall in every case be paid at the time of the same being posted not in money but by being duly stamped with the proper postage stamp or stamps affixed thereto which stamp or stamps shall, in every case be affixed or appear on the outside of every such packet, near the address or direction, and shall be of the value or amount of the postage duly payable thereon under or by virtue of this Warrant.

10. The postage of all such packets as aforesaid, posted in any of the colonies or places mentioned and set forth in the Schedule hereunder written (except Malta and Gibraltar), shall in every case be paid at the time of the same being posted, either in money or by the proper colonial postage stamp or stamps being affixed thereto.

12. If any packet sent or tendered, or delivered in order to be sent by the post under the provisions of this Warrant, shall contain any enclosure, sealed or otherwise closed against inspection, or any other enclosure not authorized by this Warrant, every such enclosure may be taken out by any officer of the Post Office, and either returned or given up to the sender thereof, or be forwarded to the address on the packet, charged not only with the full rates of postage as an unpaid letter, but also with a further and additional rate of postage, equal in amount to the single rate of postage chargeable under the provisions of this Warrant, on a packet not exceeding four ounces in weight, and the remainder of the packet, if duly prepaid, may be forwarded to the place of its address without any extra charge.

13. If any packet sent or tendered, or delivered in order to be sent by the post under the provisions of this Warrant, shall be posted in the United Kingdom, addressed to Canada, or shall be posted in Canada addressed to the United Kingdom, and the postage paid thereon, or postage stamp or stamps affixed thereto, shall represent a less amount than the single rate of postage to which such packet would be liable under and by virtue of this Warrant, or shall be posted in the United Kingdom, addressed to any of the colonies or places mentioned and set forth in the Schedule hereunder written (except Australia), or shall be posted in any of such colonies or places (except Australia), addressed to the United Kingdom, without any postage having been paid thereon, either in money or in postage stamps, every such respective packet shall be forwarded, charged with a postage of double the amount of postage to which it would have been liable under and by virtue of this Warrant, if the postage had been paid when posted.

And whereas the Commissioners of Her Majesty's Treasury, by a certain Warrant, in writing, under their hands, bearing date at Whitehall Treasury Chambers, the 28th day of November, 1844, in exercise of the powers reserved to them in and by the said firstly hereinbefore recited Act, and of all other powers enabling them in that behalf, did declare, consent, and direct (amongst other things) that no packet should be forwarded, conveyed, or delivered by the Post, either within the United Kingdom or any of Her Majesty's colonies, containing any razor, scissors, knife, fork, or other sharp or pointed instrument, or any article, matter, or thing whatsoever, which might by pressure or otherwise be rendered injurious either to the officers of the Post Office or to the contents of the mail bags.

15. Now we, the Commissioners of Her Majesty's Treasury, do hereby declare and direct that, notwithstanding the said recited Warrant of the 28th day of November, 1844, any packet posted in the United Kingdom, addressed to any of the colonies or places mentioned and set forth in

the Schedule herounder written, or posted in any of such colonies or places, addressed to the United Kingdom, containing any razor, scissors, knife, fork, or other sharp or pointed instrument, keys, watch machinery, metal, metal tubing, or ore, or such like, shall and may be transmitted by the Post between the United Kingdom and the said colonies or places, subject to the several rates of postage, and to the several orders, directions, regulations, and restrictions herein mentioned and contained: Provided that every such razor, scissors, knife, fork, or other sharp or pointed instrument, keys, watch machinery, metal, metal tubing, or ore, or such like, so contained in any packet, be securely packed and guarded; and every such packet shall not only conform in every respect to the several orders, directions, regulations, and restrictions herein contained, but the same shall also furnish sufficient protection against injury to the officers of the Post Office, and to the contents of the mail bags: Provided always, that nothing herein mentioned shall extend to authorize the transmission by the Post of any packet containing any explosive or other dangerous material or substance.

