

and effectual, to all intents and purposes, as well with the respect to the commander, master, or other person having the charge of any vessel, and all other persons on board the same, as with respect to any other persons having any intercourse or communication with them, and to the penalties, forfeitures, and punishments to which they might respectively become liable, as any Order or Orders made by His Majesty, His heirs or successors, by and with the advice of His or their Privy Council, concerning quarantine, notified by proclamation or published in the London Gazette.

And whereas, by "The Sanitary Act, 1866," it is (amongst other things) enacted as follows:—

Section 52. That every vessel having on board any person affected with a dangerous or infectious disorder should be deemed to be within the provisions of the Act of the sixth year of King George the Fourth, chapter seventy-eight, although such vessel had not commenced her voyage, or had come from or was bound for some place in the United Kingdom; and the Lords and others of Her Majesty's Most Honourable Privy Council, or any three or more of them (the Lord President of the Council or one of Her Majesty's Principal Secretaries of State being one), might, by Order or Orders to be by them from time to time made, make such Rules, Orders, and Regulations as to them should seem fit, and every such Order should be certified under the hand of the Clerk in Ordinary of Her Majesty's Privy Council, and should be published in the London Gazette, and such publication should be conclusive evidence of such Order to all intents and purposes.

And whereas one of the Royal Mail Steam Packet Company's vessels, called the "Atrato," has lately arrived from the West Indies in the Southampton Water, in the county of Hants, and is now under quarantine at the Motherbank, off the Isle of Wight, and during and in the course of her voyage from the West Indies, the Yellow Fever, being a dangerous and infectious disease, appeared on board the said vessel, and attacked several persons on board thereof, and the said vessel arrived under alarming and suspicious circumstances, and having on board one or more person or persons affected with the said dangerous and infectious disorder; and whereas several persons who were on board the "Atrato" on her arrival have since been removed to the Quarantine Lazarette or Hulk called the "Menelaus," lying at the Motherbank, off the Isle of Wight.

Now, therefore, the Lords of Her Majesty's Most Honourable Privy Council, in exercise of the powers vested in them in that behalf, do hereby order,—

1. That the said vessel, called the "Atrato," shall remain and continue at the Motherbank, aforesaid, until the Lords of Her Majesty's Most Honourable Privy Council, or any three or more of them shall make further Order.

2. That the passengers and crew now on board the said vessel, called the "Atrato," shall remain on board the said vessel until further order by the said Lords of the Council, or any three or more of them, unless any of such persons shall be removed or be ordered to be removed by the Medical Superintendent of Quarantine at Southampton, to the Lazarette or Quarantine Hulk or other Hospital Ship, in accordance with the provisions contained in the twenty-fourth paragraph of the Order in Council, dated 19th July, 1825.

3. That all persons now on board the Menelaus Quarantine Hulk, or who shall hereafter be removed on board the said Hulk, or on board of any other Hospital Ship, and who shall have been on board the Atrato, shall be kept and detained on board the said Hulk or other Hospital Ship, until the said Lords of the Council, or any three or more of them shall make further order.

And the Right Honourable the Lords Commissioners of Her Majesty's Treasury, and the Lords Commissioners of the Admiralty, are to give the necessary directions herein as to them may respectively appertain.

Arthur Helps.
