The QUEEN's Most Excellent Majesty.

Lord President.  
Lord Privy Seal.  
Lord Chamberlain.  
Mr. Gladstone.

And it was further enacted that the provisions of any Order in Council in that behalf should have effect as if they had been enacted by the Parliament of the United Kingdom of Great Britain and Ireland :

And whereas by an Address from the Houses of the Parliament of Canada, of which Address a copy is contained in the Schedule to this Order annexed, marked A, Her Majesty was prayed, by and with the advice of Her Most Honourable Privy Council, to unite Rupert's Land and the North-Western Territory with the Dominion of Canada, and to grant to the Parliament of Canada authority to legislate for their future welfare and good government upon the terms and conditions therein stated :

And whereas by the "Rupert's Land Act, 1868," it was (amongst other things) enacted that it should be competent for the Governor and Company of Adventurers of England trading into Hudson's Bay (hereinafter called the Company) to surrender to Her Majesty, and for Her Majesty by any Instrument under Her Sign Manual and Signet to accept a surrender of all or any of the lands, territories, rights, privileges, liberties, franchises, powers, and authorities whatsoever granted or purported to be granted by certain Letters Patent therein recited to the said Company within Rupert's Land upon such terms and conditions as should be agreed upon by and between Her Majesty and the said Company ; provided, however, that such surrender should not be accepted by Her

Majesty until the terms and conditions upon which Rupert's Land should be admitted into the said Dominion of Canada should have been approved of by Her Majesty and embodied in an Address to Her Majesty from both the Houses of the Parliament of Canada, in pursuance of the 146th Section of the "British North America Act, 1867 :"

And it was by the same Act further enacted that it should be competent to Her Majesty, by Order or Orders in Council, on Addresses from the Houses of the Parliament of Canada, to declare that Rupert's Land should, from a date to be therein mentioned, be admitted into and become part of the Dominion of Canada :

And whereas a second Address from both the Houses of the Parliament of Canada has been received by Her Majesty praying that Her Majesty will be pleased, under the provisions of the hereinbefore recited Acts, to unite Rupert's Land on the terms and conditions expressed in certain Resolutions therein referred to and approved of by Her Majesty, of which said Resolutions and Address copies are contained in the Schedule to this Order annexed, marked B, and also to unite the North-Western Territory with the Dominion of Canada, as prayed for by and on the terms and conditions contained in the hereinbefore first recited Address, and also approved of by Her Majesty :

And whereas a draft surrender has been submitted to the Governor-General of Canada containing stipulations to the following effect, viz. :—

1. The sum of 300,000*l.* (being the sum hereinafter mentioned) shall be paid by the Canadian Government into the Bank of England to the credit of the Company within six calendar months after acceptance of the surrender aforesaid, with interest on the said sum at the rate of 5 per cent. per annum, computed from the date of such acceptance until the time of such payment.

And the said price is to be paid by the Canadian Government into the Bank of England to the credit of the Company within six calendar months of such acceptance, with interest at the rate of 5 per cent. per annum on the amount of such price computed from the date of such acceptance until the time of payment.

And whereas the said draft was on the fifth day of July, one thousand eight hundred and sixty-nine, approved by the said Governor-General in accordance with a Report from the Committee of the Queen's Privy Council for Canada; but it was not expedient that the said stipulations, not being contained in the aforesaid second Address, should be included in the surrender by the said Company to Her Majesty of their rights aforesaid or in this Order in Council.

And whereas the said Company did by deed under the seal of the said Company, and bearing date the nineteenth day of November, one thousand eight hundred and sixty-nine, of which deed a copy is contained in the Schedule to this Order annexed, marked C, surrender to Her Majesty all the rights of government, and other rights, privileges, liberties, franchises, powers, and authorities granted, or purported to be granted, to the said Company by the said Letters Patent therein and hereinbefore referred to, and also all similar rights which may have been exercised or assumed by the said Company in any parts of British North America not forming part of Rupert's Land, or of Canada or of British Columbia, and all the lands and territories (except and subject as in the terms and conditions therein mentioned) granted, or purported to be granted to the said Company by the said Letters Patent:

## SCHEDULES.

### SCHEDULE (A).

ADDRESS to HER MAJESTY the QUEEN from the Senate and House of Commons of the Dominion of Canada.