16. And we do further order and direct that if any packet sent, or tendered, or delivered in order to be sent by the Post under the authority of the 7th clause of this Warrant, containing samples of sugar or musters of tea in tin boxes of a shape and construction that may be injurious to the contents of the mail bags or to the officers of the Post Office; or if any packet sent, or tendered, or delivered in order to be sent by the Post under the authority of the 15th clause of this Warrant, shall be posted or transmitted by the Post, without being securely packed and guarded, and without furnishing sufficient protection against injury to the officers of the Post Office and to the contents of the mail bags, as in such 15th clause of this Warrant provided (of which the Postmaster-General shall in all cases be the sole judge), every such respective packet shall and may be detained and opened, and (at the option of the Postmaster-General) shall be either returned or given up to the sender thereof, or be given up to the person to whom it shall be addressed; and every such packet, on being so returned or given up, shall be chargeable with any rate or amount of postage the Postmaster-General shall think fit, not exceeding the letter rates of postage.

17. And we do further order and direct that in order to prevent any obstacle to the due and regular transmission of letters by the Post, any officer of the Post Office may delay the transmission of any packet posted or forwarded by the Post under the provisions of this Warrant for the space of twenty-four hours after the time at which the same ought to be despatched in due course of the post whenever it may be necessary so to do, or (at his option) until the despatch of the mail next after that by which the same ought in due course of the post to be forwarded by him.

18. And we further order and direct that in all cases in which any question shall hereafter arise whether any packet or any pattern or sample contained therein, transmitted under or by virtue of this Warrant, is entitled to the privileges of this Warrant, and to be so transmitted within the intent and meaning thereof, such question shall be referred to the determination of the Postmaster-General whose decision thereupon shall be final and conclusive upon all parties.

TREASURY WARRANT.

WHEREAS by an Act of Parliament passed in the fourth year of the reign of Her Majesty, cap. 96, for the regulation of the duties of postage, certain scales of weight and rates of postage were fixed and made chargeable and payable upon, for, or in respect of letters, newspapers, parliamentary proceedings, and printed papers, transmitted and forwarded by the post, and various regulations were made for facilitating the transmission of such letters and papers by the post, and by the same Act powers were given to the Commissioners of Her Majesty's Treasury from time to time, by Warrant under their hands, to alter and fix any of the rates of postage therein mentioned.

And whereas further powers were given to the Commissioners of Her Majesty's Treasury, by another Act of Parliament passed in the eleventh

year of the reign of Her Majesty, cap. 85, for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post Office.

And whereas it is expedient to fix rates of postage on certain packets consisting of patterns or samples of merchandise transmitted by the post between the United Kingdom and the several colonies hereinafter set forth, and also to make certain regulations in relation thereto as are hereinafter contained.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers or authority in us for that purpose, vested in and by the said hereinbefore recited Acts of Parliament, or either of them, and of all other powers enabling us in this behalf, do, by this Warrant under the hands of two of us the said Commissioners (by the

authority of the statute in that case made and provided), order, direct, and declare as follows :

1. All packets consisting of patterns or samples of merchandize of no intrinsic value, posted in any part of the United Kingdom, addressed to any part of either of the colonies of the Cape of Good Hope, Natal, Saint Helena, or Queensland, or posted in any part of either of the said colonies, addressed to any part of the United Kingdom, may be transmitted by the post between any part of the United Kingdom, and any part of either of the said colonies in closed mails *viâ* France and *viâ* Suez (the sea conveyance being by British or colonial packet-boat) subject to the several rates of postage hereinafter mentioned ; that is to say :—

On every such packet, if not exceeding four ounces in weight, there shall be charged, taken, and paid, an uniform single rate of postage (British, foreign, and colonial combined) of sixpence ;

And every such packet, if exceeding four ounces and not exceeding one half of a pound in weight, there shall be charged, taken, and paid, two rates of postage ;

And on every such packet, if exceeding one half of a pound and not exceeding one pound in weight, four rates of postage ;

And on every such packet, if exceeding one pound and not exceeding one pound and one half of another pound in weight, six rates of postage ;

And on every such packet, if exceeding one pound and one half of another pound, and not exceeding two pounds in weight, eight rates of postage ;

And for every additional half of a pound in weight of any such packet above the weight of two pounds, there shall be charged, taken, and paid, two additional rates of postage, and every fractional part of such additional half of a pound in weight, shall be charged as an additional half of a pound in weight, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such packet would be charged with under this Warrant, if not exceeding four ounces in weight.

