TUESDAY, AUGUST 27, 1867.

AT the *Council Chamber, Whitehall*, the 20th day of *August*, 1867.

By the Lords of Her Majesty's Most Honourable Privy Council.

PRESENT:

Lord President.
Earl of Devon.
Lord John Manners.
Mr. Secretary Hardy.
Mr. Cave.
Mr. Wilson Patten.

WHEREAS it is expedient to consolidate and amend those provisions of Orders of the Privy Council now in force under The Contagious Diseases (Animals) Acts, which are to remain in force, and to add other provisions, and to revoke such of those Orders as are not to remain in force, or as have already ceased to be in force by expiration or otherwise:

Now, therefore, the Lords and others of Her Majesty's Most Honourable Privy Council by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Acts, and of every other power enabling them in this behalf, do order, and it is hereby ordered as follows:

Preliminary.

1. This Order may be cited as "The Consoli- "dated Cattle Plague Order of August, 1867."

2. Except as in this Order expressly otherwise provided, this Order shall take effect from and immediately after the 15th day of September, 1867 (which time is in this Order referred to as the commencement of this Order).

3. The Orders of Council or provisions thereof described in the First Schedule to this Order, Part I, are hereby revoked; but this revocation shall not affect the past operation of any of those Orders, or the validity or invalidity of anything done or suffered, or any appointment made, or any licence granted, or any right, title, obligation, or liability which may have accrued thereunder before the commencement of this Order; nor shall this Order interfere with the institution or prosecution of any proceeding in respect of any offence committed against, or any penalty or forfeiture incurred under, any Order hereby revoked.

4. Nothing in this Order shall affect the Orders of Council or provisions thereof described in the First Schedule to this Order, Part II, and the same shall be in force and continue to operate as if this Order had not not been made.

5. Every licence for the movement of cattle or for any other purpose granted before the commencement of this Order by a Local Authority or any of their officers on their behalf, or by any other person authorized to grant the same, and in force at the commencement of this Order, shall continue in force thereafter as if this Order had not been made, and shall be available in like manner to all intents, for the purpose for which it was granted, as if it had been granted under this Order.

6. Every place which before the commencement of this Order has been declared to be an Infected Place, under the Order of Council of the 24th day of March, 1866, and has not been declared to be free from Cattle Plague, shall continue to be an Infected Place after the commencement of this Order, as if this Order had not been made, subject to the power of the Local Authority to declare such place free from Cattle Plague and thereby to cause the same to cease to be an Infected Place; and the rules of "The Contagious "Diseases (Animals) Act, 1867," with respect to Infected Places, shall, from and after the com mencement of this Order, apply to every such Infected Place, in lieu of the rules in that behalf of the Order of Council of the 24th day of March, 1866.

7. Every licence granted by the Privy Council for the holding of a market, exhibition, or sale

before the commencement of this Order, and in force at the commencement thereof, shall continue in force thereafter as if this Order had not been made, subject to revocation by the Privy Council, and as if the conditions, provisions, and regulations applicable under this Order, to such market, exhibition, or sale, had been referred to in such licence, instead of the conditions, provisions, and regulations of any former Order of Council therein referred to.

8. This Order extends to England and Wales (save as far as the Metropolis is expressly excepted), and to Berwick-upon-Tweed, and also to Scotland or Ireland where the same is expressly mentioned, or where any Order revoked by this Order extended to or affected Scotland or Ireland.

9. In this Order—

Words have the same meaning as in "The "Cattle Diseases Prevention Act, 1866:"

The term "Foreign Cattle" means cattle brought by sea from any place out of the United Kingdom:

The term "Sale" includes Auction:

The term "Infected Place" means a place declared such under the Order of Council of the 24th day of March, 1866, or under "The Contagious Diseases (Animals) Act, "1867."

Officers, &c., of Local Authorities.

10. Each Local Authority may from time to time appoint such officers as they think necessary for executing this Order, and may assign to them such duties and award to them such salaries and allowances as the Local Authority think fit, and may revoke any such appointment.

Officers appointed by Local Authorities under Orders relative to Cattle Plague and holding office at the date of this Order, shall continue in office with the same duties, salaries, and allowances, and on the same terms as if this Order had not been made, nothing herein shall affect the power of the Local Authority to revoke the appointment of any such officer.

11. A Local Authority may provide and supply, without charge, printed copies of documents or forms requisite under this Order.

