SCHEDULE.

Address of the Senate of Canada.

To the Queen's Excellent Majesty.

Most Gracious Sovereign,

We, your Majesty's most dutiful and loyal subjects, the Senate of Canada in Parliament assembled, humbly approach your Majesty for the purpose of representing:—

That by a despatch from the Governor of British Columbia, dated 23rd January, 1871, with other papers laid before this House by message from his Excellency the Governor-General, of the 27th February last, this House learns that the Legislative Council of that colony, in council assembled, adopted, in January last, an Address representing to your Majesty that British Columbia was prepared to enter into Union with the Dominion of Canada, upon the terms and conditions mentioned in the said Address, which is as follows:—

To the Queen's Most Excellent Majesty.

Most Gracious Sovereign,

We, your Majesty's most dutiful and loyal subjects, the Members of the Legislative Council of British Columbia in council assembled, humbly approach your Majesty for the purpose of representing:—

That, during the last session of the late Legislative Council, the subject of the admission of the Colony of British Columbia into the Union or Dominion of Canada was taken into consideration, and a resolution on the subject was agreed to, embodying the terms upon which it was proposed that this colony should enter the Union;

That after the close of the session, Delegates were sent by the Government of this Colony to Canada to confer with the Government of the Dominion with respect to the admission of British Columbia into the Union upon the terms proposed;

That after considerable discussion by the Delegates with the Members of the Government of the Dominion of Canada, the terms and conditions hereinafter specified were adopted by a Committee of the Privy Council of Canada, and were by them reported to the Governor-General for his approval;

That such terms were communicated to the Government of this Colony by the Governor-General of Canada, in a despatch dated July 7th, 1870, and are as follows:—

1. Canada shall be liable for the debts and liabilities of British Columbia existing at the time of the Union.

2. British Columbia not having incurred debts equal to those of the other Provinces now constituting the Dominion, shall be entitled to receive, by half-yearly payments, in advance from the General Government, interest at the rate of five per cent. per annum on the difference between the actual amount of its indebtedness at the date of the Union, and the indebtedness per head of the population of Nova Scotia and New Brunswick (27.77 dollars), the population of British Columbia being taken at 60,000.

3. The following sums shall be paid by Canada to British Columbia for the support of its Government and Legislature, to wit, an annual subsidy of 35,000 dollars, and an annual grant equal to 80 cents per head of the said population of 60,000, both half-yearly in advance, such grant of 80 cents per head to be augmented in proportion to the increase of population, as may be shown by each subsequent decennial census, until the population amounts to 400,000, at which rate such grant shall thereafter remain, it being understood that the first census be taken in the year 1881.

4. The Dominion will provide an efficient mail service, fortnightly, by steam communication between Victoria and San Francisco, and twice a week between Victoria and Olympia; the vessels to be adapted for the conveyance of freight and passengers.

5. Canada will assume and defray the charges for the following services:—

- A. Salary of the Lieutenant-Governor;
- B. Salaries and allowances of the Judges of the Superior Courts and the County or District Courts;
- C. The charges in respect to the Department of Customs;
- D. The Postal and Telegraphic Services;
- E. Protection and Encouragement of Fisheries;
- F. Provision for the Militia;
- G. Lighthouses, Buoys, and Beacons, Shipwrecked Crews, Quarantine and Marine Hospitals, including a Marine Hospital at Victoria;
- H. The Geological Survey;
- I. The Penitentiary;

And such further charges as may be incident to and connected with the services which by the "British North America Act of 1867" appertain to the General Government, and as are or may be allowed to the other Provinces.

6. Suitable pensions, such as shall be approved of by Her Majesty's Government, shall be provided by the Government of the Dominion for those of Her Majesty's servants in the Colony whose position and emoluments derived therefrom would be affected by political changes on the admission of British Columbia into the Dominion of Canada.

7. It is agreed that the existing Customs tariff and Excise duties shall continue in force in

British Columbia until the railway from the Pacific coast and the system of railways in Canada are connected, unless the Legislature of British Columbia should sooner decide to accept the Tariff and Excise Laws of Canada. When Customs and Excise duties are, at the time of the union of British Columbia with Canada, leviable on any goods, wares, or merchandizes in British Columbia, or in the other Provinces of the Dominion, those goods, wares, and merchandizes may, from and after the Union, be imported into British Columbia from the Provinces now composing the Dominion, or from either of those Provinces into British Columbia, on proof of payment of the Customs or Excise duties leviable thereon in the Province of exportation, and on payment of such further amount (if any) of Customs or Excise duties as are leviable thereon in the Province of importation. This arrangement to have no force or effect after the assimilation of the Tariff and Excise duties of British Columbia with those of the Dominion.

8. British Columbia shall be entitled to be represented in the Senate by three members, and by six members in the House of Commons. The representation to be increased under the provisions of the "British North America Act, 1867."

9. The influence of the Dominion Government will be used to secure the continued maintenance of the naval station at Esquimalt.

10. The provisions of the "British North America Act, 1867," shall (except those parts thereof which are in terms made, or by reasonable intendment may be held to be specially applicable to and only affect one and not the whole of the Provinces now comprising the Dominion, and except so far as the same may be varied by this Minute) be applicable to British Columbia in the same way and to the like extent as they apply to the other Provinces of the Dominion, and as if the colony of British Columbia had been one of the Provinces originally united by the said Act.

11. The Government of the Dominion undertake to secure the commencement simultaneously, within two years from the date of Union, of the construction of a railway from the Pacific towards the Rocky Mountains, and from such point as may be selected, east of the Rocky Mountains, towards the Pacific, to connect the seaboard of British Columbia with the railway system of Canada; and further, to secure the completion of such railway within ten years from the date of the Union.

And the Government of British Columbia agree to convey to the Dominion Government, in trust, to be appropriated in such manner as the Dominion Government may deem advisable in furtherance of the construction of the said railway, a similar extent of public lands along the line of railway throughout its entire length in British Columbia, not to exceed, however, twenty (20) miles on each side of said line, as may be appropriated for the same purpose by the Dominion Government from the public lands in the north-west territories and the Province of Manitoba. Provided that the quantity of land which may be held under pre-emption right or by Crown grant within the limits of the tract of land in British Columbia to be so conveyed to the Dominion Government shall be made good to the Dominion from contiguous public lands; and provided further, that until the commencement, within two years, as aforesaid, from the date of the union, of the construction of the said railway, the Government of British Columbia shall not sell or alienate any further portions of the public lands of British Columbia in any other way than

under right of pre-emption, requiring actual residence of the pre-emptor on the land claimed by him. In consideration of the land to be so conveyed in aid of the construction of the said railway, the Dominion Government agree to pay to British Columbia from the date of the Union, the sum of 100,000 dollars per annum, in half-yearly payments in advance.

12. The Dominion Government shall guarantee the interest for ten years from the date of the completion of the works, at the rate of five per centum per annum, on such sum, not exceeding £100,000 sterling, as may be required for the construction of a first class graving dock at Esquimalt.

