### THE LOCAL GOVERNMENT BOARD ACT, 1871, AND THE SANITARY LAW AMENDMENT ACT, 1874.

#### REGULATIONS AS TO LODGING-HOUSES.

WHEREAS in pursuance of the Sanitary Act, 1866, and the Local Government Board Act, 1871, application has been made to us by the Local Board of the district of Sheerness, in the county of Kent, as the Nuisance Authority for that district, to declare by notice, to be published in the London Gazette, the enactments contained in the 35th section of the Sanitary Act, 1866, to be in force in the district of the said Local Board.

Now, therefore, we, the said Local Government Board, do hereby give notice and declare, that the said enactments as extended by the 47th section of the Sanitary Law Amendment Act, 1874, are in force within the district of the said Local Board.

Given under the Seal of Office of the said Board this 24th day of March, 1875.

(Signed) *John Lambert,*

## LOCAL GOVERNMENT BOARD.

GENERAL ORDER: Amended Regulations (Consolidated):—

## THE METROPOLITAN ASYLUM DISTRICT.

## FEVER AND SMALL POX ASYLUMS.

To the Board of Management of the Metropolitan  
To the Guardians of the Poor of the several unions  
and parishes comprised in the said district;  
Asylum District;

And to all others whom it may concern.

WHEREAS the Poor Law Board, by two Orders under their seal, dated the 23rd day of December, 1870, taken in connexion with another Order of the said Board dated the 18th day of June, 1867, prescribed certain Rules and Regulations to be observed by the Board of Management of the Metropolitan Asylum District in regard to the government of the asylums provided by the said Board of Management, situated at Homerton, in the parish of Hackney, in the county of Middlesex, and at Stockwell, in the county of Surrey, for the reception of poor persons infected with or suffering from fever or small pox, and also in regard to the appointment and duties of the officers of such asylums, and the admission and treatment of poor persons therein;

And whereas by an Order dated the 17th day of June, 1871, the Poor Law Board prescribed further Rules and Regulations with regard to officers of the said asylums, and also ordered that the provisions of the two first above-recited Orders and of that Order, as well as the provisions of an Order of the Poor Law Board dated the 28th day of November, 1870, in regard to accounts, should, as far as they were applicable, apply to the officers or other persons appointed for temporary asylums provided by the said Board of Management for poor persons infected with or suffering from fever or small pox;

And whereas it is expedient that the said Rules and Regulations should be rescinded as herein-after mentioned, and others issued in their stead:

Now therefore, we, the Local Government Board, in pursuance of the powers given by the statutes in that behalf, hereby rescind the under-mentioned Orders to the extent herein-after specified; provided that any appointment made or other act done under those Orders shall not be thereby affected:—

The whole of the two Orders above recited, dated the 23rd day of December, 1870:

The under-mentioned articles in the above-recited Order dated the 18th day of June, 1867—namely, Arts. 27, 31, 32, 33, 34, 39, 40, 41, 42, 43, 44, 46, 47, 48, 53, and 56, so far as they apply to officers of asylums provided or appropriated by the said Board of Management for the reception of poor persons infected with or suffering from fever or small pox:

The sections numbered 1, 2, 3, and 5, in the above-recited Order dated the 17th day of June, 1871, so far as they apply to the asylums last mentioned, and the section numbered 4 in the same Order, so far as it applies to temporary asylums provided or appropriated for the same classes of persons.

And we hereby order that the following Rules and Regulations shall henceforth be observed in regard to each of the said asylums, and all other asylums provided or appropriated, either permanently or temporarily, for the same classes of persons.

Art. 3. Every pauper, whether upon his first or any subsequent admission into an asylum, shall, subject to the provisions of Art. 4, be admitted upon an order, filled up and signed by a relieving officer or a master of a workhouse of the union or parish from which he is sent to the asylum, according to the Form (A.) in the Schedule to this Order.

The order of admission shall be accompanied by a certificate in the Form (B.) in the Schedule to this Order, signed by the medical officer (either of the workhouse or district, as the case may be) of the union or parish to which the pauper is chargeable; which certificate such medical officer is hereby required to give, upon the request of the master of the workhouse or of the relieving officer, in every case in which after due examination he may find that the pauper is a fit person for admission to the asylum.

