TUESDAY, JULY 3, 1866.

AT the Court at *Windsor*, the 27th day of *June*, 1866.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS Her Majesty, by and with the advice of Her Privy Council, by an Order reciting that, whereas it had been represented to Her Majesty, that certain contagious or infectious disorders were then prevalent among cattle, in the dominions and territories situated in Europe, belonging to His Majesty the King of the Netherlands, and that there was danger of the said disorders being introduced into this country by means of cattle from such countries or places, did order, that on and after the twenty-eighth day of March then instant, no cattle should be imported or introduced into the United Kingdom, which should come from or should have been at any place within the aforesaid territories and dominions, situate in Europe, belonging to His Majesty the King of the Netherlands; and also that on and after the said twenty-eighth day of March then instant, no cattle should be imported or introduced into the United Kingdom which should be, or should have been, on board any vessels at the same time with any cattle which should have come from, or should have been within, the aforesaid territories and dominions.

And Her Majesty, by and with the advice of Her Privy Council, did thereby further order that, in the event of any cattle being landed in any portion of the United Kingdom, contrary to the provisions of that Order, all such cattle, the importation or introduction whereof was thereby prohibited as aforesaid, should, upon their arrival in this country, be destroyed or otherwise disposed of, as the Commissioners of Her Majesty's Customs might direct; and that that Order should continue in force until revoked by any further Order; and that the word "cattle" should include sheep as well as bulls, cows, oxen, heifers, and calves.

And whereas it is advisable that this Order should be revoked to the extent hereinafter set forth.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, doth hereby revoke so much of the said Order as would apply to cattle the produce of the provinces of Friesland and Groningen, parts of the said dominions belonging

to His said Majesty the King of the Netherlands, and doth hereby authorise any such cattle to be imported into any port or place in Great Britain, from the ports of Harlingen, in the province of Friesland, and Delfzyl, in the province of Groningen, only, subject nevertheless to all the regulations heretofore or hereafter to be made by the Lords of the said Council, or by any Local Authority under the Order of such lords, applicable to the importation of foreign cattle or sheep into any port or place in Great Britain.

This Order shall be construed as the said recited Order of the twenty-fourth day of March last, and shall continue in force until revoked.

And the Right Honourable the Lords Commissioners of Her Majesty's Treasury are to give the necessary directions herein accordingly.

Arthur Helps.

AT the Court at *Windsor*, the 27th day of *June*, 1866.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS Her Majesty, at the Court held at Buckingham Palace, the 24th day of March last, by and with the advice of Her Privy Council, by an Order reciting that whereas it had been represented to Her Majesty that certain contagious or infectious disorders were then prevalent among cattle in the dominions and territories situated in Europe belonging to His Majesty the King of the Netherlands, and that there was danger of the said disorders being introduced into this country by means of cattle from such countries or places, did order that, on and after the twenty-eighth day of March then instant, no cattle should be imported or introduced into the United Kingdom which should come from or should have been at any place within the aforesaid territories and dominions situate in Europe, belonging to His Majesty the

King of the Netherlands; and also that, on and after the said twenty-eighth day of March then instant, no cattle should be imported or introduced into the United Kingdom which should be or should have been on board any vessels at the same time with any cattle which should have come from or should have been within the aforesaid territories and dominions;

And whereas by an Order, bearing even date herewith, Her Majesty, by and with the advice of Her Privy Council, hath revoked so much of the said Order as would apply to cattle the produce of the provinces of Friesland and Groningen, parts of the said dominions belonging to His said Majesty the King of the Netherlands, and authorised any such cattle to be imported into any port or place in Great Britain from the ports of Harlingen, in the province of Friesland, and Delfzyl, in the province of Groningen, only, subject nevertheless to all the regulations heretofore or hereafter to be made by the Lords of the said Council, or by any Local Authority under the Order of such Lords, applicable to the importation of foreign cattle or sheep into any port or place in Great Britain;

