AT the Court at *Osborne House, Isle of Wight*, the 14th day of *January*, 1871.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, sections six and eight, duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-fourth day of November, in the year one thousand eight hundred and seventy, in the words following; that is to say:

"We the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of your Majesty, chapter thirty-seven; sections six and eight, have prepared and now humbly lay before your Majesty in Council the following scheme for authorizing the sale and disposal of certain property formerly belonging to

the prebend of Bishopstone, in the cathedral church of Salisbury, and now vested in us.

"Whereas on the vacancy of the said prebend, which occurred in or about the month of December, in the year one thousand eight hundred and thirty-eight, by the decease of the Very Reverend Whittington Landon, Doctor in Divinity, the then prebendary, all the lands, tenements, hereditaments, and endowments, theretofore belonging to the said prebend (except rights of patronage), became, by virtue of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, absolutely vested in us, for the purposes and subject to the provisions applicable to other hereditaments vested in us.

"And whereas our estate in the lands, tenements, hereditaments, and endowments aforesaid, consists, as to part thereof, of reversions expectant upon the determination of copyhold grants for lives, such grants producing only a small annual revenue, and on that account, and in some instances on account of the character or situation of the property, certain portions of the said lands, tenements, hereditaments and endowments, are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable, under the Acts by which our proceedings are governed.

"And whereas by an Act of the twenty-third and twenty-fourth years of your Majesty, chapter one hundred and twenty-four, power is given to lessees holding under us, in the event of our declining to enter into a treaty for the sale of our reversions or the purchase of the leasehold interests, to require us to purchase such leasehold interests at a valuation.

"And whereas, with a view to the advantageous appropriation of the said lands, tenements, hereditaments, and endowments, or of the proceeds thereof for the ultimate improvement of our common fund, it is expedient that the said lands, tenements, hereditaments, and endowments, or such parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to dispose of our interest therein, or in any part or parts thereof, in such manner as shall appear to us advisable.

"Now, therefore, we humbly recommend and propose, that we may be authorized and empowered by instrument or instruments in writing duly executed according to law, from time to time to sell or dispose of, and duly to convey, according to the provisions of the said Act of the sixth and seventh years of your Majesty's reign, with the consent of the respective holders (if any), to be testified by their being made parties to such instruments, all or any of the said lands, tenements, hereditaments, and endowments, heretofore belonging to the said prebend, and so vested in us as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, and to the use of any person or persons desirous or willing to purchase the same, and his, her, or their heirs, executors, administrators, or assigns, or otherwise, as he, she, or they shall direct or appoint, and for such consideration as shall, upon due calculation and inquiry, appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale, from time to time as occasion may arise, in the purchase of other lands, tithes, rent-charges, tenements, or hereditaments, or of some estate or interest therein, convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some Govern-

ment or Parliamentary Stock, or other public securities in England.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Salisbury.

"Whereas it has been made to appear to us that it would promote the interests of religion that the particular part of the said parish of Oving, which is hereinafter mentioned and described (such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship) should be constituted a separate district in manner hereinafter set forth:

"And whereas certain hereditaments and premises, situate within the said parish of Oving, have become vested in us, under the provisions of and for the purposes of the herein-mentioned Acts, or of some of them, and we have in respect of such hereditaments and premises agreed to make

and pay out of the common fund created by the firstly herein-mentioned Act, to the minister of the district hereinafter recommended to be constituted, so soon as such minister shall have been appointed and licensed in accordance with the provisions of the secondly herein mentioned Act, and to his successors, ministers of the same district or (as the case may be) incumbents of the new parish which such district, if formed, will or may afterwards become, a grant of two hundred pounds per annum:

"And whereas forty-three persons, being principal contributors towards the cost of the said church or chapel, have, by an instrument in writing under their hands, bearing date on or about the first day of February, in the year one thousand eight hundred and seventy, nominated to us the Bishop of Chichester for the time being as the corporation sole in whom they desire that the perpetual right of patronage of the said district or (as the case may be) new parish hereinafter recommended to be constituted, if and when the same shall be constituted, should be vested:

"Now, therefore, with the consent of the Right Reverend Richard, Bishop of the said diocese of Chichester (in testimony whereof he has signed and sealed this scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose that all that part of the said parish of Oving, which is described in the schedule hereunder written, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto annexed, shall upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme, become and be constituted a separate district for spiritual purposes, and that the same shall be named 'The District of Portfield.'

"And we further recommend and propose that the whole right of patronage of the said district so recommended to be constituted, and so soon as the same shall have become a new parish for ecclesiastical purposes, under the provisions of the secondly herein mentioned Act, then of the said new parish, shall, without any assurance in the law other than this scheme, and any duly gazetted Order of your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to, and be absolutely vested in, and shall and may from time to time be exercised by the said Richard, Bishop of the said diocese of Chichester, and by his successors Bishops of the same diocese for ever.

Edmund Harrison.