Art. 4. If any person present himself at an asylum without the order and certificate required by Art. 3, and the Medical Superintendent be satisfied that the person is suffering from fever or small pox, and is in such a condition that a refusal to admit him without such order and certificate might be attended with dangerous results, the Medical Superintendent may admit such person, and the Steward shall thereupon give notice in writing of such admission, accompanied by a written statement of the circumstances of the case, to the Guardians of the union or parish in which the person last passed the night, if such union or parish be included in the Metropolitan, or if it be not included in the Metropolitan, then to the Guardians of the union or parish in which the asylum is locally situated.

Art. 5. Any person admitted into an asylum under Art. 4 shall be treated as sent from the union or parish in which he last passed the night, if such union or parish be included in the Metropolitan, or if it be not included in the Metropolitan, then from the union or parish in which the asylum is locally situated; and every such person shall be subject in all respects to the regulations of the asylum as if he had been in the first place admitted with the usual order.

Art. 6. No pauper shall be admitted under any order if the same bear date more than two days before the pauper, or some one acting on his behalf and in his company, presents it at the asylum.

Art. 7. Immediately on admission, the pauper shall be placed in the ward appropriated to the reception of paupers, and shall, as soon as possible, be examined by the Medical Superintendent of the asylum.

Art. 8. After examining the pauper, the Medical Superintendent shall give whatever directions he may deem proper as to the cleansing and clothing of the pauper, and shall specify the particular part of the asylum to which he is to be removed; and such directions shall be promptly and strictly carried into effect.

Art. 9. The clothes worn by the pauper at the time of his admission shall be forthwith disinfected or otherwise dealt with as may be directed by the

Medical Superintendent, who, where the clothes are destroyed, shall keep a record of the fact.

Art. 11. The Board of Management shall not admit into the asylum, or retain therein, a larger number of paupers than that which is already fixed as the maximum by the Poor Law Board, or which may hereafter be so fixed from time to time by the Local Government Board, except in any individual case of urgency, which shall be forthwith reported to the Local Government Board by the Clerk to the Board of Management.

Art. 12. Whenever the number of paupers shall be within ten of the number fixed as the maximum, the Steward shall give notice to that effect to the Guardians of each union or parish comprised in the district; and also to the effect that until such notice has been revoked, inquiry must be made at the asylum before any fresh case is sent, in order to ascertain whether the case can be received.

#### Section III.—*Classification.*

Art. 13. The paupers in the asylum shall be classed in such manner as the Asylum Committee, with the advice of their Medical Superintendent, shall direct, provided that the two sexes shall be kept separate. To each sex shall be assigned its proper wards and yards, and each class of paupers shall remain therein, without communication with those of the other sex.

#### Section IV.—*Discharge.*

Art. 14. When any pauper has recovered, and the Medical Superintendent is of opinion that such pauper may leave the asylum without risk of communicating infection or contagion, he shall be discharged, and the Steward shall give notice in writing of the proposed discharge to the Board of Guardians of the union or parish to which the pauper has been chargeable in the asylum, as well as to the nearest known relative of the pauper.

Art. 15. In any case in which it may be necessary, the Asylum Committee may cause any pauper to be removed to his home, or to the workhouse from which he was sent to the asylum; and all the necessary expenses incurred in his removal shall be charged by the Board of Management to the account of the Guardians of the union or parish to which he has been chargeable in the asylum.

Provided, that under no circumstances shall a convalescent pauper be removed from an asylum in any ambulance used for the conveyance of paupers to the asylum.

Provided, that this Article shall not apply to the visit of a Minister lawfully visiting any pauper

not belonging to the Established Church for the purpose of affording religious assistance or instruction to such pauper.

Art. 20. No book or printed paper that has been disapproved of by the Asylum Committee shall be allowed to be read or retained by any pauper in the asylum, and all books or printed papers introduced into the asylum otherwise than by such Committee shall be submitted to them for approval, except books containing religious instruction or consolation supplied by the Chaplain, or by a Minister regularly visiting any pauper not belonging to the Established Church.

Art. 21. No pauper shall have any matches or other articles of a combustible nature in his possession; and any officer may take from any pauper any article of such a nature.

Art. 22. Any licensed Minister of the religious persuasion of an inmate, who may at any time in the day enter the asylum for the purpose of affording religious assistance or instruction, shall give such assistance or instruction so as not to interfere with the good order and discipline of the asylum; and such assistance or instruction shall be strictly confined to persons who are of the religious persuasion of such Minister, and whom such Minister shall have been lawfully authorized to visit or instruct.