To the Queen's Most Excellent Majesty.

*Most Gracious Sovereign,*

We, your Majesty's most dutiful and loyal subjects, the Senate and Commons of the Dominion of Canada, in Parliament assembled, humbly approach your Majesty for the purpose of representing:—

That it would promote the prosperity of the Canadian people, and conduce to the advantage of the whole Empire, if the Dominion of Canada, constituted under the provisions of the British North America Act of 1867, were extended westward to the shores of the Pacific Ocean.

That the colonization of the fertile lands of the Saskatchewan, the Assiniboine, and the Red River districts; the development of the mineral wealth which abounds in the regions of the North-West; and the extension of commercial intercourse through the British possessions in America from the Atlantic to the Pacific, are alike dependent upon the establishment of a stable Government for the maintenance of law and order in the North-Western Territories.

That the welfare of a sparse and widely-scattered population of British subjects of European origin, already inhabiting these remote and unorganized territories, would be materially enhanced by the formation therein of political institutions bearing analogy, as far as circumstances will admit, to those which exist in the several provinces of this Dominion.

That the 146th section of the British North America Act of 1867 provides for the admission of Rupert's Land and the North-Western Territory, or either of them, into union with Canada, upon the terms and conditions to be expressed in

addresses from the Houses of Parliament of this Dominion to your Majesty, and which shall be approved of by your Majesty in Council.

That we do therefore most humbly pray that your Majesty will be graciously pleased, by and with the advice of your Most Honourable Privy Council, to unite Rupert's Land and the North-Western Territory with this Dominion, and to grant to the Parliament of Canada authority to legislate for their future welfare and good government; and we most humbly beg to express to your Majesty that we are willing to assume the duties and obligations of government and legislation as regards those territories.

That in the event of your Majesty's Government agreeing to transfer to Canada the jurisdiction and control over the said region, the Government and Parliament of Canada will be ready to provide that the legal rights of any corporation, company, or individual within the same shall be respected, and placed under the protection of Courts of competent jurisdiction.

And furthermore, that, upon the transference of the territories in question to the Canadian Government, the claims of the Indian tribes to compensation for lands required for purposes of settlement will be considered and settled in conformity with the equitable principles which have uniformly governed the British Crown in its dealings with the aborigines.

All which we humbly pray your Majesty to take into your Majesty's most gracious and favourable consideration.

The Senate, Tuesday, December 17, 1867.

(Signed) JOSEPH CAUCHON, Speaker.  
House of Commons,

Monday, December 16, 1867.

(Signed) JAMES COCKBURN, Speaker.

That we learn with satisfaction by letter from the Under-Secretary of State for the Colonies of the 9th March last, that, in fulfilment of the expectations held out in Mr. Cardwell's despatch of the 17th of June, 1865, your Majesty's Government will be prepared to propose to Parliament that the Imperial guarantee be given to a loan of 300,000*l.*, the amount which is proposed to be paid over by Canada on the transfer of the Company's rights.

That upon the transference of the territories in question to the Canadian Government it will be our duty to make adequate provision for the protection of the Indian tribes whose interests and well-being are involved in the transfer, and we authorize and empower the Governor in Council to arrange any details that may be necessary to carry out the terms and conditions of the above agreement.

We therefore most humbly pray that your Majesty will be graciously pleased, by and with the advice of your Most Honourable Privy Council, under the 146th clause of "The British North America Act, 1867," and the provisions of the Imperial Act 31 and 32 Vict., cap. 105, to unite Rupert's Land on the terms and conditions expressed in the foregoing resolutions, and also to unite the North-Western Territory with the Dominion of Canada as prayed for by and on

#### SCHEDULE (C).

The Governor and Company of Adventurers of England trading into Hudson's Bay to HER MAJESTY QUEEN VICTORIA.