12. Every regulation made by a Local Authority under this Order, shall (where no other provision is made for the publication thereof) be published by advertisement in a newspaper circulating in the district of the Local Authority.

13. Expenses incurred by the Court of the Lord Mayor and Aldermen of the City of London (as the Local Authority for the City of London and the Liberties thereof) in executing this Order shall be defrayed by them out of the Consolidated Sewers Rate.

Legal Proceedings.

14. A Local Authority may appear before Justices, or in any legal proceedings under this Order, by their clerk, or by any agent authorized by them in writing under the hands of two of their members.

A railway company or other body corporate may appear before Justices, or in any legal proceeding under this Order, by their secretary, or by any member of their board of directors or management, or by any agent authorized by them in writing under the hands of any two members of such board.

Privy Council Inspectors.

15. A person for the time being appointed by the Privy Council an Inspector for the purposes of this Order shall have, wherever the operation of this Order extends, all powers which an Inspector appointed by a Local Authority has within his district; and a direction of the Privy Council shall, in case of an Inspector appointed by them, be deemed equivalent to a direction of a Local Authority in case of an Inspector appointed by them.

Animals affected with Cattle Plague.

16. Every person having in his possession or under his charge any animal affected with Cattle Plague shall observe the following rules:—

1. He shall as far as practicable keep such animal separate from animals not so affected.
2. He shall with all practicable speed give notice to a police constable of the fact of the animal being so affected.

Such police constable shall give notice thereof to the Inspector appointed by the Local Authority.

If any person required by this Article to give notice fails to do so, he shall be deemed guilty of an offence against this Order.

17. The following rules shall have effect with respect to animals affected with Cattle Plague and to animals that have been within twenty-eight days in a shed or stable or in the same herd or flock or in contact with an animal so affected; that is to say:—

(1.) No such animal shall be placed or kept on any common or uninclosed land, or in any field or other place insufficiently fenced:

(2.) No such animal shall be sent or brought to a market, exhibition, or sale, or be exposed for public sale:

(3.) No such animal shall be driven along or allowed to stray on any highway or the sides thereof:

(4.) No such animal shall be sent or carried by a railway, or by a canal, river, or other inland navigation, or by a coasting or sea-going vessel:

(5.) No such animal shall be removed alive from the field, stable, cowshed, or other place where it is; provided that where

such animal is not actually affected with Cattle Plague, it may, subject and according to the foregoing provisions of this Article, and with a licence from the Local Authority, be removed thence to some place within the district of the same Local Authority, where it can be conveniently slaughtered, or where it can be kept apart from all other animals until the Local Authority are satisfied that there is no reasonable probability of its propagating Cattle Plague.

If any animal is dealt with or removed in contravention of this Article, the person so dealing with or removing the animal, and also the person causing or permitting such dealing therewith or removal thereof, shall each be deemed guilty of an offence against this Order.

18. Where an offence is committed with respect to an animal under Articles Sixteen and Seventeen of this Order, or either of them, the Local Authority may by themselves or their officers cause such animal to be slaughtered and buried, and may recover from the owner in a summary manner all expenses so incurred.

19. All animals affected with Cattle Plague, whether they have been slaughtered or have died of Cattle Plague, shall be buried by the owner as soon as practicable in some proper place, with their skins slashed in such a manner as to prevent their being made of any use, and with a sufficient quantity of quicklime or other disinfectant, and shall be covered with at least six feet of earth, or shall be otherwise disposed of in such manner as may be directed by any regulations made by the Local Authority, and approved by the Privy Council.

If any animal is not buried or otherwise disposed of in pursuance of this Article, the owner of such animal shall be deemed guilty of an offence against this Order, and the Local Authority may bury or otherwise dispose of such animal, and may use any convenient place on the premises of the owner for that purpose.

The Local Authority may recover from the owner in a summary manner any expenses incurred by them under this Article.

20. It shall not be lawful for any person, except with the licence of the Privy Council, to dig up, or cause to be dug up, an animal that was affected with Cattle Plague, or part of such an animal.

If any person acts in contravention of this Article he shall be deemed guilty of an offence against this Order.

21. Where the Local Authority exercise the power of causing premises to be cleansed and disinfected conferred on them by Section Fourteen of "The Cattle Diseases Prevention Act, 1866," the occupier of such premises shall give all facilities for that purpose, and if he fails to do so he shall be deemed guilty of an offence against this Order.

