The QUEEN'S Most Excellent Majesty in Council.

WHEREAS, by an Act passed in the session of Parliament holden in the fifty-seventh year of the reign of His Majesty King George the Third, intituled "An Act to empower His Majesty to suspend the training and to regulate the quotas of the Militia," it is, amongst other things, enacted "that it shall be lawful for His Majesty, by any Order or Orders in Council, to suspend the calling out of the Militia of the United Kingdom, or any part of the United Kingdom, or of any county, riding, shire, stewardry, city, town, or place, for the purpose of being trained and exercised in any year, and to order and direct that no training or exercising of the Militia of the United Kingdom, or of any part of the United Kingdom, or of any county or counties, riding or ridings, shire or shires, stewardry or stewardries, city or cities, town or towns, or place or places, specified in any such Order or Orders in Council, shall take place in any year, anything contained in any Act or Acts of Parliament relating to the Militia to the contrary notwithstanding."

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, doth hereby suspend the calling out of the Galway Regiment of Militia, and doth order and direct that there shall be no training and exercise thereof in the year one thousand eight hundred and seventy-five; and it is further ordered that this Order be published in the London Gazette.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by an Act of Parliament made and passed in the session of Parliament holden in the third and fourth years of the reign

of His late Majesty King William the Fourth, intituled an Act for the appointment of convenient places for the holding of Assizes in England and Wales, it was declared and enacted that His Majesty, by and with the advice of His Most Honourable Privy Council, should have power from time to time to order and direct at what place or places in any county in England or Wales the assizes and sessions under the commissions of gaol delivery and other commissions for the dispatch of civil and criminal business shall be holden, and to order and direct such assizes and sessions for the dispatch of criminal and civil business to be holden at more than one place in the same county on the same circuit, and to order and direct the assizes and sessions under such commissions for the dispatch of criminal business to be holden for the whole county at one place, and for the dispatch of civil business at one or more place or places in such county on the same circuit; and further to order and direct any special commissions of oyer and terminer and gaol delivery to be holden at any one or more places in any such county.

And whereas the assizes and sessions under the commissions of gaol delivery, and other commissions for the dispatch of criminal and civil business held in and for the county of Glamorgan, are usually holden at Swansea, in the said county, in the spring of each year, and at Cardiff, in the said county, in the summer of each year.

And whereas it is desirable and convenient that henceforth the assizes and sessions in and for the said county, should be holden at Cardiff aforesaid, in the spring of each year, and at Swansea aforesaid, in the summer of each year.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, in exercise of the powers vested in Her under and by virtue of the said Act, and of every other power in that behalf, doth hereby order and direct that henceforth the assizes and sessions under the commissions of gaol delivery, and other commissions for the dispatch of civil and criminal business shall be held in and for the said county of Glamorgan, at Cardiff aforesaid, in the said county, instead of at Swansea, in the spring of each year, and at Swansea aforesaid, in the said county, instead of at Cardiff, in the summer of each year.

And the Right Honourable the Lord High Chancellor of Great Britain is to give the necessary directions herein accordingly.

AT the Court at *Windsor*, the 28th day of *June*, 1875.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by "The Passengers' Act, 1855," it is, amongst other things, enacted that, before any passenger ship shall be cleared out, the Emigration Officer at the port of clearance shall satisfy himself that there is on board a sufficient quantity of pure water, carried in tanks or casks, to secure throughout the intended voyage the issue of three quarts daily to each statute adult, for the use of the passengers, exclusive of the quantity required for cooking :

And whereas by the said Act it is also enacted that it shall be lawful for Her Majesty, by any Order in Council, to prescribe such rules and regulations as to Her Majesty may seem fit, for permitting the use on board passenger ships of an apparatus for distilling water, and for defining, in such case, the quantity of fresh water to be carried in tanks or casks for the passengers, and such Order in Council from time to time to alter, amend, and revoke, as occasion may require :

