AT the Court at *Osborne House, Isle of Wight*,
the 26th day of *July*, 1866.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by an Act passed in the present session of Parliament, intituled "An Act to amend the law relating to contagious or infectious diseases in cattle and other animals," it is, amongst other things, enacted, that it shall be lawful for Her Majesty, by Order in Council, from time to time to continue, or to renew, if expired, all or any of the provisions, in the first part of that Act contained, for such time as shall be specified in such Order:

And whereas it is provided in the eleventh section of the said Act, which section is in the

first part thereof, that Part I of the said Act shall continue in force until the fifteenth day of April, one thousand eight hundred and sixty-six, and no longer, unless continued or renewed by Order of Her Majesty in Council:

And whereas it is provided in the twelfth, thirteenth, fourteenth, fifteenth, and sixteenth sections of the first part of the said Act as follows:—

Slaughter of Diseased Animals.

"12. Every Local Authority shall cause all animals affected with the cattle plague within its district to be slaughtered, and shall, by way of compensation for every animal so slaughtered, pay to the owner thereof such sum not exceeding twenty pounds, and not exceeding one half of the value of the animal immediately before it was affected with the cattle plague, as to such Local Authority may seem fit.

"13. Every Local Authority shall cause every animal that has died of cattle plague, or has been slaughtered in consequence of being affected with cattle plague within its district, to be buried as soon as possible in its skin in some proper place, and to be covered with a sufficient quantity of quicklime or other disinfectant, and with not less than six feet of earth.

"14. Every Local Authority shall, within its district, cause the yard, shed, stable, field, or other premises in which any animal affected with cattle plague has been kept while affected by the disease, or has died or been slaughtered, to be thoroughly cleansed and disinfected, and all hay, straw, litter, dung, or other articles that have been used in or about any such animal to be burnt or otherwise destroyed; and no fresh animal shall be admitted into any yard, shed, stable, field, or other premises in which any animal affected with cattle plague has been kept while affected by the disease, or has died or been slaughtered, until the expiration of thirty days after the cleansing and disinfecting of such premises in pursuance of this Act; and every Local Authority shall direct the disinfecting the clothes of, and the use of due precautions by Inspectors, Cattle Overseers, and others in contact with animals affected by the cattle plague, with a view to prevent the spreading of contagion.

"15. A Local Authority may, if it thinks fit, cause to be slaughtered any animal that has been in the same shed or stable, or in the same herd or flock, or in contact with any animal affected with cattle plague within its district; and the owner of any

animal so slaughtered may either dispose of the carcase on his own account, with a licence from some Officer appointed in that behalf by a Local Authority, or may require the Local Authority to dispose of the same, in which case such Local Authority shall pay to the owner thereof, by way of compensation, such sum, not exceeding twenty-five pounds, as may equal three-fourths of the value of the animal slaughtered: Provided always, that the Lords of Her Majesty's Most Honourable Privy Council, or any two or more of them, may reserve animals (ordered to be slaughtered as aforesaid) for the purpose of experimental treatment.

"16. The Local Authority may require the value of any animal slaughtered under this Act to be ascertained by Officers of the Local Authority or by arbitration, and generally may impose conditions as to evidence of the slaughter and value of the animals slaughtered: Provided that no compensation shall in any case be paid in respect of any animal found affected with cattle plague in a market or on a highway, or in respect of any animal which has been moved or otherwise dealt with in contravention of this Act, or any Order of a Local Authority made in pursuance thereof."

And whereas by Orders of Her Majesty in Council, the last bearing date the eleventh day of June, one thousand eight hundred and sixty-six, the provisions of the above recited sections of the first part of the said Act were continued in force beyond the said fifteenth day of April, one thousand eight hundred and sixty-six, until the first day of August, one thousand eight hundred and sixty-six: and whereas it is considered expedient that the same be further continued:

Now, therefore, Her Majesty, in exercise of the power vested in Her by the said Act, and by and with the advice of Her Privy Council, is pleased to order, and it is hereby ordered, that the said recited provisions contained in the twelfth, thirteenth, fourteenth, fifteenth, and sixteenth sections of the first part of the said Act shall continue in force on and after the said first day of August, one thousand eight hundred and sixty-six, until the thirtieth day of November, one thousand eight hundred and sixty-six.

AT the Court at *Osborne House, Isle of Wight*, the 26th day of *July*, 1866.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS, by the "Merchant Shipping Act, 1854," it is enacted, that "Her Majesty may, by and with the advice of Her Privy Council, from time to time, reduce all or any of the dues for the time being payable in respect of existing or future light-houses, buoys, or beacons, for the time being, under the management of the General Lighthouse Authorities" therein mentioned (that is to say, the Corporation of the Trinity House of Deptford Strond, the Commissioners of Northern Light-houses, and the Port of Dublin Corporation):

"And may also, by and with the like advice, from time to time, increase or vary any of such dues, so that no dues payable in respect of any lighthouse, buoy, or beacon existing at the time when the said Act came into operation, should be made to exceed the amount which had at any period previous to such time been received

"in respect thereof, or to which the said dues might during any part of such period as last aforesaid lawfully have been raised:"

And whereas by an Order in Council, made in pursuance of the said Act on the 1st of November, 1864, Her Majesty approved of certain new consolidated tables of light duties, together with certain abatements, regulations, and exemptions contained therein, and in such tables it is directed, that until Her Majesty, with the advice of Her Privy Council, may see fit otherwise to determine, there should be allowed to every person paying such tolls, as are specified in the said tables, an abatement or discount upon the amount payable by him of sixty per cent. in the case of every over-sea vessel, and of every coasting vessel. And whereas, by various Orders in Council since made in pursuance of the said Act in respect of certain new lights, certain tolls have been directed to be paid for over-sea vessels and for coasting vessels respectively, subject to the abatement or discount of sixty per cent., and the regulations and exemptions mentioned in the said new consolidated table of light duties. And whereas it has been made to appear to Her Majesty, that it is expedient that the abatement or discount on the amount of the tolls hereinbefore referred to shall be varied in manner hereinafter mentioned. Now, therefore, Her Majesty, by virtue of the powers vested in Her by "The Merchant Shipping Act, 1854," and of every other power enabling Her in this behalf, and by and with the advice of Her Privy Council, is pleased to determine and direct, that on and after the first day of October, one thousand eight hundred and sixty-six, the abatement or discount to be allowed upon the amount of tolls specified in the said new tables of consolidated light duties mentioned in the said Order in Council of the 1st day of November, 1864, and upon the amount of tolls specified in the said other Order in Council hereinbefore referred to, shall, in the case of every over-sea vessel and of every coasting vessel, be fifty-five per cent. and no more.