22. No fresh animal shall be admitted into any yard, shed, stable, field, or other premises in which an animal affected with Cattle Plague has been kept while so affected, or has died, or been slaughtered, until the expiration of thirty days after the cleansing and disinfecting of such premises.

If any fresh animal is admitted into any yard, shed, stable, field, or other premises in contravention of this Article, the occupier of such yard, shed, stable, field, or other premises shall be deemed guilty of an offence against this Order.

23. The dung of an animal affected with Cattle Plague, and all hay, straw, or litter, or other article that has been in contact with or used about such an animal shall be destroyed, or with the sanction of the Local Authority shall be disinfected and dealt with to the satisfaction of the Inspector in either case, by and at the expense of the occupier of the premises on which the same is found.

If the same is not so destroyed or disinfected and dealt with, the Local Authority may cause the same to be destroyed or disinfected, and may recover in a summary manner all expenses incurred by them from the occupier of the premises on which the same is found, and in addition thereto such occupier shall be deemed guilty of an offence against this Order.

24. No such dung or other article shall be removed from the premises where an animal affected with Cattle Plague has been, except for the purpose of being so destroyed or disinfected and dealt with, and with a licence of an Inspector specifying the place at which it is to be destroyed or disinfected and dealt with, nor shall any such dung or other article be removed beyond the limits of the district of the Local Authority in which such premises are situate without the consent in writing of the Local Authority into whose district it is moved.

If the same is removed in contravention of this Article the occupier of the premises from which it is removed, and also the person removing the same, shall each be deemed guilty of an offence against this Order, and the Local Authority may cause the same to be destroyed or disinfected, and may recover from the occupier in a summary manner all expenses incurred by them.

Markets, Exhibitions, and Sales.

25. No market, fair, exhibition, or sale of cattle shall be held, except as follows :—

(1.) Cattle belonging to the owner or occupier of premises not in an Infected Place may be sold on those premises if the cattle are not affected with Cattle Plague and have been on those premises in possession of the owner or occupier thereof not less than 28 days immediately before the sale :

(2.) Markets, exhibitions, and sales may be held under licence of the Privy Council.

If any cattle are sold, or exposed or put up for sale, or exhibited, in contravention of this Article, the seller and the purchaser thereof, and the auctioneer putting the same up for sale, or the person exposing the same for sale or exhibiting the same, shall each be deemed guilty of an offence against this Order ; and if any person holds a market, exhibition, or sale, in contravention of this Article, or fails to comply with any of the conditions, provisions, or regulations of any licence for the holding of a market, exhibition, or sale, he shall be deemed guilty of an offence against this Order.

26. Cattle exposed for sale in a market or at a sale, the holding whereof for the sale of cattle for immediate slaughter is licensed by the Privy Council, may be kept alive for a period of six days after such exposure, and no longer.

If any person keeps any cattle alive in contravention of this Article, he shall be deemed guilty of an offence against this Order.

Movement of Animals.

27. Cattle may be moved in accordance with the provisions of this Order, but not otherwise.

28. No cattle shall be moved on a highway between sunset and sunrise in the months of March to September inclusive, or between the hours of six p.m. and six a.m. in the other months; but nothing in this Article shall restrict the movement of cattle within the limits of any city or town.

29. Licences for movement of cattle shall be of three kinds:—

1. A licence for movement generally, to be called a Movement Licence:
2. A licence for removal to a licensed market, exhibition, or sale, to be called a Market Licence:
3. A licence for removal from a licensed market, exhibition, or sale, to be called a Market Pass.

30. The forms in the Second Schedule to this Order, or forms to the like effect, signed as in that schedule directed, shall be used in the cases to which they refer, with such variations only as circumstances require, and when used shall be deemed sufficient.

31. No cattle shall be moved out of the district of a Local Authority in which they are, except with a licence of the Local Authority; and, if that licence is not signed by a Justice of the Peace, then there shall also be requisite a licence of the Local Authority of the district into which they are to be moved, indorsed on or referring to such first-mentioned licence; but such secondly-mentioned licence shall not be necessary in the case of movement from lands to other lands in the same occupation, situate in the district into which the cattle are moved within five hundred yards of the boundary of the district out of which they are moved.