And whereas by "The Merchant Shipping Act, 1872," it is enacted that all powers and duties vested in or imposed on the Emigration Commissioners, whether acting independently or under the sanction or authority of one of Her Majesty's Principal Secretaries of State, by "The Passengers' Act, 1855," and "The Passengers' Act Amendment Act, 1863," shall be transferred to and imposed on the Board of Trade :

And whereas Her Majesty, by an Order in Council, dated the sixth day of May, one thousand eight hundred and fifty-seven, prescribed certain rules for permitting the use on board passenger ships propelled wholly by steam engines of not less power than is sufficient, without the aid of sails, to propel the ship at the rate of five statute miles an hour, having on board, in tanks or casks, only half the quantity of pure water required by the said Act to be carried for the use of the passengers, of an efficient apparatus for distilling fresh water from salt water :

And whereas Her Majesty, by an Order in Council, dated the fifth day of December, one thousand eight hundred and sixty-five, prescribed certain rules and conditions for permitting the use on board passenger ships propelled by sails only, or by steam engines of less power than is sufficient, without the aid of sails, to propel the ship at the rate of five statute miles per hour, of an efficient apparatus for distilling fresh water from salt water, of the description commonly known either as Normandy's Patent, as Winchester and Graveley's Patent, or as Chaplin and Company's Patent :

And whereas it is expedient to revoke the said recited Orders in Council, and to issue in lieu thereof the Order hereinafter contained :

Now, therefore, Her Majesty doth by and with the advice of Her Privy Council, and in pursuance and in exercise of the authority vested in Her by the said "Passengers' Act, 1855," hereby revoke the said Order in Council of the sixth day of May, one thousand eight hundred and fifty-seven, and the said Order in Council of the fifth day of December, one thousand eight hundred and sixty-five, except in so far as the latter repeals a certain Order in Council of the ninth day of January, one thousand eight hundred and sixty-three, and doth hereby order as follows :—

Any passenger ship, whether propelled by steam engines or by sails only, or by sails and steam

engines, may be cleared out and proceed on her voyage, having on board in tanks or casks only half of the quantity of pure water required by the said Act to be carried for the use of the passengers, provided that the following rules and regulations be observed, that is to say.

1. That there be on board such ship an efficient apparatus for distilling fresh water from salt water of such a description as the Board of Trade may from time to time approve.

2. That the owners, charterers, or master of such ship, before clearance, lodge with the Emigration Officer at the port of clearance, a certificate from one of the Engineer Surveyors appointed by the Board of Trade, declaring that the apparatus is in good working condition, and that within seven days immediately preceding the date of such certificate the same had been examined by him, and stating the number of imperial gallons of pure fresh water which it is capable of producing in every twenty-four hours, and further declaring that the apparatus on board is such as has been approved by the Board of Trade as aforesaid.

3. That in every case such Emigration Officer shall be satisfied that the number of gallons of pure water which the apparatus is so certified to be capable of producing in every twenty-four hours, is a number of gallons equal to the whole number of persons about to proceed on the intended voyage of such ship, that is to say, one gallon per head for the whole number of cabin passengers, passengers, and crew.

4. That there is rated on the ship's articles, and that there is on board the ship, some person or persons who, to the satisfaction of the said Emigration Officer, shall be competent for the proper management and repair of such distilling apparatus ; and to prevent all doubts on the construction of this Order in Council, it is hereby further ordered that the terms "Emigration Officer," "Statute Adult," "Master," and "Passenger Ship," shall herein have the same significations as are assigned to them in the said "Passengers Act, 1855," and "The Passengers Act Amendment Act, 1863," respectively, and the term "Board of Trade," shall herein have the meaning assigned to it by "The Merchant Shipping Act, 1854."

