**W**HEREAS by an Act passed in the first session of Parliament holden in the first and second years of the reign of Her present Majesty, intituled "An Act to abridge the holding of benefices in plurality, and to make better provision for the residence of the clergy," it is, amongst other things, enacted, "That whenever it shall appear to the Archbishop of the Province, with respect to his own diocese, and

"whenever it shall be represented to him by the bishop of any diocese, or by the bishops of any two dioceses, that two or more benefices, or that one or more benefice or benefices, and one or more spiritual sinecure rectory or rectories, vicarage or vicarages, in his or their diocese or dioceses, being either in the same parish or contiguous to each other, and of which the aggregate population shall not exceed one thousand five hundred persons, and the aggregate yearly value shall not exceed five hundred pounds, may, with advantage to the interests of religion, be united into one benefice, the said Archbishop of the Province shall inquire into the circumstances of the case: and if on such inquiry it shall appear to him that such union may be usefully made, and will not be of inconvenient extent, and that the patron or patrons of the said benefices, sinecure rectory or rectories, vicarage or vicarages respectively, is or are consenting thereto, such consent being signified in writing under the hands of such patron or patrons, the said Archbishop shall, six weeks before certifying such inquiry and consent to Her Majesty, as hereinafter directed, cause, with respect to his own diocese, a statement in writing of the facts, and in other cases a copy in writing of the aforesaid representation, to be affixed on or near the principal outer door of the church, or in some public and conspicuous place in each of such benefices, sinecure rectories or vicarages, with notice to any person or persons interested, that he, she, or they, may, within such six weeks, show cause in writing under his, her, or their hand or hands, to the said Archbishop, against such union; and if no sufficient cause be shown within such time, the said Archbishop shall certify the inquiry and consent aforesaid to Her Majesty in Council, and thereupon it shall be lawful for Her Majesty in Council to make and issue an Order or Orders for uniting such benefices, sinecure rectory or rectories, vicarage or vicarages, into one benefice, with cure of souls, for ecclesiastical purposes only; and it shall be lawful for Her Majesty in Council to give directions for regulating the course and succession in which the patrons, if there be more than one patron, shall present or nominate to such united benefice, from time to time, as the same shall become vacant."

And whereas the Lord Archbishop of Canterbury, pursuant to the provisions of the said Act, hath duly prepared and laid before Her Majesty in Council a certificate in writing, bearing date the sixteenth day of May, in the year of our Lord one thousand eight hundred and seventy-two, in the words and figures following; that is to say:

"To the QUEEN'S Most Excellent Majesty in Council.

"We the undersigned Archibald Campbell, Lord Archbishop of the Province of Canterbury, do hereby certify to your Majesty in Council:

"That the Honourable and Right Reverend John Thomas, Lord Bishop of Norwich, (as bishop of the diocese within which are situate the vicarage of Shernbourne, and the vicarage or perpetual curacy of Fring, both in the county of Norfolk), having represented unto us, that the said benefices being contiguous to each other, and of which the aggregate population does not exceed three hundred and seventeen persons, and the aggregate yearly value does not exceed two hundred and fifty-one pounds, might with advantage to the interest of religion be united into one benefice, we inquired into the circumstances of the case.

"That on such inquiry it appeared to us, that such union might be usefully made and would not be of inconvenient extent, and that the Very Reverend Edward Meyrick Goulburn, D.D., Dean of the Cathedral Church of Norwich, and the chapter of the same church, being the patrons entitled to present to the vicarage of Shernbourne, (which is now vacant), and also to nominate to the vicarage or perpetual curacy of Fring, if the same were now vacant, consent to the union of the said benefices.

"That six weeks and upwards before the certifying such inquiry and consent to your Majesty in Council, we caused a copy in writing, of the aforesaid representation of the said Lord Bishop to be affixed on the principal outer door of the church of each of the said benefices, with notice to any person or persons interested, that he, she, or they might within such six weeks show cause, in writing, under his, her, or their hand or hands, to us, the said Archbishop, against such union, and no such cause has been shown.

"The representation of the said Lord Bishop of Norwich, our inquiry into the circumstances of the case, the statement of circumstances in reply thereto, the consent in writing of the said patrons, and the copies of the representation and notice before mentioned are hereunto annexed.

"And we do hereby certify the inquiry and consent aforesaid to your Majesty in Council, to the intent that your Majesty in Council may, in case your Majesty in Council shall think fit so to do, make and issue an Order for uniting the said benefices into one benefice with cure of souls for ecclesiastical purposes only.

"As witness our hand this sixteenth day of May, in the year of our Lord one thousand eight hundred and seventy-two.

