**T**HIS day Sir Francis Bond Head, Baronet,  
was, by Her Majesty's command, sworn of  
Her Majesty's Most Honourable Privy Council,

**A**T the Court at *Osborne House, Isle of Wight*,  
the 20th day of *December*, 1867.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS Her Majesty, by and with the  
advice of Her Privy Council, by an Order  
dated the twenty-fourth day of March, one thou-  
sand eight hundred and sixty-six, reciting that,  
it had been represented to Her Majesty that  
certain contagious or infectious disorders were  
then prevalent among cattle in the dominions  
and territories situated in Europe belonging to  
His Majesty the King of the Netherlands, and  
that there was danger of the said disorders  
being introduced into this country by means  
of cattle from such countries or places, did  
order that on and after the twenty-eighth day  
of March then instant, no cattle should be  
imported or introduced into the United Kingdom  
which should come from or should have been at  
any place within the aforesaid territories and  
dominions situate in Europe belonging to His  
Majesty the King of the Netherlands; and also  
that on and after the said twenty-eighth day of  
March then instant no cattle should be imported or  
introduced into the United Kingdom which should  
be or should have been on board any vessels at  
the same time with any cattle which should have  
come from or should have been within the afore-  
said territories and dominions:

And Her Majesty, by and with the advice of  
Her Privy Council, did thereby further order,

that, in the event of any cattle being landed in  
any portion of the United Kingdom contrary to  
the provisions of that Order, all such cattle, the  
importation or introduction whereof was thereby  
prohibited as aforesaid, should, upon their arrival  
in this country, be destroyed or otherwise dis-  
posed of as the Commissioners of Her Majesty's  
Customs might direct; and that that Order should  
continue in force until revoked by any further  
Order; and that the word "cattle" should include  
sheep as well as bulls, cows, oxen, heifers, and  
calves:

And whereas Her Majesty, by and with the  
advice of Her Privy Council, did, by Orders  
dated the twenty-seventh day of June, one thou-  
sand eight hundred and sixty-six, the third day  
of August, one thousand eight hundred and  
sixty-seven, and the eighteenth day of November,  
one thousand eight hundred and sixty-seven,  
revoke the said recited Order, except as far as the  
same applied or related to the importation or in-  
troduction of cattle, the produce of the province  
of South Holland, part of the said dominions  
belonging to His said Majesty the King of the  
Netherlands:

And whereas it has been represented to Her  
Majesty that the cattle in the said dominions and  
territories situated in Europe, belonging to His  
Majesty the King of the Netherlands, are now  
free from such contagious or infectious disorders,  
and that it is advisable that so much of the said  
recited Order, dated the twenty-fourth day of  
March, one thousand eight hundred and sixty-six,  
as is now in force, should be revoked as herein-  
after mentioned:

Now, therefore, Her Majesty, by and with the  
advice of Her Privy Council, doth hereby revoke,  
from and after the twenty-first day of December,  
one thousand eight hundred and sixty-seven, so  
much of the said recited Order of the twenty-  
fourth day of March, one thousand eight hundred  
and sixty-six as shall be then in force:

And the Right Honourable the Lords Commis-  
sioners of Her Majesty's Treasury are to give the  
necessary directions herein accordingly.

*Edmund Harrison.*
