

in the parish of Madron, in the county of Cornwall, and extending in a southerly direction 720 feet or thereabouts, which said last-mentioned pier, slipway, jetty, quay, landing-place, works, and approaches will be situate in or abut upon the place and parish of Tolcarne and Madron in the county of Cornwall.

To construct and maintain a harbour at Newlyn and Tolcarne aforesaid within the limits following:—

An imaginary line commencing at a point 100 yards south of the Green Rocks aforesaid, and running out seawards parallel with the said intended pier first above mentioned in a direction east-north-east to a point 200 yards or thereabouts beyond the seaward termination of the said proposed pier as above described, thence in a northerly direction to the road leading from Penzance to Newlyn in the said parish of Madron, thence along the south-east side of the said road in a south-westerly direction to Tolcarne aforesaid, and thence along the land line to the causeway leading to the said boathouse or fish cellar above described, thence along the extreme south side of the said causeway leading to the Green Rocks, thence along the land line in a southerly direction, and terminating at the said point 100 yards south of the Green Rocks aforesaid, which harbour will be situate within or abut upon all or some of the parishes or places of Newlyn, Paul, Tolcarne, and Madron, in the county of Cornwall.

To construct, in connection with the said proposed piers and harbour, quays, wharves, jetties, landing places, roads, approaches, warehouses, offices, sheds, weighing machines, and other works and conveniences.

To purchase, take on lease, or otherwise acquire, all lands, building, ways, waters, easements, piers, jetties, landing places, and hereditaments necessary for or liable to interfere with the construction of the said piers, harbour, and other works and the approaches thereto.

To borrow on mortgage or bond any moneys which may be required for the purposes of the said Provisional Order.

To levy tolls, rates, dues, and duties upon or in respect of the said piers, harbour, and works, and to confer, vary, or extinguish exemptions from the payment of such tolls, rates, dues, or duties, and to confer, vary, or extinguish, other rights and privileges.

To incorporate with the said Provisional Order the whole or any part of the Companies Clauses Consolidation Acts, 1845 and 1863, the Lands Clauses Consolidation Acts, 1845 and 1860, and the Harbours, Docks, and Piers Clauses Act, 1847, the General Pier and Harbour Act, 1861, and the General Pier and Harbour Act, 1861, Amendment Act, or some of them.

And notice is hereby further given, that on or before the 30th day of November, 1872, proper plans and sections of the proposed piers, harbour, and works, and also a copy of this notice as published in the London Gazette, will be deposited with the Clerk of the Peace for the county of Cornwall, at his office in Bodmin, in the said county, and at the Custom-house at Penzance aforesaid, and at the offices of the Board of Trade, Whitehall, London, and at the office of the Clerk of the Parliaments for the House of Lords, and in the Private Bill Office for the House of Commons.

And notice is hereby further given, that on and after the 23rd day of December, 1872, printed copies of the proposed Provisional Order will be furnished at the price of 1s. each to all persons applying for the same at the offices of the Soli-

tors for the promoters and their agents, as under-mentioned.

Dated this second day of November, 1872.

Borlase and Milton, Penzance, Cornwall,
Solicitors for the Promoters.

Coode, Kingdon, and Cotton, 7, Bedford
Row, London, W.C., their Agents.

Patent Law Amendment Act, 1852.

Office of the Commissioners of Patents for
Inventions.

NOTICE is hereby given, that—

1930. Orange McConnell Chamberlain, of the city and State of New York, United States of America, has given notice at the office of the Commissioners, of his intention to proceed with his application for letters patent for the invention of "improved attachment for sewing machines for folding plaits."

As set forth in his petition, recorded in the said office on the 26th day of June, 1872.

1981. And John Bewsher, of Great Ilford, in the county of Essex, Gentleman, has given the like notice in respect of the invention of "improvements in window sash fastenings."

As set forth in his petition, recorded in the said office on the 1st day of July, 1872.

1993. And James Holmes, George Thomas Holmes, and Frederick Robert Holmes, all of the city of Norwich, in the county of Norfolk, have given the like notice in respect of the invention of "improvements in the construction of machinery for elevating, raising, and stacking hay, corn, straw, and other substances."

1996. And John Morcombe Bromley Baker, of Lennox-road, Southsea, in the county of Hants, has given the like notice in respect of the invention of "an improved disinfecting and deodorising apparatus for water closets and other purposes."

2003. And William Thwaites, of Cromwell-road, Brixton, in the county of Surrey, and Eugène Fondeville and George Bertin, both of Gaisford-street, Kentish Town, in the county of Middlesex, have given the like notice in respect of the invention of "improvements in the preparation of glaze or coating suitable for covering stone, earthenware, plaster, furniture, and other surfaces."

2004. And William Thwaites, of Cromwell-road, Brixton, in the county of Surrey, and Eugène Fondeville and George Bertin, both of Gaisford-street, Kentish Town, in the county of Middlesex, have given the like notice in respect of the invention of "improved composition or admixture for preserving walls from dampness, and for other purposes."

As set forth in their respective petitions, all recorded in the said office on the 2nd day of July, 1872.

2009. And Henry David Furness, of Whickham in the county of Durham, Engineer, has given the like notice in respect of the invention of "improvements in hydrostatic weighing and lifting machines for adjusting the weight on springs of locomotives, wagons, and carriages, and for other purposes."

2012. And Peter Newall and James Barker, of Warrington, in the county of Lancaster, Millwrights and Engineers, have given the like notice in respect of the invention of "improvements in machinery or apparatus for dressing or finishing leather."