AT the Court at *Osborne House, Isle of Wight*, the 26th day of *July*, 1866.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, and of the Act of the fifth and sixth years of Her Majesty, chapter twenty-six, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fourteenth day of June, in the year one thousand eight hundred and sixty-six, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, and of the Act of the fifth and sixth years of your Majesty, chapter twenty-six, have prepared, and now humbly lay before your Majesty in Council, the following scheme for providing the bishop for the time being of the diocese of Chester with a more convenient house of residence.

"Whereas the present house of residence or old palace belonging to the see of Chester is inconvenient and dilapidated, and is, as to certain

portions thereof, contiguous to the fabric of the cathedral church of Saint Werburgh, at Chester, and by reason of such dilapidation and contiguity it cannot be made a convenient residence for the bishop of the said diocese of Chester.

"And whereas the Right Reverend William, Bishop of Chester, is desirous that the said present house of residence or old palace (which is more particularly described in the first schedule hereunto annexed) should be sold, and the dean and chapter of the said cathedral church of Saint Werburgh, at Chester, desire to purchase the same house of residence or old palace, with the garden thereof, and to take it, or some part of it, down, and to apply the site of it, or of some part of it, to the improvement of the said cathedral church, or of the precincts thereof, and they, the said dean and chapter, are willing, upon being thereunto duly authorized, to effect such purchase, at or for the price of three thousand pounds, and to provide such price or sum by the sale and application of the proceeds of a sufficient portion of a certain sum of three thousand four hundred and eighty-one pounds nineteen shillings and sixpence, Three Pounds per centum Consolidated Bank Annuities, which is now standing in the name of the Accountant-General of the Court of Chancery in the books of the Governor and Company of the Bank of England, *ex-parte* the dean and chapter of the cathedral church of Chester, in the matter of the Chester and Holyhead Railway Company.

"And whereas a sum of nine hundred and thirty-eight pounds and thirteen shillings has been paid to, and received by, the said William, Bishop of Chester, in respect of dilapidations upon the said present house of residence or old palace, and such last-mentioned sum has been deposited with us by the said bishop for the purpose of being laid out in the furtherance of the objects of this scheme, so far as the same relates to the provision for his See of a more convenient episcopal house of residence.

"And whereas a certain property, consisting of a dwelling-house, land, and hereditaments, known as Dee Side House, situate in the city of Chester, and more particularly described in the second schedule hereunto annexed, is now vested in us in fee simple, in reversion, expectant upon the determination of a certain lease for lives whereof one life only of the age of fifty-two years, or thereabouts, is now in being. And a certain other property, consisting of a house, land, and hereditaments, known as the Archdeacon's House, situate immediately adjoining and contiguous to the first-named property, and more particularly described in the third schedule hereunto annexed, is now vested in us in fee simple in possession.

"And whereas the aggregate present value of our interest in the said property, known as Dee Side House, and of our interest in the said property, known as the Archdeacon's House, is estimated at the sum of two thousand three hundred pounds, and the present value of the unexpired term of the said lease for lives of the said first-named property, together with the fee simple in possession of a small portion of land which has been heretofore occupied with such last-mentioned house and premises, and forms part of the garden and grounds connected therewith, and a small building or stable adjoining thereto, which portion of land and building are more particularly described in the fourth schedule hereunto annexed, is estimated at the sum of one thousand three hundred pounds.

"And whereas it has been represented to us by the said William, Bishop of Chester, and we have

satisfied ourselves that the said three several properties so described as aforesaid in the second, third, and fourth schedules hereunto annexed, are conveniently situate, and may with advantage to the said bishopric, be acquired for the purpose of conversion into an episcopal residence for the bishop, for the time being, of the said diocese of Chester, and that the alterations in, and improvements of, the said dwelling-house and premises necessary for completing such conversion, may be effected at a cost of three thousand six hundred pounds, or thereabouts.

"And whereas it has been proposed to us by the said William, Bishop of Chester, and it appears to us to be expedient that the monies which, in addition to those to be paid by the said dean and chapter upon the sale and transfer to them of the present house of residence or old palace aforesaid, and to those so received by the said bishop in respect of dilapidations upon the same premises as aforesaid, may be necessary to defray the cost of acquiring the three several properties so described in the second, third, and fourth schedules as aforesaid, and of effecting the said alterations in, and improvements of, the said dwelling-house and premises as aforesaid, should be provided as hereinafter mentioned.

"Now, therefore, with the consent of the said William, Bishop of Chester (testified by his having signed this scheme and affixed to it his episcopal seal), and with the consent of the said dean and chapter of the cathedral church of Saint Werburgh, at Chester (testified by their having affixed their common seal to this scheme), we humbly recommend and propose as follows; that is to say:

"1. That the said William, Bishop of Chester, be authorized and empowered to sell, and by a conveyance in such form as shall be approved by us, to transfer and convey to the said dean and chapter, at or for the price or sum of three thousand pounds, the whole estate, right, title, and interest of him, the said William, Bishop of Chester, and his successors, bishops of the same see, of, in, and to the said present episcopal house of residence or old palace of the Bishops of Chester, as the same is described in the said first schedule hereunto annexed.

