Whitehall, November 13, 1872.

ORDERS issued by the Local Government Board in pursuance of "The Public Health Act, 1872," prescribing Regulations with respect to the appointment, tenure of office, duties, and remuneration of Medical Officers of Health and Inspectors of Nuisances, to be appointed by Urban and Rural Sanitary Authorities, constituted under that Act :—

## URBAN SANITARY AUTHORITY.

### REGULATIONS : MEDICAL OFFICER OF HEALTH.

To the several Urban Sanitary Authorities in England and Wales, constituted by the Public Health Act, 1872 ;—

And to all others whom it may concern.

WHEREAS by Section 10 of "The Public Health Act, 1872," it is enacted that it shall be the duty of every Urban Sanitary Authority to appoint from time to time a Medical Officer of Health, being a legally qualified medical practitioner, and that the Local Government Board shall have the same powers as they have in the case of a District Medical Officer of a Union, with regard to the qualification, appointment, duties, salary, and tenure of office of a Medical Officer of Health, any portion of whose salary is paid out of moneys voted by Parliament ;

And whereas it is thereby further enacted, that the same person may, with the sanction of the Local Government Board, be appointed the Medical Officer of Health for two or more Sanitary Districts, by the joint or several appointment of the Sanitary Authorities of such Districts :

Now We, the Local Government Board, deeming it expedient that Regulations should be made with respect to the qualification, appointment, duties, salary, and tenure of office of Medical Officers of Health, to be appointed by Urban Sanitary Authorities, in all those cases where any portion of the salary of any such Officer is paid

out of moneys voted by Parliament, do hereby order and direct as follows :

### SECTION I.—Qualification.

Art. 1.—No person shall be qualified to be appointed to the office of Medical Officer of Health under this Order, unless he shall be registered under "The Medical Act of 1858," and shall be qualified by law to practise both medicine and surgery in England and Wales, such qualification being established by the production to the Sanitary Authority of a diploma, certificate of a degree, licence, or other instrument, granted or issued by competent legal authority in Great Britain or Ireland, testifying to the medical or surgical, or medical and surgical, qualification or qualifications of the candidate for such office.

Provided that the Local Government Board may, upon the application of the Sanitary Authority, dispense with so much of this Regulation as requires that the Medical Officer of Health shall be qualified to practise both medicine and surgery, if he is duly registered under the said Act to practise either medicine or surgery.

### SECTION II.—Appointment.

Art. 1.—A Statement shall be submitted to the Local Government Board, showing the population and extent of the District for which the Sanitary Authority propose to appoint the Medical Officer of Health, and the salary or remuneration intended to be assigned to him ; and where the circumstances render desirable the appointment of one Medical Officer of Health for two or more Sanitary Districts, Statements shall, in like manner, be submitted to the Local Government Board, showing the names of the Districts to be combined for that purpose, the population and extent of each District, the mode in which it is intended that the appointment shall be made, whether jointly or severally by the Sanitary Authorities of those Districts, and the amount of salary or remuneration proposed to be assigned to the officer appointed.

Art. 2.—When the approval of the Local Government Board has been given to the proposals submitted to them, the Sanitary Authority or Authorities shall proceed to the appointment of a Medical Officer of Health accordingly.

Art. 3.—No appointment of a Medical Officer of Health shall be made hereafter, unless an advertisement giving notice of the day when such appointment will be made shall have appeared in some public newspaper circulating in the District or Districts, at least seven days before the day on which such appointment is made : Provided that no such advertisement shall be necessary for the appointment of a temporary substitute.

Art. 4.—Every such appointment hereafter made shall, within seven days after it is made, be reported to the Local Government Board by the Clerk to the Sanitary Authority, or, in the case of a joint appointment, by the Clerk to one of the Sanitary Authorities by whom the appointment is made.

