Lord President.

Sir George Grey, Bart.  
Mr. Milner Gibson.

Mr. Göschen.

**W**HEREAS by an Act passed in the Session of the eleventh and twelfth years of Her present Majesty's reign, chapter one hundred and seven, intituled "An Act to prevent until the first day of September, one thousand eight hundred and fifty, and to the end of the then session of Parliament, the spreading of contagious or infectious disorders among sheep, cattle, and other animals," and from time to time continued by divers subsequent Acts, and lastly by an Act passed in the Session of the twenty-eighth and twenty-ninth years of the reign of Her present Majesty, chapter one hundred and nineteen, it is (amongst other things) enacted, that it shall be lawful for the Lords and others of Her Majesty's Privy Council, or any two or more of them, from time to time, to make such orders and regulations as to them may seem necessary for the purpose of prohibiting or regulating the removal to or from such parts or places as they may designate in such Order or Orders of sheep, cattle, horses, swine, or other animals, or of meat, skins, hides, horns, hoofs, or other parts of any animals, or of hay, straw, fodder, or other articles, likely to propagate infection, and to make any other Orders or Regulations for the purpose of giving effect to the provisions of the said Act, and again to revoke, alter, or vary any such Orders or Regulations; and that all provisions for any of the purposes aforesaid in any such Order or Orders contained shall have the like force and effect as if the same had been inserted in the said Act.

And whereas a contagious or infectious disorder, generally designated as the "Cattle Plague," has lately appeared, and now prevails, amongst cattle in England and Wales:

And whereas divers Orders have been made by the Lords of the said Council in relation to the cattle plague, and it is expedient to consolidate, amend, and add to the said Orders:

Now, therefore, the Lords of Her Majesty's Privy Council do hereby, in exercise of the powers given under the said Act so continued as aforesaid, order as follows:

#### *Preliminary.*

1. Part I. of this Order, with the first schedule hereto, and the regulations 26 and 27 of Part II, which relate to the isolation of infected places, and the rules with respect to infected places, shall come into operation immediately. The residue of this Order shall not come into operation until the 16th day of April, 1866. The whole of

this Order shall remain in force from the time of its coming into operation until it is revoked or altered.

2. This Order shall apply to England and Wales only.

PART I.

3. In the construction of this Order the following terms shall have the meanings herein-after assigned to them; that is to say,

"Person" shall include a Body of Persons, corporate or unincorporate:

"England" shall include Wales:

"Privy Council" shall mean the Lords and others of Her Majesty's most Honourable Privy Council, or any two of them:

The Liberty of St. Alban's, and the Liberty of the Isle of Ely, and the Soke of Peterborough, shall respectively be deemed to be separate counties, but all other liberties and franchises of counties shall be considered as forming part of the county by which they are surrounded, or if partly surrounded by two or more counties, then as forming part of that county with which they have the longest common boundary:

"The Metropolis" shall include all parishes and places in which the Metropolitan Board of Works have power to levy a main drainage rate, exclusive of the City of London and the Liberties thereof.

Every place that is not, according to the foregoing definitions, a borough, a county, or a part of the metropolis, or is not separately mentioned in the first schedule hereunto annexed, shall be deemed to form part of the county, as herein-before defined, to the county rate of which it is assessed, or, if not so assessed, of the county within which it is situate.

conditions or restrictions, to any Committee so formed, all or any powers conferred on the Local Authority by this Order, and may from time to time revoke, add to, or alter any powers so given to a Committee.

A Committee may elect a chairman of its meetings. If no chairman is elected, or if the chairman elected is not present at the time appointed for holding a meeting, the members present shall choose one of their number to be chairman of such meeting. A Committee may meet and adjourn as it thinks proper. The quorum of a Committee shall consist of such number of members as may be prescribed by the Local Authority that appointed it, or, if no number be prescribed, of three members. Every question at a meeting shall be determined by a majority of votes of the members present, and voting on that question; and in case of an equal division of votes the chairman shall have a second or casting vote.

The proceedings of a Committee shall not be invalidated by any vacancy or vacancies amongst its members, or, in case of a Committee appointed by the General or Quarter Sessions of a county, by the termination of the Sessions by which it was appointed.

A Local Authority may from time to time add to or diminish the number of the members or otherwise alter the constitution of any Committee formed by it under this Order, and may dissolve any such Committee.

Any Committee formed under the provisions of the Cattle Diseases Prevention Act, 1866, shall be deemed to be a committee of a Local Authority for the purposes of this Order, within the district of such Local Authority as defined by this Order.

6. The Local Authority of any borough which is assessed to the county rate of any county may, with the consent of the Local Authority of such county, such consent being testified in writing, by a letter signed by the clerk of such last-mentioned authority, declare, by notice published in any newspaper circulating within such county, that such borough is annexed to such county for the purposes of this Order, and from the date of the publication of such notice such borough shall, for the purposes of this Order, form part of the district of the Local Authority of such county.

7. Every Local Authority shall perform all such duties as are imposed upon it by this Order, and shall make such reports to the Privy Council as the Council may from time to time require.

*Appointment of Officers, &c.*

8. Every Local Authority shall from time to time appoint such inspectors or other officers as it thinks necessary to carry into effect the provisions of this Order within its district; it shall assign them such duties and award them such salaries and allowances as it thinks expedient, and may revoke any appointment so made.