“Now, therefore, with the consent of the Right Reverend Charles, Bishop of the said diocese of Durham (testified by his having signed and sealed this representation), we, the said Ecclesiastical Commissioners, humbly represent that it would, in our opinion, be expedient that all that part of the said parish of Middleton-in-Teesdale, which is comprised within, and is co-extensive with, the limits of the said township of Forest and Frith, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto annexed, should be assigned as a district chapelry to the said church of Saint James, situate within the limits of the same township as aforesaid, and that the same should be named ‘The District Chapelry of Saint James Forest and Frith.’

At the Court at Windsor, the 28th day of June, 1875.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of His Majesty

King William the Fourth, chapter seventy-seven; of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen; and of the Act of the thirty-seventh and thirty-eighth years of Her Majesty, chapter sixty-three; duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-second day of April, in the year one thousand eight hundred and seventy-five, in the words following, that is to say:

“We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of His Majesty King William the Fourth, chapter seventy-seven; of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen; and of the Act of the thirty-seventh and thirty-eighth years of your Majesty, chapter sixty-three; have prepared and now humbly lay before your Majesty in Council the following scheme for dividing the Archdeaconry of Northampton, within the diocese of Peterborough, into two portions, and for constituting each of such portions a separate archdeaconry, and for assigning a district thereto.

“Whereas the area of the said present Archdeaconry of Northampton is of great extent, and comprises and consists of the whole of the county of Northampton and the whole of the county of Rutland, and within the same area the rural deaneries of Brackley first deanery, Brackley second deanery, Brackley third deanery, Brackley fourth deanery, Daventry deanery, Haddon first deanery, Haddon second deanery, Higham first deanery, Higham second deanery, Higham third deanery, Northampton deanery, Oundle first deanery, Oundle second deanery, Oundle third deanery, Peterborough first deanery, Peterborough second deanery, Preston first deanery, Preston second deanery, Rothwell first deanery, Rothwell second deanery, Rothwell third deanery, Weedon deanery, Weldon first deanery, Weldon second deanery, Rutland first deanery, Rutland second deanery, and Rutland third deanery are wholly included.

“And whereas the Right Reverend William Connor, Bishop of the said diocese of Peterborough, has represented to us that it is, in his opinion, desirable that the said Archdeaconry of Northampton should be divided, and that such division should be made by creating the archdeaconry hereinafter recommended and proposed to be created, and by assigning thereto the district hereinafter recommended and proposed to be assigned thereto.

“And whereas the Venerable Francis Henry Thicknesse, M.A., Clerk in Holy Orders, now Archdeacon of the Archdeaconry of Northampton aforesaid, concurs in the said representation of the said bishop, and has become party to this scheme in order to testify such his concurrence in manner hereinafter mentioned.

“And whereas we have considered the said representation of the said bishop, and it appears to us to be expedient to divide the said Archdeaconry of Northampton, and that the division so to be made of the same archdeaconry should be that which in the said representation of the said bishop is mentioned, and which is hereinafter recommended and proposed.

“Now, therefore, with the consent of the said William Connor, Bishop of the said diocese of Peterborough (in testimony of which consent he has set his hand and his episcopal seal to this scheme) and with the consent of the said Francis Henry Thicknesse, Archdeacon of the said Archdeaconry of Northampton (in testimony of which consent he has set his hand and seal to this scheme), we

humbly recommend and propose that upon and from the day on which any Order of your Majesty in Council ratifying this scheme shall be published in the London Gazette, the present Archdeaconry of Northampton shall be divided into two portions, and that each of the same two portions shall, as from the day aforesaid, be constituted a separate archdeaconry with a district assigned thereto, and that the one of the said two archdeaconries shall, as from the day aforesaid, comprise and consist of, and have assigned to it as a district, all that part of the area of the said present Archdeaconry of Northampton which is described in the first schedule appended to this scheme, and that the other of the said two archdeaconries shall, as from the day aforesaid, comprise and consist of, and have assigned to it as a district, all that part (being the whole of the remaining part) of the area of the existing Archdeaconry of Northampton which is described in the second schedule appended to this scheme, and that the archdeacon of the first named of the said two archdeaconries shall as heretofore be and be called the Archdeacon of Northampton, and his archdeaconry the Archdeaconry of Northampton; and that the archdeacon of the other of the said two archdeaconries shall be and be called the Archdeacon of Oakham, and his archdeaconry the Archdeaconry of Oakham, and the rural deans and other the clergy and inhabitants of the said Archdeaconry of Oakham, shall be exempted and released from the archidiaconal jurisdiction, authority, and control of the said Archdeacon of Northampton, and his successors, Archdeacons of Northampton, and shall be under and subject to the archidiaconal jurisdiction, authority, and control of the Archdeacon of the Archdeaconry of Oakham for the time being, who shall have and exercise all the rights, powers, and duties of an archdeacon within the limits of the Archdeaconry of Oakham.

