**A**T the Council Chamber, Whitehall, this 18th day of February, 1868.

By the Lords of Her Majesty's Most Honourable Privy Council.

PRESENT,

Lord President,  
Lord Robert Montagu,  
Mr. Cave.

*To the Guardians of the Poor of all Unions and Parishes, to all Public Vaccinators, and to all others whom it may concern.*

**T**HE Lords and others of Her Majesty's Most Honourable Privy Council (of whom the Vice-President of the Committee of the said Privy Council on Education is one) acting under the authority of the Vaccination Act of 1867, and all other authorities in this behalf, do hereby make and issue the following Regulations, in addition to those already in force, for securing the efficient performance of Public Vaccination, and in respect of the Re-Vaccination of persons who apply to be re-vaccinated, that is to say :

**I.—Places and Times for Vaccination under Contract.**

1. Except where the Privy Council, for reasons brought to its notice, sees fit in regard of any particular District to sanction a system of domiciliary Vaccination, every Vaccination-District shall have in it at least one public Station appointed for the performance of the Vaccinations under Contract; and where any such Station has been provided for a District, no person resident within two miles thereof, and not being an inmate of the workhouse, shall be Vaccinated under Contract elsewhere than at such Station, unless the Vaccinator in the particular case be of opinion (which, if so, he is hereby required to note in his register), that, for some special reason, the person whom he purposes to vaccinate cannot properly be vaccinated at the Station.

2. Except under special authorisation from the Privy Council as aforesaid, or in so far as may be expedient at times when there is immediate danger of Small-pox, Vaccination under Contract shall not be appointed to be performed at any Station oftener than once a week.

3. And in any future Contract concerning a Vaccination-District which is partly or wholly within a town, there shall not, except under special authorisation as aforesaid, be appointed within the town more than a single Station for the performance of the Vaccinations of the District.

**II.—Vaccination Districts in Towns.**

No part of the Metropolis, or of any City or Municipal Borough, or Town Corporate, or other Town, shall, in respect of any future Contract, form by itself, or with any rural place, a separate District for Vaccination, except with the approval of the Privy Council, unless it contain an estimated population of at least 25,000 persons, or else be as much of the Metropolis, City, Borough, or Town, as is for purposes of Vaccination under the control of one Board of Guardians.

**III.—Office of Public Vaccinator.**

After the expiration of the month of June next, no two or more persons shall be allowed to act severally as Vaccinators under Contract in any one and the same part or district of any Union or Parish.

**IV.—Re-Vaccination.**

The performance of Re-Vaccination by the Public Vaccinator on persons applying to him for that purpose, shall be limited in each case by the following conditions:—(1) that, so far as the Public Vaccinator can ascertain, the applicant has attained the age of 15 years, or, if during any immediate danger of Small-pox, the age of 12 years, and has not before been successfully re-vaccinated; and (2) that, in the Public Vaccinator's judgment, the proposed Re-Vaccination is not for any sufficient medical reason undesirable; and (3) that the Public Vaccinator can afford Vaccine Lymph for the purpose without in any degree postponing the claims which are made on him for the performance of Primary Vaccination in his District.

## SOLDIERS' BALANCES UNCLAIMED.

IN pursuance of the "Regimental Debts Act, 1868," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the next of kin, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette," and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as next of kin should be addressed by letter to "The Under-Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the dates and places of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a Justice of the Peace; the applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore, it will facilitate the applicants' inquiries to give the number and date of the notice in which the deceased soldier's name appeared.—Dated this 20th day of February, 1868.

By order of the said Principal Secretary,  
EDWARD LUGARD.

NOTE.—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.