"2. That the said dean and chapter be authorized and empowered to purchase, at or for the price or sum of three thousand pounds, and to take to themselves a conveyance in such form as last aforesaid of the said episcopal residence or old palace (as the same is described in the said first schedule hereunto annexed), to the end that they may take down the same, or such part or parts thereof, as it may be found from time to time convenient to remove, and may apply the site thereof, or any part of such site, to the improvement of their said cathedral church, or the precincts thereof.

"3. That such last-mentioned purchase-money, or price of three thousand pounds, shall be provided by the sale of a sufficient portion of the aforesaid sum of three thousand four hundred and eighty-one pounds nineteen shillings and sixpence, Three Pounds per centum Consolidated Bank Annuities.

"4. That it shall be lawful for the said bishop to purchase, at or for the aggregate price of three thousand six hundred pounds, and to take to himself and his successors a conveyance or conveyances (such conveyance or conveyances to be in such form as shall be approved by us, the said Commissioners) of the fee simple in possession or reversion of the said lands and hereditaments described in the second, third, and fourth sch-

dules hereto annexed as aforesaid, together with all particular or intermediate estates in the same.

"5. That such last-mentioned aggregate purchase money or sum of three thousand six hundred pounds be provided, so far as may be practicable, by appropriating towards the payment thereof of the sums of three thousand pounds and nine hundred and thirty-eight pounds eighteen shillings hereinbefore mentioned, and that the deficiency be supplied out of the monies to be raised as hereinafter recommended and proposed on mortgage of the revenues of the said bishopric.

"6. That it shall be lawful for the said bishop to borrow, and for the governors of the bounty of Queen Anne to lend, any sum not exceeding the sum of four thousand pounds (being a sum not exceeding two years' income of the see of Chester), upon the security of the revenues of the same see, and that such sum shall be paid to us by the said governors, and that the same, or such portion or portions thereof as may be necessary, shall be applied by us at such times and in such manner as shall appear to us to be expedient, in manner following, that is to say:—firstly, in providing so much of the purchase-monies lastly hereinbefore mentioned as shall not be otherwise provided as hereinbefore mentioned; and, secondly, in defraying at such times and in such manner as shall appear to us to be expedient, the costs of all repairs, alterations (constructive or destructive), and improvements which, in our opinion, are or may be necessary for effecting, according to plans and a specification to be approved by us, such conversion of the said dwelling-house and premises into one fit and sufficient episcopal house of residence for the bishop of the said see of Chester for the time being.

"7. That the said mortgage to be effected as hereinbefore recommended and proposed by the said William, Bishop of Chester, shall be made by deed for the term of thirty-five years, or until the said sum of four thousand pounds, with the interest for the same, and all costs and charges which may attend the recovery thereof, shall be fully paid and satisfied, and that such principal sum shall be repaid with interest, in manner following, that is to say:—from and after the expiration of the first year of the said term, computed from the day of the date of the mortgage (in which year no part of the said principal sum shall be repayable), the said bishop, or his successors, shall yearly and every year pay to the said governors, their successors or assigns, one thirtieth part of the said principal sum until the whole thereof shall be repaid, and shall at the end of the first and each succeeding year pay interest at the rate of four pounds per centum per annum on the said principal sum, or on so much thereof as shall from time to time remain unpaid; and if and when it shall happen that the principal and interest directed to be paid as hereinbefore mentioned shall be in arrear and unpaid for the space of forty days after the same shall become due it shall and may be lawful for the said governors, their successors and assigns, to recover the same, and the costs and charges attending the recovery thereof by distress and sale, in the like manner as rents may be recovered by landlords or lessors from their tenants by the laws in force at the time of such distress and sale, and that such mortgage deed shall be in the form and to the effect to be approved by us, and shall bind the mortgagor, the said William, Bishop of Chester, and his successors, until the principal money and interest, costs and charges, secured or intended to be secured by such mortgage deed shall have been paid off and discharged.

"8. That the receipt of our joint treasurers, for the time being, endorsed on the deed for effecting the said mortgage of four thousand pounds, shall be a good and sufficient discharge to the said governors and their successors for the same sum of four thousand pounds, and that accordingly the said governors and their successors shall not be bound or required to see to the application thereof.

"9. That he the said William, Bishop of Chester, or other the Bishop of Chester, for the time being, shall, at his personal charge and expense, insure and keep insured from loss or damage by fire the said dwelling-house and premises, with their appurtenances, as and when the same shall have been altered and improved as hereinbefore-mentioned, such insurance being effected in one of the public offices of assurance in London or Westminster, for a sum of not less five thousand pounds; and that such bishop shall, within fourteen days after any premium for such insurance shall have become payable, deliver to us the receipt for the same, and that in case of any loss or damage by fire to the said house, any and every sum of money receivable under such insurance shall become and be payable and be paid to and deposited with us, in trust, to be applied. And we recommend and propose that the same, together with any interest and accumulations thereof, shall be applied by us towards the rebuilding or repairing and reinstating of the said house, or of any part thereof, which may have so suffered loss and damage, in such manner as shall be determined on by us with the concurrence of the Bishop of Chester for the time being.

"And lastly, we recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in conformity with the provisions of the said Acts, or of either of them, or of any other Act or Acts of Parliament.

The FIRST SCHEDULE to which the foregoing Scheme has reference.

"All that messuage or dwelling-house, commonly called and known as the Episcopal Palace of Chester, with the out-offices, garden, and appurtenances thereto belonging, situate in the city of Chester, and adjoining to and on the south side of Abbey-square, in the same city, and also adjoining to the cathedral church of Saint Werburgh, in the same city and within the precincts of the said cathedral church.

The SECOND SCHEDULE to which the foregoing Scheme has reference.

"All that messuage or dwelling-house, commonly called or known by the name of Dee Side House, with the offices, stable, out-buildings, garden, and appurtenances thereto belonging, situate in the parish of Saint John the Baptist, in the city of Chester, and now or late in the occupation of Mrs. Atcherley.