32. No cattle shall be moved within the district of a Local Authority without such licence as the Local Authority prescribe in that behalf; provided, as follows:—

1. The conditions of any such licence shall not be more stringent than the conditions of the Licences, forms whereof are given in the Second Schedule to this Order.
2. No regulation of a Local Authority shall authorize the owner or purchaser of any cattle, or his bailiff or agent, to consent by his signature or other act to the movement of such cattle.
3. No Licence shall be necessary for movement within the district for a distance not exceeding five hundred yards from lands to other lands in the same occupation.

33. Each Local Authority shall, as soon as may be after the commencement of this Order, send to the Privy Council a list of all persons appointed by such Local Authority to grant licences for the movement of cattle, with the addresses of such persons, and shall afterwards from time to time send to the Privy Council notice of any addition to that list within seven days after such addition is made; and the Privy Council may, if they think fit, at any time, direct the removal from such list of the name of any person, and thereupon that person shall cease to be authorized to grant any licence for the movement of cattle under this Order.

34. Cattle may be moved to a market, exhibition, or sale, licensed by the Privy Council, with a Market Licence or a Market Pass, but not otherwise; and the person bringing any cattle thereto shall deliver the Licence or Pass to an officer of the market, exhibition, or sale, or to some other person appointed in that behalf by the holders of the market, exhibition, or sale, and the same when so delivered shall be retained, numbered (for identification), and carefully preserved by such officer or person, and shall be produced on demand to an Inspector of the Privy Council, or an Inspector or other officer of the Local Authority, or to any police officer; and any person refusing so to produce the same shall be deemed guilty of an offence against this Order.

Provided, that in case of an exhibition or sale such a Licence or Pass shall not be given except for movement from places or parts allowed in the Licence of the Privy Council for the holding of the exhibition or sale.

35. Cattle which have been sold or exposed for sale or exhibited in or at a licensed market, exhibition, or sale, shall not be moved therefrom, except with a Market Pass, to be given by an officer of the market, exhibition, or sale, or other person appointed in that behalf by the holders of the market, exhibition, or sale, to the owner or purchaser desirous of moving the same.

36. Where a licence for the movement of cattle has been granted, and an error is afterwards discovered therein, any two Justices may by writing under their hands subscribed to or indorsed on the licence, correct the error, and thereupon the licence shall be and be deemed to have been as valid and effectual as if the error had not been made.

37. If any cattle are moved in contravention of any provision of this Order, the owner thereof, and the person directing or permitting their removal, and the company or person removing or conveying them, shall each be deemed guilty of an offence against this Order.

38. Nothing in Articles Twenty-seven to Thirty-seven inclusive extends to the Metropolis.

39. Cattle may be moved from Scotland into England with a Movement or Market Licence, but not otherwise.

40. A Local Authority may, from time to time, with the view of preventing the spread of Cattle Plague, make regulations prohibiting or regulating the movement of animals on, to, from, and through, and the keeping thereof on, commons and wastes whereon there exists a right of common, and may revoke any such regulation.

If any person acts in contravention of any such regulation he shall be deemed guilty of an offence against this Order.

41. No person shall drive cattle under his charge, or allow them to be driven, or to stray, into an inclosed field, without the consent of the owner or occupier thereof.

If any person acts in contravention of this

Article he shall be deemed guilty of an offence against this Order.

Foreign Animals.

42. From and after the thirtieth day of September, one thousand eight hundred and sixty-seven, Foreign Cattle shall not be landed elsewhere than at parts of Ports defined by special Orders of the Privy Council (made or to be made) for the several Ports as places where Foreign Cattle may be landed, and, notwithstanding anything in this Order, all regulations relative to the landing of Foreign Cattle at any Port in force at the commencement of this Order shall remain in force until the first day of October, one thousand eight hundred and sixty-seven.

43. The owner, consignee, or other person landing Foreign Cattle shall, before or within twelve hours after landing them, at his own expense mark them by clipping the hair off the end of the tail, and in such other manner as the Privy Council from time to time direct.

If any Foreign Cattle landed are not so marked the person landing the same, and the owner or consignee thereof, shall each be deemed guilty of an offence against this Order.

44. Notwithstanding anything in this Order respecting movement of cattle by licence or otherwise, Foreign cattle shall not be moved alive out of the limits of the defined part of the Port at which they are landed except as allowed by and in accordance with the provisions of an Order of the Privy Council relating specifically to that Port.