#### Section VI.—*General Management.*

Art. 23. The Board of Management shall, as often as may be necessary for cleanliness, cause all the rooms, wards, and offices belonging to the asylum to be lime-washed, and shall, from time to time, cause the asylum and all its furniture and appurtenances to be kept clean and in good and substantial repair; and shall remedy without delay any such defect in the asylum, as regards drainage, warmth, ventilation, or otherwise; or in the furniture, fixtures, or appurtenances thereof as may tend to injure the health of the inmates.

Art. 24. Subject to the regulations herein contained, the guidance, government, and control of the asylum, and of the paupers as well as the officers, assistants, servants, and other persons therein, shall be exercised by the Board of Management, except in so far as the same may be delegated by that Board to the Asylum Committee.

Every substitute so appointed shall be subject in all respects to the same obligations, liabilities, and responsibilities, as the officer or other person in whose place he acts, and shall be bound to observe all the regulations applicable to the office or employment, the duties of which he is appointed to discharge.

## LOCAL GOVERNMENT BOARD.

GENERAL ORDER: Amended Regulations (Consolidated):—

## THE METROPOLITAN ASYLUM DISTRICT.

## ASYLUMS FOR IMBECILES.

To the Board of Management of the Metropolitan Asylum District;

To the Guardians of the Poor of the several unions and parishes comprised in the said district;

And to all others whom it may concern.

WHEREAS the Poor Law Board, by two Orders under their seal, dated the 6th day of October, 1870, taken in connexion with another Order of the said Board, dated the 18th day of June, 1867, prescribed certain Rules and Regulations to be observed by the Board of Management of the Metropolitan Asylum District in regard to the government of the asylums provided by the said Board of Management, situated at Leavesden, in the parishes of Watford and Abbots Langley, in the county of Hertford, and at Caterham, in the county of Surrey, for the reception of poor persons who might be insane, and also in regard to the appointment and duties of the officers of such asylums, and the admission and treatment of poor persons therein;

And whereas by an Order dated the 17th day of June, 1871, the Poor Law Board prescribed further Rules and Regulations with regard to officers of the said asylums, and also ordered that the provisions of the two first above-recited Orders and of that Order, as well as the provisions of an Order of the Poor Law Board, dated the 28th day of November, 1870, in regard to accounts, should, so far as they were applicable, apply to the officers or other persons appointed for temporary asylums provided by the said Board of Management for the reception of poor persons who might be insane;

And whereas it is expedient that the said Rules and Regulations should be rescinded as hereinafter mentioned, and others issued in their stead:

Now therefore, we, the Local Government Board, in pursuance of the powers given by the statutes in that behalf, hereby rescind the under-mentioned Orders, to the extent hereinafter specified; provided that any appointment made or other act done under those Orders shall not be thereby affected:—

The whole of the two Orders above recited, dated the 6th day of October, 1870:

The under-mentioned Articles in the above-recited Order, dated the 18th day of June, 1867; namely, Arts. 27, 31, 32, 33, 34, 39, 40, 41, 42, 43, 44, 46, 47, 48, 53, and 56, so far as they apply to officers of asylums provided by the said Board of Management for poor persons who may be insane:

The sections numbered 1, 2, 3, and 5 in the above-recited Order, dated the 17th day of June, 1871, so far as they apply to the asylums last mentioned, and the section numbered 4 in the same Order, so far as it applies to temporary asylums provided for the same class of persons.

And we hereby Order that the following Rules and Regulations shall henceforth be observed in regard to each of the said asylums and all other asylums provided either permanently or temporarily for the same class of persons:—

Section I.—*Explanation of Terms.*

Art. 1. In this Order all words importing the masculine gender shall be deemed and taken to include females, and the singular to include the plural and the plural the singular, unless the contrary as to gender or number is expressly provided.

The words "Lunatic Asylum" in this Order,

shall mean any asylum for a county or borough, or any registered hospital or licensed house within the provisions of Sect. 72 of the "Lunatic Asylums Act, 1853."

The term "Steward" in this Order shall be deemed to apply to and include the person now holding the office of House Superintendent at the asylum.

Section II.—*Admission.*

Art. 2. The insane paupers to be admitted into the asylum shall be such harmless persons of the chronic or imbecile class as could be lawfully retained in a workhouse; but no dangerous or curable persons, such as would, under the statutes in that behalf, require to be sent to a lunatic asylum shall be admitted.

