Lindow, Aug. 8. The News which the Eafl-India Com-pany, have received from their Prefident and Council of Fore Sr. George, by Letters which came by the French Ships, Da-ted the 21ft of January laft, is, That the Companies Agent and all their Servants in Bengall are certainly refetied in their own Factorics, and fully and abfolutely reflored, not only to all their ancient Priviledges, but to forme better Terms than ever they enjoyed or presended to before the late War with the Mogull. And the Prefident and Council of the Fort had then fent down 22 too Pounds in Morie to Renead which with Mogull. And the Prefident and Council of the Fort had then fent down 92500 Pounds in Money to Bengall, which, with a greater Sum the Agent and Council of the Bay had by them, will make a very great Investment of that Country Commodities, which may be expected home early next Spring. And the Company have not the least doubt (notwightand-ing the falle Rumours which have been industrioutly forcad abroad) but that they have an Universal and Honourable Peace with the Mogul and his Subjects in all parts of India. As the Companies last advices gave an account of the re-moval of the Governour of Suratic, for his abuling the Fing-

moval of the Governour of Suratte, for his abuiling the Eng-lish, these Letters fay, the Great Mogul had removed the Na-bob of Bengal ( who was his own Unkle) from that Govern-ment, but it is not faid for what cause, though there is no bet-ter in India to prefer him to.