Art. 5.—Upon the occurrence of a vacancy in such office, the Sanitary Authority or Authorities shall proceed to make a fresh appointment, which shall be reported to the Local Government Board as required by Sect. II. Art. 4 of this Order ; but if the Sanitary Authority or Authorities desire to make any fresh arrangement with respect to the District or the terms of the appointment, they shall, before filling up the vacancy, supply the particulars of the arrangement to the Local Government Board in the manner prescribed by Sect. II, Art. 1, in regard to the first appoint-

ment, and if the approval of the Local Government Board be given, absolutely or with modifications, the Sanitary Authority or Authorities shall then proceed to fill up the vacancy according to the terms of the approval so given.

Art. 6.—If any Officer appointed under this Order be at any time prevented by sickness or accident, or other sufficient reason, from performing his duties, the Sanitary Authority or Authorities, as the case may be, may appoint a person qualified as aforesaid to act as his temporary substitute, and may pay him a reasonable compensation for his services; and every such appointment shall be reported to the Local Government Board as soon as the same shall have been made.

#### SECTION III.—*Tenure of Office.*

Art. 1.—Every Officer appointed under this Order shall continue to hold office for such period as the Sanitary Authority or Authorities appointing him may, with the approval of the Local Government Board, determine, or until he die, or resign, or be removed, by such Authority or Authorities with the assent of the Local Government Board, or by the Local Government Board.

Provided that the appointments first made under this Order shall not be for a period exceeding five years.

Art. 2.—Where any such Officer shall have been appointed after the passing of the Public Health Act, 1872, for one or more Sanitary Districts, and any change in the extent of the District or Districts, or in the duties, salary, or remuneration, may be deemed necessary, and he shall decline to acquiesce therein, the Sanitary Authority or Authorities by whom he was so appointed may, with the consent of the Local Government Board, but not otherwise, and after six months' notice in writing, signed by their Clerk or Clerks, given to such Officer, determine his office.

Art. 3.—No person shall be appointed who does not agree to give one month's notice previous to resigning the office; or to forfeit such sum as may be agreed upon as liquidated damages.

#### SECTION IV.—*Duties.*

The following shall be the duties of the Medical Officer of Health in respect of the District for which he is appointed; or if he shall be appointed for more than one District, then in respect of each of such Districts:—

- (1.) He shall inform himself as far as practicable respecting all influences affecting or threatening to affect injuriously the public health within the District.

- (4.) He shall be prepared to advise the Sanitary Authority on all matters affecting the health of the District, and on all sanitary points involved in the action of the Sanitary Authority or Authorities; and in cases requiring it, he shall certify, for the guidance of the Sanitary Authority or of the Justices, as to any matter in respect of which the Certificate of a Medical Officer of Health or

a Medical Practitioner is required as the basis or in aid of sanitary action.

- (5.) He shall advise the Sanitary Authority on any question relating to health involved in the framing and subsequent working of such bye-laws and regulations as they may have power to make.
- (6.) On receiving information of the outbreak of any contagious, infectious, or epidemic disease of a dangerous character within the District, he shall visit the spot without delay and inquire into the causes and circumstances of such outbreak, and advise the persons competent to act as to the measures which may appear to him to be required to prevent the extension of the disease, and so far as he may be lawfully authorized, assist in the execution of the same.
- (7.) On receiving information from the Inspector of Nuisances that his intervention is required in consequence of the existence of any nuisance injurious to health, or of any overcrowding in a house, he shall, as early as practicable, take such steps authorized by the Statutes in that behalf as the circumstances of the case may justify and require.
- (8.) To the Guardians of the Poor of the several Unions, Parishes, and Places in England and Wales, in which such Guardians act as a Rural Sanitary Authority under the Public Health Act, 1872:—

And to all others whom it may concern.