2. Every packet transmitted by the post under this Warrant shall be subject to the several regulations, orders, directions, and conditions hereinafter contained ; that is to say :—

No such packet which in length shall exceed two feet, or in breadth or depth one foot, shall be transmitted by the post under the provisions of this Warrant ;

No pattern or sample, being of any intrinsic value, or being an article or thing of a saleable nature, or having a value of its own apart from its mere use as a pattern or sample, shall be transmitted by the post under the provisions of this Warrant ;

No such packet, posted in the United Kingdom addressed to Queensland, or posted in Queensland addressed to the United Kingdom, exceeding the weight of three pounds, shall be forwarded by the post under the provisions of this Warrant ;

There shall be no enclosure sealed or otherwise closed against inspection, nor any other enclosure not authorized by this Warrant sent in or with any such packet ;

There shall be no writing or printing upon any such packet, or on the cover thereof, or contained therein, except the address of the person for whom it is intended, the address of the sender thereof, and a manufacturer's

or trade mark and number and price of the pattern or sample. And every such manufacturer's or trade mark, number, and price, shall, in the case of packets posted in the United Kingdom, be written or printed on labels attached to such patterns or samples, or to the bags or boxes containing the same, and not on loose pieces of paper or other material ;

All such packets shall be sent in covers open at the ends, so as to be easy of examination ; nevertheless, samples of seeds, drugs, and such other articles and things as cannot be sent in open covers, may be enclosed in boxes or in bags of linen or other material, which shall be fastened in such a manner that they may be readily opened ; but closed bags, if transparent, may be used for the purpose.

3. If any packet sent or tendered or delivered in order to be sent by the post, under the provisions of this Warrant, shall in length exceed two feet, or in breadth or depth one foot, or shall consist wholly of patterns or samples of any intrinsic value, or shall comprise articles or things of a saleable nature or having a value of their own apart from their mere use as patterns or samples, or being posted in the United Kingdom addressed to Queensland, or posted in Queensland addressed to the United Kingdom, shall exceed the weight of three pounds, or if there shall be any writing or printing upon any such packet, or on the cover thereof, or contained therein, except as is hereinbefore mentioned, or if any such packets shall not be sent in covers open at the ends, so as to be easy of examination (except samples of seeds, drugs, and such other articles and things as cannot be sent in open covers, and which may be enclosed in boxes or in bags of linen or other material, which shall be fastened in such a manner that they may be readily opened, or for which closed transparent bags may be used) or in case of boxes or bags (except closed transparent bags) being used, if such boxes or bags shall be so closed that they cannot be readily opened, every such packet shall be chargeable and shall be treated in all respects as a letter.

4. If any packet sent or tendered or delivered in order to be sent by the post, under the provisions of this Warrant, shall contain any enclosure sealed or otherwise closed against inspection, or any other enclosure not authorized by this Warrant, every such enclosure may be taken out by any officer of the Post Office, and either returned or given up to the sender thereof, or be forwarded to the address on the packet, charged, in either case, not only with the full rates of postage as an unpaid letter, but also with a further and additional rate of postage of six pence ; and the remainder of the packet, if the postage be duly paid when posted, may be forwarded to the place of its address without any extra charge.

