THE Earl of Clarendon, Her Majesty's Principal Secretary of State for Foreign Affairs, has received from the Acting British Chargé d'Affaires at Lima, a Despatch, which encloses a Decree of the Peruvian Government, prohibiting, from the date thereof, the entry into the Ports of Peru of those Neutral Vessels which have furnished the Spanish Squadron with Fuel, Provisions, Articles of War, or which have been in communication with that Squadron:—

(Copy).

LIMA.

MARIANO IGNACIO PRADO,

Jeje Supremo Provisorio de la Republica,

Considerando :

1°. Que en el estado de guerra en que se halla la República con el gobierno español, no es lícito á los neutrales proporcionar á los beligerantes medio alguno de hacer mas poderosas y eficaces sus hostilidades :

2°. Que el Perú tiene un perfecto derecho y está en el caso de privar al enemigo de todos los artículos que ha menester para continuar en actitud de guerra :

3°. Que es un hecho evidente que algunas embarcaciones con bandera neutral, han suministrado á los buques españoles carbon de piedra y otras provisiones, sin las cuales no habrian podido subsistir en el Pacifico :

4°. Que, asi quebrantada la neutralidad, á que están obligados los estranos, es indispensable emplear medidas que, sin negar al comercio legal los favores que necesita, pongan á los traficantes de mala fé en la imposibilidad de practicar acciones prohibidas :

Decreto :

Art. único. No es permitido arribar ni cargar, en los puertos y caletas en la República, á las embarcaciones neutrales que desde hoy proporcionen á los buques de la escuadra española, combustible, provisiones de boca, artículos de guerra ó de cualquiera especie, ó que se comuniquen con ella.

El Secretario de Estado en el despacho de Hacienda y Comercio queda encargado de la ejecucion de este decreto, y de hacerlo publicar y circular.

Dado en la casa de Gobierno en Lima á 5 de Abril de 1866.

MARIANO I. PRADO.  
M. PARDO.

(Translation).

MARIANO IGNACIO PRADO,

Provisional Supreme Chief of the Republic,

Considering :

1st. That in the state of war in which the Republic is at present with the Spanish Government, it is illegal for neutrals to furnish the belligerents any means in making more powerful and efficient their hostilities.

2nd. That Peru has a perfect right, and is under the necessity of keeping from the enemy all articles that assist in continuing the war.

3rd. That it is an evident fact that several vessels under neutral flags have furnished to the Spanish vessels coal, and other provisions, without which they could not have remained in the Pacific.

4th. That thus violating the neutrality to which foreigners are bound, it is necessary to take those

steps which, without refusing to legal commerce the favours they require, prevent the illegal traffickers from practising their prohibited trade.

I decree :

No neutral vessel which from this date furnishes to the vessels of the Spanish Squadron fuel, provisions, articles of war, or of any other kind, or which communicates with it, will be allowed to enter, or load at, the ports or creeks of the Republic.

The Secretary of State in the office of Commerce is ordered to enforce this Décreé, and to have it published and circulated.

Given in the Palace, at Lima, this 5th day of April, 1866.

By the QUEEN,

A PROCLAMATION.

VICTORIA, R.

**W**HEREAS by Our Order in Council of this day's date we were graciously pleased to annul, from and after the thirtieth day of September next, Our Royal Proclamation of the twenty-ninth day of June, one thousand eight hundred and sixty-five, regulating, according to the scheme set forth therein or recognized thereby, the distribution of the net proceeds of prizes captured from the enemy, of captures and seizures under the several Acts of Parliament passed relating to the revenues of customs, and to trade and navigation, for the abolition of the Slave Trade, for the capture and destruction of pirates and piratical vessels, and of the rewards conferred for the same, as also of the awards for all salvage granted to the crews of Our ships and vessels of war, when not otherwise specially apportioned by the terms of the respective awards and allowances, and in consequence of certain alterations in the apportionment and classification of the shares being desirable, it is expedient that provision should be made for the future distribution of such net proceeds and salvage not otherwise specially apportioned, and all other moneys whatsoever granted to be shared among the officers and crews of Our ships and vessels in the manner of prize money.