The THIRD SCHEDULE to which the foregoing Scheme has reference.

"All that messuage or dwelling-house, commonly called or known by the name of the Archdeacon's House, with the offices, out-buildings, garden, and appurtenances thereto belonging, situate in the parish of Saint John the Baptist, in the city of Chester, and now or late in the occupation of Mrs. Gardner.

The **FOURTH SCHEDULE** to which the foregoing Scheme has reference.

"All those strips or parcels of land situate in the parish of Saint John the Baptist, in the city of Chester, and adjoining to and on the west and south sides of the garden belonging to the messuage or dwelling-house, known by the name of Dee Side, there mentioned and described in the Second Schedule hereinbefore referred to, and lying between the said garden and a certain street or lane called Dee-lane, and a certain other street or lane called the Groves, in the said city.

"And also all that small building used as a stable, situate in Dee-lane aforesaid, and adjoining the last-described premises, and now or late in the occupation of Henry Pearson."

AT the Court at *Osborne House, Isle of Wight*, the 26th day of *July*, 1866.

PRESENT,

The **QUEEN's** Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the Fourth Report of the Commissioners of Ecclesiastical Duties and Revenues;" and of another Act passed in the session of Parliament held in the fourth and fifth years of Her Majesty's reign, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England;" and of another Act passed in the session of Parliament held in the fifth and sixth years of Her Majesty's reign, intituled "An Act to alter and amend the law relating to ecclesiastical houses of residence;" duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-eighth day of June, in the year one thousand eight hundred and sixty-six, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the Fourth Report of the Commissioners of Ecclesiastical Duties and Revenues;' and of another Act passed in the session of Parliament held in the fourth and fifth years of your Majesty's reign, intituled 'An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England;' and of another Act passed in the session of Parliament held in the fifth year of your Majesty's reign, intituled 'An Act to alter and amend the law relating to

'ecclesiastical houses of residence;' have prepared, and now humbly lay before your Majesty in Council, the following scheme for substituting a money payment for certain property belonging to the dean and chapter of the cathedral church of Wells.

"Whereas it was by the said recited Acts enacted and declared that by the authority of a scheme prepared by us and ratified by an Order of your Majesty in Council, and for the purpose of fully carrying into effect any of the provisions of the said first-recited Act, any sum of money which should have been invested in the public funds, or in other security or securities, in trust, for any ecclesiastical body corporate, aggregate, or sole, might, upon application in writing to the Ecclesiastical Commissioners for England, under the hand and seal of such body corporate, and in the case of any chapter, with the consent of the Visitor thereof, be directed to be sold, and the same should be sold accordingly; and that the produce of such sale should be applied to such purpose and in such manner as should appear most conducive to the permanent benefit of such body corporate; and also that, for any like purpose, any arrangement might be made, with the consent in writing under the corporate seal of any chapter, for the sale, transfer, or exchange of any lands, tithes, or other hereditaments belonging to such chapter, or for the purchase of other lands, tithes, or other hereditaments in lieu thereof, or for substituting in any case any lands, tithes, or other hereditaments for any money payment, or any money payment for any lands, tithes, or other hereditaments; and that the aforesaid provisions relating to the sale and application of any sum of money invested in trust for any ecclesiastical body corporate, did and should include and apply to all monies and securities for money, and to all stock in the Government funds or elsewhere standing in the name of the Accountant-General of the Court of Chancery, or in the name or names of any other public officer, or of any individual or individuals, for or to the credit of or in trust for any bishop, dean and chapter, dean, or canon, whether for the purpose of being laid out in land or otherwise.

"And whereas the said chapter consists of a dean and four canons, two canonries having been suspended under the provisions of the said first recited Act.

"And whereas the said dean and chapter are now seized in fee of divers manors, lands, tithes, tenements, and hereditaments forming the endowment of the said chapter, the greater part of which have been heretofore demised or granted on leases or grants for years or lives at small annual reserved rents, and upon payment of fines, and they are also beneficially interested or otherwise entitled to certain sums of stock or cash invested or held in trust as aforesaid, more particularly specified and set forth in the schedule hereunto annexed, marked A.

"And whereas one of the purposes of the said Acts is to provide a fund for making better provision for the cure of souls, and the said dean and chapter have proposed to us, with the consent of their Visitor, that the said manors, lands, tithes, tenements, and hereditaments, stock, and cash (except as hereinafter excepted), should be dealt with in manner hereinafter mentioned, and we are of opinion that it would ultimately conduce as well to the improvement of the said fund as to the permanent benefit of the said dean and chapter, that the same should be dealt with accordingly.

"And whereas by an Order of your Majesty in Council, bearing date the seventh day of August,

in the year one thousand eight hundred and fifty-one, and duly published in the London Gazette of the nineteenth day of September then following, and made under the authority of the two first hereinbefore-mentioned Acts, and of another Act of Parliament we are authorized and empowered from time to time to pay to the Dean of Wells for the time being such sums of money as will together with the income derived by him from the divisible corporate revenue of the said cathedral church, make up his annual income to the sum of one thousand pounds.

"And whereas, by the second of the above-mentioned Acts, it is enacted, that it shall be lawful, by the authority in such Act referred to, that is, by the authority of an Order of your Majesty in Council, ratifying a scheme prepared by us to carry into effect certain purposes referred to in the same Act, one of such purposes being that of giving to the dean of the said cathedral church an average annual income of one thousand pounds, by any mode of payment, contribution, augmentation, or endowment which may be deemed fit, as well as by the modes in the first of the hereinbefore-mentioned Acts specified.

"And whereas it appears to us that the most convenient mode of effecting for the future the purpose contemplated in the hereinbefore recited Order of your Majesty in Council, with reference to the deanery of Wells, would be that which is set forth in the recommendations hereinafter contained.

