

The Lords Commissioners of the Admiralty reserve to themselves an unlimited power of selection in accepting the tenders.

Parties tendering to specify in their tenders a rate per 100 lbs. for live Oxen, delivered in the usual manner; and also a rate per 100 lbs. for fresh Ox Beef, delivered in the carcase, should the Lords Commissioners of the Admiralty think proper to demand the Beef to be delivered in the carcase, instead of live Oxen, during any period of the contract; and no attention will be paid to any offers not so made.

The Contractor is to reside on the spot, or to have an agent resident there.

Conditions of the contract may be seen in the Lobby of the Department of the Controller of Victualling, Admiralty, Somerset House, W.C., or by applying to the Superintendent of the Victualling Establishment at Gosport.

Forms of tender may be obtained on application at the Lobby of the Department above-mentioned, or at Gosport.

No tender will be received after twelve o'clock at noon on the day of treaty; nor any noticed unless made on the printed form provided for the purpose; but it will not be necessary that the party tendering or an agent appointed by him should attend at this Office, as the result of the offer received from each person will be communicated to him and to his proposed sureties in writing.

Every tender must be delivered at the Department of the Controller of Victualling, Admiralty, Somerset House, and signed by two responsible persons engaging to become bound with the person tendering in the sum of £1500 for the due performance of the contract.

The Contractor to pay half the amount of the stamps on the contract and bond.