We do, therefore, now make known to all Our loving subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal will and pleasure is, and We do hereby direct, that ships or vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to Our Royal Navy in the manner of prize money, shall be made as follows; viz. :—

That the flag officer or officers shall have one-thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions

and modifications, save and except as hereinafter provided and directed; that is to say :—

When there is but one flag officer he shall have the entire one-thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one-thirtieth part; and when there shall be more than two flag officers the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers: provided always, that no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy, or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations, shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his Commander-in-Chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed), shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A Commander-in-Chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from Our Commissioners of the Admiralty, unless such Commander-in-Chief or flag officer is expressly authorised by Our said Commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and Commander-in-Chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station, he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time shall have one-tenth of the remainder, or if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain, the com-

mander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants commanding, staff commanders commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts; each commander of a sloop, or commander under the captain in a rated ship, three parts; and each lieutenant commanding, staff commander commanding, or master commanding, or other officer actually commanding a small vessel of war, two parts; which we hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of Marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops. And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of our ships, sloops, and vessels of war, and actually on board at the time of any such capture, seizure, &c., as aforesaid, and every person present and assisting shall receive shares or a share according to his class, as set forth in the following scale:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen; and of the Act of the fourth and fifth years of your Majesty, chapter thirty-nine; have prepared, and now humbly lay before your Majesty in Council, the following scheme for making better provision for the cure of souls within the new parish of Saint Stephen, Tonbridge, in the county of Kent, and in the diocese of Canterbury.

"Whereas the church of the said new parish of Saint Stephen, Tonbridge, is in the patronage of the vicar or incumbent for the time being of the vicarage of the parish of Tonbridge, in the county and diocese aforesaid.

"And whereas it has been made to appear to us that the church of the said new parish of Saint Stephen, Tonbridge, is ill endowed, and that it is desirable that additional provision should be made for the cure of souls within the said new parish.

"And whereas Sophia Deacon, of Mabledon, near Tonbridge, Widow (who is the patron of the vicarage of the said parish of Tonbridge), has paid over to us a capital sum of one thousand pounds, upon the understanding that the arrangement hereinafter mentioned respecting the patronage of the said new parish of Saint Stephen, Tonbridge, should be recommended by us to your Majesty in Council, and upon the further understanding that in respect of the said capital sum of one thousand pounds above mentioned, or of such part thereof as may from time to time remain in our hands, there should be paid by us to the present incumbent of the said new parish of Saint Stephen, Tonbridge, and his successors, by equal half-yearly payments on the first day of May, and on the first day of November, in each and every year, the annual sum of thirty-three pounds six shillings and eightpence, or a part of such annual sum proportionate to the part of the said capital sum of one thousand pounds so remaining in our hands as aforesaid, and we have agreed to make such payment or payments accordingly.

patronage of the said new parish of Saint Stephen, Tonbridge, and of the nomination of the incumbent thereto, and to the church thereof, shall be transferred from the vicar or incumbent for the time being of the vicarage of the said parish of Tonbridge, and from his successors vicars or incumbents of the same vicarage, and shall become and be absolutely vested in, and shall and may from time to time for ever thereafter be exercised jointly by the Honourable and Right Reverend Samuel Waldegrave, Doctor in Divinity, now Bishop of the diocese of Carlisle, the said John Thomas Manley, George Campion Courthope, of Whiligh, in the county of Sussex, Esquire, John Deacon, of Birchington-lane, in the city of London, Esquire, and George Hope, of Southborough, in the county of Kent, Esquire, a Captain in the Royal Navy, and their successors, to be appointed as hereinafter is mentioned, upon trust, nevertheless, that they, the said Samuel Waldegrave, John Thomas Manley, George Campion Courthope, John Deacon, and George Hope, and their successors, to be appointed as aforesaid, shall, upon every legal vacancy in or avoidance of the ministry or incumbency of the said new parish of Saint Stephen, Tonbridge, and of the church of the same new parish, exercise such right of patronage and nomination, by nominating to such ministry or incumbency some one fit and proper person, being in Holy Orders of the United Church of England and Ireland, to be approved of for the purpose by them the trustees for the time being of the said right of patronage and nomination, or by a majority of them.