"And whereas we have satisfied ourselves that the amount of the annual money payment proposed to be made by us to the said dean and chapter as hereinafter mentioned, is such as will, in addition to the income which the members of the said chapter would derive from the property hereby proposed to be transferred to us, provide such an annual sum as will make up the share of such income to which the dean of the said cathedral is now entitled to one thousand pounds.

"Now, therefore, with the consent of the dean and chapter of the cathedral church of Wells, and of The Right Honorable and Right Reverend Robert John, Baron Auckland, Bishop of Bath and Wells, as visitor of the said dean and chapter, testified by their having respectively hereunto affixed their capitular and episcopal seals, and of the Very Reverend George Henry Sacheverell Johnson, the dean of the same cathedral church, testified by his having duly signed this scheme, we humbly recommend and propose, that in consideration of the money payments hereinafter mentioned to be paid by us to the said dean and chapter, and of our relinquishing all our interest, right, and claim in respect of the said suspended canonries, to and in the property to be retained by the said dean and chapter, and to any participation in such money payments, and in the estates and property to be at any time hereafter assigned to the said dean and chapter as their permanent endowment, and in the rents and profits thereof, all the manors, lands, tithes, tenements, and hereditaments which now belong, either in possession or reversion, to the said dean and chapter (excepting any right of ecclesiastical patronage, and excepting the buildings, lands, tenements, and hereditaments particularly described in the schedule hereunto annexed, marked B, and subject, nevertheless, to the liabilities and claims upon or in respect of the same manors, lands, tithes, tenements, and hereditaments, to or for which the said dean and chapter are now liable, and with respect to all houses or tenements, parts of the possessions of the said dean and chapter as abut against the south and west sides of the cathedral

churchyard or cathedral green; subject also to the special restrictions and conditions set forth in the schedule hereunto annexed, marked C), and all the estate and interest of the said dean and chapter in the said manors, lands, tithes, tenements, and hereditaments, together with the benefit of the perpetual land-tax charged thereon (if any) which has been redeemed shall immediately upon the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme, and without any conveyance or assurance in the law other than such duly published Order, become and be transferred to and vested in us, and our successors, and that we and they shall thereupon become and be absolutely seized of the same in fee, and shall be entitled to the rents profits, and proceeds thereof, as from the twenty-fifth day of March now last past, and that in consideration of, and for such transfer and conveyance, and also in discharge of the obligation with respect to the provision of the income of the said dean now imposed upon us by the hereinbefore recited Order of your Majesty in Council, we shall pay to the said dean and chapter, by equal half-yearly payments, on the twenty-fifth day of March and the twenty-ninth day of September in every year, until they shall have been put into possession of real estates, as hereinafter mentioned, the annual sum of five thousand four hundred and twenty-five pounds, and shall surrender and give up all claim to, and be excluded from, all participation in respect of the said suspended canonries, as well to and in the property so excepted from such transfer as aforesaid, as also in the said money payment.

"And we further recommend and propose that until such re-endowment as aforesaid shall have been effected, there shall also be paid by us to the said dean and chapter, by equal half-yearly payments, on the twenty-fifth day of March and the twenty-ninth day of September in every year, a further annual sum of two hundred pounds (such last-mentioned sum to be by them appropriated and paid to the chapter clerk for the time being, and also on the same days in every year during the life of their present chapter clerk, Henry Bernard, of the city of Wells, Gentleman, and, notwithstanding the completion of such re-endowment as aforesaid, a further annual sum of two hundred pounds, to be by them appropriated and paid to the said Henry Bernard, in respect of the profits which would have accrued to him on account of the management of the estates hereby proposed to be transferred to us), and that the first half-yearly payments in respect of the three several annual sums hereinbefore mentioned shall be made by us to the said dean and chapter upon the twenty-ninth day of September next.

"And we further recommend and propose that immediately on such publication as aforesaid a further payment of two thousand and one hundred pounds shall be made by us to the said dean and chapter, in consideration of and conditioned upon their having abstained and abstaining from renewing certain leases of the said lands, tenements, and hereditaments hereby proposed to be transferred to us, which became renewable prior to the twenty-fifth day of March now last past, and that the receipt or receipts of the communal for the time being of the said dean and chapter, or of his deputy, shall be a good and valid discharge to us for all or any and every such sum or sums of money as shall therein be expressed to have been paid to him by us, under the authority of this scheme, when ratified as aforesaid.

"And we further recommend and propose that no augmentation or endowment of any benefice

"And whereas the said sum of three thousand pounds sterling has been so contributed and paid by the said John Philips Mather as aforesaid,

upon the understanding that we should pay out of the common fund created by the firstly herein-named Act, to the minister for the time being of the said district hereinafter recommended to be constituted, when such minister shall have been duly licensed as before mentioned, the annual sum of fifty pounds, and upon the further understanding that (such arrangement appearing to us to be expedient) the whole right of patronage of the said district, and of the nomination of the minister thereof, should be assigned in the manner hereinafter mentioned.

"And we further recommend and propose, that we may be authorized and empowered to pay, out of the common fund before referred to, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the provisions of the herein secondly-mentioned Act, the sum of fifty pounds in each and every year, by equal half-yearly payments, on the first day of May and the first day of November, and that the first of such payments, or a proportionate part thereof, shall be made on the first day of May or the first day of November next after the day of the date of the licence of such minister as aforesaid, and that, in case a vacancy in the ministry of such district shall happen on any other day than the first day of May or the first day of November, the amount next thereafter payable shall be duly apportioned between and paid to the minister making the vacancy, or his personal representative or representatives, and the minister succeeding to such district.