"A. C. Cantuar."

Now, therefore, Her Majesty in Council, by and with the advice of Her said Council, is pleased to order, and doth hereby order, that the said vicarage of Shernbourne, and the said vicarage of Fring, both in the county of Norfolk and diocese of Norwich, shall be united into one benefice with cure of souls for ecclesiastical purposes only.

**A**T the Court at *Balmoral*, the 28th day of *May*, 1872.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen ; of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven ; and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the second day of May, in the year one thousand eight hundred and seventy-two, in the words following ; that is to say :

" We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen ; of the Act of the sixth and seventh years of your Majesty, chapter thirty-seven ; and of the Act of the nineteenth and twentieth years of your Majesty, chapter one hundred and four, have prepared, and now humbly lay before your

Majesty in Council, the following scheme for constituting a separate district for spiritual purposes partly out of the parish of Redmarshall, in the county of Durham, and in the diocese of Durham, and partly out of the parish of Grindon, in the same county and diocese.

"Whereas it has been made to appear to us that it would promote the interests of religion that the particular portions of the said parish of Redmarshall, and of the said parish of Grindon, which are hereinafter mentioned and described (such portions not at present containing within their limits any consecrated church or chapel in use for the purposes of divine worship), should be constituted a separate district in manner hereinafter set forth.

"And whereas a capital sum of three thousand pounds sterling has been contributed and paid to the credit of our account, at the Bank of England, by the Reverend William Cassidi, Clerk, the vicar or incumbent of the vicarage of the said parish of Grindon, in aid of the endowment of the district hereinafter recommended to be constituted, and of the maintenance of the minister thereof for the time being, and we have in respect thereof agreed with the said William Cassidi, and have undertaken to provide and pay by equal half-yearly payments on the first day of May and the first day of November, to such minister as aforesaid, when duly licensed in accordance with the provisions of the herein secondly mentioned Act, the yearly sum of one hundred pounds in each and every year during which the said capital sum shall continue in our hands.

"And whereas the said sum of three thousand pounds sterling has been contributed and paid as aforesaid, upon the understanding that we should pay out of the common fund created by the firstly herein named Act to the minister for the time being of the said district hereinafter recommended to be constituted, when such minister shall have been duly licensed as before mentioned, the annual sum of fifty pounds, and upon the further understanding that (such arrangement appearing to us to be expedient) the whole right of patronage of the said district, and of the nomination of the minister thereof, should be assigned in the manner hereinafter mentioned.

"And whereas we have agreed and undertaken to make such grant of fifty pounds per annum as aforesaid, by an instrument to be executed by us under our common seal, in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of your Majesty, chapter one hundred and eleven.

"Now, therefore, with the consent of the Right Reverend Charles, Bishop of the said diocese of Durham (in testimony whereof he has signed and sealed this scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose, that all that portion of the said parish of Redmarshall, and also all that contiguous portion of the said parish of Grindon, which are described in the schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto annexed, shall upon and from the day of the date of the publication in the London Gazette, of any Order of your Majesty in Council ratifying this scheme, become and be constituted a separate district for spiritual purposes, and that the same shall be named 'The District of Stillington.'

"And we further recommend and propose, that the whole right of patronage of the said district so recommended to be constituted, and of the nomination of the minister thereof, shall, without any assurance in the law other than this

scheme and any duly gazetted Order of Your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to, and become absolutely vested in, and shall and may from time to time be exercised by the said Charles, Bishop of the said diocese of Durham, and his successors, bishops of the same diocese for ever.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or to any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

The SCHEDULE to which the foregoing Scheme has reference.

"The district of Stillington, being :

"All that detached portion of the parish of Redmarshall, in the county of Durham, and in the diocese of Durham, which is comprised within, and is co-extensive with, the limits of the township of Stillington.

"And also all that contiguous portion of the parish of Grindon, in the same county and diocese, which is comprised within, and is co-extensive with, the limits of the township of Whitton."

And whereas a draft of the said scheme has, in accordance with the provisions of the hereinbefore secondly-mentioned Act, been transmitted to the patrons and to the incumbents of the cures out of which it is intended that the district therein recommended to be constituted shall be taken, and such patrons and incumbents have respectively signified their assent to the said scheme.

And whereas the said scheme has been approved by Her Majesty in Council : now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts ; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Durham.

AT the Court at *Balmoral*, the 28th day of *May*, 1872.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, duly prepared and laid before Her Majesty in Council a scheme, bearing date the ninth day of May, in the year one thousand eight hundred and seventy-two, in the words following, that is to say :

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of your Majesty, chapter thirty-seven, sections six and eight, have prepared, and now humbly lay before your Majesty in Council, the following scheme for authorizing the sale and disposal of certain property formerly belonging to the Prebend of Barton Saint David, in the cathedral church of Wells, and now vested in us.