"Provided always, and we hereby recommend and propose that the said Samuel Waldegrave and the said John Thomas Manley, and every other spiritual person holding an ecclesiastical dignity or benefice, who may hereafter become one of the trustees of the said right of patronage and nomination, shall be deemed to be such trustee in his capacity as a natural person only, and not as a corporation sole.

"Provided also, and we further recommend and propose that when and so often as any of them, the said Samuel Waldegrave, John Thomas Manley, George Campion Courthope, John Deacon, and George Hope, or any future trustees or trustee, shall die, resign, or become incapable of acting in the execution of the trust or right of nomination hereby recommended and proposed to be created, or shall desire to retire from the said trust, then and in every such case, a new trustee or new trustees of the said right of patronage and nomination shall be appointed in the manner and subject to the several provisions set forth in and provided by the tenth section of the Act of the fourteenth and fifteenth years of your Majesty, chapter ninety-seven, with respect to new trustees to be appointed under the same section.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or to any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act or Acts of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the

**PRESENT,**

The **QUEEN's** Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, and of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, duly prepared and laid before Her Majesty in Council a scheme, bearing date the third day of May, in the year one thousand eight hundred and sixty-six, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, and of the Act of the sixth and seventh years of your Majesty, chapter thirty-seven, have prepared, and now humbly lay before your Majesty in Council, the following scheme for constituting a separate district, for spiritual purposes, out of the new parish of Saint Thomas, Stamford-hill, in the county of Middlesex and in the diocese of London, and out of the district chapelry of Saint James, Clapton, in the same county and diocese.

"Whereas it has been made to appear to us that it would promote the interests of religion that the particular portions of the said new parish of Saint Thomas, Stamford-hill, and of the said district chapelry of Saint James, Clapton, which are hereinafter mentioned and described (such portions not at present containing within their limits any consecrated church or chapel in use for the purposes of divine worship) should be constituted a separate district for spiritual purposes in the manner hereinafter set forth.

"And whereas a sum of three thousand three hundred and thirty-three pounds six shillings and eightpence, three pounds per centum consolidated Bank annuities, has been contributed and transferred to our account and into our name in the books of the Governor and Company of the Bank of England, by certain persons, in aid of the endowment of the district hereinafter recommended to be constituted, and of the maintenance of the minister thereof for the time being, and we have, in respect thereof, undertaken to provide and pay by equal half-yearly payments, on the first day of May and the first day of November in each and every year, to such minister as aforesaid, when duly licensed in accordance with the provisions of the herein secondly-mentioned Act, the yearly sum of one hundred pounds.

"And whereas the said sum of three thousand three hundred and thirty-three pounds six shillings and eightpence, three pounds per centum consolidated Bank annuities, has been so contributed and transferred as aforesaid, upon the understanding that we should pay out of the common fund created by the firstly herein-named Act, to the minister, for the time being, of the said district hereinafter recommended to be constituted, when such minister shall have been duly licensed as before mentioned, the annual sum of fifty pounds, and upon the further understanding that (such arrangement appearing to us to be expedient) the whole right of patronage of the said district, and of the nomination of the minister thereof should be assigned in the manner hereinafter mentioned.

"Now, therefore, with the consent of the Right Honourable and Right Reverend Archi-

bald Campbell, Bishop of the said diocese of London (in testimony whereof he has signed and sealed this scheme) we humbly recommend and propose, that all those portions of the said new parish of Saint Thomas, Stamford-hill, and of the said district chapelry of Saint James, Clapton, which are described in the schedule hereunder written, and which are delineated and set forth on the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette, of any Order of your Majesty in Council ratifying this scheme, become and be constituted a separate district for spiritual purposes, and that the same shall be named 'The District of Saint Matthew, Upper Clapton.'