#### DEED OF SURRENDER.

To all to whom these presents shall come unto, or concern, the Governor and Company of Adventurers of England, trading into Hudson's Bay, send greeting.

WHEREAS the said Governor and Company were established and incorporated by their said name of "The Governor and Company of Adventurers of England trading into Hudson's Bay," by Letters Patent granted by His late Majesty King Charles the Second in the twenty-second year of his reign, whereby His said Majesty granted unto the said Company and their successors the sole trade and commerce of all those seas, straits, bays, rivers, lakes, creeks, and sounds in whatsoever latitude they should be, that lay within the entrance of the straits commonly called Hudson's Straits, together with all the lands and territories upon the countries, coasts, and confines of the seas, bays, lakes, rivers, creeks, and sounds aforesaid, that were not already actually possessed by, or granted to, any of His Majesty's subjects, or possessed by the subjects of any other Christian Prince or State, and that the said land should be from thenceforth reckoned and reputed as one of His Majesty's Plantations or Colonies in America called Rupert's Land, and whereby His said Majesty made and constituted the said Governor and Company and their successors the absolute Lords and proprietors of the same territory, limits, and places aforesaid, and of all other the premises saving the faith, allegiance, and sovereign dominion due to His said Majesty, his heirs and successors for the same, and granted to the said Governor and Company and their successors, such rights of Government and other rights, privileges, and liberties, franchises, powers, and authorities in Rupert's Land as therein expressed. And whereas ever since the date of the said Letters Patent, the said Governor and Company have exercised and enjoyed the sole right thereby granted of such trade and commerce as therein mentioned, and have exercised and enjoyed other rights, privileges, liberties, franchises, powers, and authorities thereby granted, and the said Governor and Company may have exercised or assumed rights of Government in other parts of British North America not forming part of Rupert's Land, or of Canada, or of British Columbia. And whereas, by the British North America Act, 1867, it is (amongst other things) enacted that it shall be lawful for Her present Majesty Queen Victoria, by and with the advice and consent of Her Majesty's most Honourable Privy Council, on Address from the Houses of Parliament of Canada, to admit Rupert's Land and the North-Western Territory or either of them into the Union of the Dominion of Canada on such terms

and conditions as are in the Address expressed, and as Her Majesty thinks fit to approve, subject to the provisions of the said Act. And whereas, by the Rupert's Land Act, 1868, it is enacted (amongst other things) that for the purposes of that Act the term "Rupert's Land" shall include the whole of the lands and territories held or claimed to be held by the said Governor and Company, and that it shall be competent for the said Governor and Company to surrender to Her Majesty, and for Her Majesty, by any instrument under Her Sign-Manual and Signet to accept a surrender of all or any of the lands, territories, rights, privileges, liberties, franchises, powers, and authorities whatsoever, granted or purported to be granted by the said Letters Patent to the said Governor and Company within Rupert's Land, upon such terms and conditions as shall be agreed upon by and between Her Majesty and the said Governor and Company: provided, however, that such surrender shall not be accepted by Her Majesty until the terms and conditions upon which Rupert's Land shall be admitted into the said Dominion of Canada shall have been approved of by Her Majesty, and embodied in an Address to Her Majesty from the Houses of the Parliament of Canada in pursuance of the 146th Section of the British North America Act, 1867, and that upon the acceptance by Her Majesty of such surrender, all rights of Government and proprietary rights, and all other privileges, liberties, franchises, powers, and authorities whatsoever, granted or purported to be granted by the said Letters Patent to the said Governor and Company within Rupert's Land, and which shall have been so surrendered, shall be absolutely extinguished, provided that nothing in the said Act contained shall prevent the said Governor and Company from continuing to carry on in Rupert's Land or elsewhere trade and commerce. And whereas Her said Majesty Queen Victoria and the said Governor and Company have agreed to terms and conditions upon which the said Governor and Company shall surrender to Her said Majesty, pursuant to the provisions in that behalf in the Rupert's Land Act, 1868 contained, all the rights of Government and other rights, privileges, liberties, franchises, powers, and authorities, and all the lands and territories (except and subject as in the said terms and conditions expressed or mentioned) granted or purported to be granted by the said Letters Patent, and also all similar rights which have been exercised or assumed by the said Governor and Company in any parts of British North America not forming part of Rupert's Land, or of Canada, or of British Columbia, in order and to the intent that, after such surrender has been effected and accepted under the provisions of the last-mentioned Act, the said Rupert's Land may be admitted into the Union of the Dominion of Canada, pursuant to the hereinbefore-mentioned Acts or one of them. And whereas the said terms and conditions on which it has been agreed that the said surrender is to be made by the said Governor and Company (who are in the following Articles designated as the Company) to Her said Majesty are as follows (that is to say):—