And whereas it has been represented to Her Majesty that it is advisable that certain provisions should be made with reference to the horns, hoofs, and raw or wet hides and skins of cattle to be imported from the dominions and territories aforesaid into the United Kingdom;

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, doth order, and it is hereby ordered, that on and after the first day of July, one thousand eight hundred and sixty-six, no horn, hoof, raw or wet hide or skin of any such cattle as aforesaid shall be imported or introduced into the United Kingdom which shall come from, or shall have been at, any place within the aforesaid territories and dominions, situate in Europe, belonging to His Majesty the King of the Netherlands, other than the said provinces of Friesland and Groningen; and also that on and after the said first day of July, one thousand eight hundred and sixty-six, no horn, hoof, raw or wet hide or skin of any such cattle shall be imported or introduced into the United Kingdom which shall be, or shall have been, on board any vessels at the same time with any cattle which shall have come from, or shall have been within, the aforesaid territories and dominions, other than the said provinces of Friesland and Groningen.

And Her Majesty, by and with the advice of Her Privy Council, doth hereby further order that, in the event of the horn, hoof, raw or wet hide or skin of any cattle being landed in any portion of the United Kingdom, contrary to the provisions of this Order, such horn, hoof, raw or wet hide or skin, the importation or introduction whereof is so hereby prohibited as aforesaid, shall, upon arrival in this country, be destroyed or otherwise disposed of, as the Commissioners of Her Majesty's Customs may direct.

This Order shall continue in force until revoked by any further Order.

The word "cattle" shall include sheep as well as bulls, cows, oxen, heifers, and calves.

And the Right Honourable the Lords Commissioners of Her Majesty's Treasury are to give the necessary directions herein accordingly.

**A**T the Court at Windsor, the 27th day of June, 1866.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, and of the Act of the twenty-third and twenty-fourth years of Her Majesty, chapter one hundred and twenty-four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fourteenth day of June, in the year one thousand eight hundred and sixty-six, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, and of the Act of the twenty-third and twenty-fourth years of your Majesty, chapter one hundred and twenty-four, have prepared, and now humbly lay before your Majesty in Council, the following scheme for making better provision for the cure of souls in certain parishes and districts.

"Whereas the several benefactions, consisting of sums of cash or stock, land, rent-charge, and other hereditaments, which are mentioned in the fourth column of the schedule hereunto annexed, have been paid over or transferred to us in favour of, or have been otherwise legally secured to the several benefices set forth in the first column of the same schedule respectively, upon condition that certain annual sums hereinafter mentioned shall be paid by us out of our common fund, created by the herein firstly-mentioned Act, to the incumbents for the time being of the said several benefices respectively, and upon further condition, that in respect of such of the said benefactions as consist of cash or Government stock, or in respect of such part or parts thereof as shall from time to time remain in our hands, there shall be paid by us to the incumbents for the time being of the said benefices respectively, by equal half yearly payments, on the first day of May and the first day of November in each year, the yearly sums respectively specified and set forth in the fifth column of the same schedule, or a proportionate part of each of such annual sums.

"Now, therefore, we humbly recommend and propose that we may be authorized and empowered to pay out of the said common fund, by equal half-yearly payments, on the first day of May and the first day of November in each year, to the incumbent for the time being of each of the several benefices specified in the first column of the said schedule hereunto annexed respectively, the annual sum the amount of which is set against the name of each such benefice in the sixth column of the same schedule.

"And we further recommend and propose, that if at any time it shall appear to us to be desirable that land, tithe, or other hereditaments should be substituted for such or any of such annual sums, nothing herein contained shall prevent us from recommending and proposing such substitution, or from recommending and proposing any further or other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twelfth day of April, in the year one thousand eight hundred and sixty-six, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, have prepared, and now humbly lay before your Majesty in Council, the following scheme for assigning certain lands and hereditaments as an endowment for the Dean and Chapter of the Cathedral Church of Gloucester.