"And we further recommend and propose that we be authorised to pay yearly and every year out of the common fund created by the secondly hereinbefore mentioned Act to the Archdeacon of the Archdeaconry of Oakham, hereinbefore recommended and proposed to be created, and to his successors in the same archdeaconry, the sum of one hundred and thirty-five pounds, such yearly payment to be made upon the first day of the month of January in every year, in respect of the twelve calendar months ended that day. Provided always, that the first payment so to be made by us as aforesaid shall be proportional to the period which shall have elapsed between the date of the institution of the first archdeacon of the said Archdeaconry of Oakham, and the first day of January next following the date of such institution, and that every yearly payment as aforesaid shall be apportionable between the archdeacon (or as the case may be the representatives of an archdeacon) who has resigned or otherwise avoided the said Archdeaconry of Oakham, on any day other than the first day of January in any year, and the archdeacon who shall next thereafter be instituted to the same archdeaconry, and that every such yearly payment shall be made by us, only after we shall have been satisfied that the archdeacon who applies (or whose representatives apply) for it has during the previous year complied with the conditions as to residence which at the date of such application are required by law.

"And we further recommend and propose that nothing herein contained shall prevent us from hereafter recommending and proposing any other matter or thing relating to the matters aforesaid, or any of them, in accordance with the provisions

of the said Acts, or of either of them, or of any other Act of Parliament.

"The FIRST SCHEDULE.

Now, therefore, with the consent of the Right Reverend William Connor, Bishop of the said diocese of Peterborough (testified by his having signed and sealed this representation), we, the said Ecclesiastical Commissioners, humbly represent, that it would, in our opinion, be expedient that all those portions of the said parish of Whitwick, which are described in the schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto annexed, should be assigned as a district chapelry to the said church of Saint George, situate within the limits of such parish as aforesaid, and that the same should be named 'The District Chapelry of Saint George, Whitwick.'

C. L. Peel.

AT the Court at *Windsor*, the 28th day of *June*, 1875.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the thirty-third and thirty-fourth years of Her Majesty, chapter thirty-nine, duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirteenth day of May, in the year one thousand eight hundred and seventy-five, in the words and figure following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the thirty-third and thirty-fourth years of your Majesty, chapter thirty-nine, have prepared and now humbly lay before your Majesty in Council, the following scheme for effecting a transfer of the ownership of the advowson or perpetual right of patronage of and to the church and cure (which said church and cure are hereinafter called the said benefice) of the Holy Trinity, at Barnstaple, in the county of Devon, and in the diocese of Exeter.

"Whereas the said advowson or perpetual right of patronage of the said benefice of the Holy Trinity, at Barnstaple, is vested for an estate in fee simple in possession in the Reverend Christopher Haggard, Clerk in Holy Orders, Rector of the parish of Filleigh, with the parish of East Buckland annexed, in the said county of Devon.

"And whereas the said Christopher Haggard is desirous that the whole advowson or perpetual right of patronage of the said benefice of the Holy Trinity, at Barnstaple, now vested in him as aforesaid, should be transferred to and be vested in the Bishop for the time being of the said diocese of Exeter.

