

the Port of Southampton, in the town and county of the town of Southampton, for the landing of foreign cattle under the provisions of Her Majesty's Order in Council, dated at Windsor the tenth day of November, one thousand eight hundred and sixty-six, and did also by a licence, likewise bearing date the twenty-third day of January, one thousand eight hundred and sixty-seven, license certain pens and sheds belonging to the Southampton Dock Company, situated at the said port, for the reception of such cattle, in conformity with the terms of the said Order :

And whereas the Lords of Her Majesty's Privy Council did, by an Order also bearing date the twenty-third day of January, one thousand eight hundred and sixty-seven, make and prescribe certain regulations with respect to the time and place at and to which, and the conditions upon which, foreign cattle landed under the provisions of the said Order in Council of the tenth day of November, one thousand eight hundred and sixty-six, might be removed from such pens and sheds :

And whereas it is now deemed expedient that the two licences before mentioned, and the said Order of Council bearing date the twenty-third day of January, one thousand eight hundred and sixty-seven, should be revoked :

Now, therefore, the Lords of the Council do hereby revoke the said licences and the said Order of Council of the twenty-third day of January, one thousand eight hundred and sixty-seven, provided that nothing herein contained shall affect any act depending upon the said licences and Order commenced and not now concluded or the prosecution of any offence against the said Order not now punished.