45. The following cattle are hereby excepted from the operation of Articles Forty-two, Forty-three, and Forty-four of this Order, namely, cows brought from the Channel Islands, or any of them, or from the Isle of Man, in vessels plying or sailing between those islands respectively, or one of them, and England, and not having touched since last leaving England, or one of those islands (as the case requires) at any port or place elsewhere than in one of those islands or in England, and not having on board any cattle except cows born in one of those islands and not previously removed from those islands; and the following provisions shall apply to such cows:—

1. In order to entitle any person to the benefit of this Article in respect of any cows, the master of the vessel in or on board of which the same are so brought, shall, on his arrival in such port or place, deliver to the person appointed by the Local Authority of such port or place for the purpose, or, in default of such appointment, to the officers of Her Majesty's Customs there, a clearance cocket under the hands or hand of the Principal Officer and Controller of Her Majesty's Customs at the port or place in one of those islands from which such cows are exported, describing the same as being *bonâ fide* the produce of, and as having never previously been removed or exported out of the Channel Islands or one of them, or the Isle of Man (as the case may be); together with a certificate in writing under the hand of the Governor or Lieutenant-Governor of such island, certifying that the shipper of such cows has made proof before a magistrate within such island, in the manner required by the laws relating to the Customs, that such cows are actually the produce of and were born within the Channel Islands or the Isle of Man (as the case may be), and have never previously been removed or exported therefrom; and also a certificate under the hand of some veterinary surgeon practising within such island, and countersigned by a magistrate having authority within the same, to the effect that to the best of his knowledge and belief such cows are free from Cattle Plague, and from every symptom commonly supposed to indicate the presence or approach thereof, and from contagious disease of any kind, and that to the best of his knowledge and belief Cattle Plague never has existed and does not at the time of granting such certificate exist in such island.
2. No such cows shall be removed from such port or place alive without a certificate from the Local Authority that they have been examined by some officer appointed by the Local Authority for that purpose, and that they are free from Cattle Plague.
3. Such certificate shall not exempt such cows from any other regulation of this Order with respect to the movement of cattle or otherwise; save that the same may be accepted in the case of a movement licence by the person authorized to grant the same, as sufficient for the purpose of the granting thereof, and in the case of a market licence, by the Justice, or other person authorized to grant the same, as equivalent to the declaration of the owner or his agent.

Provided that the exception made by this Article shall not extend to any such cows landed at a part of a port defined as in Article Forty-two provided.

46. Sheep, goats, and swine brought in the same vessel with Foreign Cattle shall be subject to the provisions of this Order respecting Foreign Cattle.

Removal of Hides, Wool, Horns, &c.

47. No hide, skin, hair, wool, horn, or hoof of animals shall be carried by or on a highway, railway, canal, or river, or by other mode of conveyance, unless effectually covered.

If any such thing is carried in contravention of this Article the person sending the same, and the person conveying the same, shall each be deemed guilty of an offence against this Order.

48. The last preceding Article shall not apply to the following things:—

(1.) Hides, skins, hair, wool, horns, or hoofs imported into the United Kingdom from India, Australia, South Africa, or America:

(2.) Hides, skins, hair, wool, horns, hoofs, or glue pieces, that have been effectually limed for manufacturing purposes:

But proof that any hide, skin, hair, wool, horn, hoof, or glue piece is such as to come within any exception made by this Article shall lie on the accused.

Powers and Duties of Officers respecting Movement of Animals, Hides, &c.

49. Any officer authorized in this behalf by a Local Authority, or any constable or police officer, may stop and detain any animal which is being moved, or which he has reasonable grounds for suspecting is being moved, in contravention of this Order, and may apprehend, without warrant, the person in charge thereof and bring him before a Justice, who shall inquire into the case in a summary manner, and may, if satisfied that there are good grounds for suspecting that such animal was being moved in contravention of this Order, by writing under his hand direct the animal to be detained, and the person in charge thereof to be brought before two Justices as soon as practicable and the same may be done accordingly.

On such person being brought before two Justices they shall adjudicate on the case in a summary manner, and if satisfied that the animal was being moved in contravention of this Order, may direct it to be slaughtered and buried, or to be otherwise disposed of as they think most expedient for preventing the spread of Cattle Plague.