"And we further recommend and propose, that the whole right of patronage of the said district so recommended to be constituted, and of the nomination of the minister thereof, shall, without any assurance in the law other than this scheme and any duly gazetted Order of your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to and be absolutely vested in, and shall and may from time to time be exercised jointly by, John Philips Mather aforesaid, by the Reverend Edward Lushington Mather, now curate of the parish of Iver, in the county of Buckingham, by Frank Albert Mather, of Trinity College, Cambridge, Esquire, by the Reverend Herbert Mather, Vice-Principal of the Training College, Carmarthen, and by Arthur Stanley Mather, of Bootle Hall aforesaid, Attorney-at-Law, and their successors, to be appointed as hereinafter is mentioned; upon trust, nevertheless, that they the said John Philips Mather, Edward Lushington Mather, Frank Albert Mather, Herbert Mather, and Arthur Stanley Mather, and their successors, shall, upon every legal vacancy in or avoidance of the ministry of the said district so recommended to be constituted, exercise such right of patronage and nomination, by nominating to such ministry some one fit and proper person, being in Holy

Orders of the United Church of England and Ireland, to be approved of for the purpose by them the trustees for the time being of the said right of patronage and nomination, or by a majority of them; provided always, and we hereby further recommend and propose, that when and so often as any of them, the said John Philips Mather, Edward Lushington Mather, Frank Albert Mather, Herbert Mather, and Arthur Stanley Mather, or any future trustees or trustee, shall die, resign, or become incapable of acting in the execution of the trust hereby recommended and proposed to be created, or shall desire to retire from the said trust, then and in every such case a new trustee or new trustees of the said right of patronage and nomination shall be appointed in the manner and subject to the several provisions set forth in and provided by the tenth section of the Act of the fourteenth and fifteenth years of your Majesty, chapter ninety-seven, with respect to new trustees to be appointed under the provisions of such last-mentioned statute.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

The SCHEDULE to which the foregoing Scheme has reference.

AT the Council Chamber, Whitehall, the 25th day of July, 1866.

By the Lords of Her Majesty's Most Honourable Privy Council.

PRESENT,

Lord President.

Mr. Corry.

Mr. Cave.

WHEREAS by the Nuisances Removal Act Amendment Act, 1860, it is enacted, that in any place within which the Public Health Act is or shall be in force, the Local Board of Health shall be the Local Authority to execute the Nuisances Removal Act for England, 1855:

And whereas the Public Health Act is in force within the borough of Southampton:

And whereas by the said Nuisances Removal Amendment Act, 1860, it is provided that in respect of any place where under that Act the Local Authority for executing the Nuisances Removal Act is any other Body than the Board of Guardians or the Overseers of the Poor, the Privy Council, if it see fit, may, in the manner therein mentioned, authorise such other Body to be, instead of the Board of Guardians, or the Overseers of the Poor, the Local Authority for executing the Diseases Prevention Act, 1855:

And whereas by an Order of Council, dated the 14th of July, 1866, the provisions in the Diseases Prevention Acts were ordered and directed to be put in force within the whole and every part of England:

And whereas by another Order of Council, dated the 20th of July, 1866, certain directions and regulations were issued to be in force in all unions and parishes in England, and in all ports and arms of the sea lying within the jurisdiction of the Admiralty, which directions and regulations were as follows:

I.—Preliminary.

Forthwith on the issuing of the present Regulations, the Clerk of every Board of Guardians shall summon a special meeting of the Board, in order that the present Regulations may be brought before them, and that the Board may make, as they are hereby required to do, such preliminary arrangements as will enable them, if sudden need shall arise, to carry the following regulations into immediate effect; and the Board at such meeting shall direct the Clerk, by instructions to the Medical Officers, and by circular letters of request addressed to all legally qualified Medical Practitioners in the Union or Parish, and in such other ways as the Board may think necessary, to take measures for causing the Board to be made acquainted with any presence of Cholera or unusual amount or severity of Diarrhoea in the Union or Parish, or any part of it, if such be existing or should thereafter exist: and the Board if apprised of any such presence of Cholera or Diarrhoea shall thereupon forthwith, so far as the circumstances require, do the several things hereinafter ordered:

II.—When Cholera is in an Union or Parish.

1. Every Board shall make arrangements for meeting, in districts where the disease is actually prevailing, daily, either in a body or in one or more Committees, according to the exigencies of

the district, for the purpose of exercising the powers conferred upon them by the Act.

2. The meetings may be held at the ordinary Board-room, and, where necessary, at such other places as shall appear to be most convenient for dealing with the disease, and the Board shall cause proper minutes of all proceedings to be made and duly recorded.

3. Where the Union or Parish forms part of any town of more than 60,000 inhabitants, or contains a town of more than 40,000 inhabitants, according to the report upon the last Census, or where several parts of the Union or Parish are at one time suffering from Cholera, the Board shall appoint some legally qualified Medical Practitioner to attend at the meetings, and render his advice thereat, and superintend all the medical arrangements for preventing and treating the disease.

4. In each district in which Cholera is present, or, if the quantity of work to be done renders it desirable to subdivide the district, then in each of such subdivisions, a legally qualified Medical Practitioner shall be put in charge of the district or subdivision for the medical purposes of these Regulations; and to each such Medical Practitioner shall be allotted all needful Medical Assistants and such other Assistants as the Board see fit.

Such District Medical Practitioner, or one of his Assistants, shall at least once daily visit those parts of the district which are inhabited by the poorer classes and wherein the disease is, and shall there inquire at every house as to the existence of Diarrhœa or Cholera, and shall enter in a book to be kept for the purpose the facts as to all cases he may meet with, and shall without delay give, or take the proper steps for causing to be given, all necessary medical assistance to the sick. And the Medical Practitioner or Assistant shall, when visiting the part assigned to him, be provided with medicines for immediate administration in urgent cases, and shall be held to be in medical charge of all cases of Diarrhœa or Cholera with which he may meet until he is relieved by such other provision for their medical attendance as may be made or sanctioned by the Board.

5. Such Medical Practitioner shall, by transmitting his above-required book, or otherwise, report daily to the Board of Guardians, or to the Committee of the district for which he acts, the result of his own and his Assistants' inquiries, and shall make such suggestions as to the state of the district as he shall deem advisable.

