AT the Court at *Windsor*, the 27th day of *November*, 1872.

PRESENT,

The QUEENS's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of "The Ecclesiastical Commission Act, 1868," duly prepared and laid before Her Majesty in Council a scheme, bearing date the third day of August, in the year one thousand eight hundred and seventy-one, in the words and figures following, that is to say :

"We, the Ecclesiastical Commissioners for England, in pursuance of 'The Ecclesiastical Commission Act, 1868,' sections three and four, have prepared and now humbly lay before your Majesty in Council the following scheme relating to the Dean and Chapter of the cathedral church of Durham.

"Whereas the said Chapter now consists of a Dean and six Canons, six Canonries having been suspended under the provisions of an Act passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the Fourth Report of the Commissioners of Ecclesiastical Duties and Revenues.'

"And whereas the said Dean and Chapter have agreed with us that a scheme should be laid before your Majesty in Council, for carrying into effect a transfer to us of part of the property belonging to them, for the considerations and upon the terms hereinafter set forth, which terms are in our opinion fair and reasonable; and the said Dean and Chapter have further agreed with us that such scheme should also comprise the incidental provisions hereinafter set forth, such provisions being necessary for carrying into effect the said transfer.

"And whereas the lands and hereditaments, which are particularly described in the schedule hereunto annexed and marked A, are part of the property of the said Dean and Chapter, and the lands and hereditaments particularly described in the schedule hereunto annexed and marked B are vested in us in fee simple in possession, subject to the payment to the said Dean and Chapter of certain reserved or chief rents in respect of portions thereof, and to the right of the said Dean and Chapter to the minerals in and under, and to way-leaves for their own minerals over portions thereof, and we are also in possession of the lands and hereditaments comprised in the second part of the

said schedule marked A, having acquired by purchase certain leasehold interests therein.

"And whereas by an Order of your Majesty in Council, bearing date the second day of February, in the year one thousand eight hundred and fifty-two, and duly published in the London Gazette of the sixth day of the same month, and made under the authority of the hereinbefore-mentioned Act of the third and fourth years of your Majesty, and of another Act of the fourth and fifth years of your Majesty, intituled 'An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England,' provision is made for securing to the Dean and Canons of the said cathedral church, appointed subsequently to the passing of the said Act of the third and fourth years of your Majesty, the respective annual income of three thousand pounds for such Dean and one thousand pounds for every such Canon, it being by the said Order provided that the surplus of the same decanal and canonical incomes respectively, calculated in the manner therein specified, shall be paid over to us, or that any deficiency in the amount of such incomes respectively shall be made up by means of payments out of our funds.

"And whereas the Reverend Henry Jenkyns, Doctor in Divinity, one of the Canons of the said cathedral church, was appointed to such canonry before the passing of the said Act of the third and fourth years of your Majesty, and is accordingly now receiving, under the provisions of the said Order, the whole share of capitular income arising in respect of his said canonry, and he or his representatives will be entitled to receive such share up to the twenty-ninth day of September next following the avoidance of the said canonry; and we are satisfied, after due inquiry, that the share of capitular revenue which the said Henry Jenkyns is thus entitled to receive may be fairly estimated as exceeding on the average the annual income to which the future holder of his canonry will be entitled by the amount of two thousand pounds per annum.

"And whereas, after due inquiry, we have satisfied ourselves that the income arising from the lands and hereditaments hereinafter proposed to be reserved or transferred to the said Dean and Chapter, and from the several annual payments proposed to be made to them by us, will suffice, after the appropriation of a certain part of such income, in the manner hereinafter recommended, to the maintenance of the fabric, establishment, and services of the said church, to provide for the present and future Dean and Canons the