50. Any officer authorized in this behalf by a Local Authority, or any constable or police officer, may inspect any railway truck, cart, boat, or other vehicle used by land or by water, in which animals, hay, manure, litter, straw, and other articles used for or about animals are usually or at the time of such inspection carried, and may examine the person in charge thereof, with a view to ascertain whether any animals or articles are being moved or carried in contravention of this Order; and such officer may, if he has reasonable grounds for suspecting that such animals or articles are being moved or carried in contravention of this Order, apprehend, without warrant, the person in charge thereof, and bring him before a Justice, who shall inquire into the case in a summary manner, and such Justice, if satisfied that there are good grounds for suspecting that such animals or articles were being moved or carried in contravention of this Order, may by writing under his hand direct the same to be detained, and the person in charge thereof to be brought before two Justices as soon as practicable, and the same may be done accordingly.

On such person being brought before two Justices, they shall adjudicate on the case in a summary manner, and, if satisfied that the animals or articles were being moved or carried in contravention of this Order, may direct the same to be destroyed or otherwise disposed of as they think most expedient for preventing the spread of Cattle Plague.

51. If any person having charge of any animal or thing that is being moved or carried on a highway, railway, canal, navigation, or river, for the moving whereof a licence is requisite, is required by an officer of a Local Authority authorized in this behalf, or by a constable or police officer, to produce the Licence (if any) for the moving or carrying of that animal or thing, and fails to do so, he shall be deemed guilty of an offence against this Order.

52. Any constable, or police or other officer detaining any animal under this Order shall cause it to be supplied with requisite food and water during its detention, and any expenses incurred by him in respect thereof may be recovered in a summary manner from the person in charge of the animal or from its owner.

53. Any Inspector or other officer empowered to carry this Order into effect may, if authorized in this behalf by general or special order in writing of the Local Authority, enter any field, stable, cowshed, or other premises within his district, where he has reasonable grounds for supposing that cattle affected with Cattle Plague have been, or have been buried or otherwise disposed of, for the purpose of carrying into effect the provisions of this Order.

If any person refuses admission to, or obstructs or impedes, or aids in obstructing or impeding, such inspector or other officer, he shall be deemed guilty of an offence against this Order.

Cleansing and Disinfecting of Pens, Trucks, &c.

54. Every pen, carriage, truck, horse-box, vehicle, or boat, required to be cleansed and disinfected, shall be cleansed and disinfected once in every twenty-four hours during the time when it is used for any animal, in manner following:—

By sweeping out and effectually removing all dung, sawdust, litter, or other matter, from the pen, carriage, truck, horse-box, vehicle, or boat, and then by thoroughly washing the same with water, and then by applying to the floor and to all parts above the floor of the pen, carriage, or truck, and to the sides, floor, and ceiling of the hold of the boat, and to every other part of the boat with which animals or their droppings come in contact, a coating of limewash made up by mixing good freshly burnt lime with water, and containing in each gallon of limewash either one-fifth of a pint of carbolic acid, or one-fifth of a pint of cresylic acid, or four ounces of fresh dry chloride of lime, such limewash to be prepared immediately before use.

The sweepings shall be well mixed with quicklime and effectually removed from contact with animals.

Dogs.

55. A Local Authority may make such Orders as they think expedient for preventing the propagation of disease by means of dogs, and may order stray dogs to be destroyed or otherwise disposed of.

By the Lords of Her Majesty's Most Honourable Privy Council.

WHEREAS it is expedient to amend the regulations now in force under Orders of the Privy Council for preventing the spread of Cattle Plague in the Metropolis:

Now, therefore, the Lords and others of Her Majesty's most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Acts, and of every other power enabling them in this behalf, do order, and it is hereby ordered as follows:

1. This Order may be cited as The Metropolitan Cattle Plague Order of August, 1867.

2. Except as in this Order expressly otherwise provided, this Order shall take effect from and immediately after the fifteenth day of September, 1867 (which time is in this Order referred to as the commencement of this Order).

3. In this Order words have the same meaning as in the Consolidated Cattle Plague Order of August, 1867.

4. No Cattle shall be moved out of or within the Metropolis except in accordance with the provisions of this Order.

5. No licence granted (under any other Order of Council) for the movement of Cattle from a place beyond the limits of the Metropolis shall authorize the movement of such Cattle through any part of the Metropolis.

6. No cattle shall be moved alive out of the Metropolis; provided that where any person occupies a farm situate partly within and partly without the Metropolis, or any other contiguous premises so situate, he may, with a licence from the Commissioner of Police of the Metropolis or of the City of London, (which licence such Commissioner is hereby empowered from time to time to grant, and, if he thinks fit, to revoke,) move from one part of such premises to another Cattle not affected with Cattle Plague, which have been in his own possession for twenty-eight days or upwards immediately previous to the date of such licence, and have been marked in such manner as the said Commissioner of Police directs.