5. Upon every packet transmitted by the post under the authority of this Warrant, and posted in any part of the United Kingdom, the postage thereof shall in every case be paid at the time of the same being posted, not in money, but by being duly stamped with the proper postage stamp or stamps affixed thereto, which stamp or stamps shall in every case be affixed or appear on the outside of every such packet, near the address or direction, and shall be of the value or amount of the postage duty payable thereon under or by virtue of this Warrant.

6. The postage of all such packets as aforesaid posted in either of the colonies hereinbefore mentioned shall, in every case, be paid at the time

of the same being posted either in money or by the proper colonial postage stamp or stamps being affixed thereto.

7. If any packet sent or tendered, or delivered, in order to be sent by the post under the provisions of this Warrant shall be posted in the United Kingdom addressed to the Cape of Good Hope, Natal, or Saint Helena, or shall be posted in the Cape of Good Hope, Natal, or Saint Helena, addressed to the United Kingdom, and the postage paid thereon, or postage stamp or stamps affixed thereto shall represent a less amount than the rate of postage to which such packet would be liable under and by virtue of this Warrant, or if any packet sent or tendered or delivered, in order to be sent by the post under the provisions of this Warrant, shall be posted in the United Kingdom addressed to Queensland, or shall be posted in Queensland addressed to the United Kingdom, and the postage paid thereon, or postage stamp or stamps affixed thereto shall represent a less amount than the rate of postage to which such packet would be liable under and by virtue of this Warrant, but shall be equal in amount to the single rate of postage chargeable under this Warrant on a packet not exceeding four ounces in weight, every such respective packet shall be forwarded charged with the amount of the difference between the postage so paid thereon, or the value of the postage stamp or stamps so being thereon or affixed thereto, and the postage to which such packet would be liable as aforesaid together with a further and additional rate of postage of fourpence; but if any such packet shall be posted in the United Kingdom addressed to the Cape of Good Hope, Natal, or Saint Helena, or shall be posted in the Cape of Good Hope, Natal, or Saint Helena, addressed to the United Kingdom without any postage having been paid thereon, or without having thereon or affixed thereto any postage stamp, every such packet shall be forwarded, charged with double the amount of the postage to which it would have been liable under this Warrant if the postage thereon had been paid at the time of the same being posted.

8. In order to prevent any obstacle to the due and regular transmission of letters by the post any officer of the Post Office may delay the transmission of any packet posted or forwarded by the post under the provisions of this Warrant for the space of twenty-four hours after the time at which the same ought to be dispatched in due course of the post whenever it may be necessary so to do, or (at his option) until the despatch of the mail next after that by which the same ought in due course of the post to be forwarded by him.

9. In all cases in which any question shall hereafter arise, whether any packet or any pattern or sample contained therein transmitted under or by virtue of this Warrant is entitled to the privileges of this Warrant and to be so transmitted within the intent and meaning thereof, such question shall be referred to the determination of the Postmaster-General whose decision thereupon shall be final and conclusive upon all parties.

10. The terms and expressions used in this Warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said Act passed in the fourth year of the reign of Her Majesty, cap. 96.

11. The Commissioners for the time being of Her Majesty's Treasury may by Warrant under their hands duly made at any time hereafter alter, repeal, revoke, or modify any of the rates of postage hereby fixed, or any of the regulations hereby made, and may make and establish any

new or other rates or regulations in lieu thereof, and from time to time may appoint at what time the rates that may be payable are to be paid.

12. This Warrant shall come into operation on the first day of January, one thousand eight hundred and sixty-six.

TREASURY WARRANT.

WHEREAS by an Act passed in the fourth year of the reign of Her Majesty, intituled "An Act for the regulation of the duties of postage," certain scales of weight and rates of postage were fixed and made chargeable and payable upon, for, and in respect of letters, newspapers, parliamentary proceedings, and printed papers transmitted and forwarded by the post, and various regulations were made for facilitating the transmission of such letters and papers by the post.