"And whereas the Right Reverend Frederick, now Bishop of the said diocese of Exeter, is willing to accept for himself and his successors in the bishoprick of Exeter, the said proposed transfer, and in token of such his willingness, and also in token that the same transfer has that consent of the Bishop of the diocese which, by the Acts in the hereinbefore-mentioned Act recited, or by some or one of them, is made necessary, he, the said Frederick, Bishop of the said diocese of Exeter, has executed this scheme as hereinafter mentioned.

"And whereas the endowment of the said benefice of the Holy Trinity, at Barnstaple, is small and inadequate, and in order to increase the same, Emma Selina Loring, of 2, Sydney-place, in the city of Bath, Spinster, has paid to us, for the benefit of the same benefice, certain sums of money upon condition (amongst other things) that the transfer of the patronage of the said benefice of the Holy Trinity, at Barnstaple, which is hereinbefore mentioned and hereinafter recommended and proposed shall be made, and under these circumstances it appears to us that the same transfer will tend to make better provision for the cure of souls in the particular district or new parish of the Holy Trinity, at Barnstaple, (being the new parish or district in or in respect of which the said right of patronage and advowson arises and exists).

"Now, therefore, with the consent of the said Christopher Haggard (in testimony whereof he has signed and sealed this scheme), and with the consent of the said Frederick, Bishop of the said diocese of Exeter (in testimony whereof he has signed this scheme, and sealed the same with his episcopal seal), we humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme, and without any conveyance or assurance in the law other than such duly gazetted Order, the whole advowson or perpetual right of patronage of the said benefice of the Holy Trinity, at Barnstaple, now vested in the said Christopher Haggard as aforesaid, shall be transferred from the said Christopher Haggard, and from his heirs, to the said Frederick, Bishop of the said diocese of Exeter, as such bishop, and his successors in the same bishoprick, and shall thereupon and thenceforth become, and be absolutely vested in, and shall and may, from time to time, be exercised by the said Frederick, Bishop of the said diocese of Exeter, and his successors, bishops of the same diocese, for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Exeter.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the eighth and ninth years of Her Majesty, chapter seventy; of the Act of the fourteenth and fifteenth years of Her Majesty, chapter

ninety-seven; of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five; and of the Act of the thirty-fourth and thirty-fifth years of Her Majesty, chapter eighty-two; duly prepared and laid before Her Majesty in Council a representation, bearing date the thirteenth day of May, in the year one thousand eight hundred and seventy-five, in the words and figures following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eighth and ninth years of your Majesty, chapter seventy; of the Act of the fourteenth and fifteenth years of your Majesty, chapter ninety-seven; of the Act of the nineteenth and twentieth years of your Majesty, chapter fifty-five; and of the Act of the thirty-fourth and thirty-fifth years of your Majesty, chapter eighty-two, have prepared, and now humbly lay before your Majesty in Council, the following representation as to the assignment of a consolidated chapelry to the consecrated church of Saint Peter, situate at Mill End, in the parish of Rickmansworth, in the county of Hertford, and in the diocese of Rochester.

"We, therefore, humbly pray that your Majesty will be graciously pleased to take the premises

into your Royal consideration, and to make such Order in respect thereto as to your Majesty, in your Royal wisdom, shall seem meet.

C. L. Peel.

AT the Court at Windsor, the 28th day of June, 1875.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the thirty-third and thirty-fourth years of Her Majesty, chapter thirty-nine, and of the Acts therein mentioned, duly prepared and laid laid before Her Majesty in Council a scheme, bearing date the thirteenth day of May, in the year one thousand eight hundred and seventy-five, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the thirty-third and thirty-fourth years of your Majesty, chapter thirty-nine, and of the Acts therein mentioned, have prepared, and now humbly lay before your Majesty in Council, the following scheme for effecting a transfer of the ownership of the advowson or perpetual right of patronage of and to the church and cure (which said church and

cure are hereinafter called "the said benefice") of Shirebrook, in the county of Derby, and in the diocese of Lichfield, which cure of Shirebrook is a new parish, and was sometime part of the parish of Pleasley, in the said county and diocese.