6. In places where the Board of Guardians are not the Nuisances Removal Authority, the Board shall, without delay, cause report to be made to such Authority, and if the Board see fit, shall complain to the Justices, of every case where any Committee, Medical Practitioner or Assistant, employed by the Board, shall find any nuisance injurious to health existing in any premises visited by them.

7. The Visitors shall, where they find it expedient, communicate to the Relieving Officer of the district any case of destitution requiring relief, which is not entered in his relief list, and such officer shall forthwith visit the same and give such relief as in his judgment the case shall require.

8. The Board shall provide a sufficient number of Dispensaries, to be open night and day, at convenient places within their district, with an adequate supply of such medicines, medical appliances and disinfectants, as their Medical Adviser shall recommend, and with a legally qualified Medical Practitioner or skilled Assistant

always in attendance at each; and such medicines, medical appliances and disinfectants, shall be dispensed without charge by such Medical Practitioner or Assistant to persons bringing orders for the same from the District Medical Practitioners and to other persons who apply for immediate medical treatment. And the names and addresses of all such applicants shall be sent to the District Medical Practitioner of the place in which they reside.

9. In every case of Cholera or Diarrhœa, where the patient is not under medical care and treatment, the Board shall cause medical assistance to be rendered with the utmost expedition, and such aid and comfort, nourishment and accommodation, as the circumstances of the case will admit, with the object of restoring health.

10. The Board shall provide competent Nurses to aid every District Medical Practitioner in his attendance upon the patients suffering from the disease.

11. When the Medical Adviser recommends, the Board shall, with as much despatch as practicable, provide fit and proper accommodation for the reception of such patients as have no home, or cannot properly be treated at home, and may with advantage to themselves be removed, and shall cause the same to be provided with all appliances, medicines, furniture, and other things necessary for the emergency, and shall appoint a legally qualified Medical Practitioner, with or without Assistant, as the case may require, to attend to the same.

12. If Cholera or Choleraic Diarrhœa exists in any dwelling whereof the Medical Practitioner reports that the sick and healthy cannot therein be properly separated, the Board shall forthwith cause adequate accommodation to be procured for the reception of the healthy; and, when the Medical Practitioner recommends that the sick person shall not be removed, but that the healthy shall be removed, from the same room in which the sick person is lying, the Board shall cause the other inmates of such room to be removed to some convenient place of reception.

13. The Board shall, in dwellings where Cholera or Diarrhœa exists, cause proper disinfectants to be used in sufficient quantities for the purpose of disinfecting the discharges from the sick, and the bedding, clothing, and other things thereby infected, and the utensils and privies in which such discharges may have been received.

14. The Board shall cause every article of clothing, bedding, or furniture which shall have been infected with any such discharge, and which they shall find incapable of being speedily disinfected, to be forthwith destroyed; the Board within a reasonable time replacing all such articles, or paying the reasonable value to the owner.

15. If it be shown to the Board that any drinking-water used in their district is polluted, they shall take measures, with as much expedition as possible, for procuring wholesome water to be supplied in its stead, so far as the case requires, to the inmates of the houses in their district, and for preventing, as far as possible, the further use of the polluted water. And every Board owning or having possession of any waterworks for the supply of water shall cause the reservoirs, cisterns, pipes, pumps and other apparatus belonging thereto, to be carefully examined, cleansed and purified, and other necessary measures to be taken, so that the water may be supplied without impurity.

16. The Board shall make due arrangements with undertakers, and with the proper authorities of the churchyards, burial-grounds, and ceme-

teries of their district, so that coffins may be ready to be supplied immediately on demand, and interments speedily take place in the cases of deaths arising from Cholera or Diarrhoea, and the Board shall, when informed of any such death, cause the corpse to be buried with the earliest possible despatch.

17. Where any death shall occur from Cholera or Choleraic Diarrhoea, no collection of persons shall assemble in the room where the corpse is, and no "waking" of the dead shall be allowed.

18. The Board shall cause the immediate removal, from any room which living persons inhabit, of the corpse of every person dying from Cholera or Choleraic Diarrhoea until the time of its interment, and shall cause such means to be adopted for preventing the spread of infection from the corpse as their Medical Adviser shall recommend.

19. If the Guardians shall be informed that Cholera or Choleraic Diarrhoea exists, or within three days previously has existed, in any Ship or Vessel which may be lying within their Union or Parish, they shall cause the same to be forthwith visited, inspected, and otherwise dealt with, according to the circumstances of the case, in like manner as if it were an inhabited house on shore, and shall give all such medical and other directions in reference to the persons in such Vessel or Ship, as shall be requisite for preventing the spread of the disease, and for the disinfection or disposal of any things which may be infected or may have been exposed to infection, subject always to the provisions of any Order of Council issued under the Quarantine Laws for the time being in force in such Union or Parish.

20. *Board of Trade, Whitehall,
July 25, 1866.*

THE Right Honourable the Lords of the Committee of Privy Council for Trade have received, from the Secretary of State for Foreign Affairs, a copy of a notice as to the ingress and egress of ships at the ports of Gravosa, Traste, Budua, and the port of war of Cattaro.

(Translation).

*Imp. R. Command of Brigade of General
Morhammer.*

MOST VALUED SIR,

WITH reference to a (verbal) communication made to you by the Central Port and Health Office in consequence of a telegraphic request made by me, I have the honour to make known the dispositions which his Excellency the Lieutenant Governor, Commander-in-Chief and Lieutenant-General Baron Philippovick, has issued in order to regulate during the war the ingress of ships into the ports of Gravosa, Traste, Budua, and into the port of war of Cattaro.

Every merchant ship of larger size, that is to say from brigs upwards, and every steamer entering into the port of Gravosa, whether by day or by night, will be obliged by the battery of Lapad to stop in the canal of Calumatio, and until pratique is received from the Harbour Office of Gravosa will not be permitted to enter the port. The ingress into the Bocche di Cattaro is permitted only in the-day time. Merchant vessels, from brigs upwards, and all steamers, must always enter between the Punta d'Ostro and Fort Mumiela, and never by the other mouth, that is to say between Fort Manuela and La Punta d'Arza.

