Most Excellent Sir,

In view of various communications addressed to this Department by that of State, transmitting several Notes from Her Britannic Majesty's Minister Plenipotentiary, in which it is stated that Spanish ships enjoy the same privileges, in regard to the payment of navigation and port dues, as British ships, in the United Kingdom of Great Britain, and in the English possessions of Canada, Ceylon, Newfoundland, Prince Edward's Isle, British Guiana, Barbadoes, Antigua, Jamaica, Bahamas, British Honduras, Santa Lucia, the Bermudas, Santa Elena, Granada, St. Kitts, Dominica, the Virgin Islands, St. Vincent's, Tobago, and Mauritius, as a member of the Provisional Government, and as Minister of the Colonies, I have thought fit to decree that, in accordance with what is laid down by the Royal Decree of 4th June last, and in virtue of the reciprocity respecting the said port and navigation dues established by the same, vessels coming from the United Kingdom of Great Britain, and from the above-mentioned English possessions, shall be assimilated to Spanish vessels in the payment of these dues, in the Spanish colonial possessions.

God guard your Excellency many years.

**T**HE following Notification has been published by Her Majesty's Minister in Japan :—

**NOTIFICATION.**

WITH reference to the Notifications issued by the undersigned, on the 28th of March and the 12th of September last, informing British subjects that the opening of Yedo and Niigata had been temporarily deferred in consequence of the insecurity which then existed at those places, he has now to make known that that City and Port will be opened to the British trade on the 1st of January next, and that he has agreed, on the part of Her Britannic Majesty's Government, to the following modifications in Articles VIII and IX of the Arrangements for the Settlement of Foreigners at Yedo, which were published in his Notification of November 26th, 1867.

*Articles VIII and IX as now modified :—*

**Article VIII.**—In order to give due effect to the provisions of the treaties which relate to the residence of foreigners at Yedo, every foreigner coming to Yedo, unless he be an officer of a foreign government and in uniform, must be furnished with a passport from the consular authority of his nation at Yokohama, which must be vised by the Hanji of Kanagawa. Foreigners coming from Yokohama by land will be required to show their passports at the ferry at Kawasaki, while those coming by sea must not land elsewhere than at either of the two landing places at Tamachi and Tsukiji, and must produce their passports on landing whenever required to do so by a Japanese officer. Any foreigner, other than an officer as above named, arriving at Yedo without a passport, may be arrested and conveyed before his consul.

**Article IX.**—Foreign lighters, tow boats, and passage boats, and all other foreign boats, with the exception of those belonging to vessels of war, will be required, on arriving off Yedo, to enter by the channel between the two forts marked with white beacons."

It being considered undesirable that foreigners visiting or residing at Yedo should, under present circumstances, frequent the quarter comprised within the inner moat of the city, or should proceed into the country around Yedo to the extent of the limits described in Article XI of the Arrangements aforesaid, British subjects are hereby warned that they should avoid entering the quarter named until further notice, and that they should not proceed into the country beyond the limits shown on a map which will be exhibited at Her Britannic Majesty's Vice Consulate at Yedo.

John Frederic Lowder, Esq., at present Her Britannic Majesty's Acting Consul for the Consular District of Osako and Hiogo, is appointed to act as Her Britannic Majesty's Consul at Niigata, and William Willis, Esq., M.D., Her Britannic Majesty's Vice-Consul for the Consular District of Yedo and Kanagawa, will for the present be stationed at Yedo.

## SOLDIERS' BALANCES UNCLAIMED.

IN pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the next of kin, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette," and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as next of kin should be addressed by letter to "The Under-Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the dates and places of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a Justice of the Peace; the applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicants' inquiries to give the number and date of the notice in which the deceased soldier's name appeared.—Dated this 20th day of February, 1869.

By order of the said Principal Secretary,  
EDWARD LUGARD.

NOTE.—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

#### NOTICE TO MARINERS.

(No. 14.)—ENGLAND—EAST COAST—DOWNS.

*Wrecks in the Downs and Gull Stream.*

THE following cautionary Notice has been issued by the Trinity House, London, dated 15th February, 1869.

"Information having been received at this House that, owing to the hurricane of Friday evening last, three vessels, with masts showing out of water, have been sunk between the Elbow buoy and the shore; one small vessel on the Quern, close to the buoy; one vessel inside the South Brake buoy, another to the southward of it, and two vessels in the Gull Stream; and that fears are entertained that more have foundered, the masts of which are not visible."

"Mariners are hereby warned to use extreme caution in navigating these channels."

"Wreck buoys will be placed to mark the sunken vessels as promptly as possible, and such other measures taken as may be expedient for the safety of navigation."

By command of their Lordships,

Geo. Henry Richards, Hydrographer.  
Hydrographic Office, Admiralty, London,