1. The Canadian Government shall pay to the Company the sum of 300,000*l.* sterling when Rupert's Land is transferred to the Dominion of Canada.

2. The Company to retain all the posts or stations now actually possessed and occupied by them or their officers or agents (whether in Rupert's Land or any other part of British North America), and may within twelve months after

the acceptance of the said surrender select a block of land adjoining each of their posts or stations within any part of British North America not comprised in Canada and British Columbia in conformity, except as regards the Red River Territory, with a list made out by the Company and communicated to the Canadian Ministers, being the list in the annexed Schedule. The actual survey is to be proceeded with, with all convenient speed.

3. The size of each block is not to exceed in the Red River Territory an amount to be agreed upon between the Company and the Governor of Canada in Council.

4. So far as the configuration of the country admits, the blocks shall front the river or road by which means of access are provided, and shall be approximately in the shape of parallelograms, and of which the frontage shall not be more than half the depth.

5. The Company may, at any time within fifty years after such acceptance of the said surrender, claim in any township or district within the fertile belt in which land is set out for settlements, grants of land not exceeding one-twentieth part of the land so set out; the blocks so granted to be determined by lot; and the Company to pay a rateable share of the survey expenses, not exceeding 8 cents Canadian an acre. The Company may defer the exercise of their right of claiming their proportion of each township or district for not more than ten years after it is set out, but their claim must be limited to an allotment from the lands remaining unsold at the time they declare their intention to make it.

6. For the purpose of the last Article the fertile belt is to be bounded as follows:—On the south by the United States' boundary; on the west by the Rocky Mountains; on the north by the Northern Branch of the Saskatchewan River; on the east by Lake Winnipeg, the Lake of the Woods, and the waters connecting them.

7. If any township shall be formed abutting on the north bank of the northern branch of the Saskatchewan River, the Company may take their one-twentieth of any such township, which, for the purpose of this Article, shall not extend more than five miles inland from the river, giving to the Canadian Dominion an equal quantity of the portion of land coming to them of townships established on the southern bank of the said river.

8. In laying out any public roads, canals, or other public works, through any block of land reserved to the Company, the Canadian Government may take without compensation such land as is necessary for the purpose, not exceeding one-twenty-fifth of the total acreage of the block; but if the Canadian Government require any land which is actually under cultivation, or which has been built upon, or which is necessary for giving the Company's servants access to any river or lake, or as a frontage to any river or lake, the said Government shall pay to the Company the fair value of the same, and shall make compensation for any injury done to the Company or their servants.

9. It is understood that the whole of the land to be appropriated within the meaning of the last preceding clause, shall be appropriated for public purposes.

10. All titles to land up to the eighth day of March, one thousand eight hundred and sixty-nine, conferred by the Company, are to be confirmed.

11. The Company is to be at liberty to carry on its trade without hindrance in its corporate

capacity, and no exceptional tax is to be placed on the Company's land, trade, or servants, nor any import duty on goods introduced by the said Company previously to such acceptance of the said surrender.

12. Canada is to take over the materials of the electric telegraph at cost price; such price including transport, but not including interest for money, and subject to a deduction of ascertained deterioration.

13. The Company's claim to land under an agreement of Messrs. Vankoughnet and Hopkins is to be withdrawn.

14. Any claims of Indians to compensation for lands required for purposes of settlement shall be disposed of by the Canadian Government in communication with the Imperial Government; and the Company shall be relieved of all responsibility in respect of them.