"Whereas, under the provisions of the above-mentioned Act, and of an Act of the fourth and fifth years of your Majesty, chapter thirty-nine, and of an Act of the fifth and sixth years of your Majesty, chapter twenty-six, and by virtue of an Order of your Majesty in Council, made under the authority of such provisions, bearing date the twenty-sixth day of June, in the year one thousand eight hundred and fifty-five, and duly published in the London Gazette on the seventeenth day of July in the same year, in consideration of annual money payments of eight thousand four hundred and sixty pounds and three hundred and forty pounds to the said dean and chapter (such last-mentioned sum to be by them appropriated and paid to the chapter clerk for the time being in respect of the profits which would have accrued to him on account of the management of the estates thereby transferred to us), and also in consideration of our surrendering all right in respect of the suspended canonries mentioned in the said Order to the property excepted from the transfer thereby effected as next hereinafter mentioned, all the manors, lands, tithes, tenements, and hereditaments theretofore belonging, either in possession or reversion, to the said dean and chapter (except certain portions thereof in the above-mentioned Order particularly excepted), and all the estate and interest therein of the said dean and chapter became vested in us.

"And whereas it was, by the above-mentioned Order of your Majesty in Council, provided that

none of the monies or estates received or acquired under the provisions thereof, should be applicable to the purposes of our common fund, except only so far as it might be necessary to reimburse such fund any advances made thereout under the provisions of such Order, until or unless by and under the authority therein referred to, that is, by the authority of a scheme prepared by us, and ratified by an Order of your Majesty in Council, the said dean and chapter should have been put into possession, in fee-simple, of real estate sufficient to secure to them an annual income therefrom (after deducting rates, taxes, and other outgoings, including cost of management) of eight thousand four hundred and sixty pounds, free from any claim by us on account of the shares to which we might be entitled in respect of suspended canonries, subject however, as well to the charges and outgoings in the same Order previously mentioned as to all other caputal liabilities, except the hereinbefore-mentioned payment of three hundred and forty pounds per annum to the chapter clerk.

"And whereas the said dean and chapter have signified to us their willingness to accept as their permanent endowment the lands, rent-charges, tenements, and hereditaments particularly described in the schedule hereunto annexed, which are now vested in us, in fee-simple, in possession, and the same are, in our opinion, convenient to be held as the permanent endowment of the said dean and chapter, and are calculated to produce, as nearly as may be, the above-mentioned net annual income of eight thousand four hundred and sixty pounds.

"Now, therefore, with the consent of the said dean and chapter of the cathedral church at Gloucester, testified by their having hereunto affixed their corporate seal, we humbly recommend and propose, that upon the publication in the London Gazette of any Order of your Majesty in Council, ratifying this scheme, and without any conveyance or assurance in the law other than such duly published Order, the lands, rent-charges, tenements, and hereditaments particularly described in the schedule hereunto annexed, with their appurtenances, and all our right, title, estate, and interest therein, and in the benefit of the perpetual land-tax, if any, charged upon the same premises which has been redeemed, shall be assigned as the endowment of the Dean and Chapter of Gloucester, and shall become and be absolutely vested in the said dean and chapter, in as full and ample a manner as if the same had formed part of the ancient possessions of the said dean and chapter, free from any claim by us or our successors, in respect of the canonries formerly existing in the said cathedral church, which have been suspended under the provisions of the firstly hereinbefore recited Act.

"And we further recommend and propose that the money payments heretofore payable by us under the provisions of the hereinbefore recited Order of your Majesty in Council of the twenty-sixth day of June, in the year one thousand eight hundred and fifty-five, shall, as from the first day of January now last past, cease and determine, and that the said dean and chapter shall be entitled to the annual proceeds of the several portions of the hereditaments hereby proposed to be assigned to them, as from the several dates next hereinafter mentioned; that is to say, the proceeds of the tithe rent-charges and money payments arising in the parish of Highworth, as from the first day of October now last past, and the proceeds of the tithe rent-charges and money payments, other than those arising in the parish of Highworth, as from the said first day of January now last past, and the proceeds of the

remainder of the said hereditaments, as from the twenty-ninth day of September now last past.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, in conformity with the provisions of the said recited Acts, or of any other Act of Parliament.