13. The charge of the Indians, and the trusteeship and management of the lands reserved for their use and benefit, shall be assumed by the Dominion Government, and a policy as liberal as that hitherto pursued by the British Columbia Government shall be continued by the Dominion Government after the Union.

To carry out such policy, tracts of land of such extent as it has hitherto been the practice of the British Columbia Government to appropriate for that purpose, shall from time to time be conveyed by the Local Government to the Dominion Government in trust for the use and benefit of the Indians on application of the Dominion Government; and in case of disagreement between the two Governments respecting the quantity of such tracts of land to be so granted, the matter shall be referred for the decision of the Secretary of State for the Colonies.

14. The Constitution of the Executive Authority and of the Legislature of British Columbia shall, subject to the provisions of "The British North America Act, 1867," continue as existing at the time of the Union until altered under the authority of the said Act, it being at the same time understood that the Government of the Dominion will readily consent to the introduction of responsible government when desired by the inhabitants of British Columbia, and it being likewise understood that it is the intention of the Governor of British Columbia, under the authority of the Secretary of State for the Colonies, to amend the existing Constitution of the Legislature by providing that a majority of its members shall be elective.

The Union shall take effect according to the foregoing terms and conditions on such day as Her Majesty by and with the advice of Her Most Honourable Privy Council may appoint (on addresses from the Legislature of the Colony of British Columbia and of the Houses of Parliament of Canada in the terms of the 146th section of "The British North America Act, 1867,") and British Columbia may in its address specify the electoral districts for which the first election of members to serve in the House of Commons shall take place.

That such terms have proved generally acceptable to the people of this Colony.

That this Council is, therefore, willing to enter into Union with the Dominion of Canada upon such terms, and humbly submit that, under the circumstances, it is expedient that the admission of this Colony into such Union, as aforesaid, should be effected at as early a date as may be found practicable under the provisions of the 146th section of "The British North America Act, 1867."

We, therefore, humbly pray that Your Majesty will be graciously pleased, by and with the advice of Your Majesty's Most Honourable Privy Council, under the provisions of the 146th section of "The British North America Act, 1867," to

admit British Columbia into the Union or Dominion of Canada, on the basis of the terms and conditions offered to this Colony by the Government of the Dominion of Canada, hereinbefore set forth; and inasmuch as by the said terms British Columbia is empowered in its address to specify the electoral districts for which the first election of members to serve in the House of Commons shall take place, we humbly pray that such electoral districts may be declared, under the Order in Council, to be as follows:—

That "New Westminster District," and the "Coast District," as defined in a public notice issued from the Lands and Works Office on the 15th day of December, 1869; by the desire of the Governor, and purporting to be in accordance with the provisions of the 39th clause of the "Mineral Ordinance, 1869," shall constitute one district, to be designated "New Westminster District," and return one member.

That "Cariboo District," and "Lillooet District," as specified in the said public notice, shall constitute one district, to be designated "Cariboo District," and return one Member.

That "Yale District," and "Kootenay District," as specified in the said public notice shall constitute one district, to be designated "Yale District," and return one Member.

That those portions of Vancouver Island known as "Victoria District," "Esquimalt District," and "Metchosin District," as defined in the official maps of those districts in the Land Office, Victoria, and which maps are designated respectively, "Victoria District Official Map, 1858," "Esquimalt District Official Map, 1858," and "Metchosin District Official Map, 1858," shall constitute one district, to be designated "Victoria District," and return two Members.

And, that all the remainder of Vancouver Island, and all such islands adjacent thereto as were formerly dependencies of the late colony of Vancouver Island District shall constitute one district, to be designated "Vancouver Island District," and return one Member.

We further humbly represent, that the proposed terms and conditions of Union of British Columbia with Canada, as stated in the said Address, are in conformity with those preliminarily agreed upon between delegates from British Columbia and the Members of the Government of the Dominion of Canada, and embodied in a Report of a Committee of the Privy Council, approved by His Excellency the Governor-General in Council, on the 1st July, 1870, which approved Report is as follows:—

Copy of a Report of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor-General in Council, on the 1st of July, 1870.

The Committee of the Privy Council have had under consideration a Despatch, dated the 7th May, 1870, from the Governor of British Columbia, together with certain resolutions submitted by the Government of that colony to the Legislative Council thereof—both hereunto annexed—on the subject of the proposed union of British Columbia with the Dominion of Canada; and after several interviews between them and the Honorable Messrs. Trutch, Helmcken, and Carrall, the Delegates from British Columbia, and full discussion with them of the various questions connected with that important subject, the Committee now respectfully submit for your Excellency's approval the following terms and conditions to form the basis of a political union between British Columbia and the Dominion of Canada.

1. Canada shall be liable for the debts and

liabilities of British Columbia existing at the time of the Union.

2. British Columbia not having incurred debts equal to those of the other Provinces now constituting the Dominion, shall be entitled to receive by half-yearly payments in advance from the General Government, interest at the rate of 5 per cent. per annum, on the difference between the actual amount of its indebtedness at the date of the Union, and the indebtedness per head of the population of Nova Scotia and New Brunswick (27.77 dollars), the population of British Columbia being taken at 60,000.

4. The Dominion will provide an efficient mail service fortnightly by steam communication between Victoria and San Francisco, and twice a week between Victoria and Olympia, the vessels to be adapted for the conveyance of freight and passengers.

5. Canada will assume and defray the charges for the following services:—

7. It is agreed that the existing customs tariff, and excise duties, shall continue in force in British Columbia, until the railway from the Pacific Coast and the system of railways in Canada are connected, unless the Legislature of British Columbia shall sooner decide to accept the tariff and excise laws of Canada. "7. It is agreed that the existing Customs Tariff and Excise Duties shall continue in force in British Columbia until the Railway from the Pacific Coast and the system of Railways in Canada are connected, unless the Legislature of British Columbia should sooner decide to accept the Tariff and Excise Laws of Canada. When Customs and Excise Duties are, at the time of the Union of British Columbia with Canada, leviable on any goods, wares, or merchandizes in British Columbia, or in the other Provinces of the Dominion, these goods, wares, and merchandizes may, from and after the Union, be imported into British Columbia from the Provinces now composing the Dominion, or from either of those provinces into British Columbia, on proof of payment of the Customs or Excise duties leviable thereon in the Province of exportation, and on payment of such further amount (if any) of Customs or Excise duties as are leviable thereon in the Province of importation. This arrangement to have no force or effect after the assimilation of the Tariff and Excise duties of British Columbia with those of the Dominion.

"8. British Columbia shall be entitled to be represented in the Senate by three members, and by six members in the House of Commons. The representation to be increased under the provisions of the 'British North America Act, 1867.'

"9. The influence of the Dominion Government will be used to secure the continued maintenance of the naval station at Esquimalt.

"10. The provisions of 'The British North America Act, 1867,' shall (except those parts thereof which are in terms made, or by reasonable intendment may be held to be specially applicable to and only affect one and not the whole of the Provinces now comprising the Dominion, and except so far as the same may be varied by this Minute) be applicable to British Columbia in the same way and to the like extent as they apply to the other Provinces of the Dominion, and as if the Colony of British Columbia

had been one of the Provinces originally united by the said Act.

