NOTICE TO MARINERS.

(No. 87.)—AUSTRALIA—EAST COAST—NEW SOUTH WALES.

Temporary fixed Lights at Broken Bay.

THE Colonial Government of New South Wales has given notice, that from the 20th day of July, 1868, two temporary lights, called Stewart's lights, would be exhibited on Barrenjuey, the inner South headland of Broken bay.

The lights are *fixed* white lights, bearing E.S.E. and W.N.W. from each other, distant 390 yards: the higher one is elevated 347 feet and the lower one 315 feet, above high water, and in clear weather should be seen from a distance of about 12 miles.

Both lights will be eclipsed from seaward between the bearings North to N.N.W. $\frac{1}{4}$ W., to prevent them from being seen over the land, which recedes from the outer South head, and also to ensure a vessel passing a safe distance off the South head by keeping the lights in sight when running for Broken bay.

The lower or outer light will be lost sight of in rounding Barrenjuey, but the upper light will be a good guide for coasters bound to Pitt water, or for large vessels wishing to obtain shelter in Flint and Steel bay.

SOUTH COAST—VICTORIA.

Buoy on Nicholson's Knoll, Port Phillip.

The Colonial Government of Victoria has given notice, that in consequence of the bank, known as Nicholson's knoll, having extended in a southerly direction, a second buoy *chequered black and white*, has been moored to mark its southerly extremity.

The distance between the two buoys is about one and a half cables, and there is an average depth of not less than 19 feet between them.

SPENCER'S GULF.

Alteration of Lights off Tipara Shoal.

The Colonial Government of South Australia has given notice, that on or about the 31st day of January, 1869, the lights at present exhibited from

the light vessel off Tipara shoal, Spencer's gulf, will be replaced by others.

The lights will be two *fixed* white lights elevated 38 and 29 feet above the water, and in clear weather should be seen from a distance of 10 miles.

The illuminating apparatus will be catoptric, or by reflectors.

Also that further notice will be given when the precise date of the alteration can be stated.
