Foreign Office, April 23, 1868.

Her Majesty's Minister at Florence has received a Note from Count Menabrea, the Italian Minister for Foreign Affairs, informing him that arrangements had been made by the Director-General of Customs with the Administration of the North Italian Railway Company by which all the luggage of those travellers who enter Italian territory merely in transit, and which is not intended to be opened in Italy will be "plombé" unopened and sent on under the guarantee of the railway itself to its destination accompanied by a ticket of registry; and that only hand-bags and those boxes or portmanteaus which are not consigned in the above manner, or which are intended to be opened within the Italian territory, will be examined at the Custom-house.

The Italian Minister adds that travellers themselves will be informed of this arrangement on their arrival at Susa, to which place this measure more particularly applies.

*Board of Trade, Whitehall,
April 23, 1868.*

THE Right Honourable the Lords of the Committee of Privy Council for Trade have received, through the Secretary of State for Foreign Affairs, from Her Majesty's Ambassador at Paris, an extract from the "Moniteur," containing an Imperial Decree, dated 4th April, 1868, which gives effect to the Customs' Tariff in the Island of Réunion.

(C. 558.)

*Board of Trade, Whitehall,
April 23, 1868.*

THE Right Honourable the Lords of the Committee of Privy Council for Trade have received, from the Secretary of State for Foreign Affairs, from Her Majesty's Chargé d'Affaires at Venezuela, the following translation of a Decree of the 9th March last, which establishes a blockade of the Coast of the State of Nueva Barcelona:—

Miguel Gil, General-in-Chief, First Vice-President (Designado) in charge of the National Executive.

A revolt having taken place in the State "Nueva Barcelona," against the political institutions which the nation has embraced, and it being the duty of the National Executive to employ force and other legal measures to re-establish the public peace:

Decreases:

ART. 1. That the coast of the State "Nueva Barcelona," is declared to be closed, from the entrance of the River Uchire to the point Conoma.

ART. 2. A blockade of the same extent of the coast is declared.

ART. 3. Should any vessel or vessels approach any part of the said coast the blockading forces will notify to them the existence of the blockade, noting down in their ship's papers the day and the hour or the latitude where they may have been found, as well as the notification made to them. In the case of the vessel or vessels persisting in the attempt to enter in spite of the notice, or should they again return to the same places, they are subject to be captured and detained for trial accordingly.

ART. 4. For the seizing and detention of vessels attempting to leave the coast that is blockaded the previous notification prescribed in the preceding Article is not necessary; but if the vessels attempting to leave the port of Barcelona should have entered before the establishment of the blockade they shall not be prevented from leaving.

ART. 5. Vessels carrying articles which are contraband of war for the coast of Barcelona or for the insurgents, shall also be captured and detained; unless their captains should agree to deliver up said articles to the captor, and that he without difficulty may receive them on board.

ART. 6. With respect to vessels detained for attempting to run the blockade or as carrying contraband articles, those in command of the blockading forces shall proceed in conformity with the ordinances on cruizers of 1822, in all that is not opposed to the preceding regulations, bringing the said captured vessels to the port of La Guaira to be adjudicated upon by the Supreme Federal Court.

ART. 7. This Decree shall be notified to all such whom it may concern, and the Minister of War and Marine shall see to its publication and fulfilment.

Given at Caracas, this 9th day of March of 1868, 5th of the Law, and 10th of the Federation,

(Signed) MIGUEL GIL.