And whereas the surrender hereinafter contained is intended to be made in pursuance of the agreement, and upon the terms and conditions hereinbefore stated.

Now know ye, and these presents witness, that, in pursuance of the powers and provisions of the

Rupert's Land Act, 1868, and on the terms and conditions aforesaid, and also on condition of this surrender being accepted pursuant to the provisions of that Act, the said Governor and Company do hereby surrender to the Queen's Most Gracious Majesty, all the rights of Government, and other rights, privileges, liberties, franchises, powers, and authorities, granted or purported to be granted to the said Governor and Company by the said recited Letters Patent of His late Majesty King Charles the Second; and also all similar rights which may have been exercised or assumed by the said Governor and Company in any parts of British North America, not forming part of Rupert's Land or of Canada, or of British Columbia, and all the lands and territories within Rupert's Land (except and subject as in the said terms and conditions mentioned) granted or purported to be granted to the said Governor and Company by the said Letters Patent. In witness whereof, the Governor and Company of Adventurers of England trading into Hudson's Bay, have hereunto caused their Common Seal to be affixed, the nineteenth day of November, one thousand eight hundred and sixty-nine,

*Downing-street, June 24, 1870.*

The Queen having accepted the surrender of Rupert's Land from the Hudson's Bay Company, has been pleased to appoint the Governor-General for the time being of the Dominion of Canada to be the Governor of Rupert's Land until the admission of that Territory into the said Dominion.

*Council Office, June 23, 1870.*

**W**HEREAS the Special Commissioners appointed for the purposes of "The Public Schools Act, 1868," in virtue of the powers conferred upon them by that Act, have made five statutes for determining and establishing the constitution of the New Governing Bodies of the Schools of Harrow, Winchester, Shrewsbury, Charterhouse, and Rugby:

And whereas the said Statutes have been this day laid before Her Majesty in Council, the same are published in the London Gazette, in pursuance of the provisions of the said Act; and notice is hereby given, that it is lawful for the bodies or persons authorized so to do in that Act, within two months from the date of the publication of this notification, to petition Her Majesty in Council to withhold her approval from the whole or any part of such Statute.

*Arthur Helps.*

*Statutes above referred to.*

A STATUTE for determining and establishing the constitution of the new Governing Body of Harrow School made by the Special Commissioners appointed for the purposes of "The Public Schools Act, 1868."

WHEREAS by the Public Schools Act, 1868, it is enacted that the "Existing Governing Body" of a School shall for the purposes of the Act mean, at Harrow, the Governors. And whereas it was provided by the fifth section of the said Act that the existing Governing Body of each of the Schools to which the Act applies might at any time before the first day of May one thousand eight hundred and sixty-nine, or within such further time as might be determined by Her Majesty in Council, as therein-after mentioned, make a Statute or Statutes for determining and establishing the constitution of the Governing Body of each of such Schools in such manner as might be deemed expedient. And whereas it was by the same section further provided that from and after the said first day of May one thousand eight hundred and sixty-nine, or such further time as aforesaid, all powers of making Statutes vested by the said section in the Governing Body of a school should pass to the Special Commissioners thereinafter mentioned.

And whereas by the said Act the period for which Her Majesty was empowered by Order in Council to extend the said time for making such a Statute or Statutes was limited to one month.

And whereas Her Majesty did, by Order in Council in pursuance of the said Act, extend for the period of one month the time within which the Governors of Harrow might make such a Statute or Statutes as aforesaid, and such period has now elapsed without any such Statute as aforesaid being approved in pursuance of the said Act.

And whereas all powers of making such a Statute or Statutes vested in the Governing Body

of Harrow School by the fifth section of the said Act have passed to and are now vested in the Special Commissioners appointed for the purposes of the said Act.