Art. 3. Every pauper, whether upon his first or any subsequent admission into an asylum, shall be admitted upon an order filled up and signed by the Clerk to the Board of Guardians of the union or parish from which he is sent to the asylum, according to the Form (A.) in the Schedule to this Order.

The order of admission shall be accompanied by a certificate and report as follows; that is to say,—

A certificate in the Form (B.) in the Schedule to this Order, signed by the Medical Officer (either of the workhouse or district, as the case may be,) of the union or parish to which the pauper is chargeable; which certificate such Medical Officer is hereby required to give, upon request from the Board of Guardians or Relieving Officer, in every case in which, after due examination, he may find that such a certificate ought to be given as regards the pauper's fitness both for admission into the asylum and for removal thereto.

A report in the Form (C.) in the said Schedule, signed by the Chairman or Vice-Chairman of the Board of Guardians of the union or parish to which the pauper is chargeable, or by some member of the Visiting Committee of such Board of Guardians.

The order of admission shall be signed by the Clerk by direction of the Board of Guardians; but such direction shall not be given until the certificate and report above mentioned have been laid before the Board of Guardians.

Art. 6. Before being removed from the receiving ward the pauper shall, if the Medical Superintendent so direct, be thoroughly cleansed, and clothed in a suitable dress, and the clothes which he wore at the time of his admission shall, if they were supplied by the Guardians of the union or parish from which he was sent to the asylum, be, as soon as possible, returned to such Guardians. If the clothes were the property of the pauper, they shall be deposited in a place appropriated for that purpose, with the pauper's name affixed thereto, and restored to him if he is discharged from the asylum, but in case of his death therein, they shall be disposed of as the Board of Management shall direct.

Art. 7. As soon as practicable after the pauper has been examined in pursuance of Art. 5, a report, according to the Form (D.) in the Schedule to this Order, signed by the Medical Superintendent, shall be transmitted by him to the Guardians

of the union or parish from which the pauper was sent to the asylum.

If the removal be not effected by the Guardians before the expiration of that time, the Asylum Committee may cause the pauper to be removed to the workhouse from which he was sent to the asylum, and all the necessary expenses incurred in his removal shall be charged by the Board of Management to the account of the Guardians of the union or parish to which he has been chargeable in the asylum.

Art. 13. When the Board of Guardians of any union or parish in the said district shall direct the discharge of any pauper chargeable to such union or parish, such pauper shall thereupon be discharged from the asylum.

Art. 14. In no case shall any pauper be prevented from leaving the asylum after the parent or next of kin of such pauper shall have given to the Board of Management, the Asylum Committee, or the Guardians of the union or parish to which he was chargeable in the asylum, such an undertaking as they shall respectively deem satisfactory, to provide for the removal, charge, and maintenance of such pauper, with due care and attention, while the malady continues.

Art. 15. The provisions of Arts. 11, 12, 13, and 14 shall not apply to the cases of paupers who after their admission may become dangerous to themselves or others, but in all such cases, as soon as the Medical Superintendent shall be of opinion that the pauper has become dangerous to himself or others, he shall himself give, or cause to be

given by the Clerk of the asylum, a notice in writing to that effect to the Relieving Officer of the union or parish to which such pauper is chargeable in the asylum, and such Relieving Officer shall thereupon forthwith take the proper steps for the removal of the pauper to a lunatic asylum, registered hospital, or licensed house in conformity with the statutes in that behalf.

*Position of La Perle Reef.*

THE following information relating to the dangerous shoal known as La Perle Reef, lying to the south-west of, and distant 10 miles from, Isle Platte, one of the Seychelle group, has been received from Commander Wharton, H.M. surveying vessel "Shearwater," 1875.

The danger appeared to consist of a reef about 3 miles in length, but of little width and lying N.W. by N. and S.E. by S. No dry sand or rocks visible. The "Shearwater" anchored in 7½ fathoms, one and a half miles from a long line of breakers, but the swell was too heavy to allow a boat to venture nearer than several hundred yards where there was 4 fathoms. The breakers were not continuous and were observed especially in three spots about a mile apart.

The danger appears to be on the southern extreme of a bank of soundings connected with Isle Platte; on this bank 14 fathoms was obtained.

When to the southward of La Perle Reef, Isle Platte was seen from the masthead of the "Shearwater."

Commander Wharton places the centre of La Perle Reef in lat. 6° 1' S., long. 55° 21' E., and Isle Platte, south end, in lat. 5° 53' S., long. 55° 27' E.