9. Every inspector or other officer appointed by a Local Authority previously to the date of this Order, for any purpose relating to the cattle plague, and holding office at such date, shall be deemed an inspector or officer for the purposes of this Order within the district of such Local Authority as defined by this Order, and be subject to the provisions thereof, in the same manner as if he had been appointed thereunder.

10. Every inspector shall furnish the Privy Council with such information in regard to the

cattle plague as they may from time to time require.

11. Every Local Authority may provide and supply, without charge, printed copies of any documents or forms requisite for the purposes of this Order.

12. All expenses incurred by a Local Authority in carrying into effect this Order shall be defrayed out of the local rate.

13. Any person appointed or to be appointed by the Privy Council an Inspector for the purposes of this Order shall, throughout the whole of England, have all the powers which an Inspector appointed by a Local Authority has within his district, and any direction of the Privy Council shall, as respects such Inspector, be of the same validity as a direction of a Local Authority in the case of an Inspector appointed by it.

## PART II.

### *Diseased Animals.*

14. Every person having in his possession or under his charge any diseased animal shall forthwith give notice thereof to such officer as may have been appointed by the Local Authority of the district to receive such notices; or, if no such officer has been appointed, to a police constable, whose duty it shall be to report without delay to the Local Authority the fact of such notice having been given to him. Any person failing to comply with this regulation as to giving notice shall be deemed guilty of an offence against this Order.

15. Every person having in his possession or under his charge any diseased Animal shall, as far as practicable, keep such animal separate from animals not diseased. Any person failing to comply with this regulation shall be deemed guilty of an offence against this Order.

16. No diseased animal, and no animal which has, within the preceding twenty-eight days, been in the same shed or stable or in the same herd or flock or in contact with a diseased animal, shall be removed alive from the premises where such animal may be, except with a licence from the Local Authority of the district, which licence shall only permit the removal of such animal to some place within the district of such Local Authority where it can be conveniently slaughtered, or kept apart from all other animals until such Local Authority is satisfied that there is no reasonable probability of such animal propagating disease; provided that no such licence shall authorize such animal to be removed in contravention of the 17th regulation of this Order.

If any animal is removed in contravention of this regulation, the person causing, directing, or permitting the removal of such animal, and also the person removing the same, shall respectively be deemed guilty of an offence against this Order.

17. No diseased animal, and no animal that has within the preceding twenty-eight days been in the same shed or stable, or in the same herd or flock, or in contact with a diseased animal, shall—

1. Be placed or kept in any common or unenclosed land, or in any field or other place insufficiently fenced:
2. Be sent or brought to any fair or market, or exposed for public sale:

3. Be driven along or allowed to stray upon any highway or the sides thereof:

4. Be sent or carried by any railway, canal, river, or other inland navigation, or by any coasting or sea-going vessel.

If any animal is dealt with in contravention of this regulation, the owner of such animal, and also the company or person other than the owner dealing with the same in contravention of this regulation, shall be deemed guilty of an offence against this Order.

18. Where any offence is committed with respect to any animal under the 14th, 15th, 16th, and 17th regulations of this Order, or any of them, the Local Authority of the district, and any authority of a fair or market in which such animal may be, may, by themselves or their officers, cause such animal to be slaughtered and buried, and recover from the owner in a summary manner all expenses so incurred.

19. All diseased animals, whether they have been slaughtered or have died of the disease, shall be buried by the owner as soon as practicable in some proper place, with their skins slashed in such a manner as to prevent their being made of any use, and with a sufficient quantity of quicklime or other disinfectant, and shall be covered with at least five feet of earth, or shall be otherwise disposed of in such manner as may be directed by any regulations made by the Local Authority, and approved by the Privy Council.

If any diseased animal is not buried or otherwise disposed of in pursuance of this Regulation, the owner of such diseased animal shall be deemed guilty of an offence against this Order, and it shall be lawful for the Local Authority to bury or otherwise dispose of any such animal, and to use any convenient place on the premises of the owner for that purpose.

The Local Authority may recover from the owner in a summary manner any expenses incurred by it under this regulation.

20. No person shall dig up any diseased animal, or part of a diseased animal. Any person acting in contravention of this Regulation shall be deemed guilty of an offence against this Order.

21. Every Local Authority shall within its district, at its own expense, cause the premises in which diseased animals have been to be thoroughly cleansed and disinfected; and the occupier of such premises shall give all facilities for such cleansing and disinfecting. Any occupier of premises failing to give such facilities shall be deemed guilty of an offence against this Order.

22. No fresh animal shall be admitted into any yard, shed, stable, field, or other premises in which a diseased animal has been kept while affected by disease, or has died, or been slaughtered, until the expiration of thirty days after the cleansing and disinfecting of such premises. If any fresh animal is admitted into any yard, shed, stable, field, or other premises in contravention of this regulation, the occupier of such yard, shed, stable, field, or other premises shall be deemed guilty of an offence against this Order.

23. The dung of a diseased animal, and all hay, straw, or litter, or any other article that has been in contact with or used about a diseased animal, shall be destroyed, or, with the sanction of the Local Authority, shall be disinfected and dealt with to the satisfaction of the Inspector.

If such dung, hay, straw, litter, or any other article is not destroyed or disinfected and dealt with in pursuance of this regulation, the Local Authority may cause the same to be destroyed or disinfected, and recover in a summary manner all expenses incurred by it from the occupier of the premises on which such articles were found, and in addition thereto such occupier shall be deemed guilty of an offence against this Order.