"11. The Government of the Dominion undertake to secure the commencement simultaneously, within two years from the date of Union, of the construction of a railway from the Pacific towards the Rocky Mountains, and from such point as may be selected, east of the Rocky Mountains towards the Pacific, to connect the seaboard of British Columbia with the railway system of Canada; and further, to secure the completion of such railway within ten years from the date of the Union.

"And the Government of British Columbia agree to convey to the Dominion Government, in trust, to be appropriated in such manner as the Dominion Government may deem advisable in furtherance of the construction of the said railway, a similar extent of public lands along the line of railway throughout its entire length in British Columbia, not to exceed, however, twenty (20) miles on each side of said line, as may be appropriated for the same purpose by the Dominion Government from the public lands in the north-west territories and the Province of Manitoba. Provided that the quantity of land which may be held under pre-emption right or by Crown grant within the limits of the tract of land in British Columbia to be so conveyed to the Dominion Government shall be made good to the Dominion from contiguous public lands; and provided further, that until the commencement, within two years, as aforesaid, from the date of the Union, of the construction of the said railway, the Government of British Columbia shall not sell or alienate any further portions of the public lands of British Columbia in any other way than under right of pre-emption, requiring actual residence of the pre-emptor on the land claimed by him. In consideration of the land to be so conveyed in aid of the construction of the said railway, the Dominion Government agree to pay to British Columbia from the date of the Union, the sum of 100,000 dollars per annum, in half yearly payments in advance.

"12. The Dominion Government shall guarantee the interest for ten years from the date of the completion of the works, at the rate of five per centum per annum, on such sum not exceeding 100,000^l. sterling, as may be required for the construction of a first-class graving dock at Esquimalt.

"13. The charge of the Indians, and the trusteeship and management of the lands reserved for their use and benefit shall be assumed by the Dominion Government, and a policy as liberal as that hitherto pursued by the British Columbia Government shall be continued by the Dominion Government after the Union.

"To carry out such policy, tracts of land of such extent as it has hitherto been the practice of the British Columbia Government to appropriate for that purpose, shall from time to time be conveyed by the local Government to the Dominion Government in trust for the use and benefit of the Indians on application of the Dominion Government; and in case of disagreement between the two Governments respecting the quantity of such tracts of land to be so granted, the matter shall be referred for the decision of the Secretary of State for the Colonies.

"14. The constitution of the executive authority and of the Legislature of British Columbia shall, subject to the provisions of 'The British North America Act, 1867,' continue as existing at the time of the Union until altered under the authority of the said Act, it being at the same time understood that the Government of the Do-

minion will readily consent to the introduction of responsible government when desired by the inhabitants of British Columbia, and it being likewise understood that it is the intention of the Governor of British Columbia, under the authority of the Secretary of State for the Colonies, to amend the existing Constitution of the Legislature by providing that a majority of its members shall be elective.

"The Union shall take effect according to the foregoing terms and conditions on such day as Her Majesty by and with the advice of Her Most Honourable Privy Council may appoint (on addresses from Legislature of the Colony of British Columbia, and of the Houses of Parliament of Canada, in the terms of the 146th section of 'The British North America Act, 1867,') and British Columbia may in its address specify the electoral districts for which the first election of members to serve in the House of Commons shall take place.

"That such terms have proved generally acceptable to the people of this colony.

"That this Council is, therefore, willing to enter into Union with the Dominion of Canada upon such terms, and humbly submit that, under the circumstances, it is expedient that the admission of this colony into such Union as aforesaid, should be effected at as early a date as may be found practicable under the provisions of the 146th section of the 'British North America Act, 1867.'

"We, therefore, humbly pray that Your Majesty will be graciously pleased, by and with the advice of Your Majesty's Most Honourable Privy Council, under the provisions of the 146th section of the 'British North America Act, 1867,' to admit British Columbia into the Union or Dominion of Canada on the basis of the terms and conditions offered to this colony by the Government of the Dominion of Canada, hereinbefore set forth; and inasmuch as by the said terms British Columbia is empowered in its Address to specify the electoral districts for which the first election of Members to serve in the House of Commons shall take place, we humbly pray that such electoral districts may be declared under the Order in Council to be as follows:

"That 'New Westminster District,' and the 'Coast District,' as defined in a public notice issued from the Lands and Works Office on the 15th day of December, 1869, by the desire of the Governor, and purporting to be in accordance with the provisions of the 39th clause of the 'Mineral Ordinance, 1869,' shall constitute one district, to be designated 'New Westminster District,' and return one member.

"That 'Cariboo District,' and 'Lillooet District,' as specified in the said public notice, shall constitute one district, to be designated 'Cariboo District,' and return one member.

"That 'Yale District,' and 'Kootenay District,' as specified in the said public notice shall constitute one district, to be designated 'Yale District,' and return one member.

"That those portions of Vancouver Island known as 'Victoria District,' 'Esquimalt District,' and 'Metchosin District,' as defined in the official maps of those districts in the Land Office, Victoria, and which maps are designated respectively, 'Victoria District Official Map, 1858,' 'Esquimalt District Official Map, 1858,' and 'Metchosin District Official Map, A.D. 1858,' shall constitute one district, to be designated 'Victoria District,' and return two members.

"And, that all the remainder of Vancouver Island, and all such islands adjacent thereto as were formerly dependencies of the late Colony of

Vancouver Island district, shall constitute one district to be designated 'Vancouver Island District,' and return one member.'

We further humbly represent that the proposed terms and conditions of Union of British Columbia with Canada, as stated in the said address are in conformity with those preliminarily agreed upon between delegates from British Columbia and the members of the Government of the Dominion of Canada, and embodied in a report of a Committee of the Privy Council, approved by His Excellency the Governor-General in Council, on the 1st July, 1870, which approved report is as follows:

Copy of a Report of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor-General in Council, on the 1st July, 1870.

The Committee of the Privy Council have had under consideration a despatch, dated the 7th May, 1870, from the Governor of British Columbia, together with certain resolutions submitted by the Government of that colony to the Legislative Council thereof—both hereto annexed—on the subject of the proposed union of British Columbia with the Dominion of Canada; and after several interviews between them and the Honourable Messrs. Trutch, Helmcken, and Carrall, the delegates from British Columbia, and full discussion with them of the various questions connected with that important subject, the Committee now respectfully submit for your Excellency's approval the following terms and conditions to form the basis of a political Union between British Columbia and the Dominion of Canada.

1. Canada shall be liable for the debts and liabilities of British Columbia existing at the time of the Union.

2. British Columbia not having incurred debts equal to those of the other Provinces now constituting the Dominion, shall be entitled to receive by half-yearly payments, in advance, from the General Government, interest at the rate of 5 per cent. per annum, on the difference between the actual amount of its indebtedness at the date of the Union, and the indebtedness per head of the population of Nova Scotia and New Brunswick (27.77 dollars) the population of British Columbia being taken at 60,000.