"And we further recommend and propose, that we may be authorized and empowered to pay out of the common fund before referred to, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the provisions of the herein secondly-mentioned Act, the sum of fifty pounds in each and every year, by equal half-yearly payments on the first day of May and the first day of November, and that the first of such payments, or a proportionate part thereof, shall be made on the first day of May or the first day of November next after the day of the date of the licence of such minister as aforesaid; and that in case a vacancy in the ministry of such district shall happen on any other day than the first day of May or the first day of November, the amount next thereafter payable shall be duly apportioned between and paid to the minister making the vacancy, or his personal representative or representatives, and the minister succeeding to such district.

"And we further recommend and propose, that the whole right of patronage of the said district so recommended to be constituted, and of the nomination of the minister thereof, shall, without any assurance in the law other than this scheme, and any duly gazetted Order of your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to and be absolutely vested in, and shall and may from time to time be exercised by, the said Archibald Campbell, Bishop of the said diocese of London, and by his successors, Bishops of the same diocese, for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament."

**The SCHEDULE** to which the foregoing Scheme has reference.

## TREASURY WARRANT.

WHEREAS by an Act of Parliament made and passed in the session of Parliament holden in the third and fourth years of the reign of Her Majesty, chapter 96, for the regulation of the duties of postage, power is given to the Commissioners of Her Majesty's Treasury from time to time, by Warrant under their hands, to alter and fix any of the rates of British postage or inland postage payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid; and it is provided that the power thereby given should extend to any increase or reduction or remission of postage:

And whereas further powers are given to the Commissioners of Her Majesty's Treasury by another Act made and passed in the session of Parliament holden in the tenth and eleventh years of the reign of Her Majesty, chapter 85, for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post Office:

And whereas it is expedient to reduce the rates of postage now payable upon certain letters conveyed between the United Kingdom and Sweden, and also to make certain regulations in the manner hereinafter mentioned and contained:

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the power or authority in us for such purpose vested in and by the said recited Act, and of all other powers enabling us in this behalf, do, by this Warrant (under the hands of two of us the said Commissioners, by the authority of the statute in that case made and provided), order, direct, and declare as follows:

1. On every letter not exceeding one half of an ounce in weight posted in the United Kingdom addressed to Sweden, or posted in Sweden addressed to the United Kingdom, and transmitted by the post between any part of the United Kingdom and any place in Sweden, the said respective letters being conveyed either direct by Swedish mail packet boat or via Denmark, Belgium, and Germany, there shall be charged, taken, and paid an uniform rate of postage (British and foreign combined) of sixpence, if such respective letters be prepaid, and if such respective letters be not prepaid, an uniform rate of postage (British and foreign combined) of eight pence.

2. On every letter not exceeding one half of an ounce in weight posted in, or addressed to, any part of Sweden, transmitted by the post between Sweden and any of Her Majesty's colonies, or any foreign country, through the United Kingdom, conveyed between Sweden and the United Kingdom, either direct by Swedish mail packet boat or via Denmark, Belgium, and Germany (the conveyance through the United Kingdom in connection with such last-mentioned route being otherwise than in closed mails), there shall be charged, taken, and paid for such conveyance thereof respectively, between Sweden and any part of the United Kingdom, an uniform rate of postage (British and foreign combined) of sixpence, if such respective letters be prepaid, and if such respective letters be not prepaid, an uniform rate of

postage (British and foreign combined) of eight pence; and also for the conveyance of every such letter between the port in the United Kingdom of the departure or arrival of the packet boat or vessel (not being a packet boat) conveying the same, and the British colony or foreign country to or from which the same shall be forwarded, such a further or additional rate of postage as shall from time to time be chargeable and payable for British postage on letters not exceeding half an ounce in weight, posted or delivered at the port in the United Kingdom, of the departure or arrival of the packet boat or vessel (not being a packet boat) conveying the same and transmitted direct between such port and any such colony or foreign country: provided that in all cases where such additional rate includes both inland and sea services there shall be deducted therefrom the sum of one penny in respect of the inland conveyance under this clause of every such letter sent through the United Kingdom.