24. The dung of a diseased animal, and all hay, straw, or litter, or any other article that has been in contact with or used about a diseased animal, shall not be removed from the premises where such animal has been, except for the purpose of being destroyed or disinfected and dealt with in compliance with this Order and with a licence of an Inspector specifying the place at which it is to be destroyed or disinfected and dealt with, and shall not be removed beyond the limits of the district of the Local Authority in which the said premises are situated without the consent in writing of the Local Authority into whose district it is moved. If such dung, hay, straw, litter, or other article is removed in contravention of this regulation, the occupier of the premises from which it is removed, and also the person removing the same, shall be respectively deemed guilty of an offence against this Order; and it shall be lawful for the Local Authority to destroy or disinfect any such article, and to recover the expenses of such destruction or disinfection from the said occupier.

25. Every Local Authority shall direct the disinfecting of clothes of, and the use of due precautions by, Inspectors and other officers brought into contact with diseased animals, with a view to prevent such Inspectors or Officers spreading contagion. Any Inspector or Officer disobeying the directions of any Local Authority as to such disinfection and use of due precautions shall be deemed guilty of an offence against this Order.

#### *Infected Places.*

26. The authorities hereinafter mentioned, that is to say, any Local Authority as to any place within its district shall, and the Privy Council as to any place in England may, by Order made at any time after the passing of this Order, and published in manner hereinafter mentioned, declare any place in which disease amongst animals at that time exists, together with such an area, including such place, as to such authority may seem to be required, to be an "infected place," from and after a date to be specified in such Order; and the authority declaring a place to be infected may, at the expiration of one month after the disappearance of disease in that place, by Order published in like manner, declare such place to be free from disease, and after the publication of such last-mentioned Order such place shall cease to be an "infected place" within the meaning of this Order, unless again declared in manner aforesaid to be "an infected place."

Any Local Authority may include in the area of an "infected place" any adjoining part of the district of another Local Authority, with the consent of such last-mentioned authority, testified in writing by a letter signed by the clerk of such authority.

The area of an "infected place" may be described by reference to a map deposited at some specified place, or by reference to parishes, townships, farms, or otherwise, as the authority may think expedient.

An Order declaring a place to be an "infected place" shall be published by notice being posted-up in or near the "infected place," and, so far as is possible, in all places where notices are usually posted up, within five miles of such "infected place," or in such other manner as the authority declaring the place to be infected may think expedient.

The Local Authority, on declaring any place infected, shall forthwith report by post to the Privy Council the fact of such declaration having been made.

No objection shall be taken in any legal proceeding in respect of an "infected place" on the ground that due notice has not been given of such place having been declared to be an "infected place."

Any Order made by the Privy Council under this regulation shall supersede any Order inconsistent with it that may have been made by a Local Authority.

27. The following rules shall be observed with respect to "infected places," in addition to the other regulations of this Order with respect to diseased animals; that is to say:—

1. No animal shall be moved out of an "infected place."
2. No hides, skins, horns, hoofs, or offal of animals shall be moved out of an "infected place," without the licence of some Officer of the Local Authority appointed to issue such licences certifying that such articles have not formed part of a diseased animal, and, if necessary, have been properly disinfected:
3. No carcase of, or undressed meat that has formed part of, any bull, bullock, cow, ox, heifer, or calf, shall be moved out of an "infected place," without the licence of some Officer of the Local Authority appointed to issue such licences certifying that such carcase is not that of a diseased animal, or that such meat has not formed part of a diseased animal:
4. No dung of animals, and no hay, straw, litter, or other articles forming the food of animals, or used for or about animals, shall be removed out of an infected place without the licence of some officer of the Local Authority appointed to issue such licences certifying that such articles have not been in contact with or used about a diseased animal:
5. A licence for the purpose of this regulation must be in writing, and shall not authorize the removal of any articles beyond the district of the Local Authority in which the infected place is situate without the licence of the Local Authority into whose district it is proposed to move such articles.

If any animal, dung of animals, hide, skin, horn, hoof, offal, meat, hay, straw, litter, or other articles, is or are moved in contravention of this regulation, the owner of such animal or articles, and also the person moving the same, or causing, directing, or permitting the same to be moved, shall respectively be deemed guilty of an offence against this Order.

All constables and police officers shall enforce the provisions of this regulation, to the utmost of their power, and may apprehend all persons committing any offence against this regulation, and may require all animals and articles being moved out of such place in contravention of this regulation to be forthwith taken back within the limits of such place.

This regulation shall not apply to any animal or article carried by railway through an infected place.

*Markets and Fairs.*

28. No market, fair, auction, exhibition, or sale of cattle shall be held until the 1st day of June, 1866, except as hereinafter mentioned; that is to say,

First. Cattle belonging to the owner or occupier of premises that are not situate within the limits of an infected place, if the cattle are free from disease, and have been in the possession of the owner or occupier not less than twenty-eight days immediately previous to the sale, may be sold on such premises;

Secondly. Markets may be held, with the licence of the Privy Council, for the sale of cattle intended for immediate slaughter; Provided that no cattle shall be removed from such market until they have been marked in the manner in which cattle are ordinarily marked for slaughter according to the custom of such market, or, if there is no such custom, by clipping the hair off the end of the tail; and all cattle required to be marked by this regulation shall be slaughtered within four days from the date of the holding of such market (if sold) by or by the order of the purchaser, or (if not sold) by or by the order of the owner, and shall in no instance be taken, in the case of cattle brought to the Metropolitan Cattle Market, beyond the limits of the Metropolis, including the City of London and the Liberties thereof, and in the case of cattle brought to any other market, beyond such limits as may be described in the licence of the Privy Council allowing such market, and under such conditions with respect to their movement within such limits as may be imposed by such licence.

