*Board of Trade, Harbour Department,  
Whitehall Gardens, S.W., January 9, 1874.*

THE Board of Trade have received through the Secretary of State for the Colonies a copy of a Despatch from the Governor of the Straits Settlements, stating that owing to the prevalence of cholera in a malignant form in Batavia, ships arriving from that port were detained subject to quarantine, by an Order of the Governor in Council, dated 7th November last. A copy of the regulations as embodied in the Order in Council is subjoined :—

1. Every vessel arriving at any of the ports of the colony from Batavia, shall hoist the usual quarantine or yellow flag at the main-masthead, and shall remain outside the limits of the port till visited by the Health Officer and admitted to communicate with the port.

2. On the arrival of every such vessel the Health Officer of the Port, or his Deputy, shall forthwith proceed on board, and shall examine into the state of health of the passengers and crew ; and, if it shall appear to him after enquiry, that no case of cholera has occurred on board the vessel within ten days, he may, after twenty-four hours' observation, and subject to the control of the Governor, admit such vessel to free communication with the port and Settlement.

If it shall appear that any case of cholera has occurred on board any such vessel within ten days the vessel shall be taken to the quarantine anchorage and there detained without communication with the shore or with other vessels till ten days after the latest case may have happened on board.

3. In all cases the Post Office packets and mails in any such vessels shall be forthwith delivered, and subjected to such fumigation or other prevention process as the Health Officer of the Port may (sic).

4. Coals and cargo may be shipped on and landed from vessels, immediately on their arrival,