"Whereas the advowson or perpetual right of patronage of the said benefice of Shirebrook is vested in the rector or incumbent for the time being of the said parish of Pleasley, as such rector or incumbent.

"And whereas Joseph Paget, of Stuffynwood Hall, in the parish of Pleasley aforesaid, Esquire, has to our satisfaction made a certain benefaction in augmentation of the endowment of the said benefice of Shirebrook, upon the understanding and condition that a transfer of the advowson or perpetual right of patronage of the same benefice from the rector or incumbent for the time being of the said parish of Pleasley (in whom, as such rector or incumbent, the same is now vested as aforesaid) to him, the said Joseph Paget, and his heirs and assigns, shall be effected by the agency of us, the said Ecclesiastical Commissioners for England.

"And whereas the Reverend Ravenscroft Stewart, Clerk in Holy Orders, now rector or incumbent of the parish of Pleasley aforesaid, and, as such rector or incumbent, patron of the said benefice of Shirebrook as aforesaid, is desirous that the said advowson or perpetual right of patronage of the said benefice of Shirebrook should be transferred to the said Joseph Paget, and his heirs and assigns, as aforesaid.

"And whereas William Pole Thornhill, of Stanton-in-Peak, in the said county of Derby, Esquire, is the patron of the rectory of the said parish of Pleasley, and is consenting to the said proposed transfer, and has executed this scheme accordingly, as hereinafter mentioned, and the Right Reverend George Augustus, Bishop of the said diocese of Lichfield, is consenting, as diocesan, to the same proposed transfer, and in token of such his consent (which consent is, by the Acts in the hereinbefore-mentioned Act mentioned, or by some or one of them, made necessary), he, the said George Augustus, has also executed this scheme, as hereinafter mentioned.

"And whereas it appears to us that the transfer of the advowson or perpetual right of patronage of the said benefice of Shirebrook, which is hereinbefore mentioned and hereinafter recommended and proposed, will, under and in consequence of the circumstances hereinbefore set forth, tend to make better provision for the cure of souls in the district or parish in or in respect of which the same right of patronage or advowson arises or exists, that is to say, in the new parish of Shirebrook aforesaid.

"Now, therefore, with the consent of the said George Augustus, acting as Bishop of the said diocese of Lichfield, and with the consent of the said William Pole Thornhill, acting as patron as aforesaid of the rectory of the said parish of Pleasley, and with the consent of the said Ravenscroft Stewart, now rector or incumbent of the said parish of Pleasley, and as such patron as aforesaid of the said benefice of Shirebrook (in testimony of which consent he, the said George Augustus, Bishop of Lichfield, has hereunto set his hand and his episcopal seal, and they, the said William Pole Thornhill and Ravenscroft Stewart, have hereunto set their respective hands and seals), we, the said Ecclesiastical Commissioners, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme, and without any

conveyance or assurance in the law other than such duly gazetted Order, the whole advowson or perpetual right of patronage of the said benefice of Shirebrook, now vested in him, the said Ravenscroft Stewart, as such rector or incumbent as aforesaid, shall be transferred from him, the said Ravenscroft Stewart, and from his successors, rectors or incumbents of the said parish of Pleasley, to the said Joseph Paget, and his heirs and assigns, and shall thereupon and thenceforth become and be absolutely vested in, and shall and may from time to time be exercised by the said Joseph Paget, and his heirs and assigns for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any of them, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Lichfield.

PRESENT,

The QUEEN's Most Excellent Majesty in Council

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme, bearing date the third day of June, in the year one thousand eight hundred and seventy-five, in the words following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, of the Act of the sixth and seventh years of your Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of your Majesty, chapter one hundred and four, have prepared and now humbly lay before your Majesty in Council the following scheme for constituting a separate district for spiritual purposes out of the new parish of Saint Philip, Battersea, in the county of Surrey, and in the diocese of Winchester.