If any cattle are sold in contravention of this regulation, both the seller and the purchaser of such cattle shall be deemed guilty of an offence against this Order.

If any cattle required to be marked by this regulation are not so marked, the persons for the time being in charge of such cattle shall be deemed guilty of an offence against this Order.

If any cattle required to be slaughtered by this regulation are not so slaughtered, the purchaser or owner of such cattle or his agent (as the case may be) shall be deemed guilty of an offence against this Order.

If any cattle are removed in contravention of this regulation, the person removing such cattle, and the person causing, directing, or permitting the removal of such cattle, shall respectively be deemed guilty of an offence against this Order.

29. No sheep, lambs, goats, or swine shall be brought into or exposed for sale in any market licensed for the sale of cattle under the last preceding regulation, except for the purpose of immediate slaughter, and all such sheep, lambs, goats, and swine, when brought into or exposed for sale in any such market, shall be subject to the last preceding regulation, in the same manner as if they were cattle, except that they shall be marked in such manner as the market authority may direct, instead of in the manner prescribed by the said regulation.

*Foreign Cattle.*

30. Until the first of June One thousand eight hundred and sixty-six all cattle brought by sea

from any place out of the United Kingdom into any town or place in England shall be marked by clipping the hair off the end of the tail, and no such cattle shall be removed alive from such town or place except by sea.

"Town or place" in this regulation shall, according to circumstances, mean as follows:

1. The area of the Metropolis including the City of London and the Liberties thereof;
2. The area of any borough or such other limits as may be defined by the Privy Council in respect of such borough;
3. In the case of any other town or place, such area as may be defined by the Privy Council to constitute such town or place.

*Cattle brought by sea from any part of the United Kingdom into England.*

31. No cattle brought by sea from any place in the United Kingdom into any town or place in England shall be removed from such town or place alive, without a certificate from the Local Authority having jurisdiction in such town or place that such cattle have been examined by some Officer appointed for that purpose by such authority, and that such cattle are free from disease; but such certificate shall not exempt such cattle from any other regulation of this Order with respect to the movement of cattle or otherwise; provided, nevertheless, that, in the case of cattle landed in any place in England from Ireland, the certificate of the Local Authority, that such cattle are free from disease, shall be accepted, in the case of a fat-stock licence, by the person authorized to grant the same as sufficient for the purpose of granting such licence, and, in the case of a store-stock licence, such certificate shall be accepted by the Justice as equivalent to the declaration of the owner or his agent and to the certificate of the occupiers required by the form of the said store-stock licence.

"Town or place" shall in this regulation have the same meaning as in the preceding regulation.

*Special Regulations within the Metropolis.*

32. The following additional regulations shall be in force as respects the movement of cattle within the Metropolis, inclusive of the City of London and the Liberties thereof:

1. No cattle shall be removed from the Metropolis, inclusive as aforesaid; provided that where any person occupies a farm situate partly within and partly without the Metropolis, inclusive as aforesaid, or any other contiguous premises so situate, he may, with a licence from the Commissioner of Police of the Metropolis (which licence such Commissioner is hereby empowered from time to time to grant, and, if he think fit, to revoke), and for a time not exceeding seven days from the date of such licence, move from one part of such premises to another any animal not diseased which has been in his own possession for twenty-eight days immediately previous to the date of such licence, and has been marked in such manner as the said Commissioner of Police may direct.

If any cattle are removed from the Metropolis, inclusive as aforesaid, in contravention of this regulation, the owner of such cattle, and also the person in charge of the same, shall respectively be deemed guilty of an offence against this Order.

2. No cattle shall be moved along any highway, thoroughfare, or public place within the Metropolis, inclusive as aforesaid, except for a distance not exceeding five hundred yards from part to part of the same farm or to water, without a licence from the said Commissioner of Police; and every such licence shall state the number and description of animals licensed to be removed, and the place of their destination, and shall be valid only for twenty-four hours from the date thereof; provided that this clause of this Order shall not apply to any animals intended for immediate slaughtering which are sent to or from the said Metropolitan Cattle Market.

If any cattle are moved along any highway, thoroughfare, or public place in contravention of this regulation, the owner of such cattle, and also the person in charge of the same, shall respectively be deemed guilty of an offence against this Order.

#### GENERAL REGULATIONS.

##### *Movement of Cattle.*

33. No cattle shall be moved on any highway between sunset and sunrise, except within the limits of the Metropolis, inclusive of the City of London and the Liberties thereof, or of any other city or town.

No cattle shall be moved by or upon any railway, canal, navigation, river, or highway, or by any vessel coastwise, without a licence, except for a distance not exceeding five hundred yards from one part of the same farm to the other.

Licences shall be of two descriptions—

1. A licence for cattle intended for immediate slaughter, hereinafter called a fat stock licence;
2. A licence for other cattle, hereinafter called a store stock licence.

A fat stock licence shall be in the form, and contain the particulars, and be signed in the manner appearing in the form marked A. in the second schedule annexed hereto, or as near thereto as circumstances admit.

A store stock licence shall be in the form, and contain the particulars, and be signed in the manner appearing in the form marked B. in the said second schedule, or as near thereto as circumstances admit.

