FRIDAY, JULY 31, 1868.

Whitehall, July 30, 1868.

THE following Address of congratulation to the Queen, in reference to the atrocious attempt upon the life of His Royal Highness the Duke of Edinburgh, having been transmitted to the Right Honourable Gathorne Hardy, Her Majesty's Principal Secretary of State for the Home Department, for presentation, has accordingly been presented by him to Her Majesty, who has been pleased to receive the same very graciously:—

May it please your Majesty,

WE, the Inhabitants of the county of Buckingham, in County Meeting assembled, approach your most gracious Majesty on the occasion of the providential escape of your Son, the Duke of Edinburgh, from the attack of the assassin and on his happy return home.

We assure your Majesty that your people are not unmindful of the many blessings which, under Almighty God they owe to your Royal House, and that these blessings have been increased and multiplied under your Majesty's long, happy, and prosperous reign.

But when besides we contemplate how your Majesty has discharged the arduous and many duties of your Majesty's high estate and the guiding example your Majesty has given your people as a wife and mother our loyalty deepens into love, and we eagerly press forward to declare our unbounded sympathy with your Majesty's joy.

That your Majesty's children may be preserved during your life in an unbroken order is the earnest prayer of your most gracious Majesty's subjects in the county of Buckingham.

ERRATA.—In the London Gazettes of the 13th August, 1867 (page 4480), and of the 3rd July, 1868 (page 3742), for "Lynton, P.C., with Countisbury, P.C.," read Lynton, P.C.

India Office, July 27, 1868.

THE Secretary of State for India in Council having confirmed the following Rules promulgated by the Governor-General of India in Council, regarding Leave of Absence to Covenanted Civil Servants, publishes the same in supercession of all previous Rules and Orders on the subject.

These Rules will take effect from the 1st July, 1868, and are not intended to apply to Covenanted Civil Servants who are Members of the Councils of the Governor-General, or of the Governors of Bombay and Madras, or who are Judges of a High Court.

RULES REGARDING LEAVE OF ABSENCE TO COVENANTED CIVIL SERVANTS.

DEFINITIONS.

I. In the following Rules, "Actual Service" includes the period during which an Officer is on duty, also, periods spent on Privilege and Subsidiary Leave, and periods

during which an Officer, not on leave, may be out of employ on subsistence allowance in India.

"Extraordinary Leave" means any leave granted otherwise than under these Rules.

"Long Extraordinary Leave" means extraordinary leave extending beyond a period of three months.

"Long Furlough" means furlough extending beyond a period of three months.

"Salary" includes acting allowances.

An Officer's "Station" means that station to which he stands appointed, or such other place as the Government to which he is subordinate may determine.

CHAPTER I.

FURLOUGH.

II. The maximum period of furlough which can be granted to any Officer during the whole period of his service is limited to six years.

III. Subject to the above limit, one year's furlough shall be placed to the credit of each Officer for every four years of actual service.

IV. No furlough shall be taken before the completion of eight years' actual service, except under Rule VIII.

V. Furlough shall not be repeated until three years from the date of the last return from long extraordinary leave or long furlough, except under Rule VIII. Leave taken under Chapters II and III, but no other leave, shall be reckoned as part of the said three years.

VI. The maximum term of furlough to be taken at any one time shall be two years.

VII. Except as hereinafter provided, an Officer when on furlough shall retain a lien on his substantive appointment, or on an appointment of similar character and not less salary, and he shall be granted allowances at the rate of 50 per cent. of his average salary for the previous three years, or for the period which has elapsed since his last return from long furlough, or long extraordinary leave, if that period be less than three years.

In calculating such average, the time spent and the allowances drawn under any leave, excepting privilege leave under Chapter II, shall be omitted.

Provided that no Officer on furlough shall draw more than £1200 or less than £300 per annum.

VIII. Under Medical Certificate—

(a.) Furlough may be taken on the above-mentioned conditions, without reference to the amount at credit under Rule III.

(b.) Furlough for a period not exceeding one year may be taken, even if less than three years have elapsed since the last return from long extraordinary leave or long furlough. When on furlough under this clause, an Officer will not retain a lien on his appointment, and will be entitled only to subsistence allowance, *unless he has completed six months' actual service since his last return from long extraordinary leave or long furlough, and there remain some leave to his credit under Rule III, in which case the Officer will retain a lien on his appointment, and will draw allowances as calculated under Rule VII, until that credit be exhausted, but in no case for a period exceeding one year.*

(c.) Furlough taken without Medical Certificate, or under clause (a.) of this rule, may be extended beyond two years for a period not exceeding one year. When on furlough under this clause, an Officer will not retain a lien on his appointment, and will be entitled only to subsistence allowance.

IX. Furlough taken or extended under Rule VIII is subject to the provision of Rule II.

X. Furlough taken in India will be reckoned from the date of the Officer quitting his station to the date of his return thereto. Furlough taken out of India will be reckoned from the date of embarkation to the date of return.

In the event of the furlough being taken partly in India and partly out of India, the commencement and termination of the furlough will be determined by the above Rules, according as the furlough begins or ends in or out of India.

XI. For the interval elapsing between departure from his station and the commencement of furlough, and between the termination of furlough and the re-arrival at his station, an Officer shall be allowed subsidiary leave not ordinarily exceeding in each case thirty days. During those periods his allowances will be calculated in the same way as his furlough allowances, but without limitation as to maximum and minimum. Provided that, if the Officer has, under these Rules, lost his lien on his appointment, he shall draw subsistence allowance of his rank. Subsidiary leave shall count as service and residence.

XII. Applications for furlough will in all cases be submitted to the Government to which the applicant is subordinate, and will be dealt with in such manner as the Governor-General of India in Council may from time to time prescribe.