3. The following sums shall be paid by Canada to British Columbia for the support of its Government and Legislature, to wit, an annual subsidy of 35,000 dollars, and an annual grant equal to 80 cents per head of the said population of 60,000, both half-yearly in advance, such grant of 80 cents per head to be augmented in proportion to the increase of population, as may be shown by each subsequent decennial census, until the population amounts to 400,000, at which rate such grant shall thereafter remain, it being understood that the first census shall be taken in the year 1881.

4. The Dominion will provide an efficient mail service fortnightly by steam communication between Victoria and San Francisco, and twice a week between Victoria and Olympia, the vessels to be adapted for the conveyance of freight and passengers.

5. Canada will assume and defray the charges for the following services:

A. Salary of the Lieutenant Governor.

B. Salaries and allowances of the Judges of the Superior Courts and the County or District Courts.

- C. The charges in respect to the Department of Customs.
- D. The Postal and Telegraphic Services.
- E. Protection and encouragement of fisheries.
- F. Provision for Militia.
- G. Lighthouses, buoys and beacons, shipwrecked crews, quarantine and marine hospitals, including a Marine Hospital at Victoria.
- H. The Geological Survey.
- I. The Penitentiary.

And such further charges as may be incident to and connected with the services which by "The British North America Act of 1867," appertain to the general Government, and as are or may be allowed to the other Provinces.

6. Suitable pensions, such as shall be approved of by Her Majesty's Government, shall be provided by the Government of the Dominion for those of Her Majesty's servants in the Colony whose position and emoluments derived therefrom would be affected by political changes on the admission of British Columbia into the Dominion of Canada.

7. It is agreed that the existing customs tariff, and excise duties, shall continue in force in British Columbia until the railway from the Pacific Coast and the system of railways in Canada are connected, unless the Legislature of British Columbia should sooner decide to accept the tariff and excise laws of Canada. When customs and excise duties are, at the time of the Union of British Columbia with Canada leviable on any goods, wares, or merchandizes in British Columbia, or in the other Provinces of the Dominion, these goods, wares, and merchandizes may, from and after the Union, be imported into British Columbia from the Provinces now composing the Dominion, or from either of those Provinces into British Columbia, on proof of payment of the Customs or Excise duties leviable thereon in the Province of exportation, and on payment of such further amount (if any) of customs or excise duties as are leviable thereon in the Province of importation. This arrangement to have no force or effect after the assimilation of the tariff and excise duties of British Columbia with those of the Dominion.

8. British Columbia shall be entitled to be represented in the Senate by three members, and by six members in the House of Commons. The representation to be increased under the Provisions of "The British North America Act, 1867."

9. The influence of the Dominion Government will be used to secure the continued maintenance of the Naval Station at Esquimalt.

10. The provisions of "The British North America Act, 1867," shall (except those parts thereof which are in terms made, or by reasonable intendment may be held to be specially applicable to, and only affect one and not the whole of the Provinces now comprising the Dominion, and except so far as the same may be varied by this Minute) be applicable to British Columbia, in the same way and to the like extent as they would apply to the other Provinces of the Dominion, and as if the Colony of British Columbia had been one of the Provinces originally united by the said Act.

11. The Government of the Dominion undertake to secure the commencement simultaneously, within two years from the date of the Union, of the construction of a railway from the Pacific towards the Rocky Mountains, and from such point as may be selected east of the Rocky Mountains towards the Pacific, to connect the

seaboard of British Columbia with the railway system of Canada; and further to secure the completion of such railway within ten years from the date of the Union.

And the Government of British Columbia agree to convey to the Dominion Government, in trust, to be appropriated in such manner as the Dominion Government may deem advisable in furtherance of the construction of the said railway, a similar extent of public lands along the line of railway throughout its entire length in British Columbia, not to exceed, however, twenty (20) miles on each side of said line, as may be appropriated for the same purpose by the Dominion Government from the public lands in the North-West Territories and the Province of Manitoba. Provided that the quantity of land which may be held under pre-emption right or by Crown grant within the limits of the tract of land in British Columbia to be so conveyed to the Dominion Government, shall be made good to the Dominion from contiguous lands, and provided further, that until the commencement, within two years as aforesaid from the date of the Union, of the construction of the said railway, the Government of British Columbia shall not sell or alienate any further portion of the public lands of British Columbia in any other way than under right of pre-emption, requiring actual residence of the pre-emptor on the land claimed by him. In consideration of the land to be so conveyed in aid of the construction of the said railway, the Dominion Government agree to pay to British Columbia, from the date of the Union, the sum of 100,000 dollars per annum, in half-yearly payments in advance.

12. The Dominion Government shall guarantee the interest for ten years from the date of the completion of the works at the rate of five per centum per annum on such sum, not exceeding 100,000^l. sterling, as may be required for the construction of a first-class graving dock at Esquimalt.

13. The charge of the Indians and the trusteeship and management of the lands reserved for their use and benefit, shall be assumed by the Dominion Government, and a policy as liberal as that hitherto pursued by the British Columbia Government, shall be continued by the Dominion Government after the Union. To carry out such policy, tracts of land of such extent as it has hitherto been the practice of the British Columbia Government to appropriate for that purpose, shall from time to time be conveyed by the Local Government to the Dominion Government in trust for the use and benefit of the Indians, on application of the Dominion Government, and in case of disagreement between the two Governments respecting the quantity of such tracts of land to be so granted, the matter shall be referred for the decision of the Secretary of State for the Colonies.

14. The Constitution of the Executive authority and of the Legislature of British Columbia, shall, subject to the provisions of "The British North America Act, 1867," continue as existing at the time of the Union until altered under the authority of the said Act, it being at the same time understood that the Government of the Dominion will readily consent to the introduction of responsible government when desired by the inhabitants of British Columbia, and it being likewise understood that it is the intention of the Governor of British Columbia, under the authority of the Secretary of State for the Colonies, to amend the existing Constitution of the Legislature by providing that a majority of its members shall be elective.

The Union shall take effect, according to the foregoing terms and conditions, on such day as Her Majesty, by and with the advice of Her Most Honourable Privy Council, may appoint (on addresses from the Legislature of the Colony of British Columbia, and of the Houses of the Parliament of Canada in the terms of the 146th section of "The British North America Act, 1867,") and British Columbia may in its address specify the electoral districts for which the first election of members to serve in the House of Commons shall take place.

(Certified,) WM. H. LEE,

We further humbly represent, that we concur in the terms and conditions of Union set forth in the said Address, and approved Report of the Committee of the Privy Council above mentioned; and most respectfully pray that Your Majesty will be graciously pleased, by and with the advice of Your Majesty's Most Honourable Privy Council, under the 146th clause of "The British North America Act of 1867," to unite British Columbia with the Dominion of Canada, on the terms and conditions above set forth."

JAMES COCKBURN, *Speaker.*

House of Commons,
Saturday, 1st April, 1871.

Address of the Legislative Council of British Columbia.

To the Queen's Most Excellent Majesty.