Now we, the said Commissioners, in pursuance of the said Act, do by this Statute enact as follows, that is to say:—

*Members of Governing Body.*

1. The Governing Body of Harrow School shall consist of the following members, namely,—
  - One member to be elected by the Hebdomadal Council of the University of Oxford.
  - One member to be elected by the Council of the Senate of the University of Cambridge.
  - One member to be elected by the President and Council of the Royal Society.
  - One member to be nominated, by the Lord Chancellor for the time being.
  - One member to be elected by the head, lower, and assistant masters of the school for the time being.
  - Five members to be elected in the first instance by the Keepers and Governors of the possessions, revenues, and goods of the Free Grammar School of John Lyon, in the village of Harrow-on-the-Hill, and in subsequent cases to be elected in manner herein-after mentioned.

The said members may be elected or nominated as aforesaid at any time within three months after the approval of this Statute by Her Majesty in Council.

*Qualifications of Members.*

2. Any person, not being the head master, lower master, or one of the assistant masters in the School, may be elected or nominated a member of the Governing Body who is a member of the Church of England, and duly qualified in the judgment of the person or persons by whom he is elected or nominated to take part in the government of the School as a place of liberal education.

*Provision for filling up Vacancies in Governing Body.*

3. Every vacancy occurring among members of the Governing Body shall be filled up within three months after the date of its occurrence, in manner following, that is to say:—

Any vacancy occurring among the members to be elected in the first instance by the Keepers and Governors of the possessions, revenues, and goods of the Free Grammar School of John Lyon, in the village of Harrow-on-the-Hill, shall from time to time be filled up by a member to be elected by the Governing Body for the time being; but, subject to the foregoing provision, all vacancies occurring among the members of the Governing Body shall be from time to time filled up by the appointment of a member by the person or body of persons aforesaid, who under this Statute had the power of appointing the member in respect of whom the vacancy occurs.

*Power of Her Majesty in Council to fill up Vacancies.*

4. If any of the said members be not appointed within the time limited by this Statute for their election or nomination, or if any such vacancy as aforesaid be not filled up within three months after the date of its occurrence, Her Majesty may, by Order in Council, make such appointment or fill up such vacancy by the nomination of any qualified person whom she may think fit, subject to this proviso, that the making of such appointment or filling up of such vacancy by Her Majesty

in Council shall not confer upon Her Majesty any power of filling up any subsequent vacancy, unless the person or body of persons aforesaid empowered by this Statute to fill up such vacancy have failed to do so for the period of three months after its occurrence.

*Non-Attendance of Members.*

5. If any member be absent from every meeting of the Governing Body during the space of two years, he shall, ipso facto, cease to be a member.

*Mode of Summoning Meetings.*

6. The first meeting of the Governing Body shall be summoned by the member elected by the Council of the Senate of the University of Cambridge, and shall be held in London.

7. Subsequent meetings shall be summoned at such times and places (the places being in Harrow or London) as the Governing Body may determine.

*Quorum at Meetings.*

8. No business shall be transacted at a meeting of the Governing Body unless five members at the least be present.

*Chairman at Meetings.*

9. At the first meeting of the Governing Body held by them after the approval of this Statute by Her Majesty in Council, and at the first meeting held by them in every subsequent year, the members of the Governing Body present at such meeting shall choose one of their body to act as Chairman of the Governing Body for the year then current, and shall also, if they think fit, choose another member to act as Deputy Chairman for the same period. If the Chairman or Deputy Chairman die or cease to be a member of the Governing Body during his period of office, the members present at the meeting next after the occurrence of such vacancy may choose some other member to fill the vacancy, and the member so chosen shall hold office so long as the person in whose place he is chosen would have held the same.

If at any meeting neither the Chairman nor Deputy Chairman of the Governing Body be present, the members present shall choose some one of their number to be Chairman at such meeting.

In case of an equality of votes at any meeting, the Chairman of the meeting shall have a second or casting vote.

Approved and sealed by the Special Commissioners appointed for the purposes of the "Public Schools Act, 1868," this twenty-third day of June, one thousand eight hundred and seventy.