XIII. Subject to the exigencies of the service, both as regards the number of furloughs available at any one time, and as regards individual applications, of which exigencies the Government of India, Madras, or Bombay, as the case may be, shall be exclusively the judge, furloughs will be granted under these Rules.

XIV. All Applications for furlough under Medical Certificate, in accordance with these Rules, will be granted without restriction.

XV. If, owing to the exigencies of the service, it may be necessary to place any limit on the number of Officers who may be absent on furlough at the same time, applications not supported by medical certificate will be granted in the following order:—

The applicant to whose credit the greatest amount of furlough remains under Rule III shall have the preference.

If two or more applicants are on an equality in this respect, the preference shall be given to the applicant whose actual service in India is longest, reckoning, in the case of an Officer who has not taken long extraordinary leave or long furlough, from the date of arrival in India, and in the case of an Officer who has taken long extraordinary leave or long furlough, from the date of his last return from such leave or furlough.

If two or more applicants are equal in both respects, the preference shall be given to the senior in the Gradation List.

XVI. The term of *residence* qualifying for pension shall be 21 years, but no leave, except privilege leave and subsidiary leave, shall count as residence.

XVII. The term of *service* qualifying for pension shall be 25 years.

CHAPTER II.

PRIVILEGE LEAVE.

XVIII. Subject to the exigencies of the State, an Officer who has completed eleven months' continuous duty may take privilege leave for one month without deduction from his salary, retaining a lien on his appointment, whether substantive

or officiating. Provided that, in the case of his holding an officiating appointment, such lien and his acting allowance will cease on the resumption of charge by the Officer to whom the substantive appointment belongs.

XIX. In the same manner, and under the same conditions, two or three months' privilege leave may be taken when an Officer has completed continuous duty of twenty-two or thirty-three months respectively.

XX. Privilege leave may, at the discretion of the local Government, be taken in separate instalments. No second instalment shall be taken until after the completion of six months' continuous duty from the expiry of the first instalment. In this case, the eleven months qualifying for fresh privilege leave will be reckoned from the expiry of the first instalment, the period of the second instalment being omitted from the calculation.

Provided that the whole privilege leave taken at any one time shall not exceed three months, and that no accumulation of privilege leave beyond that period shall be admitted.

XXI. If an Officer shall over-stay his privilege leave, he shall forfeit all salary during the time of his remaining so absent; and, if he shall so continue absent for more than one week, his office shall become vacant.

XXII. Privilege leave shall be reckoned as residence and service.

CHAPTER III.

SPECIAL LEAVE.

XXIII. Special leave, on urgent private affairs, may be granted at the discretion of the Local Government for a period not exceeding six months. In respect of retention of a lien on appointment, of allowances drawn during the leave, and of subsidiary leave, the conditions of special leave shall be the same as those prescribed for furlough. Special leave shall not be reckoned as residence.

XXIV. Rule XXI shall, *mutatis mutandis*, apply to an Officer over-staying special leave.

XXV. Special leave may be repeated without allowances after intervals of at least six years' actual service.

CHAPTER IV.

GENERAL.

XXVI. Furlough, privilege leave, and special leave shall not be taken as such in continuation of each other; but, if an Officer absent on one of these classes of leave be allowed to change it for another, the whole period of his absence shall be held to be under the class of leave for which it was changed.

XXVII. Subject to consideration of State, there will be no restriction as to the places where an Officer may reside when on leave.

XXVIII. Leave allowance shall be payable monthly, if payment is taken in India, and quarterly, if payment is taken in England.

CHAPTER V.

TEMPORARY RULES.

XXIX. Whatever aggregate amount out of the three years' furlough and three years' sick leave, under the Rules until now in force, at present remains to be taken by an Officer under the said Rules, shall remain to be taken by him under Rules now promulgated.

XXX. Any Officer now in the service shall, when next proceeding on furlough, elect whether

he will draw allowances at the higher minimum rate of 500*l.* per annum (not exceeding his total salary at the time). If he shall so elect, he will, in any future furlough, be limited, as to allowance, to the lower maximum rate of 1,000*l.* per annum.

XXXI. Any Officer now absent on leave, who has no appointment, may, on his return, and until he again holds an appointment carrying equal pay to that of the substantive appointment which he last held, draw the subsistence allowance of his rank, together with 75 per cent. of the pay of any appointment in which he shall officiate. Provided that the total salary so drawn by him shall not exceed the pay of the appointment in which he is officiating. This rule shall apply to any Officer who may have already returned from furlough.

XXXII. Any Officer now absent on furlough, or under medical certificate, may elect whether the remainder of his leave shall be taken under these rules from the date of their promulgation. If he shall so elect, Rule XXX shall not apply to him.

Rules regarding Acting Allowances.

I. An Officer holding a substantive appointment, and officiating in an appointment of a higher grade or class, shall draw acting allowance calculated at 30 per cent. on the first Rs. 2,000, and 20 per cent. on the remainder of the pay of the appointment in which he is officiating.

Provided that, if the acting allowance so calculated do not amount to two-thirds of the difference between the pay of the two appointments, it shall be raised to two-thirds.

Provided further, that in no case shall the whole salary so drawn exceed the payment of the appointment in which the Officer is officiating.

II. An Officer holding no substantive, but only an officiating appointment, shall, subject to the provisoes in Rule I, draw, in addition to the subsistence allowance of his rank, 50 per cent. of the pay of the appointment in which he is officiating.

III. In the case of an Officer officiating in an appointment the pay of which is progressive, his acting allowances shall be calculated on the mean pay of the said appointment, provided that the whole salary so drawn shall not exceed the minimum pay of the said appointment.