Most Gracious Sovereign,

We, your Majesty's most dutiful and loyal subjects, the Members of the Legislative Council of British Columbia in Council assembled, humbly approach your Majesty for the purpose of representing:—

That, during the last session of the late Legislative Council, the subject of the admission of the Colony of British Columbia into the Union or Dominion of Canada was taken into consideration, and a resolution on the subject was agreed to, embodying the terms upon which it was proposed that this colony should enter the Union;

That, after the close of the session, Delegates were sent by the Government of this colony to Canada, to confer with the Government of the Dominion with respect to the admission of British Columbia into the Union upon the terms proposed:

That, after considerable discussion by the Delegates with the Members of the Government of the Dominion of Canada, the terms and conditions hereinafter specified were adopted by a Committee of the Privy Council of Canada, and were by them reported to the Governor-General for his approval;

That such terms were communicated to the Government of this colony by the Governor-General of Canada, in a despatch dated July 7th, 1870, and are as follows:—

1. Canada shall be liable for the debts and liabilities of British Columbia existing at the time of the Union.

2. British Columbia not having incurred debts equal to those of the other Provinces now constituting the Dominion shall be entitled to receive, by half-yearly payments in advance from the General Government, interest at the rate of 5 per cent. per annum on the difference between the actual amount of its indebtedness at the date

of the Union, and the indebtedness per head of the population of Nova Scotia and New Brunswick (27.77 dollars) the population of British Columbia being taken at 60,000.

3. The following sums shall be paid by Canada to British Columbia, for the support of its Government and Legislature, to wit, an annual subsidy of 35,000 dollars, and an annual grant equal to 80 cents per head of the said population of 60,000, both half-yearly in advance, such grant of 80 cents per head to be augmented in proportion to the increase of population, as may be shown by each subsequent decennial census, until the population amounts to 400,000, at which rate such grant shall thereafter remain, it being understood that the first census be taken in the year 1881.

4. The Dominion will provide an efficient mail service, fortnightly, by steam communication between Victoria and San Francisco, and twice a week between Victoria and Olympia; the vessels to be adapted for the conveyance of freight and passengers.

5. Canada will assume and defray the charges for the following services:—

- A. Salary of the Lieutenant-Governor;
 - B. Salaries and allowances of the Judges of the Superior Courts and the County or District Courts;
 - C. The charges in respect to the Department of Customs;
 - D. The Postal and Telegraphic services;
 - E. Protection and encouragement of fisheries;
 - F. Provision for the Militia;
 - G. Lighthouses, buoys, and beacons, shipwrecked crews, quarantine and marine hospitals, including a Marine Hospital at Victoria;
 - H. The Geological Survey;
 - I. The Penitentiary;
- And such further charges as may be incident to and connected with the services which by "The British North America Act of 1867," appertain to the General Government, and as are, or may be allowed to the other Provinces.

6. Suitable pensions, such as shall be approved of by Her Majesty's Government, shall be provided by the Government of the Dominion for those of Her Majesty's servants in the colony whose position and emoluments derived therefrom would be affected by political changes on the admission of British Columbia into the Dominion of Canada.

7. It is agreed that the existing customs tariff and excise duties shall continue in force in British Columbia until the railway from the Pacific Coast, and the system of railways in Canada are connected, unless the Legislature of British Columbia should sooner decide to accept the tariff and Excise laws of Canada. When Customs and Excise duties are, at the time of the Union of British Columbia with Canada, leviable on any goods, wares, or merchandizes in British Columbia, or in the other Provinces of the Dominion, those goods, wares, and merchandizes may, from and after the Union, be imported into British Columbia from the Provinces now composing the Dominion, or from either of those Provinces into British Columbia, on proof of payment of the customs or excise duties leviable thereon in the Province of exportation, and on payment of such further amount (if any) of Customs or Excise duties as are leviable thereon in the Province of importation. This arrangement to have no force or effect after the assimila-

tion of the tariff and excise duties of British Columbia with those of the Dominion.

8. British Columbia shall be entitled to be represented in the Senate by three Members and by six Members in the House of Commons. The representation to be increased under the provisions of "The British North America Act, 1867."

9. The influence of the Dominion Government will be used to secure the continued maintenance of the Naval Station at Esquimalt.

10. The provisions of "The British North America Act, 1867," shall (except those parts thereof which are in terms made, or by reasonable intendment may be held to be specially applicable to and only affect one and not the whole of the Provinces now comprising the Dominion, and except so far as the same may be varied by this Minute) be applicable to British Columbia, in the same way and to the like extent as they apply to the other Provinces of the Dominion, and as if the Colony of British Columbia had been one of the Provinces originally united by the said Act.

11. The Government of the Dominion undertake to secure the commencement simultaneously, within two years from the date of the Union, of the construction of a railway from the Pacific towards the Rocky Mountains, and from such point as may be selected, east of the Rocky Mountains, towards the Pacific, to connect the seaboard of British Columbia with the railway system of Canada; and further, to secure the completion of such railway within ten years from the date of the Union.

And the Government of British Columbia agree to convey to the Dominion Government, in trust, to be appropriated in such manner as the Dominion Government may deem advisable in furtherance of the construction of the said railway, a similar extent of public lands, along the line of railway throughout its entire length in British Columbia, not to exceed however twenty (20) miles on each side of the said line, as may be appropriated for the same purpose by the Dominion Government from the public lands in the north-west territory and the Province of Manitoba. Provided that the quantity of land which may be held under pre-emption right, or by Crown Grant within the limits of the tract of land in British Columbia to be so conveyed to the Dominion Government shall be made good to the Dominion Government from contiguous public lands; and provided further, that until the commencement, within two years as aforesaid from the date of the Union, of the construction of the said railway, the Government of British Columbia shall not sell or alienate any further portions of the public lands of British Columbia in any other way than under right of pre-emption, requiring actual residence of the pre-emptor on the land claimed by him. In consideration of the land to be so conveyed in aid of the construction of the said railway, the Dominion Government agree to pay to British Columbia, from the date of the Union, the sum of 100,000 dollars per annum, in half-yearly payments in advance.

12. The Dominion Government shall guarantee the interest for ten years from the date of the completion of the works, at the rate of 5 per centum per annum, on such sum, not exceeding 100,000*l.* sterling, as may be required for the construction of a first class graving dock at Esquimalt.

13. The charge of the Indians, and the trusteeship and management of the lands reserved for their use and benefit, shall be assumed by the Dominion Government, and a policy as liberal as

that hitherto pursued by the British Columbia Government shall be continued by the Dominion Government after the Union.

To carry out such policy, tracts of land of such extent as it has hitherto been the practice of the British Columbia Government to appropriate for that purpose, shall from time to time be conveyed by the Local Government to the Dominion Government in trust for the use and benefit of the Indians on application of the Dominion Government; and in case of disagreement between the two Governments respecting the quantity of such tracts of land to be so granted, the matter shall be referred for the decision of the Secretary of State for the Colonies.