WHEREAS by Section 10 of "The Public Health Act, 1872," it is enacted that it shall be the duty of every Rural Sanitary Authority to appoint from time to time a Medical Officer or Officers of Health, being legally qualified medical practitioners, and that the Local Government Board shall have the same powers as they have in the case of a District Medical Officer of a Union, with regard to the qualification, appointment, duties, salary, and tenure of office of a Medical Officer of Health, any portion of whose salary is paid out of moneys voted by Parliament;

And whereas it is thereby further enacted, that the same person may, with the sanction of the Local Government Board, be appointed the Medical Officer of Health for two or more Sanitary Districts, by the joint or several appointment of the Sanitary Authorities of such Districts:

Now, We, the Local Government Board, deeming it expedient that Regulations should be made with respect to the qualification, appointment, duties, salary, and tenure of office of Medical Officers of Health, to be appointed by Rural Sanitary Authorities, in all those cases where any portion of the salary of any such Officer is paid out of moneys voted by Parliament, do hereby order and direct as follows:—

#### SECTION I.—*Qualification.*

Art. 1.—No person shall be qualified to be appointed to the office of Medical Officer of Health under this Order, unless he shall be registered under "The Medical Act of 1858," and shall be qualified by law to practise both medicine and surgery in England and Wales, such qualification being established by the production to the Sanitary Authority of a diploma, certificate of a degree, licence, or other instrument granted or issued by competent legal authority in Great Britain or Ireland, testifying to the medical or surgical, or medical and surgical, qualification or qualifications of the candidate for such office.

Provided that the Local Government Board may, upon the application of the Sanitary Authority, dispense with so much of this Regulation as requires that the Medical Officer of Health shall be qualified to practise both medicine and surgery, if he is duly registered under the said Act to practise either medicine or surgery.

#### SECTION II.—*Appointment.*

Art. 1.—A Statement shall be submitted to the Local Government Board, showing the population and extent of the District for which the Sanitary Authority propose to appoint a Medical Officer or

Art. 2.—When the approval of the Local Government Board has been given to the proposals submitted to them, the Sanitary Authority or Authorities shall proceed to the appointment of a Medical Officer or Medical Officers of Health accordingly.

Art. 3.—No appointment of a Medical Officer of Health shall be made, unless notice has been given at one of the two ordinary meetings next preceeding the meeting or meetings at which the appointment is to be made by the Sanitary Authority or Authorities, as the case may be, such notice being duly entered on the minutes, or unless an advertisement giving notice of the day when such appointment will be made, shall have appeared in some public newspaper circulating in the District or Districts, at least seven days before the day on which such appointment is made: Provided that no such notice or advertisement shall be necessary for the appointment of a temporary substitute.

Art. 4.—Every such appointment shall, within seven days after it is made, be reported to the Local Government Board by the Clerk to the Sanitary Authority, or, in the case of a joint appointment, by the Clerk to one of the Sanitary Authorities by whom the appointment is made.

Art. 5.—Upon the occurrence of a vacancy in such office, the Sanitary Authority or Authorities shall proceed to make a fresh appointment, which shall be reported to the Local Government Board as required by Sect. II, Art. 4, of this Order; but if the Sanitary Authority or Authorities desire to make any fresh arrangement with respect to the District or the terms of the appointment, they shall, before filling up the vacancy, supply the particulars of the arrangement to the Local Government Board in the manner prescribed by Sect. II, Art. 1, in regard to the first appointment, and if the approval of the Local Government Board be given, absolutely or with modifications, the Sanitary Authority or Authorities shall then proceed to fill up the vacancy according to the terms of the approval so given.

Art. 6.—If any Officer appointed under this Order be at any time prevented by sickness or accident, or other sufficient reason, from performing his duties, the Sanitary Authority or Authorities, as the case may be, may appoint a person, qualified as aforesaid, to act as his temporary substitute, and may pay him a reasonable compensation for his services; and every such appointment shall be reported to the Local Government Board as soon as the same shall have been made.

#### SECTION III.—*Tenure of Office.*

Art. 1.—Every Officer appointed under this Order shall continue to hold office for such period as the Sanitary Authority or Authorities appointing him may, with the approval of the Local Government Board, determine, or until he die, or resign,

or be removed, by such Authority or Authorities with the assent of the Local Government Board, or by the Local Government Board.

