By the Lords of Her Majesty's Most Honourable Privy Council.

Mr. Forster.

THE Lords and others of Her Majesty's Most Honourable Privy Council, by virtue and in exercise of the powers in them vested under The Contagious Diseases (Animals) Act, 1869, and of every other power enabling them in this behalf, do order, and it hereby ordered, as follows:—

1. This Order shall take effect from and immediately after the twenty-third day of June, one thousand eight hundred and seventy-three, and shall cease to have effect from and immediately after the thirtieth day of November, one thousand eight hundred and seventy-three.

2. This Order may be cited as The Schleswig-Holstein Order of 1873.

3. This Order extends to Great Britain only.

4. In this Order—

The Act of 1869 means The Contagious Diseases (Animals) Act, 1869:

A defined part of a port means a part of a port defined by a special Order of the Privy Council in pursuance of Regulation 2 of the Fourth Schedule to the Act of 1869:

Landing-place for slaughter means a landing-place within a defined part of a port:

Master includes any person having the charge or command of a vessel:

Other terms have the same meaning as in the Act of 1869.

5. Notwithstanding anything in The Foreign Animals Order of 1871, the regulations in the Fourth Schedule to the Act of 1869 shall not apply to cattle brought from a port in either of the parts of the Empire of Germany respectively known as Schleswig and Holstein.

6. Cattle brought from a port of Schleswig or of Holstein shall not be landed elsewhere than at a landing-place for slaughter, unless and until the owner, agent, or charterer of the vessel in which they are brought has received the special permission of the Privy Council to employ the vessel in the trade of importation of cattle from ports of

Schleswig and of Holstein or of either of them under this Order.

7. The landing of cattle brought from a port of Schleswig or of Holstein, elsewhere than at a landing-place for slaughter, shall be subject to the following conditions:—

First. That the vessel in which they are imported has not, within three months before taking them on board, had on board any cattle exported from any port in any part of the Empire of Germany, other than Schleswig or Holstein, or from any port of any of the following countries, namely:—

The Dominions of the Emperor of Russia.

The Austrian-Hungarian Empire.

The Dominions of the Sultan.

The Dominions of the King of Italy.

The Dominions of the King of the Hellenes.

Belgium.

France.

Secondly. That the vessel has not, since taking on board the cattle imported, entered any such port as aforesaid.

Thirdly. That the cattle imported have not, while on board the vessel, been in contact with any cattle exported from any such port as aforesaid.

Fourthly. That the cattle imported are accompanied by a declaration and certificates, such as are indicated in the forms set forth in the Schedule to this Order, or to the like effect.

8. Further, cattle brought from a port of Schleswig or of Holstein shall not be landed elsewhere than at a landing-place for slaughter, unless and until—

(1.) The owner or charterer of the vessel in which they are imported, or his agent in Great Britain, has entered into a bond to Her Majesty the Queen, in a sum not exceeding one thousand pounds, with or without a surety or sureties, to the satisfaction of the Commissioners of Her Majesty's Customs, conditioned for the observance of the foregoing conditions in relation to cattle to be landed under this Order from the vessel; and

(2.) The master of the vessel has on each occasion of importation of cattle therein satisfied the Commissioners of Her Majesty's Customs, or their proper officer, by declaration made and signed or otherwise, that none of the cattle then imported therein have been exported from any port in any part of the Empire of Germany, other than Schleswig or

Holstein, or from any port of any of the other countries named in Article 7 of this Order, and that the foregoing conditions have been observed in relation to all the cattle then imported therein.

9. If the Veterinary Inspector of the Privy Council is of opinion, on the examination of any cattle imported under this Order, that the declaration accompanying the cattle is untrue in any particular, as regards any one of the cattle in the vessel, then all the animals in the vessel shall be detained and dealt with in accordance with instructions from time to time given by the Privy Council.