14. The Constitution of the Executive Authority and of the Legislature of British Columbia shall, subject to the provisions of the "British North America Act, 1867," continue as existing at the time of the Union until altered under the authority of the said Act, it being at the same time understood that the Government of the Dominion will readily consent to the introduction of responsible Government when desired by the inhabitants of British Columbia, and it being likewise understood that it is the intention of the Governor of British Columbia, under the authority of the Secretary of State for the Colonies, to amend the existing Constitution of the Legislature by providing that a majority of its members shall be elective.

The Union shall take effect according to the foregoing terms and conditions on such day as Her Majesty by and with the advice of Her Most Honourable Privy Council may appoint (on addresses from the Legislature of the Colony of British Columbia, and of the Houses of Parliament of Canada, in the terms of the 146th section of the "British North America Act, 1867"), and British Columbia may in its address specify the Electoral Districts for which the first election of members to serve in the House of Commons shall take place.

That such terms have proved generally acceptable to the people of this Colony;

That this Council is therefore willing to enter into Union with the Dominion of Canada upon such terms, and humbly submit that under the circumstances it is expedient that the admission of this Colony into such Union, as aforesaid, should be effected at as early a date as may be found practicable under the provisions of the 146th section of the "British North America Act, 1867."

We, therefore, humbly pray that your Majesty will be graciously pleased, by and with the advice of Your Majesty's Most Honourable Privy Council, under the provisions of the 146th section of the "British North America Act, 1867," to admit British Columbia into the Union or Dominion of Canada on the basis of the terms and conditions offered to this Colony by the Government of the Dominion of Canada, hereinbefore set forth; and, inasmuch as by the said terms British Columbia is empowered in its address to specify the electoral districts for which the first election of members to serve in the House of Commons shall take place, we humbly pray that such electoral districts may be declared under the Order in Council to be as follows:—

That "New Westminster District" and the "Coast District," as defined in a public notice issued from the Lands and Works

Office on the 15th day of December, 1869, by the desire of the Governor, and purporting to be in accordance with the provisions of the 39th clause of the "Mineral Ordinance, 1869," shall constitute one district, to be designated "New Westminster District," and return one member;

That "Cariboo District" and "Lillooet District," as specified in the said public notice, shall constitute one district, to be designated "Cariboo District," and return one member;

That "Yale District" and "Kootenay District," as specified in the said public notice, shall constitute one district, to be designated "Yale District," and return one member;

That those portions of Vancouver Island known as "Victoria District," "Esquimalt District," and "Metchosin District," as defined in the official maps of those districts in the Land Office, Victoria, and which maps are designated respectively "Victoria District Official Map, 1858," "Esquimalt District Official Map, 1858," and "Metchosin District Official Map, A.D. 1858," shall constitute one district, to be designated "Victoria District," and return two members.

And, that all the remainder of Vancouver Island, and all such islands adjacent thereto, as were formerly dependencies of the late Colony of Vancouver Island, shall constitute one district, to be designated "Vancouver Island District," and return one member.

AT the Court at *Windsor*, the 16th day of *May*, 1871.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen; and of the Act

of the seventeenth and eighteenth years of Her Majesty, chapter eighty-four; duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirtieth day of March, in the year one thousand eight hundred and seventy-one, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, and of the Act of the seventeenth and eighteenth years of your Majesty, chapter eighty-four, have prepared and now humbly lay before your Majesty in Council the following scheme for making better provision for the cure of souls within the new parish of Saint Mary, Strood, in the county of Kent, and in the diocese of Rochester.

"Whereas the Right Reverend Thomas Legh, Bishop of the said diocese of Rochester, is, in right of his See, patron both of the vicarage or incumbency of the said new parish of Saint Mary, Strood, and of the vicarage or incumbency of the parish of Frindsbury, in the said county of Kent and diocese of Rochester, out of which parish the said new parish of Saint Mary, Strood, was upon its formation partly taken.

"And whereas it has been made to appear to us that the vicarage of the said new parish of Saint Mary, Strood, is at present ill endowed, and that the vicarage of the said parish of Frindsbury is competently endowed, and it has been represented to us by the said Bishop and we are of opinion that it is desirable that additional provision should be made for the cure of souls within the said new parish of Saint Mary, Strood, by means of the apportionment of the endowment of the said vicarage of the parish of Frindsbury which is hereinafter recommended and proposed.

Now, therefore, with the consent of the Right Honorable and Most Reverend Archibald Campbell, Archbishop of Canterbury, and with the consent of the said Thomas Legh, Bishop of the said diocese of Rochester, (in testimony whereof they have respectively signed and sealed this scheme), we humbly recommend and propose that without any assurance in the law other than this scheme and any duly gazetted Order of your Majesty in Council, ratifying the same, all that portion of the tithes or rent charges in lieu of tithes, now belonging to or forming part of the endowment of the benefice of Frindsbury aforesaid, which, in the schedule to this scheme annexed, is set forth and enumerated, shall, upon and as from the day when the Reverend James Formby, Clerk, the present vicar or incumbent of the same benefice of Frindsbury, shall cease to be such vicar or incumbent, become and be transferred from the said benefice of Frindsbury, and from the next and all succeeding vicars or incumbents thereof, and shall, upon and as from the day last aforesaid, become and be annexed to the benefice of Saint Mary, Strood aforesaid, as part of the endowment thereof, and shall thenceforth be paid to and receivable by the then vicar or incumbent of the said benefice of Saint Mary, Strood, and his successors for ever.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the fifty-ninth year of his Majesty King George the Third, chapter one hundred and thirty-four; of the Act of the second and third years of Her Majesty, chapter forty-nine; of the Act of the fourteenth and fifteenth years of Her Majesty, chapter ninety-seven; and of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five, duly prepared and laid before Her Majesty in Council a representation, bearing date the twenty-third day of March, in the year one thousand eight hundred and seventy-one, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the fifty-ninth year of His Majesty King George the Third, chapter one hundred and thirty-four; of the Act of the second and third years of your Majesty, chapter forty-nine; of the Act of the fourteenth and fifteenth years of your Majesty, chapter ninety-seven; and of the Act of the nineteenth and twentieth years of your Majesty, chapter fifty-five, have prepared and now humbly lay before your Majesty in Council the following representation as to the assignment of a district chapelry to the consecrated church of Saint Silas, situate within the limits of the new parish of Saint Paul, Sculcoates, in the town and county of the town of Kingston-upon-Hull, and in the diocese of York.

"Whereas it appears to us to be expedient that a district chapelry should be assigned to the said church of Saint Silas, situate within the limits of the new parish of Saint Paul, Sculcoates as aforesaid.

"Now therefore with the consent of the Right Honourable and Most Reverend William, Archbishop of York (testified by his having signed and sealed this representation), we the said Ecclesiastical Commissioners humbly represent, that it would in our opinion be expedient that all that part of the said new parish of Saint Paul, Sculcoates, which is described in the schedule hereunder written, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto annexed, should be assigned as a district chapelry to the said church of Saint Silas, situate within the limits of such new parish as aforesaid, and that the same should be named 'The District Chapelry of Saint Silas, Sculcoates.'