AT the Court at Osborne House, Isle of Wight, the 14th day of January, 1871.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the thirty-second and thirty-third years of Her Majesty, chapter ninety-four, duly prepared and laid before Her Majesty in Council, a scheme or representation bearing date the fifteenth day of December, in the year one thousand eight hundred and seventy, in the words following, that is to say :

We, the Ecclesiastical Commissioners for England, acting under the provisions of the Act of the thirty-second and thirty-third years of your Majesty, chapter ninety-four, have prepared and now humbly lay before your Majesty in Council the following scheme or representation for altering the boundaries of the new parish of Saint James, Oldham, in the county of Lancaster, and in the diocese of Manchester, and of the new parish of Waterhead, in the same county and diocese.

Whereas, by the authority of an order of His late Majesty King William the Fourth in Council, bearing date the fourth day of March, in the year one thousand eight hundred and thirty-five, and published in the London Gazette upon the fifth day of May, in the same year, a part of the ancient parochial chapelry of Oldham, in the parish of Prestwich, in the said county of Lancaster, and then in the diocese of Chester, but now in the said diocese of Manchester, was assigned as a district chapelry to the church of Saint James, situate within the limits of the same ancient parochial chapelry of Oldham.

"And whereas the said district chapelry of Saint James, Oldham, has, under the provisions of the Act of the nineteenth and twentieth years of your Majesty, chapter one hundred and four, become a new parish of the character contemplated by that Act, and by the Act of the sixth and seventh years of your Majesty, chapter thirty-seven, and by the said above-mentioned Act of the thirty-second and thirty-third years of your Majesty, chapter ninety-four.

"And whereas, by the authority of an Order of your Majesty in Council, bearing date the twenty-eighth day of November, in the year one thousand eight hundred and forty-four, and published in the London Gazette upon the third day of December in the same year, the district of Waterhead was, under the provisions of the said Act of the sixth and seventh years of your Majesty, chapter thirty-seven, constituted out of the said district of Saint James, Oldham, within the said ancient parochial chapelry of Oldham.

"And whereas the said district of Waterhead has since become a new parish of the character contemplated by the said lastly-mentioned Act, and by the said Act of the thirty-second and thirty-third years of your Majesty, chapter ninety-four.

"And whereas it has been represented to us, and it appears to us to be expedient that the boundaries of the said new parish of Saint James, Oldham, should be altered so as to dis sever therefrom certain territory, and that the boundaries of the said new parish of Waterhead should also be altered by way of extension, so as to include within their limits the territory so to be dis severed from the new parish of Saint James, Oldham, as aforesaid.

"Now, therefore, with the consent of the Right Reverend James, Bishop of the said diocese of Manchester (in testimony whereof he has signed and sealed this scheme or representation), we the said Ecclesiastical Commissioners humbly represent, recommend, and propose that from and after the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme or representation, all that part of the said new parish of Saint James, Oldham, which is described in the schedule hereunder written, and is delineated and set forth upon the map or plan hereunto appended, and is thereon coloured pink, shall be dis severed from such new parish, and that from the same day and date, and without any other assurance in the law, the said part of the new parish of Saint James, Oldham, so to be dis severed as aforesaid, shall be annexed to, and shall form a part of, and shall become and be and be deemed to be within the limits of the said new parish of Waterhead.

"And we further represent, recommend, and propose, that nothing herein contained shall prevent us from representing, recommending, or proposing any other measures relating to the matters aforesaid, or either of them, in accordance with the provisions of the hereinbefore-mentioned Acts, or of either of them, or of any other Act of Parliament.

The SCHEDULE to which the foregoing Scheme or Representation has reference :—

"The territory proposed to be dis severed from the new parish of Saint James, Oldham, in the county of Lancaster, and in the diocese of Manchester, and to be annexed to the new parish of Waterhead, in the same county and diocese, being :—

"All that part of the said new parish of Saint James, Oldham, which is bounded on the east by the new parish of Waterhead aforesaid, or in other words by Little Moor Lane, and on all other sides, that is to say, on the north-west and on the south-east, by an imaginary line commencing upon the boundary which divides the said new parish of Waterhead from the new parish of Saint James, Oldham aforesaid, at the point where that part of the Oldham and Ripponden Trust Road, which is called Halifax-road, is joined by the said Little Moor Lane; and extending thence, south-westward, for a distance of thirty chains, or thereabouts, along the middle of the said trust road to its junction at Greenacres Hill with the Huddersfield Turnpike-road which leads from Oldham to Waterhead; and extending thence, north-eastward, for a distance of thirteen chains, or thereabouts, along the middle of the last-mentioned turnpike-road to its junction with Little Moor-lane aforesaid, upon the said boundary which divides the new parish of Saint James, Oldham, from the new parish of Waterhead aforesaid."

And whereas a draft of the said Scheme or Representation has, in accordance with the provisions of the hereinbefore firstly-mentioned Act, been transmitted to the patrons and to the incum-

bents of the cures affected, and such patrons and incumbents have respectively signified their assent to the said Scheme or Representation.

And whereas the said Scheme or Representation has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said Scheme or Representation, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Manchester.