"Whereas, on the vacancy of the said prebend, which occurred on or about the first day of March, in the year one thousand eight hundred and forty, upon the elevation of the Reverend Henry Pepys, the then Prebendary, to the Bishoprick of Sodor and Man, all the lands, tithes, and hereditaments theretofore belonging to the said prebend (except rights of patronage), became, by virtue of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, absolutely vested in us, for the purposes and subject to the provisions applicable to other hereditaments vested in us.

"And whereas the lands, tithes, and hereditaments aforesaid are not subject to any outstanding lease or grant, but are now in our possession, with the exception of certain portions thereof, which have been annexed to the vicarage of Barton Saint David, and of certain land which has been appropriated by us for the purposes of a parochial school.

"And whereas some portions of the lands, tithes, and hereditaments, so in our possession as aforesaid, are, on account of their character or situation, unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

"And whereas, with a view to the advantageous appropriation of the said lands, tithes, and hereditaments, so in our possession as aforesaid, or of the proceeds thereof, for the ultimate improvement of our common fund, it is expedient that the said lands, tithes, and hereditaments, or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in such lands, tithes, and hereditaments, or in any part or parts thereof, in such manner as shall appear to us advisable.

"Now, therefore, we humbly recommend and propose, that we may be authorized and empowered, by instrument or instruments in writing, duly executed according to law, from time to time to sell or dispose of, and duly to convey, according to the provisions of the said Act of the sixth and seventh years of your Majesty's reign, all or any of the said lands, tithes, and hereditaments, formerly belonging to the said prebend, and so in our possession as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise, as he or they shall direct or appoint, and for such consideration as shall, upon due calculation and inquiry, appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time, as occasion may arise, in the purchase of other lands, tithes, rent-charges, tenements, or hereditaments, or of some estate or interest therein, convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the proceeds in some government or parliamentary stock, or other public securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament."

And whereas the said scheme has been approved

by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Bath and Wells.

**PRESENT,**

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the fifteenth day of May, in the year one thousand eight hundred and seventy-two, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of your Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of your Majesty, chapter one hundred and four, have prepared and now humbly lay before your Majesty in Council, the following scheme for compensating certain persons, that is to say, two spiritual persons, whose emoluments have been diminished by reason of proceedings under the said Acts, or one of them.

"Whereas, it has been made to appear to us that the fees, dues, or other emoluments of the two spiritual persons mentioned in the schedule to this scheme have been diminished by reason of the constitution under the provisions of the said Acts, or one of them, of certain districts which have since become new parishes under the provisions of the same Acts, or one of them, and that the payment to the said spiritual persons of the annual sums respectively specified in the schedule to this scheme would provide a just and reasonable compensation for such diminution.

"Now, therefore, we humbly recommend and propose that in respect of the new parishes mentioned in the first column of the said schedule to this scheme, there shall be paid by us to the two spiritual persons, vicars or incumbents, who are mentioned and described in the second column of the same schedule, so long as they shall respectively continue to be the vicars or incumbents of the cures which they now hold respectively, and no longer, the annual sums mentioned and set opposite to their respective names in the third column of the same schedule; payment of such annual sums being in each case made in equal half yearly portions upon the first day of May, and the first day of November in each year, but with the right also in each case to a proportionate payment in respect of any period being less than half a year, which may elapse between the first day of May, or the first day of November (as the case may be), and the determination from whatever cause, of the incumbency, during his tenore of which the spiritual person is entitled to an annual sum under the provisions of this scheme.

"And we further recommend and propose that the right of the said spiritual persons, as such vicars or incumbents as aforesaid, to receive the said annual sums respectively, shall in each case be held to have accrued, and that payment thereof shall accordingly be made as from the day on which the cure, in respect of the formation of which such compensation is made, became a new parish, that being the day upon which, in each case, the vicar or incumbent of the new parish became empowered to perform in the church thereof those offices, and became entitled to retain for his own benefit those fees, in consideration of the loss of which to the vicar or incumbent of the mother parish or cure the amount, in each case, of the compensation grant in this scheme recommended and proposed, has been fixed by us.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

ACT, 1870.

*Parish of Ashchurch.*

BYE-LAWS OF THE ASHCURCH SCHOOL BOARD.