"And with the like consent of the said William, Archbishop of York (testified as aforesaid), we, the said Ecclesiastical Commis-

sioners, further represent, that it appears to us to be expedient, that banns of matrimony should be published, and that marriages, baptisms, churchings, and burials should be solemnized or performed at such church, and that the fees to be received in respect of the publication of such banns, and of the solemnization or performance of the said offices, should be paid and belong to the minister of the same church for the time being: Provided always, that nothing herein contained shall be construed as expressing any intention on the part of us, the said Commissioners, to concur in or approve the taking of any fee for the performance of the said office of baptism, or for the registration thereof.

"We therefore humbly pray that your Majesty will be graciously pleased to take the premises into your Royal consideration, and to make such Order with respect thereto, as to your Majesty, in your Royal wisdom, shall seem meet.

The SCHEDULE to which the foregoing Representation has reference.

"The District Chapelry of Saint Silas, Sculcoates, being:—

"All that part of the new parish of Saint Paul, Sculcoates, in the town and county of the town of Kingston-upon-Hull, and in the diocese of York, which is bounded on the north by the parish of Sculcoates, in the said county and diocese, on the north-east, east, and south-east by the new parish of Saint Mark, Hull, in the same county and diocese, or in other words by the River Hull, and on the remaining side, that is to say, on the south-west, by an imaginary line commencing upon the boundary which divides the said new parish of Saint Mark, Hull, from the new parish of Saint Paul, Sculcoates aforesaid, at the point in the middle of the said River Hull, opposite to the south-eastern end of the Barmston Drain; and extending thence, north-westward, for a distance of thirty-three chains, or thereabouts, to and along the middle of the said drain to the boundary in the centre of the bridge which carries Egginton's lane over the same drain, which boundary divides the said new parish of Saint Paul, Sculcoates, from the parish of Sculcoates aforesaid."

And whereas the said representation has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of York.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the eighth and ninth years of Her Majesty, chapter seventy; of the Act of the eleventh and twelfth years of Her Majesty, chapter thirty-

seven; of the Act of the fourteenth and fifteenth years of Her Majesty, chapter ninety-seven; and of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five, duly prepared and laid before Her Majesty in Council a representation, bearing date the twentieth day of April, in the year one thousand eight hundred and seventy-one, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eighth and ninth years of your Majesty, chapter seventy, of the Act of the eleventh and twelfth years of your Majesty, chapter thirty-seven; of the Act of the fourteenth and fifteenth years of your Majesty, chapter ninety-seven, and of the Act of the nineteenth and twentieth years of your Majesty, chapter fifty-five, have prepared and now humbly lay before your Majesty in Council, the following representation as to the assignment of a consolidated chapelry to the consecrated church of All Saints, situate in the hamlet of Perry Street, within the new parish of Saint Mark, Rosherville, in the county of Kent, and in the diocese of Rochester.

"Whereas at certain extremities of the said new parish of Saint Mark, Rosherville, and of the parish of Northfleet, in the same county and diocese, which said extremities lie contiguous one to another, and are described in the schedule hereunder written, there is collected together a population which is situate at a distance from the several churches of such new parish and parish respectively.

"And whereas it appears to us to be expedient that such contiguous portions of the said new parish of Saint Mark, Rosherville, and of the said parish of Northfleet, should be formed into a consolidated chapelry for all ecclesiastical purposes, and that the same should be assigned to the said church of All Saints, situate in the hamlet of Perry Street, as aforesaid.

"We, therefore, humbly pray that your Majesty will be graciously pleased to take the premises

into your Royal consideration and to make such Order in respect thereto as to your Majesty, in your Royal wisdom, shall seem meet.

C., 1871, No. 2,' and placed at the eastern end of the same fence, on the western side of the road which leads from Northfleet, by Perry Street, to Shears Green, as aforesaid; and extending thence, first southward and then south-eastward, for a distance of forty chains or thereabouts, along the middle of the same road to its junction at Shears Green with New House-lane aforesaid; and extending thence north-eastward, for a distance of thirty-nine

chains or thereabouts, along the middle of the last-named lane to the first-described point, near New House aforesaid, upon the boundary which divides the said parish of Northfleet from the parish of Gravesend aforesaid, at which point the said imaginary line commenced."

And whereas the said representation has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said representation, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts: and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Rochester.

AT the Court at *Windsor*, the 16th day of *May*, 1871.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the thirty-second and thirty-third years of Her Majesty, chapter ninety-four, duly prepared and laid before Her Majesty in Council a scheme or representation, bearing date the twentieth day of April, in the year one thousand eight hundred and seventy-one, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, acting under the provisions of the Act of the thirty-second and thirty-third years of your Majesty, chapter ninety-four, have prepared, and now humbly lay before your Majesty in Council, the following scheme or representation for altering the boundaries of the new parish of Saint Alban, Rochdale, in the county of Lancaster, and in the diocese of Manchester.

"Whereas, by the authority of an Order of your Majesty in Council, bearing date the twenty-eighth day of April, in the year one thousand eight hundred and fifty-six, and published in the London Gazette upon the ninth day of May, in the same year, a part of the parish of Rochdale, in the county and diocese aforesaid, was assigned as a district chapelry to the consecrated church of Saint Alban, situate within the limits of the said parish of Rochdale, and the same district chapelry was called 'The District Chapelry of Saint Alban, Rochdale.'

"And whereas the said district chapelry of Saint Alban, Rochdale, has, under the provisions of the Act of the nineteenth and twentieth years of your Majesty, chapter one hundred and four, become a new parish of the character contemplated by that Act, and by the Act of the sixth and seventh years of your Majesty, chapter thirty-seven, and by the said above-mentioned Act of the thirty-second and thirty-third years of your Majesty, chapter ninety-four.

"And whereas it has been represented to us, and it appears to us to be expedient, that the boundaries of the said new parish of Saint Alban, Rochdale, should be altered by way of extension, so that they shall include a further part of the said parish of Rochdale.

"Now, therefore, with the consent of the Right Reverend James, Bishop of the said diocese of Manchester (in testimony whereof he has signed and sealed this scheme or representation), we, the said Ecclesiastical Commissioners, humbly represent, recommend, and propose, that from and after the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme or representation, the boundaries of the said new parish of Saint Alban, Rochdale, shall be altered by way of extension, so that they shall include all that part of the said parish of Rochdale which is described in the Schedule hereunder written, and is delineated and set forth upon the map or plan hereunto appended, and is thereon coloured pink; and that from and after the day of the same date, and without any other assurance in law, the said part of the parish of Rochdale so to be included as aforesaid shall become and be and form part of the said new parish of Saint Alban, Rochdale.

"And we further represent, recommend, and propose that nothing herein contained shall prevent us from representing, recommending, or proposing any other measures relating to the matters aforesaid, in accordance with the provisions of the hereinbefore-mentioned Acts, or of either of them, or of any other Act of Parliament.

The SCHEDULE to which the foregoing Scheme or Representation has reference.