"Whereas it has been made to appear to us that it would promote the interests of religion, that the particular part of the said new parish of Saint Philip, Battersea, which is hereinafter mentioned and described (such part not at present containing within its limits any consecrated church or chapel in use for the purposes of Divine worship), should be constituted a separate district in manner hereinafter recommended and proposed.

"And whereas the sum of two thousand five hundred pounds Four Pounds per centum Debenture Stock of the London and North-Western Railway Company, has been provided and has been transferred into our name in the books of the same Company, to be held in trust by us as and for a permanent endowment for the incumbent for the time being of the said district hereinafter recommended to be constituted, and upon the understanding that the amount of the annual interest and dividends, to accrue due on account of the said sum of stock, shall be receivable by the said incumbent for the time being, when he shall have been duly licensed, and upon the further understanding that we should pay out of the common fund created by the firstly herein-named Act, to the said incumbent for the time being of the said district hereinafter recommended to be constituted, when such incumbent shall have been duly licensed as before mentioned, the annual sum of fifty pounds, and upon the further understanding and condition that (such arrangement appearing to us to be expedient) the whole right of patronage of the said district, and of the nomination of the incumbent thereof, should be assigned in the manner hereinafter mentioned.

"And whereas we have agreed and undertaken to make such grant of fifty pounds per annum as aforesaid, by an instrument, to be executed by us under our common seal, in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of your Majesty, chapter one hundred and eleven.

"Now, therefore, with the consent of the Right Reverend Edward Harold, Bishop of the said diocese of Winchester (in testimony whereof he has signed and sealed this scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose that all that part of the said new parish of Saint Philip, Battersea, which is described in the schedule hereunder written, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette of any Order of your Majesty in Council ratifying this scheme, become and be constituted a separate district for spiritual purposes, and that the same shall be named 'The District of the Ascension, Lavender Hill.'

"And we further recommend and propose that the whole right of patronage of the said district so recommended to be constituted, and of the nomination of the incumbent thereof, shall, without any assurance in the law other than this scheme and any duly gazetted Order of your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to and become absolutely vested in and shall and may be exercised by the Warden, Council, and Scholars of Keble College, in the University of Oxford, and their successors for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or to any of them in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of the Ascension, Lavender Hill, being:—

"All that part of the new parish of Saint Philip, Battersea, in the county of Surrey, and in the diocese of Winchester, which is bounded on the north-west by the new parish of Saint Saviour, Battersea Park, and on the west by the new parish of Christ Church, Battersea, both in the county and diocese aforesaid, and upon all other sides, that is to say, on the south-east, on the east, and on the north, by an imaginary line commencing upon the boundary which divides the said new parish of Christ Church, Battersea, from the new parish of Saint Philip, Battersea aforesaid, at the point where Latchmere-road joins the road called or known as Lavender-hill, and extending thence, north-eastward, for a distance of thirty-one chains, or thereabouts, along the middle of the last-mentioned road to its junction with the street or road called or known as Tyneham-grove; and extending thence, northward, along the middle of the last-mentioned street or road, and along the middle of Elcho-road, to the junction of the last-named road with Eversleigh-road; and extending thence, westward, for a distance of four and a half chains, or thereabouts, along the middle of the last-named road to its junction with the roadway which leads across the line of the Ludgate-hill branch of the London, Chatham, and Dover Rail-

way into Culvert-road; and extending thence, northward, for a distance of one chain, or thereabouts, along the middle of the said roadway to the centre of the level crossing over the said branch line of railway; and extending thence, westward, for a distance of nine chains, or thereabouts, along the middle of the same branch line of railway to the boundary at the centre of the bridge which carries the main line of the London and South-Western Railway over the branch line of railway aforesaid, which boundary divides the said new parish of Saint Philip, Battersea, from the new parish of Saint Saviour, Battersea Park aforesaid."