*Recital of 74th Section of Education Act, authorising School Boards to make Bye-laws as to Attendance at School.*

**W**HEREAS, by the 74th section of the Elementary Education Act, 1870, it is enacted that every School Board may, from time to time, with the approval of the Education Department, make

Bye-laws for all or any of the following purposes :—

1. Requiring the parents of children of such age, not less than five years nor more than thirteen years, as may be fixed by the Bye-laws, to cause such children (unless there is some reasonable excuse) to attend school.
2. Determining the time during which children are so to attend school, provided that no such Bye-law shall prevent the withdrawal of any child from any religious observance or instruction in religious subjects, or shall require any child to attend school on any day exclusively set apart for religious observance by the religious body to which his parent belongs, or shall be contrary to anything contained in any Act for regulating the education of children employed in labour.
3. Providing for the remission or payment of the whole or any part of the fees of any child where the parent satisfies the School Board that he is unable from poverty to pay the same.
4. Imposing penalties for the breach of any Bye-laws.
5. Revoking or altering any Bye-laws previously made.

Provided that any Bye-law under this section requiring a child between ten and thirteen years of age to attend school, shall provide for the total or partial exemption of such child from the obligation to attend school if one of Her Majesty's Inspectors certifies that such child has reached a standard of education specified in such Bye-law.

#### *Reasonable Excuses for Non-attendance.*

And by the said 74th section it is further enacted, that any of the following reasons shall be a reasonable excuse, namely :—

1. That the child is under efficient instruction in some other manner.
2. That the child has been prevented from attending school by sickness or any unavoidable cause.
3. That there is no Public Elementary School open which the child can attend, within such distance, not exceeding three miles, measured according to the nearest road from the residence of such child, as the Bye-laws may prescribe.

#### *Penalties for Breach of Bye-laws.*

And by the said 74th section it is further enacted, that any proceeding to enforce any Bye-law may be taken, and any penalty for the breach of any Bye-law may be recovered in a summary manner; but no penalty imposed for the breach of any Bye-law shall exceed such amount as, with costs, will amount to five shillings for each offence, and such Bye-laws shall not come into operation until they have been sanctioned by Her Majesty in Council.

#### *Recital of Section 17, providing for Payment of School Fees to School Board, and for Remission of Fees in case of Poverty.*

And whereas, by the 17th section of the said Act, it is enacted, that every child attending a school provided by any School Board, shall pay such weekly fee as may be prescribed by the School Board, with the consent of the Education Department; but the School Board may, from time to time, for a renewable period not exceeding six months, remit the whole or any part of such fee in the case of any child when they are of opinion that the parent of such child is unable from

poverty to pay the same, but such remission shall not be deemed to be parochial relief given to such parent.

#### *Recital of Section 25, authorising School Board to pay School Fees in case of Poverty.*

And whereas, by the 25th section of the said Act, it is enacted, that the School Board may, if they think fit, from time to time, for a renewable period not exceeding six months, pay the whole or any part of the school fees payable at any Public Elementary School by any child resident in their district, whose parent is, in their opinion, unable from poverty to pay the same; but no such payment shall be made or refused on condition of the child attending any Public Elementary School other than such as may be selected by the parent; and such payment shall not be deemed to be parochial relief given to such parent.

#### *Recital of Section 26, authorising the Establishment of Free Schools in special cases.*

And whereas, by the 26th section of the said Act, it is enacted, that if a School Board satisfy the Education Department that, on the ground of the poverty of the inhabitants of any place in their district, it is expedient for the interests of education to provide a school at which no fees shall be required from the scholars, the Board may, subject to such rules and conditions as the Education Department may prescribe, provide such school, and may admit scholars to such school without requiring any fee.

#### *Recital of Section 36, authorising School Board to appoint Officers to enforce Attendance at School.*

And whereas, by the 36th section of the said Act, it is enacted, that every School Board may, if they think fit, appoint an officer or officers to enforce any Bye-laws under this Act with reference to the attendance of children at school, and to bring children who are liable under the Industrial Schools Act, 1866, to be sent to a certified Industrial School, before two Justices, in order to their being so sent, and any expenses incurred under this section may be paid out of the school fund.

#### *Recital of Election of School Board.*

And whereas, in pursuance of a requisition sent by the Education Department to the Clerk of the Union of Tewkesbury, in the county of Gloucester, a School Board for the district of the said parish of Ashchurch was duly elected on the 21st day of December, 1871.

Now, at a meeting of the School Board of the said parish of Ashchurch, held at the School of the said parish, and adjourned to the Rectory in the said parish, on Friday, 1st day of March, 1872, at which meeting a quorum of the members of such Board are present, the said Board do hereby, in pursuance of the aforesaid powers, and subject to the approval of the Education Department, make and ordain the following Bye-laws :—