"The Territory proposed to be annexed to the new parish of Saint Alban, Rochdale, in the county of Lancaster, and in the diocese of Manchester, being:—

"All that part of the parish of Rochdale, in the county and diocese aforesaid, wherein the present incumbent of such parish now possesses the exclusive cure of souls which is bounded on the south-east, and on the west by the new parish of Saint Alban, Rochdale aforesaid, and upon all other sides, that is to say, on the north-west and on the north-east by an imaginary line commencing on the boundary which divides the said new parish of Saint Alban, Rochdale, from the parish of Rochdale aforesaid at the point where Manchester-road is joined by Saint Alban's-street; and extending thence, north-eastward, along the middle of the said street, to its junction with Latin-street; and extending thence, south-eastward, along the middle of the last-named street, to the boundary at the junction of the same street with Drake-street, which divides the said new parish of Saint Alban, Rochdale, from the parish of Rochdale aforesaid."

And whereas a draft of the said scheme or representation has been transmitted to the patrons and to the incumbents of the cures affected, and such patrons and incumbents have respectively signified their assent to the said scheme or representation:

And whereas the said scheme or representation has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme or representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Manchester.

THE Lords Commissioners of Her Majesty's Treasury hereby give notice to the holders of Exchequer Bills issued under the authority of the Act 24 Vict., cap. 5, and dated the 11th June, 1866, that the interest thereon for the half-year ending on the 11th June, 1871, will be payable at the Bank of England, on and after the 12th day of June, 1871.

The said Exchequer Bills, dated the 11th June, 1866, will be paid off, either in new Bills or in money, on the 12th June, 1871, when the interest will cease. Such Bills will be received at the Bank of England daily, from ten till two o'clock until the 5th day of June, 1871, inclusive.

Printed forms, containing instructions for the preparation of the Lists and the arrangement of the Bills, may be obtained on application at the Chief Cashier's Office, Bank of England.

The holders must insert their names and addresses in each List; but where the names of holders are inserted in the body of the Bills, the indorsements of such holders must be obtained previously to the Lists and Bills being left for examination.

New bills, prepared in accordance with the provisions of the Act 29 Vict., cap. 25, dated the 11th day of June, 1871, may be obtained in payment of the principal of the whole or part of the Exchequer Bills advertised for payment, on the claimants specifying in their Lists the amount of new Bills required by them.

The interest of the said new Bills will be payable by coupons, half-yearly, on the 11th December and 11th June, at the Bank of England. The rate of interest will be advertised from time to time in the London Gazette. Such rate for the half-year to the 11th day of December, 1871, will be two pounds ten shillings per cent. per annum.

The Bills will be current from year to year, for a period of five years, commencing on the 11th June, 1871, at the option of the holders; and they will be payable for duties, aids, and taxes, at any time during the last six months of every year, viz., between the 11th December in each year, and the 11th June following.

The new Bills in payment of the Bills left on or before the said 5th day of June for Exchange, will be issued on the 12th day of June, 1871, when the claimants must attend at the Bank of England to sign receipts for the payment of Principal.

Notice will be given yearly of the days on which holders of the new Exchequer Bills who

may be desirous of being paid the principal moneys must send their Bills to the Bank of England for examination and payment.

Payment in money may be obtained at the Bank of England after the said 12th day of June next for the Exchequer Bills hereby advertised, and which may not be brought in for exchange or payment, as above, upon the claimants leaving the Bills for examination three days prior to that on which such payment is desired, between the hours of ten and two.

SOLDIERS' BALANCES UNCLAIMED.

IN pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the Next of Kin or others entitled, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette," and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as Next of Kin should be addressed by letter to "The Under-Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the date and place of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a Justice of the Peace; the applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicants' inquiries to give the number and date of the notice in which the deceased soldier's name appeared.—Dated this 30th day of April, 1871.

By order of the said Principal Secretary,

EDWARD LUGARD

NOTE.—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

In witness whereof, we have hereunto set our common seal, this eleventh day of May, in the year one thousand eight hundred and seventy-one.

(L.S.)

WE, the Ecclesiastical Commissioners for England, acting in pursuance of the Act of the twenty-ninth and thirtieth years of Her Majesty, chapter one hundred and eleven, section five, do hereby, subject as hereinafter mentioned, grant and convey to the Incumbent of the vicarage of Quadring, in the county of Lincoln, and in the diocese of Lincoln, and to his successors, Incumbents of the same vicarage, all that piece or parcel of land and hereditaments, with the appurtenances thereunto belonging, particularly described in the schedule hereunto annexed, and now vested in us, to have and to hold the said piece or parcel of land and hereditaments, with the appurtenances, to the use of the said Incumbent and his successors for ever: Provided always that the said piece or parcel of land shall be, and be held to be, in lieu of and in substitution for a portion amounting to four pounds and ten shillings of the annual sum or stipend of one hundred and twelve pounds heretofore payable by us, the said Commissioners, to the Incumbent of the said vicarage, under the authority of an instrument sealed by us on the sixteenth day of June, in the year one thousand eight hundred and seventy, and published in the London Gazette of the twenty-fourth day of the same month and year: And provided also, that the Incumbent for the time being of the same vicarage shall be entitled to receive from us, or on our account, the net amount of the rents, profits, and proceeds of the said piece or parcel of land and hereditaments, as from the fourteenth day of February, in the year one thousand eight hundred and seventy-one.

In witness whereof, we have hereunto set our common seal, this eleventh day of May, in the year one thousand eight hundred and seventy-one.

(L.S.)

Schedule.

All that piece or parcel of land, comprising, by admeasurement, three acres and two roods, or thereabouts, situate in the parish of Quadring, in the county of Lincoln, bounded on the north by property belonging to Hearson's mortgagees, on

WE, the Ecclesiastical Commissioners for England, in consideration of a benefaction of one thousand two hundred and ninety pounds sterling, which has been paid to us in favour of the vicarage of Saint John the Baptist, Outwood, in the county of Surrey, and in the diocese of Winchester, and in respect of which we have agreed to pay to the Incumbent of the same vicarage, and to his successors, a yearly sum of forty-three pounds, do hereby, in pursuance of the Act of the twenty-ninth and thirtieth years of Her Majesty, chapter one hundred and eleven, section five, grant to the Incumbent of the said vicarage of Saint John the Baptist, Outwood, and to his successors, to meet such benefaction, one other yearly sum or stipend of forty-three pounds, such yearly sum or stipend to be payable out of the common fund under our control, and to be calculated as from the day of the publication of these presents in the London Gazette, and to be receivable in equal half-yearly portions on the first day of May and on the first day of November in each and every year: Provided always, that if at any time lands, tithes, or other hereditaments sufficient to produce the yearly sum or stipend so payable out of our common fund as lastly herein mentioned, or any part thereof, shall be annexed by us to the said vicarage, in substitution for such yearly sum or stipend, or for such part thereof, our liability for the payment of such yearly sum or stipend or of such part thereof, as the case may be, shall thereupon and thereafter cease and determine.

In witness whereof, we have hereunto set our common seal, this eleventh day of May, in the year one thousand eight hundred and seventy-one.

(L.S.)
