[This Order is substituted for that which was published in the London Gazette of the 11th instant.]

**A**T the Court at *Osborne House, Isle of Wight*, the 7th day of *August*, 1874.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS by an Act of Parliament passed in the seventh and eighth years of Her Majesty's reign, intituled "An Act to amend the 'law respecting the Office of County Coroner,' it is (amongst other things) enacted that when and as often as it shall seem expedient to the Justices of any county that such county should be divided into two or more districts for the purposes of that Act, or that alteration should be made of any division theretofore made under that Act, it shall be lawful for the said Justices in Quarter Sessions assembled to resolve that a Petition shall be presented to Her Majesty praying that such division be made, and thereupon to adjourn the further consideration of such Petition until notice thereof shall be given to the Coroner or Coroners of such county as thereafter provided; and further, that the Clerk of the Peace shall give notice of any such resolution to every Coroner for such county, and of the time when the Petition shall be taken by the said Justices into consideration, and the Justices shall confer with every such Coroner who shall attend the meeting of the Justices for that purpose touching such Petition, having due regard to the size and nature of each proposed district, the number of the inhabitants, the nature of their employments, and such other circumstances as shall appear to the Justices fit to be considered in carrying into execution the provisions of the said Act. And that such Petition, with a description of the several proposed districts and of the boundaries thereof, with the reasons upon which the Petition is founded, shall be certified to Her Majesty under the hands and seals of two or more of the Justices present when such Petition shall have been agreed to, and that the Clerk of the Peace for such county shall forthwith give or send a true copy of such Petition certified under his hand to every Coroner of each county. And further, that it shall be lawful for Her Majesty if she shall think fit with the advice of Her Privy Council, after taking into consideration any such Petition, and also any Petition which may be presented to her by any Coroner of the same county concerning such proposed division, or whenever it shall seem fit to Her Majesty to direct the issue of a Writ De Coronatore Eligendo for the

purpose of authorizing the election of an additional Coroner above the number of those who have been theretofore customarily elected in such county, to Order that such county shall be divided into such and so many Districts for the purposes of that Act as to Her Majesty with the advice aforesaid shall seem expedient, and to give a name to each of such districts and to determine at what place within each district the Court for the Election of Coroner for such district should be holden as thereafter provided, and every such Order shall be published in the London Gazette. And whereas the county of Montgomery was by an Order in Council dated the twenty-eighth November, A.D. one thousand eight hundred and forty-four, divided into three districts under the hereinbefore recited Act called the Machynlleth District, the Newtown District and the Welshpool District. And whereas the Justices of the Peace in and for the said county of Montgomery, in Quarter Sessions assembled, on the first day of July, A.D. one thousand eight hundred and seventy-four, resolved that a Petition should be presented to Her Majesty, praying that alteration should be made of the division of the said county into Coroners' districts, theretofore made, as aforesaid, by dividing the said Welshpool District, and forming the same into two Coroners' Districts, and by making certain variations hereinafter mentioned in the said Newtown District. And whereas the said justices did thereupon adjourn the further consideration of such Petition to the second day of July, A.D. one thousand eight hundred and seven-four. And whereas the Clerk of the Peace of the said county, did on the first day of July give notice of the said resolution to the respective Coroners of the said Machynlleth District, and of the said Newtown District, and of the time when the said Petition should be taken by the said Justices into consideration. And whereas the late Coroner of the said Welshpool District had died shortly before the said first of July, and the office of Coroner of the said District then became and still remains vacant.

And whereas the said Coroners of the said Machynlleth District and of the said Newtown District did not attend the meeting of the said Justices on the second of July, but an acknowledgment from each of the said Coroners of having received the said notice was laid before the said Justices at the said meeting. And whereas at the said meeting of the second of July the said Justices took the matter into their further consideration, and having due regard to the size and nature of the proposed Districts, the numbers of the inhabitants, the nature of their employments

and such other circumstances as appeared to the said Justices fit to be considered in carrying into execution the provisions of the hereinbefore recited Act, did resolve that it would be desirable and expedient that the said Welshpool District so originally appointed, as aforesaid, should be divided and form two districts to be called respectively the Welshpool and Llanfyllin Coroners' Districts, and that the said Newtown District should be altered as hereinafter mentioned. And whereas in pursuance of the said resolutions a Petition with a description of the several proposed districts and of the boundaries thereof with the reasons upon which the Petition is founded hath been certified to Her Majesty under the hands and seals of two of the Justices present when the said Petition was so agreed to as aforesaid.

And whereas the Clerk of the Peace of the said county did forthwith send to each of the said Coroners of the said Machynlleth and Newtown Districts a true copy of the said Petition certified under his hand.

Now, therefore, Her Majesty in Council having taken the said Petition into consideration is pleased by and with the advice of Her Privy Council to grant the prayer thereof, and to declare, order, and determine—

And whereas by Section 24 of the above-mentioned Act it is enacted (inter alia) that "in districts where this Act is adopted the owners and ratepayers may by resolution direct a petition to one of Her Majesty's Principal Secretaries of State, to divide the district into wards for the purpose of election of the Local Board, and to declare what proportions of the members of the Local Board shall be elected by each ward ; and the said Secretary of State may by his order make such division and declaration, after such enquiry, as he shall deem necessary, and fourteen days' notice shall be given of the time, place, and object of such inquiry ;"

And whereas by the Local Government Board Act, 1871, all powers and duties vested in or imposed on one of Her Majesty's Principal Secretaries of State by the first above-recited Act have been transferred to and imposed on the Local Government Board ;