10. If the declaration accompanying any cattle imported under this Order is untrue in any particular, as regards any one of the cattle to which it relates, the master of the vessel shall be guilty of an offence against this Order, unless he shows to the satisfaction of the Justices before whom he is charged, that he did not know of the same being so untrue, and that he could not with reasonable diligence have obtained such knowledge.

11. Subject to the provisions of this Order all the provisions of The Foreign Animals Order of 1871 shall continue to apply to cattle brought from a port of Schleswig or of Holstein.

METROPOLIS LOCAL MANAGEMENT ACTS AMENDMENT ACT, 1862.

25 and 26 Vict., cap. 102, sect. 41.

Metropolitan Board of Works.

AT a Meeting of the Board, at their Office, Spring-gardens, this fourteenth day of March, one thousand eight hundred and seventy-three, amongst the Orders is as follows:—

Whereas, by the Metropolis Management Amendment Act, 1862, it is enacted that when at any time, upon any account taken of the population by the authority of Parliament, any of the parishes within the metropolis not then divided into wards, for the purpose of electing vestrymen, should be found to contain more than two thousand

rated householders, it should be lawful for the Metropolitan Board of Works, upon the application, in writing, of the Vestry, or of not less than five hundred rated householders of the parish, to divide such parish into wards, and to determine and set out the number, extent, limits, and boundary lines of such wards, but so, nevertheless, that no ward shall contain less than five hundred rated householders and that the whole number of wards shall not exceed eight; and the Metropolitan Board should apportion among the several wards the number of vestrymen to be elected for such parish, and should, in assigning the number of vestrymen to each ward, have regard, as far as in their judgment was practicable, as well to the number of persons rated to the relief of the poor in each ward, as to the aggregate amount of the sums at which all persons are rated, and the number of vestrymen assigned to each ward should be a number divisible by three: And whereas the parish of Hammersmith is comprised within the limits of the Metropolis Local Management Act, and is one of the parishes in Part I of Schedule B of that Act, and at the passing of the same Act the parish did not contain two thousand rated householders and consequently was not divided into wards, and the Vestry of the parish of Hammersmith having now applied to us, the Metropolitan Board of Works, to divide the parish of Hammersmith into wards, according to the provisions of the 41st section of the Metropolis Local Management Amendment Act, 1862: And whereas it appears from the census of one thousand eight hundred and seventy-one, made by authority

of Parliament, that the number of inhabited houses in the parish was returned at six thousand seven hundred and nineteen, the number of rated householders at five thousand three hundred and seventy-three, and the rateable annual value of property at one hundred and eighty-one thousand eight hundred and eighty-nine pounds: Now, the Metropolitan Board of Works, having ascertained, by the account of the population taken by authority of Parliament, as contained in the Census Return for the year one thousand eight hundred and seventy-one, that the number of rated householders for the parish of Hammersmith is five thousand three hundred and seventy-three, and having taken into consideration the number of persons rated to the relief of the poor in the same parish, and the aggregate amount of the rating, and all the circumstances connected with such applications, doth hereby order that the said parish of Hammersmith, be divided into three wards, to be distinguished by the numbers mentioned in the first column of the Schedule hereto. And we do hereby set out the extent, limits, and boundary lines of the said wards, as the same are described in the second column of the Schedule hereto, in conjunction with the numbers distinguishing such wards respectively, and having regard as well to the number of persons rated to the relief of the poor in each ward as to the aggregate amount of the sums at which all such persons are rated, do hereby apportion the number of vestrymen to be elected for the said parish among the said wards, according to the respective numbers mentioned in the third column of the Schedule hereto, in conjunction with such wards respectively.

The SCHEDULE above referred to.

COLUMN I. Numbers distinguishing Wards.	COLUMN II. Extent, Limits, and Boundary Lines of Wards.	COLUMN III. Number of Vestrymen to be elected in Wards.
North	All that portion of the parish of Hammersmith lying north of the centre of the road from Notting Hill to Stamford Brook, part of which is called Gold Hawk-road	24
