

and in the hamlet of Haworth 745, 752, 753, 754, 755, 756, 757, 759, 760, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 796, 797, 798, 808, 809, 812, and 849 in the tithe commutation map for the said township of Haworth, in the said parish of Bradford, in the said Riding, which said reservoir will be made and maintained from, in, through, or into the parishes, townships, or extra-parochial places of Stanbury, Haworth, and Bradford in the said Riding of the said county of York, some or one of them.

7. An aqueduct, conduit, or main pipe for conveying water, commencing from the north-easterly end of the intended Bully Trees Reservoir, fifthly hereinbefore mentioned, in the hamlet of Stanbury, township of Haworth, and parish of Bradford, in the said West Riding, and terminating by a connection with the proposed aqueduct, conduit, or main-pipe, hereinafter thirteenthly described, in the highway at or near to the "White Lion Inn," in Haworth, in the said township of Haworth, which said aqueduct, conduit, or main-pipe will be made and maintained from, in, through, or into the parishes, townships, or extra-parochial places of Stanbury, Haworth, and Bradford, in the said Riding, some or one of them.

8. A reservoir (hereinafter called "the Bodkin Bridge Reservoir") to be constructed upon Leeshaw Water and its tributaries, at, upon, or near to certain places called Bodkin Rough and Bodkin Bridge, situate in the fields, inclosures, or common lands numbered 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 412, 413, 416, 417, 418, 419, 420, 421, and 537, on the Near Oxenhope tithe commutation map for the said township of Haworth, in the parish of Bradford and Riding aforesaid, and on the north-westerly side of Bodkin-lane, which said reservoir will be made and maintained from, in, through, or into the parishes, townships, and extra-parochial places of Haworth, Near Oxenhope, Haworth, and Bradford, all in the said Riding, some or one of them.

9. A reservoir (hereinafter called "The Moorhouse Reservoir") to be constructed at or near to the confluence of Leeshaw Water, Rag Clough Beck, and Brooks Meeting Beck, and near to a certain dwelling-house called "Moorhouse," and at or upon the site of two certain mills or manufactories, called respectively Brooks Meeting Mill and Fisher's Lodge Mill, situate in the fields, inclosures, or common lands numbered in Near Oxenhope 174, 175, 176, 178, 179, 180, 182, 183, 188, 280, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 294, 295, and in Far Oxenhope, 717, 772, 774, 775, 776, 777, 778, 779, 780, 816, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, and 829, on the tithe commutation map for the said township of Haworth in the said parish of Bradford, in the said Riding, which said reservoir will be made and maintained from, in, through, or into the parishes, townships, and extra-parochial places of Near Oxenhope, Far Oxenhope, Haworth, and Bradford aforesaid, in the said Riding, some or one of them.

10. A reservoir (hereinafter called "The Sugden Reservoir") situate in the fields or inclosures numbered 485 to 494, both inclusive, in the Haworth tithe commutation map for the said township of Haworth, in the said parish of Bradford and Riding aforesaid, and numbered 1133, 1134, 1135, 1136, 1142, 1143, 1144, 1145, 1147, 1148, 1149, and 1154, on the tithe commutation map for the hamlet of Harden, in the township and parish of Bingley in the said Riding, and also in a portion

of the adjoining lands shown upon the said last mentioned map as common lands, at or upon a place called Sugden Swamp, on the south-westerly side of and abutting upon the highway leading from Keighley to Halifax, which said reservoir will be made and maintained from, in, through, or into the parishes, townships, or extra-parochial places of Harden, Bingley, Haworth, and Bradford aforesaid, in the said West Riding of the said county of York, some or one of them.

11. An aqueduct, conduit, or main pipe for conveying water, commencing from the easterly end of the intended Bodkin Bridge Reservoir, eighthly hereinbefore mentioned, in the hamlet of Near Oxenhope, in the township of Haworth, parish of Bradford and Riding aforesaid, and terminating on the westerly end of the intended Sugden Reservoir, tenthly hereinbefore mentioned, which said intended aqueduct, conduit, or waterpipe will be made and maintained from, in, through, or into the parishes, townships, and extra-parochial places of Near Oxenhope, Haworth, Harden, Bingley, and Bradford, in the said West Riding of the said county of York, some or one of them.

12. An aqueduct, conduit, or main pipe for conveying water, commencing from the north-easterly end of the Sugden reservoir, tenthly hereinbefore described, in the hamlet of Harden, parish of Bingley and Riding aforesaid, and terminating by a connection with the present aqueduct, conduit, or main-pipe of the said Local Board, at or near to Corn Mill Bridge, connecting the streets called South-street and New Bridge-street, over the North Beck, in the township and parish of Keighley, in the said Riding, which said intended aqueduct, conduit, or main pipe will be made and maintained from, in, through, or into the parishes, townships, and extra-parochial places of Harden, Bingley, and Keighley, in the said Riding, some or one of them.

13. An aqueduct, conduit, or main pipe for conveying water, commencing from the said intended aqueduct, conduit, or water pipe, fourthly hereinbefore mentioned, at a point near to the junction of Flat-lane with the highway leading from Colne to Keighley, in the township and parish of Keighley, and terminating by a connection with the intended aqueduct, conduit, or main pipe, eleventhly hereinbefore described, in the highway, at a place called Haworth Old Hall, in the township of Haworth, in the parish of Bradford, in the said Riding, which said intended aqueduct, conduit, or main pipe defined in this paragraph will be made, maintained from, in, through, or into the parishes, townships, and extra-parochial places of Keighley, Haworth, and Bradford aforesaid, in the said Riding, some or one of them.

14. An aqueduct, conduit, or main pipe for conveying water, commencing with a connection with the aqueduct, conduit, or main pipe, thirteenthly hereinbefore described at or near to a place called Town End, in Haworth, in the said township of Haworth, parish of Bradford and Riding aforesaid, and in the highway there, and terminating in the present reservoir belonging to the Haworth Local Board of Health, near to St. Michael's Church, in the said town of Haworth, in the township aforesaid, which said aqueduct, conduit, or main pipe defined in this paragraph will be made and maintained from, in, through, or into the parishes, townships, and extra-parochial places of Haworth and Bradford, in the said Riding of the said county of York, or one of them.

15. An aqueduct, conduit, or watercourse, commencing on the southern side of the intended