No cattle shall be moved as aforesaid out of the district of the Local Authority in which they are, without a licence in one of the forms aforesaid, such form being applicable to the class of cattle moved; but where cattle are moved only within the district of a Local Authority, that Local Authority may make Regulations for granting licences, in such form as it thinks fit, for the movement of such cattle, so that the conditions of such licences be not more stringent than the conditions of the licences in the said second schedule.

If any cattle are moved in contravention of this regulation, the owner of such cattle, and the person directing or permitting the removal of the same, and the company or person conveying the same shall respectively be deemed guilty of an offence against this Order.

Cattle brought by land from Scotland into England may be moved in England with the same licences that in Scotland authorize their removal from the district of one Local Authority to another, in pursuance of any Order of the Privy Council in force for the time being.

34. No person shall drive or allow any cattle under his charge to be driven or to stray into any enclosed field, without the consent of the owner or occupier thereof, and any person acting in contravention of this regulation shall be deemed guilty of an offence against this Order.

##### *Movement of Hides and Skins, &c.*

35. No hide, skin, horn, or hoof of animals shall be moved by highway, railway, canal, river, or other mode of conveyance unless effectually covered.

**A**T the Council Chamber, Whitehall, the 2nd day of April, 1866.

By the Lords of Her Majesty's Most Honourable Privy Council.

PRESENT,

Earl Russell.  
Mr. Secretary Cardwell.  
Mr. Bruce.

**W**HEREAS by an Act passed in the session of Parliament held in the eleventh and twelfth years of Her Majesty's reign, intituled "An Act to prevent until the first day of September, one thousand eight hundred and fifty, and to the end of the then session of Parliament, the spreading of contagious or infectious disorders among Sheep, Cattle, and other Animals" (which Act has since been extended and continued in force until the first day of August, one thousand eight hundred and sixty-five, and to the end of the then next session of Parliament), after reciting that "a contagious or infectious disorder known or

"described as the Sheep Pox or Variola Ovina, now prevails among the sheep in some parts of the United Kingdom, and it is necessary to take measures to prevent such disorder from spreading," it was and is enacted (amongst other things) as follows, namely:—"In case any Sheep or Lambs infected with or labouring under the said Disorder, or any Disorder of the like Nature, be exposed or offered for sale, or be brought or attempted to be brought for the Purpose of being so exposed or offered for Sale, in any Market, Fair, or other open or public Place where other animals are commonly exposed for Sale, then and in any such case it shall be lawful for any Clerk or Inspector or other Officer of such Fair or Market, or for any Constable or Policeman, or for any other Person authorized by the Mayor, or by any Two Justices of the Peace having Jurisdiction in the Place, or for any person authorized or appointed by Her Majesty in Council, to seize the same, and to report such Seizure to the Mayor or any Justice of the Peace having Jurisdiction in the Place; and it shall be lawful for such Mayor or Justice either to restore the same, or to cause

“the same, together with any Pens, Hurdles, Troughs, Litter, Hay, Straw, or other Articles which he may judge likely to have been infected thereby, to be forthwith destroyed or otherwise disposed of in such manner as he shall deem proper, or as may be directed in manner hereinafter provided; and any Person bringing or attempting to bring any Sheep, Lambs, Oxen, Bulls, Cows, Calves, or other horned Cattle, into any such Market, Fair, or open or public Place as aforesaid, knowing such Sheep, Lambs, or Cattle to be infected with or labouring under either of such Disorders as aforesaid, shall, upon Conviction thereof, forfeit and pay for each and every such Offence a Sum not exceeding Twenty Pounds.”

And whereas in and by the said Act, it was and is further enacted as follows, that is to say :

“If any Person turn out, keep, or depasture any Sheep or Lambs infected with or labouring under the said disorder, in or upon any Forest, Chase, Wood, Moor, Marsh, Heath, Common, waste Land, open Field, Road Side, or other undivided or uninclosed Land, such person shall, on conviction thereof, forfeit and pay any Sum not exceeding Twenty Pounds.”

And whereas in and by the said Act it was and is further enacted (for the more effectually preventing the spreading of contagious or infectious disease) as follows, that is to say :—

“It shall be lawful for the Lords and others of Her Majesty’s Privy Council, or any two or more of them, from time to time to make such Orders and Regulations as to them may seem necessary for the purpose of prohibiting or regulating the removal to or from such parts or places as they may designate in such Order or Orders, of Sheep, Cattle, Horses, Swine, or other Animals, or of Meat, Skins, Hides, Horns, Hoofs, or other parts of any Animals, or of Hay, Straw, Fodder, or other articles likely to propagate Infection; and also for the purpose of purifying any Yard, Stable, Outhouse, or other place, or any Waggons, Carts, Carriages, or other vehicles; and also for the purpose of directing how any Animals dying in a diseased state, or any Animals, Parts of Animals, or other Things, seized under the Provisions of this Act are to be disposed of; and also for the Purpose of causing Notices to be given of the Appearance of any Disorder among Sheep, Cattle, or other Animals, and to make any other Orders or Regulations for the purpose of giving effect to the Provisions of this Act, and again to revoke, alter, or vary any such Orders or Regulations; and all Provisions for any of the Purposes aforesaid, in any such Order or Orders contained, shall have the like Force and Effect as if the same had been inserted in this Act; and all Persons offending against the same shall for each and every offence forfeit and pay any Sum not exceeding Twenty Pounds, or such smaller Sum as the said Lords or others of Her Majesty’s Privy Council may in any case by such Order direct;”

And whereas a Contagious or Infectious Disorder, known or described as the Sheep Pox, or Variola Ovina, now prevails among the Sheep, in a certain part of the United Kingdom, and it is expedient to take measures for preventing such Disorder from spreading;

Now, therefore, the Lords of Her Majesty’s Privy Council, do hereby, in pursuance and

exercise of the powers so vested in them as aforesaid, make and ordain the several Orders and Regulations following; that is to say :—

13th March, 1866.*

Bucks (to wit).