WHEREAS by the Public Schools Act, 1868, "School" is defined in the case of Winchester to include Winchester College, and at Winchester the Warden and Fellows are declared for the pur-

poses of the Act to be "the existing Governing Body" of the School; and whereas by the fifth section of the said Act, it was provided that the existing Governing Body of each of the Schools to which the said Act applies might at any time before the first day of May, one thousand eight hundred and sixty-nine, or within such further time as might be determined by Her Majesty in Council as therein-after mentioned, make a Statute or Statutes for determining and establishing the constitution of the Governing Body of each of the said Schools in such manner as might be deemed expedient:

And whereas it was by the same section further provided that from and after the said first day of May, one thousand eight hundred and sixty-nine, or such further time as aforesaid, all powers of making Statutes vested by the said section in the Governing Body of a School should pass to the Special Commissioners therein-after mentioned:

And whereas by the said Act the period for which Her Majesty was empowered by Order in Council to extend the said time for making such a Statute or Statutes was limited to one month:

*Qualification of Members.*

**SCHOOL OF NAVAL ARCHITECTURE, &c.**

*Admiralty, June 20, 1870.*

THE Lords Commissioners of the Admiralty hereby give notice, that the arrangements for the admission of persons, not already in the Government service, to the Royal School of Naval Architecture and Marine Engineering, as Admiralty Pupils, will, for the present year, be as follows:—

Candidates must not be less than 18 or more than 21 years of age, and must have served at least two years in private shipbuilding or engineering establishments, or must give satisfactory proof that they have in some way been so connected with shipbuilding or engineering operations as to become well-grounded in the elementary principles and practice thereof.

The pupils will be selected by competitive examination, the subjects for which, and numbers of marks assigned for each, are as follows:—

	Marks.
Pure mathematics, including arithmetic, mensuration, geometry (plane and descriptive), plane trigonometry, and the elements of the differential and integral calculus ... ..	2,500
Applied mathematics, including mechanics and hydrostatics ... ..	1,000
Practical shipbuilding, including laying-off (for shipwright candidates only) ...	2,500
Practical marine engineering (for engineer candidates only) ... ..	2,500
French ... ..	500
Elements of physics and chemistry ...	750
English grammar and composition ...	750
Geography and history ... ..	750

No candidate will be admitted who does not obtain at least two thirds of the full number of marks in the two first-named subjects, and three-fifths of the full number, either for practical shipbuilding or marine engineering.

The last four subjects, although counting in the competition, will not be considered obligatory.

The candidates who may be selected will be treated, while attached to the school, in all respects as the Admiralty pupils; they will receive wages the same as dockyard apprentices, commencing at 1s. 6d. per day for six days per week for first year, and increasing yearly 3d. per day till it reaches 2s. per day; and in addition a subsistence allowance of 3s. per day for seven days per week while away from their homes, either at the school or in the dockyards.

Seven months of each year—viz., from October till May—will be devoted to study at the school, and the remaining five months to actual work and the acquirement of practical knowledge in the dockyards.

It is to be understood that the Admiralty make no engagements to employ these pupils after the completion of their course of study; and they must rely on their own worth, as educated naval architects, for obtaining employment in their subsequent career.

The number of such pupils to be selected this year is one shipwright and one engineer.

Persons desirous of competing must forward their names, with a certificate of birth, and on the grounds on which they consider themselves practically qualified, enclosing proper certificates to

that effect to the Secretary of the Admiralty, not later than the 11th July.

The candidates should also state whether they wish to be examined as engineers or shipwrights.

The examination will take place on the 18th July and three following days.

By command of their Lordships,  
*Vernon Lushington.*

11. In order to prevent any obstacle to the due and regular transmission of letters by the post, any officer of the Post Office may delay the transmission of any packet posted or forwarded by the post either for the space of twenty-four hours after the time at which the same ought to be despatched in due course of the post, or (at his option) until the despatch of the mail next after that by which the same ought in due course of the post to have been forwarded by him.

12. In all cases in which any question shall hereafter arise whether any packet or anything contained therein is within the provisions of this Warrant, such question shall be referred to the determination of the Postmaster-General whose decision thereupon shall be final and conclusive on all parties.
