SYDNEY,
Lord Chamberlain.

AT the Council Chamber, Whitehall, the 16th day of February, 1871.

By the Lords of Her Majesty's Most Honourable Privy Council.

PRESENT,

Lord Privy Seal.
Mr. Forster.

THE Lords and others of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1869, (in this Order referred to as the Act of 1869,) and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:—

1. This Order shall take effect from and immediately after the sixteenth day of February, one thousand eight hundred and seventy-one; and words in this Order have the same meaning as in the Act of 1869.

2. Where a Local Authority is authorized by the Privy Council to put in operation this provision of this Order, such Local Authority may cause all cattle affected with pleuro-pneumonia within their district to be slaughtered, subject to the following provisions:—

- (1.) The Local Authority shall, by way of compensation for every such animal, pay to the owner thereof such sum, not exceeding twenty pounds and not exceeding one half of the value of the animal immediately before it was affected with pleuro-pneumonia, as to the Local Authority seems fit.
- (2.) They may require the value of any such animal to be ascertained by their officers, or by arbitration, and generally they may impose conditions as to evidence of the slaughter and value of any such animal.
- (3.) They may, if they think fit, withhold compensation in respect of any such animal, where the owner or the person having the charge thereof has in their judgment been guilty, in relation to such animal, of any act in contravention of the Act of 1869, or

of any Order or regulation, or licence of the Privy Council or of a Local Authority, or has, in relation to such animal, failed to comply with the provisions of the Act of 1869, or of any such Order, regulation or licence, in respect of the giving of notice of disease, or in any other respect.

3. Where any animal has been slaughtered in pursuance of this Order, the owner thereof shall not be entitled to recover in respect of the insurance thereof any sum which, together with the payment which he receives for the same under this Order, would exceed the sum which he would have been entitled to receive in respect of the insurance.

4. Every Local Authority shall keep, in such manner and form as the Privy Council from time to time direct or approve, a record, stating the date of any order for slaughter, and the execution of the order, and other proper particulars; and such record shall be evidence if any question arises concerning an order for the slaughter of any such animal, or concerning compensation in respect thereof.

5. Where a Local Authority is authorized by the Privy Council to put in operation this provision of this Order, such Local Authority may, from time to time, with the view of preventing the spreading of pleuro-pneumonia, make regulations for the following purposes, or any of them:—

For prohibiting or regulating the movement out of any field, stable, cowshed, or other premises, of any cattle affected with pleuro-pneumonia, or of the carcasses of any cattle which have died or have been slaughtered in consequence of being affected with pleuro-pneumonia.

For prohibiting or regulating the removal of hay, straw, litter, or other thing commonly used for food of animals, or otherwise for or about animals, that has been in the same field, stable, cowshed, or other premises with cattle affected with pleuro-pneumonia.

Provided that such Local Authority shall, from time to time, define the area within their district within which any such regulation shall have effect, and they may, from time to time, revoke or alter any such regulation.

6. Where a Local Authority is authorised by the Privy Council to put in operation this provision of this Order, such Local Authority may, from time to time, with the view of preventing the spreading of pleuro-pneumonia, regulate or prohibit the holding of any specified market, fair, auction, sale, or exhibition, of cattle within their district, and may, from time to time, alter or revoke any such regulation or prohibition.

7. Provided that the Privy Council, if satisfied on inquiry, with respect to any regulation or prohibition made by a Local Authority under this Order, that the same is of too restrictive a character, or otherwise objectionable, may direct the revocation thereof, and thereupon, as from the time specified in that behalf by the Privy Council, the same shall cease to operate.

8. Expenses incurred by a Local Authority in pursuance of this Order shall be defrayed out of the Local Rate.

9. If any person acts in contravention, or fails in any respect to comply with the provisions, of this Order, or of any regulation of the Local Authority made thereunder, he shall be deemed guilty of an offence against this Order.

SOLDIERS' BALANCES UNCLAIMED.

IN pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the Next of Kin or others entitled, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette," and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as Next of Kin should be addressed by letter to "The Under-Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the date and place of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a Justice of the Peace; the applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicants' inquiries to give the number and date of the notice in which the deceased soldier's name appeared.—Dated this 31st day of January, 1871.

Master of the Rolls.—Wednesday, the 8th day of February, 1871.—Between William Chubb, of the Public Registered Office of the Wilts and Dorset Bank Company, John Hayward, John Waters, and Henry Brown, Plaintiffs; Cicero Rabbitts, Francis Deade Rabbitts, Anna Maria Woodward, Christopher Henry Lee Warner Woodward, Frederic Grimstone Woodward, Dorotha Emma Woodward, and William Davis, Defendants.

UPON motion this day made unto the Right Honourable the Master of the Rolls by Counsel for the plaintiffs, who alleged that the plaintiffs have filed their Bill in this Court against the defendants, and that it appears by the affidavit of Wilson Clement Cruttwell, filed the 2nd day of February, 1871, that the defendant Cicero Rabbitts has been within the jurisdiction of this Court within two years next before the filing of this said Bill, and that all due diligence has been used to serve the said defendant with a copy of the said Bill, but without effect, and that upon enquiry at the last known place of abode of the said defendant, and at No. 13, New Bond-street, Bath, where, at the time when the said Bill was filed, he might probably have been met with, he could not be found, so as to be served with a copy of the said Bill, and that there is just ground to believe that the said defendant Cicero Rabbitts has absconded, to avoid being served with such copy, or with other process, and upon reading the said affidavit and the exhibit therein referred to, and an affidavit of John Millard, filed the 6th day of February, 1871, his Lordship doth order that the defendant Cicero Rabbitts do appear to the plaintiffs' Bill on or before the 8th day of March, 1871; and the plaintiffs are to cause a copy of this Order, together with a notice thereof to the effect set forth at the foot of the 10th of the Consolidated Orders, Rule 6, in that behalf, to be inserted in the London Gazette and two newspapers published in the county of Somerset, within fourteen days from the date thereof.

Cicero Rabbitts.—Take notice, that if you do not appear pursuant to the above Order, the plaintiffs may enter an appearance for you, and the Court may afterwards grant to the plaintiff such relief as he may appear to be entitled to on his own showing.