At the General Quarter Sessions of the Peace of our Sovereign Lady the Queen, holden at Aylesbury, in and for the county of Buckingham, on Monday, in the first week next, after the 28th day of December (to wit) the 1st day of January, and thence continued, and afterwards holden by adjournment, on the 4th day of January, and thence continued by further adjournment and afterwards holden on the 1st day of February, and thence continued by further adjournment and afterwards holden on the 15th day of February, and by virtue of the provisions of "The Cattle Diseases Prevention Act, 1866," deemed to stand further adjourned and afterwards holden by adjournment on the 26th day of February, and thence continued and afterwards holden by further adjournment on the 6th day of March, and thence continued and afterwards holden by further adjournment on the 13th day of March, in the twenty-ninth year of the reign of our Sovereign Lady Victoria, by the Grace of God of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, and in the year of our Lord one thousand eight hundred and sixty-six, before Philip Dauncey, Esquire, William George Duncan, Esquire, Francis L'Estrange Astley, Esquire, and others their Fellows, Keepers of the Peace and Justices of our said Lady the Queen, assigned to preserve the peace in the county aforesaid; and also to hear and determine divers felonies, trespasses, and other misdemeanours done and committed in the said county, and so forth.

Whereas the Justices of the Peace for the said county of Buckingham in Quarter Sessions assembled, and sitting in open Court on the said 1st day of February as aforesaid, in pursuance of the powers in them vested as the "Local Authority" by virtue of three several Orders made by the Lords of Her Majesty's Most Honourable Privy Council, bearing date respectively the

23rd day of November, 1865, the 16th day of December, 1865, and the 20th day of January, 1866, resolved and determined to declare, and did (amongst other things) declare by notice, published on the 1st day of February, 1866, in newspapers circulating within the counties bordering upon the said county of Buckingham, as well as in newspapers circulating within the jurisdiction of the same Justices, that it was expedient on and after the 4th day of February, 1866, until the 1st day of March, 1866, that no animals as in the said Order of the 23rd day of November, 1865, defined, namely, no cow, heifer, bull, bullock, ox, calf, sheep, lamb, goat, or swine, should be removed from any one farm or place in the said county of Buckingham (as therein defined,) to any other farm or place therein, except so far as regarded the removal of sheep, lambs, goats, or swine, upon the conditions therein specified.

And whereas by another Order made at the Council Chamber, Whitehall, on the 23rd day of February, 1866, by seven Lords of the said Council, it was (amongst other things) ordered that the Orders of the Lords of the Council, dated the 23rd day of November, 1865, the 16th of December, 1865, the 20th of January, 1866, and the 6th of February, 1866, should be and were thereby continued, and that where any local authority, under any powers given by any of the said Orders of the Lords of the Council, had published notices, or made Orders within its district, all such notices or Orders which might be in force when this Order came into operation, were thereby continued until the same should be altered or revoked by any further Order or by any local authority, subject nevertheless to the provisions contained in "The Cattle Diseases Prevention Act, 1866," or in any Act which might be thereafter passed; and it was thereby also directed that the powers given by the said Orders, and by this Order now in recital to the local authority, should be exercised, from and after the time when the Order now in recital came into operation, by the local authority constituted under and for the purposes of "The Cattle Diseases Prevention Act, 1866," and not otherwise.

And whereas the said lastly recited Order was duly, and within fourteen days after the issuing thereof, published in the London Gazette, and also within fourteen days as aforesaid twice published in a newspaper circulating in the said county of Buckingham.

And whereas the Justices of the Peace for the said county of Buckingham, in Quarter Sessions assembled and sitting in open Court, on the said 6th day of March as aforesaid, in pursuance of the powers in them vested as the "Local Authority," by virtue of the said several Orders made by the Lords of Her Majesty's Most Honourable Privy Council, resolved and determined to declare, and did (amongst other things) declare by notice, published on the 10th day of March, 1866, in newspapers circulating within the counties bordering upon the said county of Buckingham, as well as in newspapers circulating within the jurisdiction of the same Justices, that it was expedient on and after that day that sheep, lambs, goats, and swine might be removed upon the conditions therein specified.

And whereas the municipal borough of Chepping Wycombe, in this county, being assessed to the county rate of this county is, by virtue of the provisions of the said Act, deemed to form part of this county for the purposes of such Act, and the said Justices so assembled as aforesaid are now "The Local Authority" within the limits of the said borough.

Now, the said Justices in Quarter Sessions assembled, being "The Local Authority" constituted under and for the purposes of "The Cattle Diseases Prevention Act, 1866," and sitting in open Court on the said 13th day of March, do hereby alter and add to the conditions relating to the removal of sheep, lambs, goats, and swine, contained in the said recited notices and order issued at the adjourned sessions held on the said 1st day of February last, and the 6th day of March instant.