And whereas a draft of the said scheme has, in accordance with the provisions of the hereinbefore secondly-mentioned Act, been transmitted to the patron and to the incumbent of the said new parish of Saint Philip, Battersea, out of which it is intended that the district in such scheme recommended to be constituted shall be taken:

And whereas the patron of the said new parish of Saint Philip, Battersea, has signified his consent to the said scheme:

And whereas the incumbent of the same new parish has offered certain objections to the said scheme:

And whereas the said scheme has, notwithstanding such objections, been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Winchester.

C. L. Peel.

AT the Court at Windsor, the 28th day of June, 1875.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, sections six and eight, duly prepared and laid before Her Majesty in Council a scheme, bearing date the tenth day of June, in the year one thousand eight hundred and seventy-five, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of your Majesty, chapter thirty-seven, sections six and eight, have prepared, and now humbly lay before your Majesty in Council, the following scheme for authorizing the sale and disposal of certain property formerly belonging to the Archdeaconry of Salop, in the diocese of Hereford, and now vested in us.

"Whereas under an Act of the third and fourth years of your Majesty, chapter one hundred and thirteen, and by virtue of an Order of your Majesty in Council made under the provisions of the same Act, and bearing date the tenth day of June, in the year one thousand eight hundred and forty-three, and duly published in the London

Gazette on the sixteenth day of the same month certain land then belonging to the said Archdeaconry, and described in the said Order as a meadow, situate in the parish of Saint Nicholas, in the city of Hereford, and called or known by the name of 'the Archdeacon's Meadow,' became absolutely vested in us, for the purposes and subject to the provisions applicable to other hereditaments vested in us.

"And whereas the said land is now in our possession, and is not subject to any outstanding lease or grant, but on account of its character and situation is unsuitable and inconvenient to be held or applied for the purposes for which estates vested in us are applicable, under the acts by which our proceedings are governed.

"And whereas, with a view to the advantageous appropriation of the said land, or of the proceeds thereof, for the ultimate improvement of our common fund, it is expedient that the said land, or such part thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and, accordingly, that we should be empowered to dispose of our interest in the same, or in any part thereof, in such manner as shall appear to us advisable.

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of your Majesty, chapter thirty-seven, have prepared, and now humbly lay before your Majesty in Council, the following scheme for authorising the sale and disposal of certain property, situate in the township of Heworth, in the city and county of York, and now vested in us:

"Whereas, under and by virtue of a certain indenture, bearing date the third day of July, in the year one thousand eight hundred and sixty-three, and made or expressed to be made between Jane Clark, of the city of York, Spinster, of the first part, John Robert Mills, of the same city, Esquire, of the second part, James Silburn Barber, of Osbaldwick, in the county of York, Esquire, of the third part, and us, the Ecclesiastical Commissioners for England, of the fourth part, certain land, situate in the said township of Heworth, and particularly described in the first schedule annexed to the said indenture, and consisting of a close, called the Great Holme, comprising three acres and two roods, and of a close, called Bridge End Close, comprising six acres and one rood, became, with its appurtenances, and is now, vested in us.

"And whereas the said land is not subject to any outstanding beneficial lease or grant, but is now in our possession, but some portion thereof, on account of its character and situation, is unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

"And whereas, with a view to the advantageous appropriation of the same, or of the proceeds thereof, for the ultimate improvement of our common fund, it is expedient that the said land, or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly, that we should be empowered to sell or dispose of our interest in such land, or in any part or parts thereof, in such manner as shall appear to us advisable.

"Now, therefore, we humbly recommend and propose, that we may be authorized and empowered, by instrument or instruments in writing, duly executed according to law, from time to time, to sell or dispose of, and duly to convey, according to the provisions of the said Act, all or any of the said land so vested in us as aforesaid, with its appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise, as he or they shall direct or appoint, and for such consideration as shall, upon due calculation and enquiry, appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale, from time to time, as occasion may arise, in the purchase of other lands, tithes, rent-charges, tenements, or

hereditaments, or of some estate or interest therein, convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some Government or Parliamentary stock, or other public securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of York.