And whereas, by an Act passed in the eleventh year of the reign of Her Majesty, intituled "An Act for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post Office," it is enacted that, in order to prevent packets of an unwieldy bulk or an inconvenient size being transmitted by the post, it shall be lawful for the Commissioners of Her Majesty's Treasury, at any time or times thereafter, by Warrant under their hands, to fix the maximum weight of letters to be sent by the post, and from time to time to repeal or revoke such maximum weight wholly or in part, and declare any other maximum weight in lieu thereof, and that all letters shall be forwarded, conveyed, and delivered by the post, in conformity with any such Warrant, and also in conformity with and under and subject to all such orders, conditions, limitations, regulations, and restrictions as to the form, size, or dimensions thereof, whether in proportion to the weight or otherwise, as the Postmaster-General, with the consent of the Commissioners of Her Majesty's Treasury, shall, from time to time direct; and it is also enacted, that it shall be lawful for the Postmaster-General, and any officer of the Post Office to detain any letters which shall be posted or sent by the post contrary to the regulations of that Act, or of the first-mentioned Act, or contrary to any regulations made under the authority of that Act, or the said first-mentioned Act, or contrary to the regulations of any Treasury Warrant to be issued under or by virtue of that Act, or which had been or should be issued under or by virtue of the said first-mentioned Act, and to open such letters, and either to return them to the senders thereof or to forward them to the places of their destination, charged in either case with such rates of postage as the Postmaster-General, with the consent of the Commissioners of Her Majesty's Treasury, shall from time to time direct.

And whereas, the Commissioners of Her Majesty's Treasury have from time to time by divers Warrants under their hands fixed and limited the dimensions of certain letters and packets transmissible by the post, and it is expedient to make such other regulations in the manner hereinafter mentioned and contained.

Now, we, the undersigned, being two of the Commissioners of Her Majesty's Treasury in exercise of the powers reserved to us in and by the

said before-mentioned Act, or either of them, and of all other powers enabling us in this behalf, do, by this Warrant under our hands, order and direct as follows:—

1. That (except in the cases hereinafter mentioned) no letter or packet of any description whatever which in length shall exceed two feet or in breadth or depth one foot shall be forwarded by the post.

2. That the preceding clause shall not extend or apply to petitions or addresses forwarded to Her Majesty, or to petitions or addresses to Her Majesty, or petitions to either House of Parliament forwarded to any member of either House of Parliament, or to letters or packets of any description whatever to or from any of the Government offices or departments, or to or from any public officer to whom the Postmaster-General shall from time to time direct that the exemption hereby granted shall be extended.

3. That every letter and packet of whatever description sent, or tendered or delivered in order to be sent by the post, which shall in length exceed two feet, or in breadth or depth one foot (except as hereinbefore is provided) shall and may be detained and opened, and at the option of the Postmaster-General, shall be either returned or given up to the sender thereof, or be given up to the person to whom it shall be addressed; and every such letter and packet on being so returned or given up, shall be either free of postage or shall, at the discretion of the Postmaster-General, be chargeable with any rate or amount of postage he shall think fit.

4. That the term "by the post," used in this Warrant, shall be construed to have the like meaning in all respects as the like term used in the said recited Act passed in the eleventh year of the reign of Her present Majesty; save and except that nothing herein contained shall in anywise alter or affect anything contained in a certain Warrant of the Commissioners of Her Majesty's Treasury, bearing date the 17th day of March, 1865, relating to the dimensions of letters and packets forwarded by the post between any places within the United Kingdom, or by the post of any post town in the United Kingdom, which said Warrant, and everything therein contained, shall remain and continue in all respects in full force and effect.

5. That this Warrant shall come into operation on the first day of January, one thousand eight hundred and sixty-six.

6. That it shall be lawful for the Commissioners for the time being of Her Majesty's Treasury, or any two of them, by Warrant under their hands, at any time hereafter, to alter or repeal any of the rates hereby fixed or altered, or the regulations hereby made, and to make and establish any new or other rates or regulations in lieu thereof, and from time to time to appoint at what time the rates that may be payable are to be paid.