And have resolved and determined to declare, and do by this further notice and order declare, that it is expedient from and after this day, that sheep, lambs, goats, and swine may be removed upon the following conditions, namely—

- (c) That two Justices acting in and for a Petty Sessional Division, and sitting in petty sessions, or two members of the Committee appointed for any such division, sitting in committee (one of whom must be a Justice), may in their discretion grant a license to an owner of any sheep, lambs, goats, or swine to remove, or cause the same to be removed, from any one specified parish or place to any other specified parish or place within such Petty Sessional Division; or to any other specified parish or place within any other Petty Sessional Division, upon such licence being countersigned by the like authorities acting for any division through which and into which it may be proposed to remove and bring such sheep, lambs, goats, or swine.
- (d) That two Justices or two members of any committee (as last aforesaid) may in their discretion grant a licence to the owner of any sheep, lambs, goats, or swine, to remove or cause the same to be removed in some cart, waggon, van, or other conveyance, from any parish or place in this county, to any slaughter house to be specified in such licence, upon condition that such sheep, lambs, goats, or swine, be slaughtered within twenty-four hours after removal.
- (e) That each such license (after having been used) be returned by the first post to the Clerk to the Committee for the division from which each such license may have been issued.

And the said "Local Authority" have further resolved and determined to declare, and do by this further notice and order declare, that it is expedient that a certain notice published by the Mayor of the said borough of Chepping Wycombe, dated the 18th day of January, 1866 (the said Mayor then being the Local Authority of that jurisdiction), shall be altered or revoked pursuant to the powers in us vested as well in and by the said several Orders in Council as in and by the said last mentioned Act.

And also that it is expedient from and after this day, that the several orders and notices issued by this Court, bearing date respectively the 4th day of January last, the 1st day of February last, the 26th day of February last, and the 6th day of March instant, as well as this present order and notice, shall extend and be applicable as well to that part of this county comprised within the limits of the municipal borough of Chepping Wycombe, as to the other parts of the said county (excepting only the municipal borough of Buckingham); subject nevertheless to the modifications and exceptions to which such orders and notices are now subject.

By the Court,

20th March, 1866.*

Bucks, to wit.

At the General Quarter Sessions of the Peace of our Sovereign Lady the Queen, holden at Aylesbury, in and for the county of Buckingham, on Monday in the first week next after the 28th day of December (to wit) the 1st day of January, and thence continued and afterwards holden by adjournment on the 4th day of January, and thence continued by further adjournment and afterwards holden on the 1st day of February, and thence continued by further adjournment and afterwards holden on the 15th day of February, and by virtue of the provisions of "The Cattle Diseases Prevention Act, 1866" deemed to stand further adjourned and afterwards holden by such further adjournment on the 26th day of February, and thence continued by further adjournment and afterwards holden on the 6th day of March, and thence continued by further adjournment and afterwards holden on the 13th day of March, and thence continued by further adjournment and afterwards holden on the 20th day of March, in the 29th year of the reign of our Sovereign Lady Victoria, by the Grace of God of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith, and in the year of our Lord, 1866, before John Hale, Esq., the Most Noble Richard Plantagenet Campbell Duke of Buckingham and Chandos, Sir Philip Duncombe Pauncefort Duncombe, Baronet, and others their fellows, Keepers of the Peace and Justices of our said Lady the Queen, assigned to preserve the Peace in the county aforesaid; and also to hear and determine divers felonies, trespasses, and other misdemeanors done and committed in the said county, and so forth.

Whereas the Justices of the Peace for the said county of Buckingham in Quarter Sessions assembled and sitting in open Court on the said 1st day of February as aforesaid, in pursuance of the powers in them vested as the "Local Authority" by virtue of three several Orders made by the Lords of Her Majesty's Most Honourable Privy Council, bearing date respectively the 23rd day of November, 1865, the 16th day of December, 1865, and the 20th day of January, 1866, resolved and determined to declare, and did (amongst other things) declare by notice, published on the 1st day of February, 1866, in newspapers circulating within the counties bordering upon the said county of Buckingham, as well as in newspapers circulating within the jurisdiction of the same Justices, that it was expedient on and after the 4th day of February, 1866, until the 1st day of March, 1866, that no animals as in the said Order of the 23rd day of November, 1865 defined, namely, no cow, heifer, bull, bullock, ox, calf, sheep, lamb, goat, or swine, should be removed from any one farm or place in the said county of Buckingham (as therein defined), to any other farm or place therein, except so far as regarded the removal of sheep, lambs, goats, or swine upon the conditions therein specified.

And whereas by another Order made at the Council Chamber, Whitehall, on the 23rd day of February, 1866, by seven Lords of the said Council, it was (amongst other things) ordered that the Orders of the Lords of the Council, dated the 23rd day of November, 1865, the 16th of December, 1865, the 20th of January, 1866, and the 6th of February, 1866, should be and were thereby continued; and that where any local authority, under any powers given by any of the

said Orders of the Lords of the Council, had published notices, or made orders within its district, all such notices or orders which might be in force when the now-reciting Order came into operation, were thereby continued until the same should be altered or revoked by any further Order or by any local authority, subject, nevertheless, to the provisions contained in "The Cattle Diseases Prevention Act, 1866," or in any Act which might be thereafter passed.

And it was thereby also directed that the powers given by the said Orders, and by this Order now in recital, to the local authority, should be exercised, from and after the time when the Order now in recital came into operation, by the local authority constituted under and for the purposes of "The Cattle Diseases Prevention Act, 1866," and not otherwise.

And whereas the said lastly-recited Order was duly and within fourteen days after the issuing thereof published in the London Gazette, and also within fourteen days as aforesaid twice published in a newspaper circulating in the said county of Buckingham.