Provided that the appointments first made under this Order shall not be for a period exceeding five years.

Art. 2.—Where any such Officer shall be appointed for one or more Sanitary Districts, and any change in the extent of the District or Districts, or in the duties, salary, or remuneration, shall be deemed necessary, and he shall decline to acquiesce therein, the Sanitary Authority or Authorities by whom he was so appointed may, with the consent of the Local Government Board, but not otherwise, and after six months' notice in writing, signed by their Clerk or Clerks, given to such Officer, determine his office.

Art. 3.—No person shall be appointed who does not agree to give one month's notice previous to resigning the office, or to forfeit such sum as may be agreed upon as liquidated damages.

I, Art. 4, of this Order, but if the Sanitary Authority or Authorities desire to make any fresh arrangement with respect to the district or the terms of the appointment, they shall, before filling up the vacancy, supply the particulars of the arrangement to the Local Government Board in the manner prescribed by Sect. I, Art. 1, in regard to the first appointment; and if the approval of the Local Government Board be given, absolutely or with modifications, the Sanitary Authority or Authorities shall then proceed to fill up the vacancy according to the terms of the approval so given.

Art. 6.—If any officer appointed under this Order be at any time prevented by sickness or accident, or other sufficient reason, from performing his duties, the Sanitary Authority or Authorities, as the case may be, may appoint a fit person to act as his temporary substitute, and may pay him a reasonable compensation for his services; and every such appointment shall be reported to the Local Government Board, as soon as the same shall have been made.

And it is proposed by the intended Act to authorise the Local Board to apply for all or any of the purposes thereof (including the costs of the Act) all or any funds or revenues from whatever source derived of the Local Board, or which they may acquire or have power to levy or raise under the powers of the intended Act, or of any other Act or Acts relating to public health, or local government, or to water supply, and to levy other rates, rents, and charges within the whole or any part or parts of their limits for water supply, without restriction as to amount or otherwise imposed by any public Act applicable to the Local Board or otherwise, and to alter existing rates, rents, charges, and exemptions, and to confer, vary, or extinguish exemptions from payment of rents, rates, and charges, and to borrow or raise money upon mortgage bonds, debentures, rent charges, or annuities, and to charge the same respectively on all or any of the waterworks or water undertakings, property, rates, rent charges, and revenue from whatever source derived of the Local Board.

And it is proposed to vary or extinguish all or any of the existing rights and privileges connected with any lands, works, buildings, streams, or waters

to be purchased, taken, used, or interfered with under any of the powers or for any of the purposes of the intended Act, or which might in any way prevent or interfere with the carrying into effect of any of such purposes, and to confer other rights and privileges.

And it is proposed to confer upon the Local Board all or some of the powers conferred by the clauses and provisions of "The Railways Clauses Consolidation Act, 1845," with respect to the temporary occupation of lands, and to amend the "Public Health Act, 1872," and all other Acts therein recited or referred to, so far as the same may be applicable to the Local Board, and all other public Acts applicable within the limits.

And notice is hereby also given, that a plan and section in duplicate, describing the situation, lines, and levels of the intended reservoirs, aqueducts, and works, and the lands in, through, or upon which the same respectively will be situate or made, or which will be liable to be taken under the powers for compulsory purchase of lands to be conferred by the intended Act, with a book of reference to the plan, containing the names of the owners, or reputed owners, lessees, or reputed lessees, and occupiers of all such lands, will be deposited for public inspection at the office of the Clerk of the Peace for the West Riding of the County of York, at his office at Wakefield, and that a copy of the said plan, section, and book of reference will be deposited with the parish clerk of the parish of Otley, at his residence; and that each such deposit will be made on before the thirtieth day of November instant, and will be accompanied by a copy of this notice; and that printed copies of the proposed Bill will, on or before the 21st day of December next, be deposited in the Private Bill Office of the House of Commons.