3. On every letter transmitted as is hereinbefore in this Warrant respectively mentioned, exceeding one half of an ounce in weight, there shall be charged, taken, and paid progressive and additional rates of postage according to the scale of weight and number of rates following (that is to say):—

On every letter so transmitted exceeding one half of an ounce in weight, and not exceeding one ounce in weight, two rates of postage;

On every letter so transmitted exceeding one ounce, and not exceeding one ounce and the half of another ounce in weight, three rates of postage;

On every letter so transmitted exceeding one ounce and the half of another ounce, and not exceeding two ounces in weight, four rates of postage;

On every letter so transmitted exceeding two ounces, and not exceeding two ounces and the half of another ounce in weight, five rates of postage;

And on every letter so transmitted exceeding two ounces and the half of another ounce, and not exceeding three ounces in weight, six rates of postage;

And for every half of an ounce in weight of any such letter above the weight of three ounces, there shall be charged and taken one additional rate of postage, and in charging any additional rate of postage every fractional part of such additional half of an ounce shall be charged as an additional half of an ounce in weight, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such letter would be charged with under this Warrant if not exceeding one half of an ounce in weight.

4. If any letter transmitted by the post under the authority of the first clause of this Warrant, shall be posted and the postage stamp or stamps affixed thereto shall represent a less amount than the rate of postage to which the same would be liable under or by virtue of this Warrant, every such letter shall be charged with postage as an unpaid letter, and the amount of such postage paid thereon, or stamp or stamps affixed thereto, shall be allowed and deducted in charging such postage thereon.

5. Registered letters may be transmitted by the post, under the authority of this Warrant, upon the payment of such additional charges or rates of postage or otherwise as the Postmaster-General may from time to time direct or appoint in that

behalf; provided that all rates of postage and additional charges or rates, from time to time payable thereupon, shall be prepaid, and that no payment shall be made thereupon on the delivery of any such registered letters.

6. Nothing herein contained shall be deemed or construed to annul, prejudice, or affect any of the exemptions and privileges granted by the said firstly hereinbefore recited Act, or to annul, prejudice, or affect any of the privileges which seamen and soldiers employed in Her Majesty's service are now by law entitled to of sending and receiving by the post letters not exceeding half an ounce in weight, subject to the regulations and restrictions made and in force in respect of the same.

7. The several terms and expressions used in this Warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said firstly hereinbefore recited Act.

8. The several rates of postage chargeable on letters transmitted by the post, under the provisions of this Warrant, shall be in lieu of any now chargeable thereon under or by virtue of two certain Warrants of the Commissioners of Her Majesty's Treasury, bearing date respectively the 13th day of May, 1863, and the 23rd day of October, 1865, and the same, together with the whole of the said Warrant of the 13th day of May, 1863, and so much of the said Warrant of the 23rd day of October, 1865, as relates to or affects letters transmitted by the post between any part of the United Kingdom and any place in Sweden, and between Sweden and any of Her Majesty's colonies or any foreign country, are, hereby repealed, revoked, and annulled. Nevertheless, no Warrant or part of a Warrant, repealed or annulled by either of the said last-mentioned Warrants, shall be revived by this present Warrant.

9. This Warrant shall come into operation on the first day of June, one thousand eight hundred and sixty-six.

10. The Commissioners for the time being of Her Majesty's Treasury may, by Warrant under their hands, duly made at any time hereafter, alter, repeal, or revoke any of the rates of postage hereby fixed or altered, or any of the orders, regulations, conditions, and restrictions hereby made, and may make and establish any new or other rates, orders, regulations, conditions, and restrictions, in lieu thereof, and may from time to time appoint at what time the rates which may be payable are to be paid.