And whereas the said Justices (being the "Local Authority" constituted under and by virtue of the said several Orders in Council, and of "The Cattle Diseases Prevention Act, 1866") are satisfied of the existence of the disorder in the said Orders in Council designated "the Cattle Plague," within the district over which their jurisdiction extends, such district being the area of the said county of Buckingham (excepting only the municipal borough of Buckingham).

1. Now, the said Justices in Quarter Sessions assembled, being the "Local Authority" as aforesaid, and sitting in open Court on the said 20th day of March, do hereby alter and add to the several orders issued at the General Quarter Sessions held on the said 4th day of January last, relating to the removal of "animals" (as defined by the said Act), and also of hides, skins, horns, and hoofs of animals; and also those orders which were issued at the subsequent adjournments of the same Sessions; and have resolved and determined to declare, and do by this further notice and order, to be published on the 24th day of March, 1866, in newspapers circulating within the county of Buckingham, declare that it is expedient that any of such "animals" as hereinafter mentioned may be removed, upon the following conditions, namely:—

(f.) That two Justices acting in and for a Petty Sessional Division, and sitting in Petty Sessions, or two members of the Committee appointed for any such division sitting in Committee (one of whom must be a Justice), may in their discretion grant a licence to an owner of any cow or heifer to remove or cause the same to be removed for breeding purposes from any one specified farm, lands, field, homestead, or place in his occupation to any other premises of the like nature to be also specified, situate within the same Petty Sessional Division in or at which a bull is kept. Provided that every such licence shall prescribe the route by which every such cow or heifer shall travel; but no such licence shall be granted if the said disorder called "the Cattle Plague" shall have existed at any time prior to the application for any such licence, either in or on such farm, lands, field, homestead, or place in the occupation of the owner of any such cow or heifer, or on any part of such premises so occupied by him whether detached or otherwise from the main

body of the lands and premises in his occupation, or in or on the farm, lands, field, homestead, or place or any part thereof to which it may be proposed to remove any such cow or heifer as aforesaid, or within one mile of either of such premises or of such prescribed route, unless it shall have been certified to the satisfaction of the authority granting any such licence at the time of the application for the same that all and every part of the premises in which any such animal may have been kept while affected by the said disease, or may have died or been slaughtered, and from or near to which premises it may be proposed to remove any such cow or heifer, have been thoroughly cleansed and disinfected in manner prescribed by the 14th section of the said recited Act, and that thirty days have elapsed after the cleansing and disinfecting of such premises in pursuance of the same Act. And every such licence shall remain in force for seven days from the date thereof, and no longer, and after having been used shall be returned by the post or otherwise by the party holding the same to the Clerk to the Justices of the division from which it may have been issued.

2. That two Justices sitting in Petty Sessions for the division from which it may be proposed to remove any "animals" as hereinafter next mentioned may, in their discretion, grant a licence to the occupier of a farm (situate within such division) which he may be about to quit, to remove during the period between the 25th day of March instant, and the 6th day of April next (both days inclusive) any animals then actually on such farm, and of which he shall have been the owner for thirty days at least, prior to the date of any such licence, to any other farm which he may be about to occupy, provided that a certificate from the Committee of each of the divisions from and into which it may be proposed to remove any of such animals be first obtained, to the effect that the said disorder has not existed on any part of either of such farms (both of which are to be specified in such licence) since the 1st day of January, 1866.

3. And that any two Justices, as last aforesaid, may, in manner last aforesaid, grant a licence to the occupier of any farm within their division who may be about to quit the same, and who may not intend to enter into the occupation of another farm, to remove during the period last aforesaid any animal then actually on such farm, and of which he shall have been the owner for thirty days, as aforesaid, to any other specified farm, or other such like place within the county.

4. Provided that each such licence as in the three preceding sections authorised, shall be available only between the beginning of the last hour before sunrise, and the expiration of the first hour after sunset.

5. And the said Justices so assembled, and being such "local authority" as aforesaid, have further resolved and determined to declare, and do by this further notice and order declare, that it is expedient that no raw or untanned hides or skins, nor any horns or hoofs, nor any offal of any such animals (as defined as aforesaid), shall be removed from any parish, place, or premises within the county of Buckingham (as defined as aforesaid), except upon the conditions following, namely,—

(g.) That two Justices acting in and for a Petty Sessional Division, and sitting in Petty Sessions, or two members of the Committee appointed for any division sitting in Com-

mittee (one of whom must be a Justice), may in their discretion, upon the production of a certificate of an inspector of that division as to the propriety thereof, grant a licence to an owner of any raw or untanned hides or skins, horns, hoofs, or offal, as aforesaid, to remove, or cause the same to be removed, from any one specified parish or place to any other specified parish or place within such Petty Sessional Division, or to any other specified parish or place within any other Petty Sessional Division, upon such licence being countersigned by the like authorities acting for any division through which and into which it may be proposed to remove and bring such hides or skins, horns, hoofs, or offal as aforesaid.

6. And every such licence, as last aforesaid, shall remain in force for a period not exceeding seven days from the date thereof, and no longer, and, after having been used, each such licence shall be returned by post or otherwise by the party holding the same to the Clerk to the Justices of the Division from which it may have been issued.

7. That the aforesaid orders and notices shall come into operation on and after the 25th day of March instant, and shall remain in force (with the exception of such part or parts thereof as shall expire by lapse of time,) until the same be altered or revoked by some further order or notice.

8. Every person acting in contravention of such orders and notices, will be liable to a penalty not exceeding twenty pounds.

By the Court,

*Acton Tindal*, Clerk of the Peace.
