house for said union, situate at James's-street, in the city of Dublin.

Printed copies of the intended Act will be deposited in the Private Bill Office of the House of Commons on or before the 21st day of December next.

Dated this 16th day of November, 1870.

George Keogh, No. 50, Westland-row, Dublin, Solicitor for the proposed Bill.
Holmes, Anton, Greig, and *White*, 18, Abingdon-street, Westminster, Parliamentary Agents.

Holywell Waterworks.

(Construction of Works; Supply of Water to Holywell Town and District; Power to levy Rates; to break up Roads and Streets; To lay down Mains and Pipes; To abstract Water from St. Winifred's Well and other sources; To purchase Waterworks and to sell Undertaking; Incorporation of Public Acts; and for other purposes).

NOTICE is hereby given, that application is intended to be made to the Right Honorable the Lords of the Committee of Her Majesty's Privy Council for Trade and Foreign Plantations, on or before the 23rd day of December next, for a Provisional Order, pursuant to "The Gas and Waterworks Facilities Act, 1870," for the following or some of the following among other purposes:—

To supply water for public, trading, domestic, and other purposes to the inhabitants and other persons within the town of Holywell, in the parish of Holywell, and parts of the township of Greenfield, in the parish of Holywell, and part of the township of Brynford, in the said parish of Holywell, or some part or parts thereof respectively, and with this view to construct and maintain the works hereinafter mentioned, or some of them, wholly in the county of Flint, that is to say—

I. To abstract water from the public well called Saint Winifred's Well, situate on the east side of Greenfield-street, in the said town of Holywell, with pipes or otherwise to a well to be constructed on the west side of the said Greenfield-street, nearly opposite to the said Saint Winifred's Well; and to erect engine house and boiler house, with offices over and near to the said well, to be constructed on the said west side of Greenfield-street aforesaid: Also to construct reservoir in a field situate on the south-west side of Whitford-street, opposite Gerddi Beuno, the property of the Earl of Denbigh, and in the occupation of John Jones: Also to lay raising and service mains from said engine house to the said reservoir, and back to Whitford-street, across lands belonging to the Earl of Denbigh and Philip Pennant Pennant, and in the several occupations of Samuel Williamson, Thomas Owens, and said John Jones: To lay service pipes along the streets and roads within the said district: Also to construct compensating reservoir upon land belonging to Mr. William Stephenson, and in the occupation of Daniel Pierce, or upon land belonging to Robert Williamson and Edward Ratcliffe, and in the occupation of Owen Owens, and to bring water by tunnel or otherwise from Page's Shaft and Brynford Hall Shaft, in the land in the occupation of said Owen Owens, and belonging to said Robert Williamson and said Edward Ratcliffe: Also to lay mains from said last-mentioned reservoir along the turnpike road connecting same with the stream from St. Winifred's Well, immediately below the well: The said works will be wholly situate in the parish of Holywell, and in the townships of Holywell, Brynford, and Greenfield, in the county of Flint.

To construct and maintain in the said parish and townships, approaches, roads and ways, embankments, mains, pipes, culverts, cuts, drains, sluices, engines, filter beds, wells, tanks, valves, weirs, meters, and all other works and appliances and coveniences necessary in connection with the before-mentioned works, and for collecting, pumping, cleansing, storing, purifying, and distributing the water so to be collected, pumped, and distributed. To enable the undertakers to deviate from the line of works both vertically and horizontally.

To lay down and maintain pipes, culverts, and other works, in, over, under or across, and to cross, break open, alter, divert, or stop up for the purposes of the said intended works either temporarily or permanently, any turnpike roads, highways, footpaths, private roads, streets, bridges, canals, towing paths, railways, tramways, sewers, drains, rivers, streams, brooks, and watercourses in the said parish, and townships before mentioned.

To purchase and take by agreement any lands, houses, springs, streams, wells, waters, and other hereditaments requisite or desirable for the purpose aforesaid, and to acquire way-leaves, water-leaves and easements in or over the same, and to confer, vary, or extinguish any rights or privileges connected therewith, which would in any way interfere with the objects and purposes of the undertaking, and the objects and purposes of the said Provisional Order.

To exercise all such powers, rights and privileges, as are usually conferred upon Water Companies, or which may be necessary or expedient for carrying into execution any of the objects and purposes of the undertaking, and the objects and purposes of the said Provisional Order.

To make proper provision for the prevention of waste, illegal use, obstruction, or misuse, or wrongful use of the water supplied, and to adopt proper and needful regulations in reference thereto.

To demand, take, and recover rates, rents and charges, and to grant exemptions therefrom, and to make special contracts, agreements, and charges for the supply of water, and to confer other rights and privileges.

To enable the undertakers to purchase from any person or persons, and from any Corporation or Corporations, and to enable such persons or Corporations respectively to sell to the undertakers any waterworks now existing, or which may hereafter be erected within a radius of four miles from any point of the undertakers' limits of supply, and to enable the undertakers to maintain and carry on the same respectively; and to enable the undertakers to sell their own undertaking, or any waterworks hereafter to be acquired by them, to any person or persons, Corporation or Corporations, and to enable such persons or Corporations to purchase, maintain, and carry on the same respectively.

To incorporate with the intended Provisional Order, all or some of the powers and provisions of "The Lands Clauses Consolidation Act, 1845," "The Lands Clauses Consolidation Amendment Act, 1860," "The Companies Clauses Act, 1845," "The Companies Clauses Act, 1863," "The Waterworks Clauses Act, 1847," "The Waterworks Clauses Act, 1863," and also such parts of "The Railways Clauses Consolidation Act, 1845," as relates to roads and the temporary occu-