Such ships ought thence always to bear direct for Megline. Ingress to Cattaro is prohibited to every ship at night. At the port of Traste by day and by night ingress is prohibited to larger vessels, i.e., to brigs upwards and to steamers.

Entrance to Budua is prohibited during the night.

Entrance by day is prohibited at Plasamano, Tasi, and Malakuka, until vessels have received pratique in the Health Office of Budua.

Entrance into these three ports is prohibited by night, as at Budua.

Cattaro, 1st July, 1866,

(Signed) G. MORHAMMER, Major-General.

TREASURY WARRANT.

WHEREAS by an Act of Parliament, made and passed in the session of Parliament holden in the third and fourth years of the reign of Her Majesty, chapter 96, for the regulation of the duties of postage, power is given to the Commissioners of Her Majesty's Treasury, from time to time, by Warrant under their hands, to alter and fix any of the rates of British postage or inland postage payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid.

And whereas further powers are given to the Commissioners of Her Majesty's Treasury by another Act made and passed in the session of Parliament holden in the tenth and eleventh years of the reign of Her Majesty, chapter 85, for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post Office.

And whereas certain powers are also given to the Commissioners of Her Majesty's Treasury, by another Act of Parliament, made and passed in the eighteenth year of the reign of Her Majesty, chapter 27, for amending the laws relating to the stamp duties on newspapers, and for providing for the transmission by post of printed periodical publications.

And whereas a convention hath been lately made and concluded between the General Post Office of the United Kingdom of Great Britain and Ireland and the General Post Office of the Kingdom of Portugal, for the purpose of improving the postal service between the United Kingdom and Portugal, and it is expedient for the better carrying out of the same that certain regulations should be made in the manner hereinafter mentioned and contained.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers reserved to us in and by the said hereinbefore recited Acts of Parliament respectively, and all and every, or some or one of them, and of all other powers enabling us in this behalf, do, by this Warrant, under the hands of two of us, the said Commissioners (by the authority of the Statute in that case made and provided), order, declare, and direct as follows, that is to say:—

3. On every letter so transmitted, as is hereinbefore in the first and second clauses of this Warrant respectively mentioned, between the United Kingdom and Portugal, Madeira, the Azores, or the Portuguese possessions on the West Coast of Africa, if exceeding one quarter of an ounce in weight, there shall be charged, taken, and paid the several further and additional and progressive rates of postage according to the scale of weight and number of rates hereinafter mentioned; that is to say:—

And for every quarter of an ounce in weight of any such letter above the weight of one ounce, there shall be charged, taken, and paid one additional rate of postage, and in charging any additional rate of postage, every fractional part of such additional quarter of an ounce shall be charged as an additional quarter of an ounce in weight, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such letter would be charged with under this Warrant if not exceeding one quarter of an ounce in weight.

4. On every letter not exceeding one half of an ounce in weight, posted in the United Kingdom, addressed to any place in Portugal, Madeira, the Azores, or the Portuguese possessions on the West Coast of Africa, or posted in Portugal, Madeira, the Azores, or the Portuguese possessions on the West Coast of Africa, addressed to the United Kingdom, and transmitted by the post between any part of the United Kingdom and any place in Portugal, Madeira, the Azores, or the Portuguese possessions on the West Coast of Africa by British packet boat direct, or by

private ship direct, there shall be charged, taken, and paid an uniform rate of postage (British and foreign combined) of sixpence if such respective letters be prepaid, and if such respective letters be not prepaid, an uniform rate of postage (British and foreign combined) of eight pence.

20. If any packet sent or tendered or delivered in order to be sent by the post, under the provisions of this Warrant, otherwise than in conformity with the conditions and regulations applicable thereto, established by or under the 16th, 18th, and 19th clauses of this Warrant, the same shall and may be detained and opened at any place in the United Kingdom, and, at the option of the Postmaster-General, shall be detained and opened and returned or given up to the sender thereof.

21. In order to prevent any obstacle to the due and regular transmission of letters by the post, any officer of the Post Office may delay the trans-

mission of any packet posted or forwarded by the post, under the provisions of this Warrant, either for the space of twenty-four hours after the time at which the same ought to be despatched in due course of the post, or, at his option, until the despatch of the mail next after that by which the same ought in due course of the post to be forwarded by him.

22. In all cases in which any question shall hereafter arise whether any packet, or anything contained therein, transmitted under or by virtue of this Warrant, is entitled to the privileges of this Warrant, and to be so transmitted within the intent and meaning thereof, such question shall be referred to the determination of the Postmaster-General, whose decision thereupon shall be final and conclusive on all parties.

23. All letters, printed newspapers, and other printed papers transmitted by the post from or to Portugal, Madeira, the Azores, or the Portuguese possessions on the West Coast of Africa, to or from any of Her Majesty's colonies or foreign countries beyond sea by British packet boat, without passing through the United Kingdom, and all letters, printed newspapers, and other printed papers, transmitted by the post from or to Portugal, and conveyed by British packet boat between Gibraltar and the Mediterranean or the East Indies, or other places to the eastward of Suez, shall be charged and chargeable with the following rates of postage, that is to say :—with a rate of postage of 360 reis Portuguese currency for every British ounce weight of letters so transmitted, and with a rate of postage of 100 reis Portuguese currency for every British pound weight of printed newspapers or other printed papers so transmitted.

25. The rates of postage fixed by this present Warrant on the letters and packets transmitted as herein respectively mentioned, shall be, in lieu of any rates now chargeable thereon under a certain Warrant of the Commissioners of Her Majesty's Treasury, bearing date the 14th day of June, 1859, and the same, together with such last-mentioned Warrant, shall be, and the same are hereby, repealed, revoked, and annulled.