7. No cattle shall be moved along any highway, thoroughfare, or public place within the Metropolis, except for a distance not exceeding five hundred yards from part to part of the same farm, or to water, without a licence as aforesaid, stating the number and description of the Cattle licensed to be moved, and the place of their destination.

8. Cattle may be brought to the Metropolitan Cattle Market with a licence of the Commissioner of Police as aforesaid, but not otherwise; and the person bringing any cattle shall deliver the licence to the Officer of the Market appointed to receive it, and the same shall be retained, numbered, and carefully preserved by such Officer.

9. 10. The proprietor of a Slaughter-house in the Metropolis shall not receive for slaughter any cattle which have been sold or exposed for sale in the said Market without the proper Market Pass.

11. The proprietor of a Slaughter-house in the Metropolis shall not receive for slaughter any cattle which have been brought to the Metropolis under a licence granted otherwise than by virtue of Article Seven of this Order, without receiving from the person delivering such cattle to him, or from the owner thereof, the licence under which they have been moved.

12. On the Saturday of every week the proprietor of each Slaughter-house in the Metropolis shall deliver to the chief officer in charge of the police station of the district in which the Slaughter-house is situate all the market passes and licences received by him during the week.

13. With respect to Foreign cattle (except cattle within the exception in Article Forty-five of the Consolidated Cattle Plague Order of August, 1867) brought by sea to the Port of London the following regulations shall have effect:—

(1.) All such cattle shall be landed in such manner, within such times, and subject to such supervision and control, as the Commissioners of Customs from time to time direct.

(2.) If the place of landing is not within the Metropolis, and such cattle are not slaughtered at the place of landing, they shall be removed thence by railway to the Metropolis, and not otherwise or elsewhere; and they shall be brought along the railway in trucks or carriages exclusively set apart or used for the purpose of conveying foreign cattle, and coloured with a special colour, or otherwise distinguished by a mark, approved of by the Privy Council, to designate them as so appropriated, and such trucks or carriages shall, after they have been used for the purpose of conveying any cattle to the Metropolis, be cleansed and disinfected in manner provided by Article Fifty-four of the said Consolidated Order.

If any truck or carriage is at any time used in contravention of any of the provisions of this Article, the Company or person by whom it is used shall for each time that it is so used be liable to a penalty not exceeding five pounds.

14. Foreign cattle within the Metropolis shall be slaughtered within four days after the landing thereof, exclusive of the day of landing, unless they are taken to the said Market within such four days, and in any case they shall until taken to be slaughtered be kept in lairs licensed for their reception by the Privy Council.

15. Any dung of animals, and any hay, straw, litter, or other thing, commonly used for food of animals or otherwise for or about animals, may be moved out of an Infected Place within the Metropolis (but not out of the Metropolis) with a licence signed by an officer of the Local Authority appointed in that behalf certifying that the thing moved has been disinfected, but not otherwise.

16. If any cattle or thing are or is moved in contravention of any provision of this Order, the owner thereof and the person directing or permitting the removal thereof, and the person or Company in charge of or removing or conveying the same, shall each be deemed guilty of an offence against this Order; and if any proprietor of a Slaughter-house fails to comply with any provision of this Order, he shall be deemed guilty of an offence against this Order.

17. Nothing in this Order shall affect any licence granted, or any right, title, obligation, or

liability which may have accrued before the commencement of this Order.

18. Every licence for the movement of cattle, or for any other purpose, granted before the commencement of this Order by a Commissioner of Police, or by the Local Authority, or any of their Officers on their behalf, or by any other person authorized to grant the same, and in force at the commencement of this Order, shall continue in force thereafter as if this Order had not been made, and shall be available in like manner, to all intents, for the purpose for which it was granted, as if it had been granted under this Order.

19. Expenses incurred by the Court of Lord Mayor and Aldermen of the City of London (as the Local Authority for the City of London and the Liberties thereof,) in executing this Order shall be defrayed by them out of the Consolidated Sewers Rate.

20. The Metropolitan Board of Works shall cause this Order to be published in a newspaper circulating in the Metropolis; and the Court of Lord Mayor and Aldermen of the City of London shall cause a copy thereof to be affixed in a conspicuous place in the said Market; and the Commissioners of Police for the Metropolis and the City of London respectively shall cause a copy thereof to be affixed in a conspicuous place at each Police Station.
